## INDEPENDENT AUDITORS' REPORT

To the Plan Participants and Plan Administrator of  
Greenspring Associates Retirement Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of the Greenspring Associates Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of April 4, 2022 and December 31, 2021, the related statement of changes in net assets available for benefits for the period ended April 4, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of April 4, 2022 and December 31, 2021, and for the period ended April 4, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the Financial Statements**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Greenspring Associates Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Greenspring Associates Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of Greenspring Associates Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Greenspring Associates Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

### 1. DESCRIPTION OF THE PLAN

The following description of the Greenspring Associates Retirement Plan (the Plan) provides only general information. The Plan agreement should be referenced for a complete description of the Plan's provisions.

#### **General**

The Plan was a 401(k) profit sharing plan established by Greenspring Associates, LLC (the Company) effective January 1, 2005. Prior to the Plan merger, the Plan covered substantially all employees of the Company, except union employees and non-resident aliens, as defined by the Plan and such employees were eligible to participate in the Plan after completion of 3 months of service. Participants could enter the Plan on the first day of the month on which the eligibility requirements were met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was most recently amended and restated effective January 1, 2022 in preparation for the merger of assets into the StepStone Group LP 401(k) Retirement Plan.

#### **Plan Merger**

Effective January 1, 2022, all participants of the Plan began participating in the StepStone Group LP 401(k) Retirement Plan in preparation for the merger of the Plan with the StepStone Group LP 401(k) Retirement Plan. As of April 4, 2022, all assets of the Plan were merged with the StepStone Group LP 401(k) Retirement Plan.

#### **Participant Contributions**

Participants could elect to defer up to 100% of eligible compensation, as defined by the Plan, not to exceed the maximum allowable contributions under the Internal Revenue Code (the Code), which totaled \$20,500 for the calendar year ended December 31, 2022. Participants were permitted to make Roth elective contributions to the Plan. The participants' Roth elective contributions are allocated to a separate account maintained for such contributions. Participants who attained age 50 before the end of the Plan year could make additional catch-up contributions, subject to limitations imposed by the Code, which totaled \$6,500 for the calendar year ended December 31, 2022. Participants were also permitted to make rollover contributions from other qualified plans into the Plan.

#### **Company Contributions**

Prior to January 1, 2022, the Company may contribute a discretionary matching contribution to participants on a uniform basis. All participants were eligible to receive the discretionary matching contribution. Discretionary matching contributions were calculated on a per payroll basis and the Company had the discretion to make a true-up contribution on an annual basis. For the period ended April 4, 2022, the Company did not make a discretionary matching contribution.

## Notes to Financial Statements As of April 4, 2022 and December 31, 2021 and For the Period Ended April 4, 2022

---

### 1. DESCRIPTION OF THE PLAN – cont'd.

#### Company Contributions – cont'd.

Prior to January 1, 2022, the Company could make discretionary profit sharing contributions to the Plan. To receive discretionary profit sharing contributions, participants needed to completed at least 1 hour of service during the Plan year. Discretionary Company profit sharing contributions were allocated to all eligible participants in proportion to their eligible compensation for the year. For the period ended April 4, 2022, the Company did not make a profit sharing contribution.

#### Participant Accounts

Each participant's account is participant-directed and credited with the participant's contributions and distributions and allocations of: (a) Company contributions, (b) Plan earnings and losses and (c) administrative expenses. Allocations of earnings, losses, and administrative expenses are based on the proportion of each participant's account balance to the total of all account balances within the respective fund. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

#### Vesting

Participants are immediately vested in their salary reduction contributions and rollover contributions plus earnings thereon.

Vesting in the Company discretionary matching contribution and the Company discretionary profit sharing contribution portion of their accounts is based on years of continuous service as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Upon attaining the normal retirement age of 62, or the completion of five years of service, if later, participants shall be entitled to receive the full value of their accounts. The full value of participants' accounts will be paid in the event of death or total permanent disability.

## Notes to Financial Statements As of April 4, 2022 and December 31, 2021 and For the Period Ended April 4, 2022

---

### 1. DESCRIPTION OF THE PLAN - cont'd.

#### Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance, not to exceed \$50,000, without regard to the intended use of the funds. The minimum note amount is \$1,000 and a participant may have no more than one note outstanding at any given time. Notes are collateralized by the participant's vested account balance. Note repayments are to be made through payroll deductions with interest determined by the Plan Administrator at the time of note issuance. The interest rate shall remain fixed throughout the duration of the loan. Notes are to be repaid within five years unless the loan qualifies as a home loan. A home loan is a loan used to acquire a dwelling unit which, within a reasonable time, the participant will use as a principal residence.

#### Payment of Benefits

Upon termination of service, death, disability, retirement, or attainment of age 59 ½, a participant (or their beneficiary, in the event of death) is entitled to a distribution of their vested account balance. Distributions from the Plan are payable in the form of a lump sum payment prior to retirement.

Upon attaining retirement age, becoming disabled, or in the event of death, benefits may be requested by the participant (or beneficiary in the case of death) in the form of a lump sum, annuity, or installments. Upon termination, if a participant's account balance is less than \$1,000, the Plan may elect to automatically distribute the participant's vested balance in a lump sum distribution. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts may be withdrawn for a hardship purpose. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½. In-service withdrawals may be requested by a participant upon attainment of age 59 ½. In-service withdrawals must be at least \$1,000. Distributions and withdrawals are subject to the applicable provisions of the Plan agreement. As of April 4, 2022 and December 31, 2021, there were no net assets of the Plan allocated to participants who had elected to withdraw from the Plan but had not received such payment as of April 4, 2022 and December 31, 2021.

#### Forfeited Accounts

Forfeitures are used to reduce Company contributions or pay administrative expenses. As of April 4, 2022 and December 31, 2021, forfeitures available to the Plan totaled \$0 and \$309,710, respectively. No forfeitures were used to offset Plan expenses during the period ended April 4, 2022. Subsequent to the Plan year ended December 31, 2021, the Company made contributions that relate to that Plan year ended totaling \$1,430,792, which is recorded as a contributions receivable in the accompanying statements of net assets available for benefits. During the period ended April 4, 2022, forfeitures were used to offset the contribution in the amount of \$348,579, which is greater than the nonvested account balance as of December 31, 2021, given future forfeited amounts.

### 1. DESCRIPTION OF THE PLAN - cont'd.

#### Plan Expenses

Expenses incurred in the administration of the Plan are to be paid by the Plan unless the Company elects to pay some expenses with credits generated by Plan assets through the revenue sharing arrangement with the Plan's Trustee. Certain administrative expenses are paid by the Company. During the period ended April 4, 2022, the Company elected to pay a portion of the direct expenses related to the Plan. Expenses that are paid directly by the Company are excluded from the Plan's financial statements. Any revenue sharing in excess of the Plan's administrative expenses is allocated to participants on a pro-rata basis. The balance in the unallocated revenue sharing account totaled \$0 and \$18,921 as of April 4, 2022 and December 31, 2021, respectively. Loan and distribution fees are paid by the Plan and its participants. Investment related expenses are included in net depreciation in fair value of investments.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to net assets available for benefits and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

#### Risks and Uncertainties

The Plan provides for investments in assets that are exposed to risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur that materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

# GREENSPRING ASSOCIATES RETIREMENT PLAN

## Notes to Financial Statements As of April 4, 2022 and December 31, 2021 and For the Period Ended April 4, 2022

---

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

#### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the period.

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of April 4, 2022 and December 31, 2021. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Interest income is recorded on the accrual basis. Delinquent notes are treated as distributions based on the terms of the Plan agreement.

#### Fair Value Measurement

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1     Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2     Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3     Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

# GREENSPRING ASSOCIATES RETIREMENT PLAN

## Notes to Financial Statements As of April 4, 2022 and December 31, 2021 and For the Period Ended April 4, 2022

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont’d.

#### Fair Value Measurement – cont’d.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

*Interest bearing cash:* Valued at amortized cost plus accrued interest, which approximates fair value.

*Interests in registered investment companies:* Valued at the closing price reported in the active market in which the funds are traded.

*Interest in self-directed brokerage accounts:*

- *Interest bearing cash:* Valued at amortized cost plus accrued interest, which approximates fair value.

*Interest in common/collective trusts:* Valued based on the net asset value (NAV) practical expedient of shares held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used as of April 4, 2022 and December 31, 2021.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of April 4, 2022:

	Level 1	Level 2	Level 3	Total
Interest bearing cash	\$ -	\$ -	\$ -	\$ -
Interests in registered investment companies	-	-	-	-
Self-directed brokerage accounts	-	-	-	-

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - cont'd.

#### Fair Value Measurement – cont'd.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Interest bearing cash	\$ 586,326	\$ -	\$ -	\$ 586,326
Interests in registered investment companies	25,025,229	-	-	25,025,229
Self-directed brokerage accounts	4,264	-	-	4,264
Total assets in the fair value hierarchy	25,615,819	-	-	25,615,819
Interest in common/collective trusts (a)	n/a	n/a	n/a	150,519
Total investments, at fair value	\$ 25,615,819	\$ -	\$ -	\$ 25,766,338

- (a) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) using the practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table presents investments measured at fair value based on net asset value per share practical expedient, as of:

	April 4, 2022	December 31, 2021	Redemption Frequency	Redemption Notice Period	Unfunded Commitments
Interest in common/collective trusts <sup>(b)</sup>	\$ -	\$ 150,519	Daily	None	None

- (b) The fund in this category invests in high-quality bonds with short to intermediate-term maturities. This fund also purchases insurance contracts which aim to provide price stability on a day-to-day basis.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - cont'd.

#### Payments of Benefits

Benefits are recorded when paid.

#### Subsequent Events

The Plan evaluated for disclosure any subsequent events through July 19, 2023, the date the financial statements were available to be issued, and determined there were no material events that warrant disclosure.

### 3. INVESTMENTS

All investment information disclosed in the accompanying financial statements, including assets held as of April 4, 2022 and December 31, 2021, and interest and dividend income and net depreciation in fair value of investments for the period ended April 4, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Reliance Trust Company, the Trustee of the Plan.

### 4. PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in shares of investment funds managed by T. Rowe Price Associates, Inc. an affiliate of T. Rowe Price Services, Inc and T. Rowe Price Retirement Plan Services, Inc (collectively "T. Rowe Price"), the Custodian of the Plan. The Plan allows participants to take out notes against their vested account balances. The Company provides certain accounting and administrative services to the Plan for which no fees are charged. Such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

### 5. TAX STATUS

The Plan has adopted a pre-approved plan through T. Rowe Price, which received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has been amended since receiving the opinion letter. The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

## Notes to Financial Statements As of April 4, 2022 and December 31, 2021 and For the Period Ended April 4, 2022

### 5. TAX STATUS – cont'd.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties, and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of April 4, 2022 and December 31, 2021.

The Plan is subject to routine audits by the Internal Revenue Service and Department of Labor; however, there are currently no audits for any years in progress.

### 6. PLAN TERMINATION

The Plan has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Effective January 1, 2022, all participants of the Plan began participating in the StepStone Group LP 401(k) Retirement Plan in preparation for the merger of the Plan with the StepStone Group LP 401(k) Retirement Plan. Effective April 4, 2022, the assets of the Plan were merged into the StepStone Group LP 401(k) Retirement Plan. Participants became 100% vested in all contributions upon merger.

To the Plan Administrator and Those Charged with Governance of the Greenspring Associates Retirement Plan:

We have audited the financial statements of Greenspring Associates Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the period ended April 4, 2022, and have issued our report thereon dated July 19, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated November 8, 2022. Professional standards also require that we communicate to you the following information related to our audit.

### Significant Audit Findings

#### *Qualitative Aspects of Accounting Practices*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the period ended April 4, 2022. We noted no transactions entered into by the Plan during the period for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was the valuation of investments. We evaluated the key factors and assumptions used to develop the aforementioned estimate in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was the disclosure of fair value measurements in Note 2 and 3 to the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

### *Form 5500 Procedures*

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

### *Difficulties Encountered in Performing the Audit*

We encountered no significant difficulties in dealing with management in performing and completing our audit.

### *Uncorrected Misstatements*

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We are pleased to report that no misstatements were identified in performing and completing our audit.

### *Disagreements with Management*

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

### *Management Representations*

We have requested certain representations from management that are included in the management representation letter dated July 19, 2023.

### *Management Consultations with Other Independent Accountants*

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

### *Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

### *Other Matters*

This information is intended solely for the use of those charged with governance of the Greenspring Associates Retirement Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,
