INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Mueller Sports Medicine, Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying 2022 financial statements of Mueller Sports Medicine, Inc. 401(k) Retirement Plan ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The 2022 financial statements comprise the statement of net assets available for benefits as of November 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Voya Institutional Trust Company as of November 30, 2022 and for the period from January 12, 2022 to November 30, 2022, and Trust Point, Inc. as of January 11, 2022 and for the period from December 1, 2022 to January 11, 2022 stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying 2022 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of our ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of Mueller Sports Medicine, Inc. 401(k) Retirement Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 14, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with GAAP, and (b) the information in 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Mueller Sports Medicine, Inc. 401(k) Retirement Plan

Notes to Financial Statements

November 30, 2022 and 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of accounting - Mueller Sports Medicine, Inc. 401(k) Retirement Plan ("the plan") follows the accrual method of accounting wherein additions and deductions are reflected in the period earned or incurred.

Accounting estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Subsequent events - The financial statements include management's evaluation of the events and transactions occurring subsequent to November 30, 2022 through July 13, 2023, which is the date the financial statements were available to be issued.

Risks and uncertainties - The plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Key parties of the plan - Mueller Sports Medicine, Inc. is the plan sponsor/employer and the plan administrator. Trust Point, Inc. ("Trust Point") was the investment agent that maintained investment and participant records and held custody of the investments through January 11, 2022. Trust Point was also the third-party administrator that prepared the annual Form 5500 and maintained plan documents and the tax counsel that performed various compliance tests. Effective January 12, 2022, Voya Institutional Trust Company assumed responsibilities as the investment agent, third-party administrator and tax counsel. M3 Financial is the plan's investment advisor. An officer of the plan sponsor is the plan trustee.

Investments - The plan sponsor/employer determines the investments available to plan participants. The participants allocate their contributions and transfer existing balances among the available investment options. The net appreciation (depreciation) in the fair value of investments bought, sold and held during the years is reflected in the statements of net assets available for benefits. Participants should refer to the investment account summaries and prospectuses for more information.

Fair value measurements - GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows.

- Level 1 - Valuation is based upon quoted prices in active markets for identical investments.
- Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).
- Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

Following is a description of the valuation methodologies used for investments measured at fair value.

Mutual funds and money market fund - Valued at the daily quoted market prices as reported by the fund. Mutual funds held by the plan are registered with the U.S. Securities and Exchange Commission, are required to publish their daily net asset value ("NAV") and are deemed to be actively traded.

Mueller Sports Medicine, Inc. 401(k) Retirement Plan

Notes to Financial Statements

November 30, 2022 and 2021

Common/collective trust ("CCT") - Valued at estimated fair value using the NAV as a practical expedient. The NAV is based on the underlying unit values as reported by the CCT. The CCT that the plan invests in is a direct filing entity. The NAV is generally based on the fair value of the underlying investments held by the CCT less its liabilities. This practical expedient would not be used if it would be determined to be probable that the CCT would sell the investment for amounts different than the reported NAV.

The plan administrator determines by level, within the fair value hierarchy, the plan's investments at fair value as set forth below.

Investments at fair value as of November 30, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds and money market fund	\$16,947,941	\$ -	\$ -	\$16,947,941
Total investments in the fair value hierarchy	\$16,947,941	\$ -	\$ -	16,947,941
Investments measured at NAV (a)				189,150
Total investments at fair value				\$17,137,091

Investments at fair value as of November 30, 2021

	Level 1	Level 2	Level 3	Total
Mutual funds and money market fund	\$21,192,363	\$ -	\$ -	\$21,192,363
Total investments in the fair value hierarchy	\$21,192,363	\$ -	\$ -	21,192,363
Investments measured at NAV (a)				185,882
Total investments at fair value				\$21,378,245

(a) In accordance with GAAP, certain investments that are measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in the above table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV as a practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period, if any, is applicable only to the plan.

As of November 30, 2022	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
CCT	\$189,150	n/a	Daily	n/a
As of November 30, 2021	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period

Mueller Sports Medicine, Inc. 401(k) Retirement Plan

Notes to Financial Statements
November 30, 2022 and 2021

Investments at contract value - The plan has a fully benefit-responsive guaranteed investment contract through an annuity contract issued by Voya Retirement Insurance and Annuity Company, an entity affiliated with Voya Institutional Trust Company. The contributions are maintained by the issuer in a general account. The issuer is contractually obligated to repay the principal and interest for the life of the contract. The contract provides two declared interest rates; a current rate, determined at least monthly, and a guaranteed minimum floor rate, determined at least annually. The average yield earned by the fund was 1.00% in 2022.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the plan. Contract value, as reported to the plan by the issuer, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal of all or a portion of the investment at contract value at any time. However, the issuer may limit participant transfers, which are made at contract value, from this investment to other investments within the plan. The transfer limit, if imposed, varies but will never be less than 10% of the balance in the investment as of the date of the transfer, reduced by any transfers made during the same year.

The contract does not have a maturity date and there are no contract provisions that require a distribution at contract value at any specified time. The plan sponsor can request a lump sum distribution with a market value adjustment or an installment payout, at contract value, over a period of years. The contract will continue in full force until all assets have been distributed or no further payments are due.

The plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the plan to transact at contract value with the issuer. As of the date the financial statements are available to be issued, the plan administrator is not aware of any events that may limit the ability of the plan to transact at contract value with the issuer or limit the ability of the plan to transact at contract value with the participants.

2. DESCRIPTION OF PLAN

The following description of the plan provides only general information. Participants should refer to the plan documents for a more complete description of the plan's provisions.

General - The plan was established effective June 1, 1994 as a defined contribution plan with a 401(k) salary deferral arrangement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

Eligibility - Employees are eligible to contribute to the plan once they have completed one month of service and have reached age twenty-one. An employee can enter the plan on the first day of the month following completion of eligibility requirements. For purposes of the employer contributions, employees are eligible if they have completed one year of service (defined as 1,000 hours of service in a plan year) and were employed on the last day of the plan year to which the contribution relates. These requirements are waived upon death, disability or attainment of normal retirement age during the year which the contribution relates.

Contributions - Contributions to the plan can be made in the following ways:

- a. Participants may contribute a percentage of their compensation subject to certain limitations (elective deferral contributions). The plan also permits Roth elective deferrals. New employees are automatically enrolled in the plan and have 6% of compensation withheld as deferral contributions. Such participants have the option to increase, decrease or stop the deferral by completing the necessary documentation.
- b. Rollover contributions are accepted by the plan from other qualified plans.

Mueller Sports Medicine, Inc. 401(k) Retirement Plan

Notes to Financial Statements
November 30, 2022 and 2021

- c. Employer matching contributions may be made at the employer's discretion. Discretionary matching contributions, funded annually subsequent to the plan year end, were equal to 50% of the first 6% of the employee compensation contributed to the plan as elective deferral contributions for 2022 and 2021.
- d. Additional nonelective contributions may be made at the employer's discretion. No such contributions were made for 2022 or 2021.

Participant accounts - Earnings, including the fair value appreciation (depreciation), are allocated to participant accounts on a daily basis based upon the performance of the investment options selected. Each participant's account is credited with the participant's elective deferral and rollover contributions and an allocation of the employer's contributions. Participants are allowed to change their investment options on a daily basis and change their deferral percentage each pay period.

Vesting - Participants are always 100% vested in their elective deferral contributions, rollover contributions, and related earnings. Participants begin vesting in any employer contributions and related earnings upon two full years of service, at which time they are 20% vested. Participants then vest at a rate of 20% for each year thereafter. Upon death, disability or attainment of early retirement age, participants become 100% vested.

Payment of benefits - Benefit payments may commence upon termination of employment, death, disability or retirement. Distributions can be made in the form of a single lump sum payment or partial payments. In-service withdrawals can commence upon attaining the age of 59 1/2. In addition, hardship withdrawals are permitted under certain circumstances.

Administrative expenses - Certain administrative expenses of the plan are paid by the plan sponsor and are not included in these financial statements. Certain other fees are paid by the plan using plan assets and recorded as administrative expenses in the accompanying financial statements. Administrative expenses paid by the plan generally consist of participant directed charges for distribution processing.

Forfeitures - Forfeited nonvested accounts are used to pay plan expenses or reduce the amount of the employer contributions. There were no forfeitures used in 2022. Forfeitures used were \$6,000 in 2021. Unapplied forfeitures were \$7,000 as of November 30, 2022 and insignificant as of November 30, 2021.

Notes receivable from participants - Participants can take out loans against their accounts with the approval of the plan administrator. The minimum loan amount is \$1,000 and the maximum amount is the lesser of one-half of the participant's vested account balance, or \$50,000. Participants may not have more than one loan outstanding at any given time. The repayment term generally cannot exceed 5 years except when the loan is for the purchase of a principal residence. As of November 30, 2022, the notes receivable from participants had repayment schedules through May 2030 with interest rates ranging from 4.25% to 7.25%. The notes receivable from participants are valued at their unpaid principal balances plus any accrued but unpaid interest, which approximates fair value.

3. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments as of November 30, 2022 are managed by the plan's current investment agent (or affiliates of the investment agent). The investment agent also provides certain administrative services to the plan pursuant to a service agreement between the plan sponsor and the investment agent. The investment agent receives indirect compensation from mutual fund service providers for services the investment agent provided to the funds. This indirect compensation is used to offset certain amounts that would otherwise be owed by the plan to the investment agent for its administrative services to the plan. Transactions between the plan and the investment agent qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Mueller Sports Medicine, Inc. 401(k) Retirement Plan

Notes to Financial Statements
November 30, 2022 and 2021

4. TERMINATION OF PLAN

Although it has not expressed any intent to do so, the plan sponsor has the right to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions and related earnings.

5. INCOME TAX STATUS

The plan operated under a Trust Point Inc volume submitter profit sharing plan through January 11, 2022. This volume submitter profit sharing plan obtained its latest favorable opinion letter on March 31, 2014 in which the Internal Revenue Service stated that the volume submitter profit sharing plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Effective January 12, 2022, the plan adopted a Voya Retirement Insurance and Annuity prototype profit sharing plan. The prototype plan received its most recent favorable opinion letter on September 1, 2014 in which the Internal Revenue Service stated that the prototype profit sharing plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Effective August 1, 2022, the plan adopted a new Voya Retirement Insurance and Annuity pre-approved profit sharing plan that received a favorable opinion letter on June 30, 2020. There were no functional changes to the plan as a result of this adoption. The plan administrator has not obtained a separate Internal Revenue Service opinion or determination letter for the plan, however, the plan administrator and tax counsel believe the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) for any uncertain tax positions taken by the plan that more likely than not would not be sustained upon examination by the applicable authorities. Plan management analyzed the requirements for accounting for such uncertain tax positions taken and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of November 30, 2022 and 2021. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

6. INFORMATION CERTIFIED BY THE INVESTMENT AGENTS

Management has obtained certifications from the investment agents (as defined at Note 1), qualified institutions under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, that state the following information with respect to assets held for investment of the plan is complete and accurate.

- a. Investments held and the fair and contract values of such as of November 30, 2022 and 2021;
- b. Dividends and interest income from investments and net appreciation (depreciation) in fair value of investments during 2022 and 2021; and
- c. Contributions to, withdrawals from, purchases, sales and inter-fund transfers between accounts during 2022 and 2021.
