INDEPENDENT AUDITOR'S REPORT

To the Plan Committee
Nugget Market, Inc. 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Nugget Market, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of change in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Nugget Market, Inc. 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Nugget Market, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Nugget Market, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Nugget Market, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Nugget Market, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at year end as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NUGGET MARKET, INC. 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF PLAN

The following description of Nugget Market, Inc. 401(k) Profit Sharing Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was adopted by Nugget Market, Inc. (the “Plan Sponsor”) on February 1, 1989 to provide retirement benefits for employees of the Plan Sponsor. The Plan is a defined contribution plan covering all eligible employees of the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Empower Trust Company, LLC is the Plan custodian as well as the trustee. The Plan is administered by a committee appointed by the Plan Sponsor. The Plan was amended and restated effective January 1, 2022 in accordance with the Post-PPA cycle 3 period and has made required amendments related to the SECURE and CARES acts.

Plan Year

The Plan year begins January 1st and ends December 31st.

Eligibility

Employees who have reached age twenty and a half and completed six months of service may begin making deferrals into the Plan on the first day of the calendar month following eligibility. Certain classes of employees are excluded from participating in the Plan.

Contributions

The Plan allows for the following types of contributions:

- ***Employee Salary Deferral 401(k) Contributions***
The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Internal Revenue Code (the “Code”). The Plan allows for pre-tax and Roth salary deferral contributions. Upon eligibility, employees are automatically enrolled into the Plan at a rate of two percent; however, a participant may voluntarily contribute up to one-hundred percent of their eligible compensation, subject to various nondiscrimination tests and limitations prescribed by the Code. Employees contributing under ten percent are automatically increased by one percent each July 1st until such time that their elective deferral percentage reaches ten percent. Employees may opt out of auto enrollment and the automatic increase.
- ***Employee Rollover Contributions***
Participants may make rollover contributions from another qualified plan.
- ***Employer Matching Contributions***
The Plan Sponsor may make a matching contribution equal to fifty percent of the first two percent of the participants’ elective deferral calculated on an annual basis. The Plan Sponsor made an employer matching contribution of \$1,378,930 and \$1,394,397 in 2022 and 2021, respectively.
- ***Discretionary Non-Elective Employer Contributions***
The Plan Sponsor may make a discretionary non-elective contribution to the Plan. If made, the contribution is allocated to all eligible participants who are employed on the last day of the Plan year. The discretionary amount of the contribution is a uniform percentage of total eligible compensation. The Plan Sponsor made non-elective employer contributions of \$1,431,142 and \$1,395,272 during 2022 and 2021, respectively.

NOTE 1: DESCRIPTION OF PLAN (Continued)

- ***Corrective Employer Contributions***

The Plan Sponsor may make corrective contributions to correct for administrative errors and lost earnings. Total corrective contributions were \$587 and \$1,268 in 2022 and 2021, respectively.

Participant Accounts and Allocation

The Plan allows participants to self-direct their account balances and contributions among various investment options in self-directed accounts. Participants can direct their investments to a single fund or a combination of funds. Investment earnings and losses are allocated to participants' accounts based on the earnings or losses of the investments selected. Participant accounts may be charged with an allocation of administrative expenses paid by the Plan. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are always 100% vested in their voluntary contributions, employer matching contributions, and gains/losses credited thereon. Discretionary non-elective employer contributions and gains/losses credited thereon vest as follows:

Less than 2 years of credited service	0%
2 years but less than 3 years of credited service	20%
3 years but less than 4 years of credited service	40%
4 years but less than 5 years of credited service	60%
5 years but less than 6 years of credited service	80%
6 or more years of credited service	100%

For vesting purposes, a year of service is equivalent to 1,000 hours of service.

Forfeitures

Forfeitures may be used to reduce employer contributions or to pay Plan expenses. Forfeitures of \$126,922 and \$119,203 were used to pay Plan expenses in 2022 and 2021, respectively. Forfeited amounts of \$131,057 and \$97,540, were available to be used to pay Plan expenses and reduce employer contributions as of December 31, 2022 and 2021, respectively.

Benefit payments are distributed to participants in a lump sum or installments as elected by the participant.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the present value of their vested account balance. Principal and interest are paid ratably through weekly payroll deductions and loan periods range from one to five years, unless used for the purchase of a principal residence, then the loan period may not exceed twenty years. Loans are secured by the balance in the participants' account.

Administrative Expenses

Administrative expenses of the Plan are paid by the Plan or Plan sponsor. Expenses related to specific participant transactions are charged to the respective participant's account.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are maintained on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

Investment Valuation and Income Recognition

Investments are reported at fair market value. Fair market value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year. Increases in the unit values of investments are reflected in each participant's individual account. Investments are valued daily.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged to the respective participant's account. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan payments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Income Taxes

The Plan has adopted a prototype plan which obtained a favorable opinion letter on November 14, 2024, in which the Internal Revenue Service stated that the Plan is acceptable under Section 401 of the Code. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has determined that as of December 31, 2022 there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Estimates and Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3: INFORMATION CERTIFIED BY THE CUSTODIANS

The Plan's investments are certified as of and for the year ended December 31, 2022 and December 31, 2021, respectively. The following amounts are included in these financial statements and were taken directly from statements provided and certified as complete and accurate by the Plan custodian as of and for the years ended December 31, 2022 and 2021, respectively:

	2022	2021
Mutual funds	\$ 83,676,568	\$ 102,069,478
Money market fund	\$ 4,892,272	\$ 4,981,211
Notes receivable from participants	\$ 2,868,815	\$ 2,844,520
Net appreciation (depreciation) in fair value of investments	\$ (20,241,587)	\$ 2,375,270
Dividends, interest and other income	\$ 2,623,584	\$ 9,962,888
Interest income, notes receivable from participants	\$ 129,982	\$ 136,108

NOTE 4: FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund: Underlying short term investments with quoted prices in active markets to preserve the value of the investment at \$1.00 per share.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Total assets at fair value	<u>\$107,050,689</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$107,050,689</u>

NOTE 5: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative fees related to administration of the Plan and investment advisory fees were paid by the Plan. Notes receivable from participants are considered party-in-interest transactions. These transactions qualify as party-in-interest transactions which are exempt from prohibited transactions rules of ERISA.

NOTE 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8: SUBSEQUENT EVENTS

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through July 28, 2023, the date the financial statements were available to be issued, and management has determined that no subsequent events have occurred that should be disclosed.
