### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Urethane of Kentuckiana, Inc. 401(k)/Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2022 and for the period from September 7, 2022 to December 31, 2022 from John Hancock Life Insurance Company and Empower Retirement, LLC as of December 31, 2021 and for the period from January 1, 2021 to September 6, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Urethane of Kentuckiana, Inc.  
401(k)/Profit Sharing Plan and Trust Agreement**

December 31, 2022 and 2021

**Note A--Description of Plan**

Urethane of Kentuckiana, Inc. (the "Company") is a commercial roofing contractor with over forty years of experience that sells and services roofing products throughout the continental U.S. The Urethane of Kentuckiana, Inc. 401(k)/Profit Sharing Plan and Trust Agreement (the "Plan") covers two companies: Urethane of Kentuckiana, Inc. (d/b/a Insulated Roofing Contractors) and Progressive Materials, LLC.

Effective May 18, 2021, Progressive Materials, LLC was sold and the participant account balances of \$2,957,761 for this company were transferred to the acquiring company's plan.

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**--The Plan is a defined contribution plan. The 401(k)/profit sharing portion of the Plan covers all employees of the Company, except union employees and non-resident aliens. An employee shall become a Participant in the Plan as of the later of (i) January 1, 2020, or (ii) on the first pay date of the first calendar quarter that begins after the Employee's employment date. The Prevailing Wage Rate portion of the Plan covers all employees who perform services under a Prevailing Wage Contract except highly compensated and key employees. There is no minimum age requirement to participate in this portion of the Plan and participants are members of the Plan effective on their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan Administrator oversees governance of the Plan including the appropriateness of the Plan's investment offerings, and monitors investment performance.

**Contributions**--Employees may contribute up to 100% of their pre-tax annual compensation, an after-tax Roth Elective contribution, or a combination of both, as defined by the Plan, through a salary reduction program. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make discretionary matching contributions which are determined annually by management. The Company made matching contributions of \$246,299 and \$256,525 for the years ended December 31, 2022 and 2021, respectively. Contributions are subject to certain statutory limitations.

Employer Prevailing Wage Rate contributions vary according to each individual contract and the applicable Prevailing Rate Schedule for that city and state. Participant contributions are not permitted in the Prevailing Wage Rate portion of the Plan. Participants direct the investment of the contributions into various investment options offered by the Plan. The Company made Prevailing Wage Rate contributions of \$296,137 and \$172,227 the years ended December 31, 2022 and 2021, respectively.

401(k)/Profit Sharing Plan and Trust Agreement**

December 31, 2022 and 2021

**Note A--Description of Plan--Continued**

The Company did not make any profit sharing or safe harbor contributions for the years ended December 31, 2022 and 2021. Participants may designate their contributions as pre-tax, Roth, or a combination of both.

Participant Accounts--Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, and (b) Plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting--Participants are immediately vested in their voluntary contributions, prevailing wage rate contributions, and actual earnings thereon. Participant rollover contributions from previous plans are fully vested. On termination of service due to death, disability or retirement, a participant is deemed fully vested in the Company matching portion of their account and related earnings. For termination of service for other reasons, vesting in the Company's matching portion of their accounts and the related earnings is based on continuous years of service as follows:

| <u>Service Years</u> | <u>Vested<br/>Percentage</u> |
|----------------------|------------------------------|
| 1                    | 0%                           |
| 2                    | 20%                          |
| 3                    | 40%                          |
| 4                    | 60%                          |
| 5                    | 80%                          |
| 6                    | 100%                         |

Notes Receivable from Participants--Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at prime, 7.50% at December 31, 2022, plus 1%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits--A participant who has become entitled to receive payment of benefits due to death, retirement, disability, or termination may elect to receive either a lump-sum amount equal to the value of the vested interest in his or her account, or receive monthly payments upon the purchase of a life annuity.

Forfeited Accounts--At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$133 and \$9,842 respectively. These amounts will be allocated to reduce employer's future contributions. Employer contributions were reduced by \$17,929 and \$2,210 for the years ended December 31, 2022 and 2021, respectively from forfeited nonvested accounts.

**Note B--Summary of Significant Accounting Policies**

The Plan follows generally accepted accounting principles as outlined in the Financial Accounting Standards Board's *Accounting Standards Codification* ("ASC"). Significant accounting policies are as follows:

Use of Estimates--The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Basis of Accounting--The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition--Investments are reported at fair value, except for fully benefit responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants--Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits--Benefits are recorded when paid.

Administrative Expenses--Certain expenses of maintaining the Plan are paid directly by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Date of Management's Review--Subsequent events were evaluated through July 28, 2023, which is the date the financial statements were available to be issued.

**Note C--Unaudited Information Certified by the Plan Trustee**

The December 31, 2022 and 2021, statements of net assets available for plan benefits, the investment activities included on the statements of changes in net assets available for plan benefits for the years then ended, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustees, John Hancock Life Insurance Company for the period September 7, 2022 to December 31 2022 and Empower Retirement, LLC for the period January 1, 2021 to September 6, 2022 and the for year ended December 31, 2021, in accordance with 29 CFR 2520.203-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The information certified includes total investments of \$14,056,957 and \$16,661,049 at December 31, 2022 and 2021, respectively, and related investment income (loss) of (\$3,586,291) and \$2,454,048 for the years then ended.

**Note D--Fair Value Measurements**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted process for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs would not be available. Level 3 inputs are only used when Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

*Level 1 Fair Value Measurements*

The fair value of the money market account is based on quoted net asset values of the shares as reported by the fund. The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

*Level 2 Fair Value Measurements*

Common collective trust funds are normally held by a bank or trust company and are primarily sold to employee benefit plans and usually include mutual funds for bond funds. The fair values of the common collective trust funds are based on quoted net asset values of the underlying investments held by the funds.

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2022 and 2021, there were no transfers into or out of Level 3.

**Urethane of Kentuckiana, Inc.  
401(k)/Profit Sharing Plan and Trust Agreement**

December 31, 2022 and 2021

**Note E--Investment Contract with Insurance Company**

During 2021, the Plan maintained a fully benefit-responsive guaranteed investment contract with MassMutual Retirement Services ("MassMutual"). MassMutual maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed fund issuer was contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. The investment contract is presented on the face of the statements of net assets available for benefits at contract value

Management and the Plan's Trustee believe that contract value is an appropriate measurement for the Plan's Investment Contract for financial statement reporting purposes, and that the contract value approximates fair value. Contract value, as reported to the Plan by the Trustee, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 was \$770,879. The average interest rate credited to participants was 1.56% as of December 31, 2021.

Certain events limit the Plan's ability to transact at contract value with MassMutual. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of material obligation under contract, or (d) a material misrepresentation. Management does not believe that any events that would limit the Plan's ability to transact at contract value with the Plan participants are probable of occurring.

The guaranteed fund does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

**Urethane of Kentuckiana, Inc.  
401(k)/Profit Sharing Plan and Trust Agreement**

December 31, 2022 and 2021

**Note F--Related Party Transactions**

Certain Plan investments are shares of mutual funds managed by John Hancock Life Insurance Company. John Hancock Life Insurance Company provides administrative services, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services for the period September 7, 2022 to December 31, 2022, amounted to \$4,432. Prior to John Hancock Life Insurance Company, investments were management by Empower Retirement, LLC and fees paid by the Plan were \$46,743 and \$76,065 for the period January 1, 2022 to September 7, 2022 and for the year ended December 31, 2021, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**Note G--Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**Note H--Tax Status**

The Internal Revenue Service ("IRS") has determined and informed the Plan by a letter dated August 19, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax council believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**Note I--Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
