Qualico Developments (U.S.), Inc. 401(k) Plan
Pflugerville, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Qualico Developments (U.S.), Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Qualico Developments (U.S.), Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Qualico Developments (U.S.), Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Qualico Developments (U.S.), Inc. 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit the section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Qualico Developments (U.S.), Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Qualico Developments (U.S.), Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

Qualico Developments (U.S.), Inc. 401(k) Plan (the "Plan") is a defined contribution plan covering substantially all eligible employees of Qualico Developments U.S., Inc. (the "Company" or "Plan Sponsor"), including eligible employees of certain subsidiaries which are adopting employers of the Plan. The Plan became effective January 1, 2018 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All Plan assets are held by Reliance Trust Company. Complete information regarding the Plan is included in the Plan Agreement. Significant Plan provisions are summarized below.

Plan amendments

Effective June 1, 2022, the Plan was amended and restated to comply with legislative and regulatory changes set forth in IRS Notice 2017-37. No significant provisions were changed as a result of the restatement.

Effective July 1, 2022, the Plan was amended to remove the service requirement for employees to participate. Additionally, vesting in discretionary profit sharing and employer matching contributions, as amended, are subject to a two-year graded vesting schedule whereby contributions plus earnings thereon are 50% vested after 1 year and 100% vested after 2 years or more.

Effective October 1, 2022, the Plan was amended and restated to exclude reimbursements or other expenses, allowances, cash and non-cash fringe benefits, moving expenses, deferred compensation, and welfare benefits from eligible compensation. On October 1, 2022, effective January 1, 2018, the Plan was amended to exclude Safe Harbor Fringe Benefits from eligible compensation.

Eligibility

Employees are eligible to participate in the Plan beginning the first of the month coinciding with or next following the date eligibility requirements have been met. Participants must be employed on December 31 to be eligible for discretionary profit-sharing contributions unless the participant terminates due to death, disability, or retirement.

Contributions

Participants are allowed to make elective pre-tax or Roth contributions to the Plan of up to 90% of their annual eligible Plan compensation, as defined, subject to limitation under the Internal Revenue Code (IRC). Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified retirement plans or individual retirement accounts.

1. DESCRIPTION OF THE PLAN (continued)

Contributions (continued)

The Company makes employer matching and discretionary profit sharing contributions to the Plan of amounts determined and authorized by the Plan and the Company's Board of Directors up to the maximum amounts permitted by the IRC. The Company's matching contributions are based on each participant's contribution, up to 4% of the participant's compensation, which are calculated and funded on a pay period basis. No discretionary profit sharing contributions were approved or made during 2022.

Participant accounts

Participants direct the investment of their accounts among various investment options offered by the Plan. Participants may change their investment options daily.

Each participant's account is credited with (a) the participant's contributions, (b) an allocation of employer contributions, and (c) an allocation of investment earnings, and is charged with (a) withdrawals, (b) an allocation of investment losses, and (c) certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, including rollover contributions, plus actual earnings thereon. Vesting in the Company's matching and discretionary profit sharing contributions, plus actual earnings thereon, is based on years of credited service, as defined. A participant is 100% vested upon death or disability.

As amended July 1, 2022, Company matching and discretionary profit sharing contributions are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Percentage</u>
1	50 %
2 or more	100 %

Forfeitures

Non-vested balances of participants' accounts may be subject to forfeiture upon termination of their employment with the Company. A forfeiture occurs in the Plan year in which the participant either receives a distribution of their vested account or has five consecutive one-year breaks in service, as defined by the Plan. Forfeitures are retained in the Plan and used either to pay Plan administrative expenses or to reduce future employer contributions. Forfeitures and related activity were not significant as of December 31, 2022 and 2021 and for the year ended December 31, 2022.

1. DESCRIPTION OF THE PLAN (continued)

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum of i) \$50,000 reduced by the highest outstanding note receivable balance over the prior twelve months or ii) 50% of their vested account balance, whichever is less. Notes receivable from participants are secured by the vested balance in the participant's account and bear interest at the prime rate plus 1%. Participants may only have one note receivable outstanding at a time. Principal and interest are paid ratably through payroll deductions over a period generally not to exceed five years, unless the funds are used for purchase of a principal residence, in which case repayment terms may be extended.

Payment of benefits

Upon termination of service due to death, disability, normal retirement, or termination of employment, a participant is entitled to receive an amount equal to the vested interest in his or her account, payable in lump-sum form, installments, or partial withdrawals. In general, if a participant's vested account balance, as defined by the Plan, is greater than \$5,000 and employment is terminated other than due to retirement or death, the account may not be distributed before normal retirement without the participant's consent. Participant account balances that are less than \$5,000, but in excess of \$1,000 (the involuntary cash-out amount) will be paid as a direct rollover to an individual retirement account. However, regardless of participant election as to the payment, the Plan may, upon termination of service of a participant for any reason, pay the benefits owed in a lump sum if the account balance is less than the involuntary cash-out amount. Distributions are subject to the applicable provisions of the Plan Agreement.

In-service withdrawals of all or a portion of a participant's vested account balance may be withdrawn by a participant after reaching age 59 ½, subject to a \$500 minimum amount. In-service withdrawals of all or a portion of a participant's rollover account balance may be withdrawn at any time.

Withdrawals from the Plan may also be made upon circumstances of financial hardship, subject to a \$500 minimum amount, in accordance with the provisions specified in the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS).

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to IRS penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

1. DESCRIPTION OF THE PLAN (continued)

SECURE 2.0

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Plan Sponsor has until the end of the first plan year beginning on or after January 1, 2025 to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of the financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Risks and uncertainties

The Plan provides for investments in various investment securities, which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the financial statements and supplemental schedule.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies using information provided by investment advisers, the trustee, and the insurance company. See Note 3 for discussion of fair value measurements.

Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and expenses charged to the Plan for investments in mutual fund accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. For participant loans that become delinquent, are not cured and result in default, the amount of the unpaid loan principal and interest due to the Plan will be treated as a deemed distribution. Deemed distributions are reported as a taxable distribution and remain part of the participant's account balance until a distributable event occurs.

Contributions and contributions receivable

Contributions from participants and related receivables, are recorded based on the date the contributions are separated from the participants' pay (pay date). The Plan records receivables for participants' contributions based upon the contribution recognized, less amounts received by the Plan as of the last day of the Plan year. Contributions from the Company are recorded in the year earned to coincide with the year in which the Company records the contributions to its general ledger. The Plan records receivables for Employer contributions based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year. Rollover contributions from participants are recorded based on the date the rollover contributions have been received by the Plan's trustee.

Payment of benefits

Benefits to participants are recorded by the Plan when actual payment is made.

Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payment transactions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. The Plan is not required to reimburse the Plan Sponsor for expenses paid on its behalf.

Subsequent events

The Plan evaluated events occurring between the end of the most recent fiscal year and through the report date, July 31, 2023, the date the financial statements and supplemental schedule were available to be issued. See specific subsequent events disclosed in Note 9.

3. FAIR VALUE MEASUREMENTS

The guidance for fair value measurement establishes the authoritative definition of fair value, sets out a framework for measuring fair value, and outlines the required disclosures regarding fair value measurements. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The Plan uses a three-tier fair value hierarchy based upon observable and non-observable inputs as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: Unobservable inputs developed using the Plan's estimates and assumptions which reflect those that market participants would use.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Qualico Developments (U.S.), Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

3. FAIR VALUE MEASUREMENTS (continued)

- *Collective trust fund (Invesco Stable Asset Fund - ADPZ Class)*: The Invesco Stable Asset Fund - ADPZ Class is a bank collective trust fund administered by Invesco Trust Company. This fund is valued at the NAV of units of a stable value trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. The NAV is not a publicly-quoted price in an active market. ASC 820 information on the Invesco Stable Asset Fund - ADPZ Class's underlying assets and their assigned fair value hierarchy was obtained from the audited financial statements that are made available to applicable plan sponsors.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 5,885,356</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,885,356</u>

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 5,814,486</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,814,486</u>

Investments, at fair value, that are valued using NAV as a practical expedient totaling \$264,718 and \$172,782 have been excluded from the tables above as of December 31, 2022 and 2021, respectively.

4. INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Total investment loss and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2022.

The plan administrator has requested that the Plan's independent auditor perform no audit procedures on the certified information other than to agree the certified information to the related information included in the financial statements and supplemental schedule.

5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan assets include notes receivable from participants, which qualify as party-in-interest transactions under ERISA. Fees incurred by the Plan for administrative services are included in plan expenses, as they are paid through revenue sharing, rather than a direct payment. The Plan Sponsor pays directly any other fees related to the Plan's operations.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the termination of the Plan, the individual accounts of all members shall become fully vested. After deducting all charges and expenses, the balances of all individual accounts will be adjusted, and the remaining assets distributed.

7. TAX STATUS

The Plan adopted a volume submitter plan document which received an advisory letter from the IRS on October 6, 2020, which stated that the volume submitter plan document is designed in accordance with the applicable sections of the IRC. The plan administrator believes that the Plan, as adopted and amended, is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes is included in the Plan's financial statements.

For the year ended December 31, 2022, the Plan administrator determined that certain operational errors existed with respect to the Plan. The Plan Sponsor is in the process of quantifying and correcting these operational errors.
