INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Banker Lopez Gassler P.A. 401(k) Plan
Tampa, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Banker Lopez Gassler P.A. 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of October 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended October 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Form 5500; Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of October 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Banker Lopez Gassler P.A. 401(k) Plan
Tampa, Florida

We were engaged to audit the accompanying statement of net assets available for benefits of Banker Lopez Gassler P.A. 401(k) Plan ("the Plan") as of October 31, 2021, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2021 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of October 31, 2021, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2021 financial statement. Accordingly, we do not express an opinion on the 2021 financial statement.

BANKER LOPEZ GASSLER P.A. 401(K) PLAN
Notes to the Financial Statements
As of October 31, 2022 and 2021,
and for the Year Ended October 31, 2022

Note 1 – Description of the Plan

The following description of Banker Lopez Gassler P.A. 401(k) Plan (“the Plan”) provides only general information of the major Plan provisions. Participants should refer to the Plan document for more comprehensive information.

General – The Plan was established by Banker Lopez Gassler P.A. (the “Plan Sponsor”) as a defined contribution plan effective February 1, 2009. The Plan was amended and restated effective March 28, 2022, to comply with Internal Revenue Service (“IRS”) regulations for periodic plan restatements. The Plan is a single-employer plan and permits employees of the Plan Sponsor to participate in the Plan. The Plan is subject to the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility - All employees of the Plan Sponsor who have completed at least six months of service and have reached the age of twenty-one are eligible to participate in the Plan. The Plan permits for entry dates immediately following the date the requirements are met.

Contributions – Contributions to provide benefits under the Plan are made by participants and the Plan Sponsor. Participants may contribute up to 90% of eligible compensation up to the maximum allowed under Section 402(g) of the Internal Revenue Code (“IRC”). Participants who have attained the age of fifty are eligible to make catch-up contributions, subject to certain limitations. In addition, the Plan accepts rollovers from other tax-qualified plans. The Plan Sponsor may contribute matching and qualified nonelective profit sharing contributions. The Plan Sponsor’s matching contribution is calculated as 50% of participant’s contributions that do not exceed 6% of eligible compensation, with a maximum of \$500 for each Plan year. There were approximately \$106,000 and \$1,377,000 matching and qualified nonelective profit sharing contributions, respectively, made by the Plan Sponsor during the year ended October 31, 2022.

Participant accounts – Each participant’s account is credited and/or reduced with the participant’s contributions and withdrawals, employer matching and profit sharing contributions, and allocations of the Plan earnings and losses. Allocations are based on participant earnings, participant elective contributions, or account balances, as defined. The benefit to which a participant is entitled is the vested balance in the participant’s account. The Plan invests in both participant-directed and non-participant-directed investments. Participant contributions and employer matching contributions are invested at the direction of the participant. Employer qualified nonelective profit sharing contributions are invested at the direction of the plan administrator.

Notes receivable from participants – Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may not have more than one loan outstanding at any given time. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years, unless the loan was used to acquire a principal residence, in which case the repayment period may exceed five years. Notes are secured by the vested balances in participants' accounts.

Termination – Although it has not expressed an intention to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in their accounts.

BANKER LOPEZ GASSLER P.A. 401(K) PLAN
Notes to the Financial Statements
As of October 31, 2022 and 2021,
and for the Year Ended October 31, 2022

Note 1 – Description of the Plan (continued)

Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the employer matching and qualified nonelective profit sharing contributions plus actual earnings thereon is based on years of continuous service as defined by the Plan. Vesting is determined according to the following schedule:

<u>Years of Service</u>	
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of benefits – Distribution of a participant's vested account balance to the participant or his or her beneficiary may commence upon the earlier of retirement, death, disability, or separation from service. Upon termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the vested interest in his or her account in a single lump-sum payment, installment payments, or direct rollover. Distributions are subject to the applicable provisions of the Plan document.

The Plan allows participants to withdraw amounts from their account balances while actively employed. A participant experiencing financial hardship as defined by the Plan document, may withdraw a portion of their account attributable to employee contributions and rollover contributions. These hardship withdrawals are subject to IRC restrictions and penalties. The Plan also allows for actively employed participants to withdraw from all vested account balances once the age of fifty-nine and a half has been reached.

Forfeited accounts – Any non-vested portion of employer matching and profit-sharing contributions credited to the accounts of participants who withdraw from the Plan are forfeited and used for either payment of eligible administrative expenses or to reduce employer contributions. The Plan had forfeiture balances as of October 31, 2022 and 2021, of approximately \$15,000 and \$13,000, respectively. Approximately \$53,000 of forfeitures were used to pay administrative expenses during the year ended October 31, 2022.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements are prepared on the accrual basis of accounting.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

BANKER LOPEZ GASSLER P.A. 401(K) PLAN
Notes to the Financial Statements
As of October 31, 2022 and 2021,
and for the Year Ended October 31, 2022

Note 2 – Summary of Significant Accounting Policies (continued)

Notes receivable from participants - Notes receivable from participants are recorded at the unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are deemed distributions based upon the terms of the Plan document. The interest rate on loans outstanding as of October 31, 2022, ranged from 4.75% to 6.25%.

Investments, investment valuation, and income recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value determinations, other than those measured using the net asset value (“NAV”) as a practical expedient, are made based upon a fair value hierarchy that prioritizes the inputs to valuation techniques. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other-than-quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and,

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

Mutual funds – These investments are public investment vehicles valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Self-directed brokerage accounts – Investments in self-directed brokerage accounts are comprised of common stock and mutual funds. Common stock is valued at the closing price reported on the active market on which the individual securities are traded and are classified within Level 1 of the valuation hierarchy. Mutual funds are public investment vehicles valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Life insurance policies – Life insurance policies are based on unobservable inputs and are classified within Level 3 of the valuation hierarchy.

BANKER LOPEZ GASSLER P.A. 401(K) PLAN
Notes to the Financial Statements
As of October 31, 2022 and 2021,
and for the Year Ended October 31, 2022

Note 2 – Summary of Significant Accounting Policies (continued)

Collective trust fund – These investments are investment vehicles valued using the NAV provided by the administrator of the fund as a practical expedient. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is excluded from the valuation hierarchy consistent with accounting principles generally accepted in the United States.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest income is recognized when earned. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought, sold, and held during the year.

Benefits paid to participants - Benefits are recorded when processed and paid by the Plan.

Excess contributions payable – Contributions received from participants during the year ended October 31, 2022, are net of payments of approximately \$11,000 made after each plan year end to certain active participants to return excess contributions required to satisfy the relevant nondiscrimination provisions of the Plan. These amounts are included in the accompanying statements of net assets available for benefits as excess contributions payable. There were no excess contributions payable as of October 31, 2021.

Administrative expenses - Administrative expenses paid by the Plan are recorded when incurred. The Plan Sponsor absorbs a significant amount of the cost of plan administration.

Note 3 – Information Provided and Certified by the Trustee

The following is a summary of the Plan's financial information and data certified by Fidelity Management Trust Company ("the Trustee") as complete and accurate in accordance with 29 CFR 2520.103-5(c) of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA:

Note 5 – Non Participant-Directed Investments

The following is a summary of the Plan's non participant-directed investments and the related changes in the assets:

	October 31,	
	2022	2021
Mutual funds	\$ 29,950,070	\$ 39,751,243
Collective trust fund	1,947,100	11,446
	<u>\$ 31,897,170</u>	<u>\$ 39,762,689</u>
	Year Ended	
	October 31,	
	2022	
Balance, beginning of year	\$ 39,762,689	
Contributions	1,267,308	
Dividends and interest	1,879,850	
Net appreciation in fair value of investments	(8,955,244)	
Administrative expenses	(16,488)	
Transfer	(1,757)	
Benefits paid to participants	<u>(2,039,188)</u>	
Balance, end of year	<u>\$ 31,897,170</u>	

Note 6 – Party-in-Interest Transactions

Certain Plan investments are managed by the Trustee; therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also considered to be party-in-interest transactions because they are transacted with Plan participants. Fees paid during the year for accounting and other services rendered by parties-in-interest were based on customary rates for such services. While these transactions qualify as party-in-interest activity, they are expressly exempted from prohibited transactions rules (ERISA, Title 1, and Section 408(b)).

Note 7 – Risks and Uncertainties

The Plan invests in various investment options in investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

and for the Year Ended October 31, 2022

Note 8 – Income Tax Status

The Plan is a non-standardized pre-approved profit sharing plan with cash or deferred arrangement (“Defined Contribution Plan”) sponsored by FMR LLC (“Fidelity”). Fidelity obtained its latest opinion letter dated June 30, 2020, in which the IRS stated that the Defined Contribution Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is currently designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, as the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Note 9 – Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits per the Plan’s financial statements to the Plan’s Form 5500:
