Independent Auditors' Report

To the Plan Administrator of the
Community Teamwork, Inc. Retirement Plan
Lowell, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Community Teamwork, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Community Teamwork, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Teamwork, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Teamwork, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community Teamwork, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Teamwork, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Community Teamwork, Inc. Retirement Plan
Notes to Financial Statements
December 31, 2022 and 2021

Note 1 - Description of the Plan

The following description of the Community Teamwork, Inc. Retirement Plan (the "Plan") provides only general information. Participants should refer to the "Summary Plan Description" and the Plan document for a more complete description of the Plan's provisions. Copies are available from the Plan Administrator.

General

The Community Teamwork, Inc. Retirement Plan (the Plan) is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

All employees are eligible to participate in the Plan, and an employee becomes eligible for the employer contribution after completing six months of service.

Contributions

Eligible participants may contribute, for both regular and Roth deferrals, up to 75% of their compensation, as defined by the Plan up to the maximum allowable under Internal Revenue Code (IRC) Sections 401(k), 402(g), 404 and 415, including catch-up contributions.

The Plan has an auto enroll feature, which allows at an initial deferral rate of 3% for all newly eligible employees with no or zero deferral elections upon the later of 35 days after hire or employee entry date, and eligible employees being rehired upon the later of 30 days from the date of rehire or entry date.

Employer discretionary contributions are 5% of compensation for each eligible employee, as defined by the Plan. Employees do not have to contribute to receive the employer contribution.

Participants may also rollover amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct all contributions in various investment options offered by the Plan. Participant and employer contributions are recorded in the period in which payroll deductions are made.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Employer contributions and earnings are vested based on years of service. Employees will become 20% vested after one year of service, 50% vested after two years of services, and 100% vested after three years of service. A participant will be fully vested upon attainment of age 65, death or total and permanent disability.

Note 1 - Description of the Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) employer contributions and (b) Plan earnings and charged with transaction fees as applicable. Allocations are based on participant earnings or account balances as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow up to a maximum amount equal to the lesser of \$50,000 or one-half of their vested account balances. Participants may only apply for one loan each Plan year and may only have one loan outstanding at any given time. Repayment is made through payroll reductions. Upon default or termination of employment, the entire outstanding principal and accrued interest becomes immediately due and payable.

Plan Investments

The Plan's investments are held by Fidelity Management Trust Company in various mutual fund securities and a common collective trust. Participants have the option to allocate their contributions and the Plan Sponsor's contributions in their individual accounts among the various investment alternatives and to make transfers as specified in the Plan document.

Benefits and Withdrawals

If a participant's vested benefit is \$1,000 or less at the date of termination, the entire vested amount will be paid out as a lump-sum payment. If a participant vested benefit is greater than \$1,000 but less than \$5,000, the entire vested amount will be rollover to a designated Internal Retirement Account or Annuity ("IRA") set up by the Plan Sponsor. Upon retirement or termination of service, a participant may elect to receive a lump-sum amount equal to the value of his or her vested account. Annuity payments in, the form of a life annuity or 75% joint and survivor annuity are also allowed under the Plan.

The Plan allows hardship distributions to be withdrawn from participant deferral contributions and the vested amount of their profit-sharing account.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Fair Value Measurements

FASB ASC 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets and liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability and;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at contract and fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 2 - Summary of Significant Accounting Policies (continued)

Fair Value Measurements (continued)

Common/Collective Trust: Valued at NAV of units, as provided by the trustee and used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. The portfolio attempts to obtain prices from one or more third party pricing vendors or brokers to value its investments and when current market prices or quotations are not readily available or reliable, securities will be valued in good faith. Factors used in determining value vary by security type and may include market or security specific events, changes in interest rates and credit quality.

Money Market Fund: Valued at the quoted NAV of shares held by the Plan at year end.

The preceding methods described may produce a value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the value of certain financial instruments could result in a different value measurement at the reporting date.

Investment Valuation and Income Recognition

All investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest at interest rates between 4.25% and 7.25%. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and the benefit payment recorded.

Contributions

Contributions from the Plan Sponsor are accrued as of December 31, 2022 and 2021, based upon the contribution formula. Participants' contributions are recorded in the period in which their payroll deductions are withheld.

Note 2 - Summary of Significant Accounting Policies (continued)

Benefits Paid Directly to Participants

Benefits payments are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Expenses associated with the administration of the Plan and fees related to the administration of notes receivable from participants are charged directly to participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation/(depreciation) of fair value of investments.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

Forfeitures

If a participant terminates employment, any unvested portion of his or her account is forfeited to the Plan. Such forfeitures will be applied to reduce the out-of-pocket contributions of the Plan Sponsor or to pay Plan administrative expenses. The following is a summary of forfeiture activity.

	2022	2021
Forfeitures available at beginning of year	\$ 6	\$ 3
Current forfeitures	113,805	109,596
Forfeitures used for contributions	(113,746)	(109,551)
Forfeitures used for admin costs	-	(42)
Forfeitures available at end of year	<u>\$ 65</u>	<u>\$ 6</u>

Note 3 - Information Certified by the Plan's Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, in addition to the information contained in Note 4 – Fair Value of Investments and in the Supplemental Schedule – Schedule of Assets Held at End of Year, the Trustee, Fidelity Management Trust Company, has certified that the following data included in the accompanying financial statements and supplemental schedule as of and for the years ended December 31, 2022 and 2021 is complete and accurate.

	2022	2021
Investments, at fair value	\$ 24,805,080	\$ 31,697,460
Notes receivable from participants	622,398	557,231

Note 3 - Information Certified by the Plan's Trustee (continued)

The Plan's independent auditors did not perform auditing procedures with respect to this information other than comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4 - Fair Value of Investments

The Plan uses fair value measurements to record fair value adjustments to certain assets and to determine fair value disclosures. The following table presents the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31:

		Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3
December 31, 2022	Total			
Common collective trust*	\$ 381,371	\$ -	\$ -	\$ -
Mutual funds	24,423,709	24,423,709	-	-
Total	<u>\$ 24,805,080</u>	<u>\$ 24,423,709</u>	<u>\$ -</u>	<u>\$ -</u>
		Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3
December 31, 2021	Total			
Common collective trust*	\$ 470,503	\$ -	\$ -	\$ -
Mutual funds	31,226,957	31,226,957	-	-
Total	<u>\$ 31,697,460</u>	<u>\$ 31,226,957</u>	<u>\$ -</u>	<u>\$ -</u>

*In accordance with Subtopic 820-10 (see Note 2), certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

During 2022, the Plan's investments (including gains and losses on investments bought and sold during the year) depreciated in value by \$7,303,246.

Community Teamwork, Inc. Retirement Plan

December 31, 2022 and 2021

Note 5 – Exempt Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company, and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net depreciation in fair value of investments.

Note 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Further, due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

Note 7 - Tax Status

The Plan Sponsor has adopted the Fidelity Investments Prototype Profit Sharing 401(k) Plan which has received an Internal Revenue Service (IRS) opinion letter, dated June 30, 2020, that the prototype plan satisfies the applicable sections of the Internal Revenue Code ("IRC"). The Plan itself has not received an IRS opinion. However, the Plan Sponsor is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

December 31, 2022 and 2021

Note 8 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will automatically become 100% vested in all unvested company contributions.

Note 9 - Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 at December 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$25,427,478	\$32,254,691
Less: deemed distributions with no default	(9,182)	(7,876)
Net assets available for benefits per Form 5500	<u>\$25,418,296</u>	<u>\$32,246,815</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to Form 5500 for the Plan year ended December 31, 2022:

Net decrease in net assets available for benefits per the financial statements	\$ (6,827,213)
Plus: loan repayment on prior years deemed defaulted loan	7,876
Less: deemed distributions with no default	(9,182)
Net decrease in assets available for benefits per Form 5500	<u>\$ (6,828,519)</u>

Note 10 - Subsequent Events

FASB ASC 855-10, "*Subsequent Events*" defines further disclosure requirements for events that occur after the balance sheet date but before financial statements are issued. In accordance with ASC 855-10, the Plan's Sponsor has evaluated events subsequent to December 31, 2022 through July 28, 2023, which is the issuance date of this report.

There has been no other material event noted during this period that would either impact the results reflected in this report or the Plan's results going forward.
