INDEPENDENT AUDITORS' REPORT

To the Trustees and Administrators of the Centrica Business Solutions US, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Centrica Business Solutions US, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have an audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier (qualified institution) in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the

Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Centrica Business Solutions US, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Centrica Business Solutions US, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Centrica Business Solutions US, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Centrica Business Solutions US, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information

prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

The 2021 financial statements of the Centrica Business Solutions US, Inc. 401(k) Plan were audited by predecessor auditors. As permitted by ERISA Section 103(a)(3)(C) of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 17, 2022, indicated that the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Sincerely,

Salt Lake City, Utah

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Centrica Business Solutions US, Inc. 401(k) Plan (formerly Smartwatt Energy, Inc. 401(k) Profit Sharing Plan) (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering substantially all employees of Centrica Business Solutions US, Inc. (the Company), who are age 21 or older, except those subject to collective bargaining agreements and certain nonresidential aliens, and who have attained one month of credited service. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Each year, participants may contribute a percentage of their annual compensation, as defined in the Plan. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants have the option of making after tax Roth contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company has elected a stated tiered matching contribution. The Company contributes 100% of each employee's elective deferrals up to 3% of the employee's base compensation and contributes 50% of elective deferrals which are over 3% of base compensation, not to exceed 5% of the base compensation as safe-harbor contributions. The Company may make additional discretionary matching or profit-sharing contributions to the Plan. For the year ended December 31, 2022, the discretionary contribution was equal to 25% of the first 4% of employee contributions.

Participants' Accounts – Each participant's account is credited or charged, as applicable, with the participant's contribution and allocations of the Company's contributions, plan earnings (losses), withdrawals, forfeitures, expenses, or other distributions made to or from such accounts during the period. Allocations are based on participant earnings or account balances as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account balance.

Vesting – Participants are immediately vested in their contributions and the Company's safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions or profit-sharing contributions portion of their account is based on years of continuous service; a participant is 100% vested in discretionary matching contributions after three years of credited service and six years of credited service for profit sharing contributions. Participant accounts become fully vested upon attainment of the normal retirement age of 65, upon death, or disability.

Investment Options – Participants may direct their account balance into investment options offered under the Plan. Investment options are mutual funds and a guaranteed investment contract held and managed by Great-West. Participants may change their investment elections and make transfers between investment options daily.

See Independent Auditors' Report

December 31, 2022

Contributions may be temporarily held as cash balances prior to the execution of the investment according to the participant's direction.

Payment of Benefits – On termination of service due to death, disability, retirement, or separation of service, a participant or their beneficiary will be entitled to receive a distribution of the participants total vested account balance. Benefits will be paid in accordance with the terms of the Plan.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans must be adequately secured and made in accordance with the terms of the Plan. Principal and interest is paid ratably through payroll deductions.

Forfeited Accounts – At December 31, 2022, the Plan had forfeitures from terminated, non-vested participant accounts of \$13,651. These amounts can be used to pay for Plan expenses or reduce employer contributions. The Company used \$17,171 of forfeitures to reduce employer contributions during the Plan year ended December 31, 2022.

Plan Termination – Although it has not expressed any intent to do so, the Sponsor has the right, under the terms of the Plan, to terminate the Plan subject to the provisions of ERISA.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting. Benefits are recorded when paid. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – In accordance with FASB ASC 962, the Plan's investments are stated at fair value except for its investment in the fully benefit responsive investment contract, which is valued at contract value. Recent amendments to ASC 962, designate contract value as the only required measure for fully benefit-responsive investment contracts, and eliminate fair value measurement and certain disclosures.

Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission (SEC).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net

See Independent Auditors' Report

December 31, 2022

appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

During the year ended December 31, 2022, the Plan's investments, including net gains and losses on investments sold during the year, decreased in fair value by \$3,976,317. All investments are participant directed.

Plan Administration Costs – Administrative expenses are paid by both the Plan and by the Company on behalf of the Plan. Administrative expenses paid by the Plan consist of investment-related fees and contract administration fees paid to Great-West. These fees are allocated to participants based upon the proportion that each participant's account balance has to the total of all participants' account balances. All other administrative expenses are paid by the Company.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2022.

Payment of benefits – Benefits are recorded when paid.

Subsequent Events – Management has evaluated, for potential recognition or disclosure in the financial statements, subsequent events that have occurred through August 3, 2023, which is the date that the financial statements were available to be issued.

NOTE 3 – INFORMATION CERTIFICATION

The Plan Administrator has elected the method of compliance permitted by ERISA Section 103(a)(3)(C). As permitted under such election, no independent auditing procedures were performed with respect to the information certified as complete and accurate by the Plan's trustees, Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC. The Plan trustees have certified their statement of accounts as of December 31, 2022 and for the year then ended. The statement of accounts includes beginning and ending balances of investments held, notes receivable from participants, and detail of transactions during the period, including investment earnings and interest income on notes receivable from participants.

NOTE 4 – INCOME TAX STATUS

The prototype plan sponsor has obtained an opinion letter dated June 30, 2020, in which the IRS stated that the volume submitter plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The plan administrator timely adopted the volume submitter plan. Although the Plan has been restated since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

See Independent Auditors' Report

December 31, 2022

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or an asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 – FAIR VALUE MEASUREMENTS

Fair value accounting guidance establishes a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plans have the ability to access.
- Level 2** Inputs to the valuation methodology other than quoted prices included in Level 1 are observable for the asset or liability, each directly or indirectly, and include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to Financial Statements

December 31, 2022

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Self-directed brokerage accounts: Valued at the net asset value based on the value of the underlying securities. Shares/units can be redeemed daily.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 are:

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Type of Fair-Value Measurement</u>		
		<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Registered investment company funds	\$ 14,615,018	\$ 14,615,018	\$ -	\$ -
Self-directed brokerage accounts	44,346	-	44,346	-
Investments at Fair Value	\$ 14,659,364	\$ 14,615,018	\$ 44,346	\$ -

NOTE 6 – GUARANTEED INVESTMENT CONTRACT

The Plan has a fully benefit-responsive contract with Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC called Great-West Investments Fixed Account. This investment is a single group annuity contract with a fixed rate of interest. As a result, the average yield earned by the Plan is the yield earned (i.e., interest credited) on the group annuity contract. Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC maintain the contributions in a general account, which is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC may not terminate the contract at any amount less than contract value.

See Independent Auditors' Report

December 31, 2022

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds by the plan custodian, or affiliates as defined by the Plan. Also, as described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are exempt party-in-interest transactions under ERISA.
