INDEPENDENT AUDITOR'S REPORT

Finance Committee - Association of Washington Business
AWB Healthchoice Health Plan
Olympia, Washington

Opinion

We have audited the financial statements of AWB Healthchoice Health Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits – modified cash basis as of October 31, 2022 and 2021, the related statement of changes in net assets available for benefits – modified cash basis for the year ended October 31, 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits – modified cash basis of AWB Healthchoice Health Plan as of October 31, 2022 and 2021, and the changes in net assets available for benefits – modified cash basis for the year ended October 31, 2022, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AWB Healthchoice Health Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AWB Healthchoice Health Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AWB Healthchoice Health Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

AWB HEALTHCHOICE HEALTH PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

General

The AWB Healthchoice Health Plan (the Plan) is a fully insured health and welfare plan providing medical, life, dental, vision, and other benefits to enrolled eligible employees and dependents of employers that are members of the Association of Washington Business (AWB). The Plan is a group insurance arrangement that operates as a “Multiple Employer Welfare Arrangement” as defined by the Employee Retirement Income Security Act of 1974 (ERISA) and related laws and regulations. The Plan is operated by AWB, in coordination with the participating employers and through contracts with third parties. Each employer that participates in the Plan is the plan administrator with respect to the coverage for its own employees for purposes of ERISA. AWB acts as the Sponsor of the Plan for ERISA reporting purposes.

Effective August 2003, the Plan established a trust (the Trust), and U.S. Bank was appointed as a trustee for funds held by the Plan. The Trust was created and established by the Sponsor to receive and to hold contributions of participating employers and serve as the conduit for payment of insurance premiums to the insurance companies that provide Plan benefits. AWB and its designated affiliates have exclusive authority to direct the trustee regarding payments from the Trust. The Trust assets are used for the exclusive benefit of Plan participants and beneficiaries and to pay Plan expenses.

Effective with the enactment of the Affordable Care Act on January 1, 2014, the Plan became grandfathered whereby only currently participating employers may continue in the Plan after December 1, 2014. New employers cannot participate in the Plan. A plan is considered grandfathered if it was in effect on March 23, 2010, and the coverage in effect as of March 23, 2010 does not undergo significant changes.

Employer Eligibility

To be eligible for participation in the Plan, an employer must meet the following criteria:

- Must be a firm, corporation, partnership, or proprietorship directly engaged in business employing at least two eligible employees that work at least 20 or more hours per week. For dental coverage, a minimum number of three eligible employees is required.
- Must be a member in good standing of AWB.
- A minimum of 50% of enrolled employees must live and work in Washington State.

Contribution and Participation

To become and remain a participating employer in the Plan, the employer must contribute at least 75% of the coverage charge per eligible employee. This is the minimum employer contribution, but the employer may contribute up to 100% of the coverage charge. There is no minimum employer contribution requirement for dependent coverage. Dependent contribution percentage may not be higher than the contribution toward employee coverage.

When the Employer Contributes 100%

If the employer contributes 100% of the cost of employee coverage, then each employee must enroll in the Plan when he or she becomes eligible. When the employer pays 100% of the cost of coverage, an employee does not have the option to refuse or waive coverage even if he or she has coverage elsewhere.

AWB HEALTHCHOICE HEALTH PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

When the Employer Contributes 100% (concluded)

If the employer contributes 100% of the cost of coverage for dependent coverage, then each dependent must enroll in the Plan when he or she becomes eligible. Coverage is automatic as a result of meeting the definition of an eligible dependent as defined in the insurance contract. When the employer pays 100% of the dependent's cost of coverage, the dependent does not have the option to refuse or waive coverage.

If the employer contributes 100% of the cost of employee coverage but not 100% of the dependent cost, 100% of eligible employees must enroll and 70% of the eligible dependents must enroll.

For purposes of determining the aggregate number of eligible dependents, which includes the spouse and children, the employer does not need to count dependents that have medical coverage through another source.

When the Employer Contributes Less Than 100%

The participating employer is required to contribute at least 75% of the cost of coverage per eligible employee. If the employer contributes 75% of the cost of employee coverage, then 75% of eligible employees must enroll and 70% of eligible dependents must enroll. For this purpose, an eligible employee includes each employee who has satisfied the service requirements established by the employer for eligibility.

However, employees who are able to provide evidence of another group coverage may be excluded from the enrollment requirement. For purposes of determining the aggregate number of eligible dependents, the group does not need to count dependents that have medical coverage through another source.

Subscription Charges and Premiums Collected

Participating employers pay subscription charges, comprised of premiums, administration fees and commissions. These funds are collected by Vimly Benefit Solutions, Inc. (Vimly), a third-party administrator, into an account which is owned by Vimly and therefore excluded from the Plan and the trust. Vimly pays administrative fees directly to Forterra, Inc. (Forterra), a wholly-owned subsidiary of AWB, and commissions directly to ProPoint, LLC (ProPoint), a wholly-owned subsidiary of Forterra, prior to transferring the remaining funds to the Plan.

Administrative fees and commissions paid by participants to Vimly and disbursed from the Vimly-owned bank account are accounted for as indirect costs and are therefore not recorded in the Statement of Changes in Net Assets Available for Benefits - Modified Cash Basis. Therefore, the premiums collected as reported in these financial statements exclude the amounts remitted by employers which represent administrative fees paid to Forterra and commissions paid to ProPoint. See Note 3 for additional information, including amounts paid to Forterra and ProPoint. The premiums are based on the type of coverage the participating employers have requested. It is the individual participating employer's discretion to determine whether employees must contribute to the Plan.

Other Contributions

During the year ended October 31, 2022, Forterra closed a custodial trust account previously used for the collection of the subscription charges. All remaining funds were contributed to the Plan's trust account and are included in the Statement of Changes in Net Assets Available for Benefits – Modified Cash Basis as Other contributions.

AWB HEALTHCHOICE HEALTH PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (concluded)

Plan Termination

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's policy is to prepare its financial statements on the modified cash basis of accounting. Under this basis, revenue is recognized when received by the Plan rather than when earned and expenditures are recognized when paid rather than when incurred. Equipment purchases, if any, are capitalized and depreciated over their estimated useful lives.

Use of Estimates

The preparation of financials statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of a money market account in the Trust.

Payment of Benefits and Expenses

Insurance premiums are paid to the insurance companies that insure plan benefits. Claims are made to and paid by the insurance carriers. Approximately 96% of the premiums paid to the carriers is paid to Premiera Blue Cross. Except as discussed above and in Note 3 below, administrative and other expenses of the Plan are generally paid from Plan assets.

Income Taxes and Reporting Status

The Plan is required to operate in conformity with applicable provisions of the Internal Revenue Code (IRC) to maintain the tax-exempt status of the Plan. The Sponsor and legal counsel believe that the Plan is designed and continues to operate in a manner which complies with applicable regulations and that no determination letter from the Internal Revenue Service is required.

The Plan is required to file a Form 5500 Annual Return/Report of Employee Benefit Plan and a Form M-1 Report for Multiple Employer Welfare Arrangements. The Form 5500 filing is made as a group insurance arrangement, a Direct Filing Entity under applicable rules and regulations.

AWB HEALTHCHOICE HEALTH PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

Income Taxes and Reporting Status (concluded)

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that it estimates would not be fully sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of October 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

Subsequent Events

The Plan has evaluated subsequent events through July 26, 2023, the date which the financial statements were available to be issued.

NOTE 3 – ADMINISTRATION

Services Agreement

Effective October 1, 2010, AWB entered into an amended and restated agreement with Forterra which exclusively designates Forterra to administer the Plan and certain other specified plans and programs sponsored by AWB. The agreement authorizes Forterra to designate and to subcontract the performances of any administrative functions to third party administrators. The agreement has a term of five years with automatic renewal for additional five-year terms unless otherwise terminated in accordance with the provisions of the agreement.

As discussed in Note 1 above, funds are initially received into a custody account managed by Vimly. Forterra receives 2.5% of the remittances as compensation for services it performs. The amounts paid to Forterra have been excluded from these financial statements. Total fees paid to Forterra for the year ended October 31, 2022 were \$237,390. The arrangement renews annually, subject to the right of either party to terminate the agreement at its discretion upon at least 90 days prior written notice. Vimly performs the billing and collection, eligibility determination, benefit processing, recordkeeping, and reporting for the Plan. Fees totaling \$83,362 for the year ended October 31, 2022 are included in administrative fees in the statement of changes in net assets available for benefits.

Other Costs Paid by the Plan Sponsor
