Independent Auditor's Report

To the Plan Administrator of
the North Olympic Healthcare Network 401(k) Plan
Port Angeles, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the North Olympic Healthcare Network 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of October 19, 2022 and December 31, 2021, and the related statements of changes in net assets available for benefits for the period from January 1, 2022 to October 19, 2022 and for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of October 19, 2022 and December 31, 2021, and for the period from January 1, 2022 to October 19, 2022 and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter

As discussed in Note 1 to the financial statements, effective October 19, 2022 the Plan merged into the Buckingham Strategic Partners Pooled Employer Plan. Our opinion is not modified with respect to this matter.

North Olympic Healthcare Network 401(k) Plan
Notes to Financial Statements
October 19, 2022 and December 31, 2021

Note 1 - Description of Plan

The following description of the North Olympic Healthcare Network 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General and Plan Merger

The Plan was a defined contribution 401(k) Plan that covered eligible employees of North Olympic Healthcare Network (the “Company”), who were age 18 or older, excluding certain members of a union collective bargaining unit and certain nonresident aliens. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Beau Brown was the trustee of the Plan. The Plan was amended and restated effective January 1, 2022.

Effective October 19, 2022, the Plan merged into the Buckingham Strategic Partners Pooled Employer Plan. The transferred net assets have recognized in the accounts of the Buckingham Strategic Partners Pooled Employer Plan on or about October 19, 2022 at their balances previously carried in the accounts of the Plan. A summary of the transferred net assets follows:

Investments, at fair value	\$ 4,762,820
Notes receivable from participants	11,038
	<u>\$ 4,773,858</u>

Contributions

Each year, participants could make pre-tax or after-tax (Roth) deferrals, subject to limitations as provided in the Internal Revenue Code (the “IRC”) (\$20,500 in 2022 and \$19,500 in 2021). Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions, subject to limitations as provided in the IRC (\$6,500 in both 2022 and 2021). Participants could also contribute amounts representing distributions from other qualified retirement plans and certain IRAs (rollover). Participants directed the investment of their contributions into various investment options offered by the Plan. The Company also provided Safe Harbor matching contributions of 100% of the first 4% of eligible compensation for the period from January 1, 2022 to October 19, 2022 and for the year ended December 31, 2021.

North Olympic Healthcare Network 401(k) Plan
Notes to Financial Statements
October 19, 2022 and December 31, 2021

Note 1 - Description of Plan (continued)

Participant Accounts

Each participant's account was credited with the participant's contributions and Company contributions, as well as allocation of Plan earnings. Participant accounts were charged with an allocation of expenses that were paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Vesting

Participants were vested immediately in their contributions and Company safe harbor matching contributions, plus actual earnings thereon.

Payment of Benefits

Upon separation of service due to termination of employment, normal retirement, disability, or death, a participant could elect to receive a distribution of their vested account balance as a lump sum or in partial payments. Withdrawals could also be made upon attainment of age 59 ½, normal retirement age, or in the event of a financial hardship.

Notes Receivable from Participants

Participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50 percent of their vested account balance or \$50,000 (reduced by the Participant's highest outstanding loan balance during the prior 12 months). The loans were secured by the balance in the participant's account and bore interest at the Prime interest rate +1%. The maximum number of loans a participant could have outstanding at any given time was one.

SECURE Act and CARES Act: On December 20, 2019, the Setting Every Community Up for Retirement Enhancement ("SECURE") Act was passed, and most provisions in the law became effective on January 1, 2020. The SECURE Act implements key retirement legislation reform for plan sponsors and individuals. These provisions did not have a material impact on the financial statements.

In response to the COVID-19 global pandemic, on March 27, 2020 the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. Certain provisions of the CARES Act impact the operation of retirement plans during 2022. These provisions did not have a material impact on the financial statements.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment adviser and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and were expensed when they were incurred. No allowance for credit losses have been recorded as of October 19, 2022 and December 31, 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Note 2 – Summary of Significant Accounting Policies (continued)

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid directly by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Note 3 – Investments and Information Certified by the Custodian

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, plan management instructed the Plan’s independent auditors not to perform any auditing procedures with respect to the following information certified by Matrix Trust Company, the custodian of the Plan, as complete and accurate, except for comparing such information certified by the custodian with information included in the Plan’s financial statements:

Investments held certified by the custodian as of October 19, 2022 and December 31, 2021:

	<i>2022</i>	<i>2021</i>
Investments	\$ -	\$ 4,916,560

Investment income (loss) certified by the custodian for the period from January 1, 2022 to October 19, 2022 and for the year ended December 31, 2021:

	<i>2022</i>	<i>2021</i>
Net appreciation (depreciation) in fair value of investments	\$ (851,588)	\$ 495,714
Interest and dividend income	58,792	164,607

Note 3 – Investments and Information Certified by the Custodian (continued)

The following presents select investments, with approximate percentage of the Plan’s net assets, as of December 31, 2021.

DFA US Core Equity 1 I	\$ 965,484	19%
DFA Five-Year Global Fixed-Income I	920,556	19%
DFA Short-Term Extended Quality I	630,172	13%
DFA US Large Cap Value III	620,167	12%

During the period from January 1, 2022 to October 19, 2022 and the year ended December 31, 2021, the Plan’s investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by \$(851,588) and \$495,714, respectively.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Note 4 - Fair Value Measurements (continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at October 19, 2022 and December 31, 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The categorization of an investment within the fair value hierarchy is based upon the pricing transparency of the investment and does not necessarily correspond to Plan management's perceived risk of that investment.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. While Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of October 19, 2022 and December 31, 2021:

	<i>Assets at Fair Value as of October 19, 2022</i>			
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Interest-bearing cash	\$ -	\$ -	\$ -	\$ -

Note 5 – Related-Party and Party-in-Interest Transactions

Management believes that fees paid during the year / period for administrative, recordkeeping, and managerial services rendered by Matrix Trust Company, the custodian as defined by the Plan, and Sunwest Pensions, the Plan’s Third-Party Administrator, were based on customary and reasonable rates for such services. These transactions qualify as exempt party-in-interest transactions. Notes receivable from participants are also considered exempt party-in-interest transactions.

Note 6 – Tax Status of the Plan

The Plan used a Volume Submitter Profit Sharing Plan With CODA plan document sponsored by Pension Benefit Solutions Inc. DBA Sunwest Pensions. Pension Benefits Solutions Inc. DBA Sunwest Pensions obtained an opinion letter on June 30, 2020 in which the IRS stated that the Volume Submitter Profit Sharing Plan With CODA adopted by the Plan, as then designed, qualified under the Internal Revenue Code (“IRC”) Section 401(a). The Plan had not received a determination letter specific to the Plan itself; however, the Plan administrator and the Plan’s tax counsel believed that the Plan was designed, and was currently being operated, in accordance with the applicable requirements of the IRC and, therefore, believe that the Plan was qualified and related trust was tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 – Risks and Uncertainties

The Plan invested in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include risks related to pandemics and international conflicts. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities could have occurred in the near term and that such changes could have materially affected participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at October 19, 2022 and December 31, 2021 to Form 5500:

	2022	2021
Net assets available for benefits per the financial statements	\$ -	\$ 4,961,557
Less: participant contributions receivable at end of year	-	(19,682)
Less: employer contributions receivable at end of year	-	(16,221)
Net assets available for benefits per the Form 5500	\$ -	\$ 4,925,654

The following is a reconciliation of the net decrease in net assets available for benefits per the financial statements for the period from January 1, 2022 to October 19, 2022 to the Form 5500:

Net decrease in net assets available for benefits per the financial statements	\$ (187,699)
Add: participant contributions receivable at beginning of year	19,682
Add: employer contributions receivable at beginning of year	16,221
Net decrease in net assets available for benefits per the Form 5500	\$ (151,796)

Note 9 – Subsequent Events

The Plan has evaluated subsequent events through August 1, 2023, the date which the financial statements were available to be issued.
