INDEPENDENT AUDITORS' REPORT

To the Administrative Committee and Participants of the
Barker Management, Inc. 401 (K) Plan;

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Barker Management, Inc. 401 (K) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Barker Management, Inc. 401 (K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Barker Management, Inc. 401 (K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Barker Management, Inc. 401 (K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

NGP & Associates

Certified Public Accountants
(An Accountancy Corporation)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Barker Management, Inc. 401 (K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Barker Management, Inc. 401 (K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule (Schedule H, Line 4i – Schedule of Assets Held (At End of Year)) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted

auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

BARKER MANAGEMENT, INC. 401(K) PLAN

Notes to Financial Statements
December 31, 2022

1. Description of Plan

The following description of the Barker Management Inc. 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement and amendments for a more complete description of the Plan's provisions.

(a) General

Barker Management, Inc. (the "Company"), established and adopted the Barker Management, Inc. 401(K) Plan (the "Plan") effective February 1, 2002. The Plan is a defined contribution plan covering substantially all employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Contributions

Participants who are employees of the Company for three months may elect to have the Company contribute on their behalf to the Plan a portion of their compensation for the Plan year. Such salary reduction contributions ("elective deferrals") on a pre-tax basis shall not exceed each participant's annual compensation, as defined, to a maximum of \$20,500 and \$19,500 for the years ended December 31, 2022 and 2021, respectively. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions of up to \$6,500 and \$6,500 for the years ended December 31, 2022 and 2021, respectively. Additionally, participants may elect to transfer funds into the Plan from other qualified retirement plans.

The Company also makes contributions to the Plan. Company matching contributions are allocated to participants based on their elective deferrals. The Company's matching contribution consists of an amount equal to 50% of each participant's elective deferrals up to 6% of the participant's eligible compensation. During the year ended December 31, 2022, the Company made matching contributions in the amount of \$160,521. The Company may also make contributions at the discretion of the Company's board of directors. Such contributions are not limited to the Company's profits. No discretionary contributions were made to the Plan during the year ended December 31, 2022.

(c) Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contributions, (b) Plan earnings and losses and (c) forfeitures of terminated participants' non-vested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting and Forfeiture

Participants are immediately vested in their contributions plus actual earnings thereon. Participants become vested in Company matching contributions, including earnings thereon, and based on years of service to the Company. Commencing at the end of the second year of completed service, participants vest at the rate of 20% for each completed year of service to the Company. After completing six years of service, a participant is 100% vested in Company matching contributions and earnings thereon.

Notes to Financial Statements

December 31, 2022

1. Description of Plan (continued)

In the event a participant withdraws from the Plan before fully vesting, the unvested portion of Company matching contributions, including earnings thereon, is forfeited. Forfeitures may reduce the amount of future Company matching contributions or may be used to pay for administrative expenses of the Plan, at the discretion of the Company's board of directors. There were forfeitures amounting to \$11,023 and \$11,549 during the years ended December 31, 2022 and 2021, respectively which were used to reduce matching contributions.

(e) Participant Loans

A participant employed by the Company may borrow from the Plan the lesser of \$50,000 or 50% of the value of their vested account balance. The minimum loan amount is \$1,000. Loans are repaid in installments not to exceed 60 months (120 months for principal residence loans) and bear interest at fixed interest rates set by the trustees.

(f) Payment of Benefits

On termination of service due to death, disability, or retirement, a participant will receive the amount equal to the value of the participant's vested interest in his or her account. The payment can be made in a lump sum, or if elected by the participant, under a systematic withdrawal plan. A participant who is receiving a distribution under the systematic withdrawal may elect to accelerate installment payments, or any portion thereof, or to receive a lump sum distribution of the remainder of his or her account balance. A participant's beneficiary, if applicable, will receive the amount equal to the value of the participant's vested interest in his or her account in one lump sum.

(g) Termination of the Plan

The Company has the right under the Plan to suspend or discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, all participants will become 100% vested in their accounts.

2. Summary of Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

(b) Risks and Uncertainties

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(c) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

2. Summary of Significant Accounting Policies (continued)

(d) Notes Receivable from Participants

Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022.

(e) Payment of Benefits

Benefits are recorded when paid for financial statement purposes.

(f) Investment Valuation and Recognition of Income

Investments are recorded at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(g) Administrative Expenses

Certain expenses of maintaining the Plan are paid, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

(h) Subsequent Period Review

The trustees have evaluated events and transactions for potential recognition or disclosure through July 31, 2023, the date the financial statements were available to be issued.

3. Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: Valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability.

Guaranteed Investment Contract: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

3. Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2022 and 2021.

Assets at Fair Value as of
December 31, 2022

	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Mutual funds	\$ 4,353,890	\$ -	\$ -	\$ 4,353,890
Collective trusts	-	-	1,385,174	1,385,174
Total assets at fair value	\$ 4,353,890	\$ -	\$ 1,385,174	\$ 5,739,064

Assets at Fair Value as of
December 31, 2021

	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Mutual funds	\$ 5,525,416	\$ -	\$ -	\$ 5,525,416
Collective trusts	-	-	1,326,545	1,326,545
Total assets at fair value	\$ 5,525,416	\$ -	\$ 1,326,545	\$ 6,851,961

4. Allocation of Plan Assets

Employee contributions are allocated to various funds based on the elections made by each participant. Net income or loss of each fund is allocated on the basis of the proportionate asset balance of each participant as of the previous valuation date after adjustment for withdrawals, distributions, and other additions or subtractions that may be appropriate. Earnings are allocated on the basis of current shares held in each participant's account and the accounts are valued daily.

5. Loans to Participants

Participant loans bear interest ranging from 4.25% to 7.50%. Interest charged on outstanding loans amounted to \$9,116 during the year ended December 31, 2022. As of December 31, 2022 and 2021, the principal balance outstanding on participant loans was \$164,188 and \$212,147, respectively.

BARKER MANAGEMENT, INC. 401(K) PLAN

Notes to Financial Statements

December 31, 2022

6. Federal Income Taxes

The Internal Revenue Service has determined and informed the Plan, by a letter dated March 31, 2014 that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The plan administrator believes that the plan is designed and is currently being operated in compliance with the applicable requirements.

United States of America Generally Accepted Accounting Principles require Plan Management to evaluate tax positions taken by the Plan and recognize a tax liability (or assets) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdiction; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for the years prior to December 31, 2018.

7. Related Party Transactions

At December 31, 2022 and 2021, certain Plan investments were shares of mutual funds and money market funds managed by Reliance Group. Reliance Group is the custodian of the Plan, as defined by the Plan agreement; therefore these transactions qualify as party-in-interest transactions.

8. Administration of the Plan

The Administrators of the Plan are Peter Barker and Ann Barker, officers of the Company. The Trustee and custodian is the Reliance Trust Company and the recordkeeping services are performed by ADP, LLC.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for Plan benefits per the financial statements at December 31, 2022 and 2021, to Form 5500:
