INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Pollard (U.S.) LTD 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Pollard (U.S.) LTD 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by state or federal agency, provided that the statements or information regarding assets held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures accompanying the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining the Plan’s transactions presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information, with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of Plan management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, was presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

POLLARD (U.S.) LTD 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. Description of the Plan

The following description of the Pollard (U.S.) LTD 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering substantially all employees of Pollard (U.S.) Ltd., Schafer Systems, Inc., Pollard iLottery, Inc., Pollard Games, Inc. (dba American Games and International Gamco), and Diamond Game Enterprises, Inc., all of which are wholly owned subsidiaries of Pollard Holdings, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective April 1, 2022, the accounts of all union employees of Pollard (U.S.) Ltd. were transferred out of the Plan and into the Pollard (U.S.) Ltd. Union 401(k) Plan, a newly created plan.

B. Contributions

Each year, participants may contribute up to 100% of their pretax annual compensation as defined by the Plan as either pre-tax or after-tax Roth contributions, provided the contribution does not exceed limits established by law. Non-union Pollard (U.S.) Ltd. and Pollard iLottery, Inc. employees were subject to auto-enrollment through February 22, 2022 at 2%, unless they expressly opt-out, as well as automatic escalation of deferrals by 1% on October 1st of each year, up to a maximum deferral rate of 8%, provided they did not make an alternative deferral election.

Employer matching contributions for Pollard (U.S.) Ltd. non-union participants and Pollard iLottery, Inc. participants is 25% of the participant's deferral up to 6%, with an annual maximum contribution of \$1,500. Pollard (U.S.) Ltd. union employees were ineligible to receive matching contributions until September 1, 2021, at which time they became eligible to receive a match equal to 25% of the participant's deferral up to 6%, with an annual maximum contribution of \$1,500 until their accounts were transferred out of the Plan and into the new Pollard (U.S.) Ltd. Union 401(k) Plan on April 1, 2022. Employer matching contributions for International Gamco and American Games participants is 100% of the participant's deferral up to 3%. Employer matching contributions for Schafer Systems, Inc. and Diamond Game Enterprises, Inc. participants is equal to 100% of elective contributions up to 3% of eligible compensation, plus 50% of elective contributions over 3% up to 5% of eligible compensation.

Participants direct their contributions and employer contributions into various investment options offered by the Plan.

POLLARD (U.S.) LTD 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. Description of the Plan - Continued

C. Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, the employer matching contribution (when applicable) and an allocation of the Plan earnings/losses. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Vesting

Participants are vested immediately in their contributions and any prior safe harbor match contributions, plus actual earnings thereon. Vesting in the employers' matching contributions plus actual earnings thereon is based on years of continuous service, with participants vesting 25% after one year of service and 25% annually thereafter until fully vested at 4 years of service. Schafer Systems, Inc. participants vest 25% after two years of service and 25% annually thereafter until fully vested at 5 years of service. All participants whose accounts were merged into the Plan effective December 1, 2020 vest 20% in prior profit sharing contributions after one year of service, and 20% annually thereafter until fully vested at five years.

E. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by the highest outstanding loan balance in the participant's account during the prior twelve-month period. The notes receivable are secured by the balance of the participant's account and bear interest at a rate that the Plan Administrator determines to be reasonable based on the prevailing interest rates charged by those in the business of lending money for loans which would be made under similar circumstances. A participant may have only two loans outstanding at any given time. Principal and interest are paid ratably through payroll deductions at least quarterly.

F. Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may receive a single lump-sum payment of their entire account, or a single-sum payment of a portion of the account balance over a fixed time period. Balances less than \$5,000 are paid to terminated participants by lump sum payment without consent. Any such distribution greater than \$1,000 that is made to a participant without consent before normal retirement age will be rolled over to an individual retirement plan designated by the Plan Administrator. Other in-service distributions are paid out as permitted by the Plan.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. Description of the Plan - Continued

G. Forfeitures

Nonvested matching contributions of terminated participants become forfeitures in the year in which a participant incurs a break in service as defined in the Plan. Forfeitures are returned to the Plan's forfeiture account and used to pay Plan administrative expenses and/or reduce the employers' matching contributions. Unused forfeitures at December 31, 2022 and 2021 were \$31,527 and \$20,192, respectively. Employer matching contributions were reduced by forfeitures in the amounts of \$6,927 and \$17,478 in the years ended December 31, 2022 and 2021, respectively.

2. Summary of Significant Accounting Policies

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

B. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on the trade-date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) of fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

POLLARD (U.S.) LTD 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

2. Summary of Significant Accounting Policies – Continued

D. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses was recorded at December 31, 2022 and 2021. If a participant ceases to make loan repayments and the participant is deemed to be in default, the participant loan balance is reduced and a benefit payment is recorded.

E. Payments of Benefits

Benefits are recorded when paid.

F. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan's employers and are not reflected in the Plan's financial statements. Other administrative expenses not paid by the employers are paid by the Plan's participants and charged directly to the participant's accounts and are included in administrative expenses. Investment related expenses are included within net appreciation (depreciation) of fair value of investments.

G. Subsequent Events

Management has evaluated transactions and events occurring subsequent to December 31, 2022, and through July 26, 2023, the date the financial statements were available to be issued, to determine whether any events should be recognized or disclosed in these statements. There were no material transactions or events in the subsequent period requiring disclosure or recognition in the statements, other than those disclosed in Note 9.

H. Risks and Uncertainties

The Plan provides for investment options in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investments will occur in the near term and such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

3. Investments

The following information included in the financial statements and accompanying supplemental schedule was obtained from data prepared and certified as complete and accurate by Fidelity Management Trust Company:

	2022	2021
Investments at fair value	\$ 28,478,023	\$ 36,209,078
Notes receivable from participants	842,517	854,675
Net appreciation (depreciation) in fair value of investments	(7,100,826)	194,092
Interest and dividends	1,228,097	4,117,905
Interest income on notes receivable from participants	39,529	44,578

4. Fair Value Measurements

Financial Account Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows.

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

POLLARD (U.S.) LTD 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

4. Fair Value Measurements - Continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Funds: Valued at the daily net asset value of units of the fund as reported by the investment manager. The Plan has concluded that the NAV of the money market funds reported by the investment manager represents readily determinable fair value.

Common/Collective Trust Fund: Valued at the NAV of the common/collective trust (CCT). The NAV, as provided by the fund's trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the CCT, the investment advisor reserves the right to temporarily delay withdrawal from the trust to ensure securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

<u>Investments at Fair Value as of December 31, 2022</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 25,982,497	--	--	\$ 25,982,497
Investments measured at NAV (1)				2,495,526
Investments at fair value				<u>\$ 28,478,023</u>

<u>Investments at Fair Value as of December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 33,296,341	--	--	\$ 33,296,341
Investments measured at NAV (1)				2,912,737
Investments at fair value				<u>\$ 36,209,078</u>

- (1) In accordance with ASC 820, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliations of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

4. Fair Value Measurements – Continued

Fair Value of Investments in Entities that Use NAV

The following tables summarize investments measured at fair value based on NAV per share:

<i>December 31, 2022</i>	<i>Fair Value</i>	<i>Unfunded Commitments</i>	<i>Redemption Frequency (if currently eligible)</i>	<i>Redemption Notice Period</i>
Common/collective trust fund	\$ 2,495,526	n/a	Daily	n/a

<i>December 31, 2021</i>	<i>Fair Value</i>	<i>Unfunded Commitments</i>	<i>Redemption Frequency (if currently eligible)</i>	<i>Redemption Notice Period</i>
Common/collective trust fund	\$ 2,912,737	n/a	Daily	n/a

5. Party-in-Interest Transactions

The Plan engages the services of Fidelity Management Trust Company, whose responsibilities include investing assets, paying benefits to participants under the direction of the Plan Administrator, and performing the recordkeeping of the Plan. Administrative expenses paid by the Plan to Fidelity Management Trust Company qualify as party-in-interest transactions. Additionally, certain Plan investments are shares of mutual funds and money market funds managed by Fidelity.

6. Plan Termination

Although the employers have not expressed intention to do so, they have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become 100% vested in their account balances.

7. Income Tax Status

The Plan has adopted a prototype plan sponsored by Fidelity Management Trust Company. On June 30, 2020, the Internal Revenue Service stated the prototype adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan, and the Plan has since been amended, however, the plan administrator believes the Plan is currently designed and operating in compliance with the applicable requirements of the IRC.

POLLARD (U.S.) LTD 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

7. Income Tax Status – Continued

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The plan administrator has analyzed the tax positions taken by the Plan, and concluded as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to net income per Schedule H of Form 5500 for the year ended December 31, 2021:

	2021
Net increase per the financial statements	\$ 5,703,004
Current year employer contribution receivable	--
Prior year employer contribution receivable	26,162
Immaterial adjustment	--
Total net income per Form 5500	\$ <u>5,729,166</u>

9. Subsequent Events

Effective April 14, 2023, a plan amendment modified employer matching contributions for Pollard iLottery, Inc. participants from 25% of the participant's deferral up to 6%, with an annual maximum contribution of \$1,500 to 100% of elective contributions up to 3% of eligible compensation, plus 50% of elective contributions over 3% up to 7% of eligible compensation with no annual maximum.
