Independent Auditor's Report

The Plan Administrator
Saargummi Tennessee 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the financial statements of the Saargummi Tennessee 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report, Continued

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of the Plan and to meet other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

Independent Auditor's Report, Continued

In performing an audit in accordance with GAAS, I:

- **Exercise professional judgment and maintain professional skepticism throughout the audit.**
- **Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.**
- **Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.**
- **Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.**
- **Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.**

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Independent Auditor's Report, Continued

Other Matter - Supplemental Schedule Required by ERISA, continued

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SAARGUMMI TENNESSEE 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2022 and 2021

(1) Description of the plan

The following brief description of the Saargummi Tennessee 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering all full-time employees of Saargummi Tennessee, Inc. (the "Plan Sponsor") who have 90 days of service. There is no age requirement to participate in the Plan. The Plan, which was adopted by action of the Plan Sponsor's Board of Directors on January 1, 1994, is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Contributions

Each year, participants may defer up to 50% of their pretax annual compensation as defined in the plan agreement as well as after-tax Roth contributions, not to exceed the maximum annual amount as determined by the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan Sponsor matches 100% of each participant's contribution, up to 5% of the participant's eligible wages, and may contribute an additional discretionary contribution amount each year. Effective January 1, 2020, the Plan became a safe harbor plan with a match of 5% of eligible compensation.

The Plan Sponsor made a corrective qualified non-elective contribution amounting to \$5,548 for the year ended December 31, 2021.

(c) Participant accounts

Each participant's account is credited with the participant's contributions and the Plan Sponsor's contributions, as well as allocations of plan earnings or losses. Participant accounts may be charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

(d) Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings (losses) thereon. Vesting in the Plan Sponsor's contribution portion of their account plus actual earnings (losses) thereon is based on years of continuous service. A participant becomes 20% vested after two years of service and vesting increases 20% each year until the participant is 100% vested after six years of credited service. Effective January 1, 2020, all participants became 100% vested in all contribution sources.

SAARGUMMI TENNESSEE 401(K) PROFIT SHARING PLAN

Notes to Financial Statements, Continued

December 31, 2022 and 2021

(1) Description of the plan, continued

(e) Payment of benefits

On termination of service due to death, disability, retirement, or termination of service, a participant will receive a lump-sum or annuity distribution equal to the value of the participant's vested account.

(f) Hardship withdrawals

The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals are limited to a participant's elective deferrals.

(g) Participant notes receivable

Prior to January 1, 2020, participants could borrow from their 401(k) accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 to 5 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. All current outstanding balances as of December 31, 2022 bear interest at rates ranging from 4.50% to 6.00%. Principal and interest are paid ratably through payroll deductions.

(h) Forfeitures

Forfeitures are created when participants terminate employment prior to becoming fully vested in the Plan Sponsor portion of their accounts. At December 31, 2022 and 2021, forfeited nonvested accounts available for future use totaled \$1,268 and \$1,529, respectively. Forfeitures amounting to \$15,114 were used to pay administrative expenses in 2021.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) Investment valuation and income recognition

The Plan's investments are stated at fair value as reported by the custodian. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Notes to Financial Statements, Continued

December 31, 2022 and 2021

(2) Summary of significant accounting policies, continued

(b) Investment valuation and income recognition, continued

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

(c) Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant loans are recorded as distributions on the basis of the terms of the plan agreement. Notes receivable from participants were discontinued effective January 1, 2020.

(d) Payment of benefits

Benefits are recorded when paid.

(e) Administrative expenses

Certain investment fund options may be subject to investment fees based upon a percentage of invested assets, as disclosed in a fund's prospectus. Such fees are typically charged directly against the fund's investment performance and thus, are not separately disclosed in the accompanying financial statements. During 2022 and 2021, certain expenses incurred maintaining the Plan were paid directly by the Plan Sponsor and are excluded from these financial statements. Administrative expenses paid in 2022 and 2021 primarily represent fees related to withdrawals from the Plan and recordkeeping fees paid to the third-party administrator.

(f) Use of estimates

The preparation of financial statements in accordance with U.S. generally accepted accounting principles ("GAAP") requires the Plan Sponsor to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(g) Events occurring after the reporting date

The Plan has performed an analysis of the activities and transactions subsequent to December 31, 2022, to determine the need for any adjustments or disclosures for the year then ended. The Plan has evaluated subsequent events through July 24, 2023, the date the financial statements were available to be issued.

SAARGUMMI TENNESSEE 401(K) PROFIT SHARING PLAN

Notes to Financial Statements, Continued

December 31, 2022 and 2021

(3) Summary of information certified by the custodian

Information related to investments, investment income and notes receivable from participants disclosed in the accompanying financial statements as of for the years ended December 31, 2022 and 2021, was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by Principal Life Insurance Company ("Principal"), the custodian.

(4) Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- (a) Quoted prices for similar assets or liabilities in active markets;
- (b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- (c) Inputs other than quoted prices that are observable for the asset or liability; and
- (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable inputs for the assets or liability.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds are valued at the daily closing price as reported by the fund and are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts are valued at the net asset value ("NAV") of units held by the separate account. The NAV, as provided by the custodian, is used to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan to initiate a full redemption of a pooled separate account, the investment advisor reserves the right to temporarily delay withdrawal from the fund in order to ensure that securities liquidations will be carried out in an orderly business manner.

Notes to Financial Statements, Continued

(4) Fair value measurements, continued

Guaranteed interest accounts are valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer (see Note 8). Since the participants transact at contract value, fair value is determined annually for financial statement reporting purposes only. In determining the reasonableness of the methodology, the Plan Sponsor evaluates a variety of factors including review of existing contracts, economic conditions, industry and market developments, and overall credit ratings. Certain unobservable inputs are assessed through review of contract terms (for example, duration or payout date) while others are substantiated utilizing available market data (for example, swap curve rate).

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Fair Value Measurements as of December 31, 2022 using the following inputs

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Pooled separate accounts	\$ 3,749,942	3,749,942	-	-
Mutual fund	72,671	72,671	-	-
Guaranteed interest accounts	170,569	-	-	170,569
Total assets at fair value	\$ <u>3,993,182</u>	<u>3,822,613</u>	<u>-</u>	<u>170,569</u>

Fair Value Measurements as of December 31, 2021 using the following inputs

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Pooled separate accounts	\$ 4,406,095	4,406,095	-	-
Mutual fund	144,765	144,765	-	-
Guaranteed interest accounts	164,199	-	-	164,199
Total assets at fair value	\$ <u>4,715,059</u>	<u>4,550,860</u>	<u>-</u>	<u>164,199</u>

(5) Related party transactions

Certain plan investments are guaranteed interest accounts or units of pooled separate accounts managed by Principal Life Insurance Company, the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the custodian amounted to \$22,469 and \$28,007 for the years ended December 31, 2022 and 2021, respectively.

(6) Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

SAARGUMMI TENNESSEE 401(K) PROFIT SHARING PLAN

Notes to Financial Statements, Continued

December 31, 2022 and 2021

(7) Investment contract with insurance company

The Plan has entered into an investment contract with Principal Life Insurance Company, who maintains the Plan's contributions in pooled accounts and guaranteed interest accounts, which have been determined to be *non* fully benefit responsive. The accounts were credited with earnings of \$1,456 on the underlying investments, purchases totaling \$14,259, and charged for plan withdrawals and administrative expenses totaling \$1,418 in 2022. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the guaranteed interest accounts was \$180,979 and \$166,682 as of December 31, 2022 and 2021, respectively. The fair value of the guaranteed interest accounts was \$170,569 and \$164,199 as of December 31, 2022 and 2021, respectively. The average yield and crediting interest rates are reviewed on a quarterly basis for resetting.

(8) Risks and uncertainties

The Plan invests in various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and amounts reported in the statements of net assets available for benefits.

(9) Income tax status

The Plan Sponsor adopted a prototype defined contribution plan which received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated that the prototype plan, as then designed, was in compliance with the applicable provisions of the IRC. The prototype plan has been amended since receiving the opinion letter and the Plan itself has not received a determination letter. However, the plan administrator believes that the Plan is currently designed and currently being operated in compliance with the applicable requirements of the IRC and is therefore, qualified and exempt from taxation.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 or 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

(10) Untimely remittances

The Plan Sponsor is required by DOL regulation to remit amounts withheld from participant pay as soon as administratively feasible. Salary deferrals and loan repayments totaling \$3,060 withheld prior to 2019 were not remitted as soon as administratively feasible as defined by the DOL and were deposited in 2020. Lost earnings on the aforementioned remittance amounts were deposited and allocated to participant accounts in 2021.

(11) Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
