## **Independent Auditor's Report**

To the Plan Administrator of the  
Odyssea Marine, Inc. 401(k) Plan  
Larose, Louisiana

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Odyssea Marine, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Members of RSM US Alliance have access to RSM International resources through RSM US LLP but are not member firms of RSM International.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matters - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## ODYSSEA MARINE, INC. 401(k) PLAN

### Notes to Financial Statements

---

#### Note 1. Description of Plan

The following description of the Odyssey Marine, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

##### **General**

The Plan is a defined contribution plan covering all full-time employees of Odyssey Marine, Inc. (the Company) who are age eighteen or older. An eligible employee may enter the Plan on the first day of the month following the date that eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan excludes non-resident aliens, leased employees, temporary employees, and any employees covered by a collective bargaining agreement.

##### **Contributions**

Participants may elect to defer from 1% to 75% of their compensation during any plan year, subject to a maximum imposed by the Internal Revenue Code (IRC). The Plan has an automatic contribution arrangement by which all eligible employees will automatically have 3% of their compensation contributed to the Plan as a deferral contribution on their behalf unless they affirmatively elect not to participate. In addition, the participant's deferral rate will increase by 1% each year until it reaches a maximum of 6% of compensation, unless the participant elects otherwise.

The Company matches 100% of the first 1% of compensation plus 50% on the next 5%. The Company may also make discretionary matching and profit-sharing contributions. The Company made safe-harbor matching contributions of \$473,168 in 2022. No discretionary or profit-sharing contributions were made in 2022.

##### **Participant Accounts**

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a money market fund as investment options for participants. Each participant's account is credited with the participant's contribution, the Company's contributions, plan earnings (losses), and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### **Notes Receivable from Participants**

Participants may borrow a minimum amount of \$1,000, up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates charged for similar notes by commercial lenders. Note terms may not exceed five years unless the note is for the purchase of the participant's principal residence in which case the note term may not exceed ten years. Principal and interest are repaid through payroll deductions.

### Notes to Financial Statements

#### Note 1. Description of Plan (Continued)

##### Payment of Benefits

Distributions from the Plan's assets are made upon the participant's death, disability, retirement, termination of service, or other circumstances as described in the Plan Document. Upon termination of service, a participant whose vested account balance does not exceed \$5,000 valued at the time of the distribution will receive an immediate lump-sum payment. A participant whose vested account balance exceeds \$5,000 valued at the time of distribution may elect, upon termination of service, to receive a lump-sum distribution. If no election is made, the Plan Administrator will pay the distribution in a direct rollover to a qualified plan equal to the value of his or her account. Fully vested participants who have attained age 59½ and who have not separated from service may obtain distributions of their account balances. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

##### Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants become vested in safe-harbor matching contributions based upon a 2-year cliff vesting schedule. Participants become vested in the Company discretionary matching and profit-sharing contributions and earnings thereon based on the following vesting schedule:

| Years of Service | % Vested |
|------------------|----------|
| Less than 1      | 0%       |
| 1                | 20%      |
| 2                | 40%      |
| 3                | 60%      |
| 4                | 80%      |
| 5                | 100%     |

Participants become 100% vested in the Company's contributions and earnings thereon at normal retirement age, death, disability, or termination of the Plan.

##### Forfeitures

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures of non-vested employer contributions not used to pay plan administrative expenses will be used to reduce future employer contributions. During the year ended December 31, 2022, \$14,838 was used to pay plan expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$19,017 and \$12,049, respectively.

#### Note 1. Description of Plan (Continued)

##### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination or partial termination, participants will become fully vested in their accounts.

##### **Administrative Expenses**

Plan administrative expenses not paid by the Plan are paid by the Company.

#### Note 2. Summary of Significant Accounting Policies

##### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

##### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

##### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant loans are recorded as distributions based on the terms of the Plan Document.

##### **Tax Status**

The Plan is qualified under the appropriate section of the IRC and intends to continue as a qualified plan. The Internal Revenue Service (IRS) has determined and informed the Plan Sponsor, by a letter dated June 30, 2020, that the Plan, as designed, is qualified under the appropriate section of the IRC. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

#### Note 2. Summary of Significant Accounting Policies (Continued)

##### Tax Status (Continued)

Accounting principles generally accepted in the United States of America provide accounting and disclosure guidance about positions taken by a plan in its tax returns that might be uncertain. The Plan Administrator believes that it has appropriate support for any tax positions taken and, as such, does not have any uncertain tax positions that are material to the financial statements.

##### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that can affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

##### Payment of Benefits

Benefits are recorded when paid.

#### Note 3. Information Certified by Advisor Trust, Inc.

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Advisor Trust Inc., the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

**Note 3. Information Certified by Advisor Trust, Inc. (Continued)**

The trustee also certified to the completeness and accuracy of \$1,206,946 of net depreciation and \$139,488 of interest and dividend income from the aforementioned investments, and \$13,818 of interest income on notes receivables from participants for the year ended December 31, 2022.

**Note 4. Fair Value Measurements**

The *Fair Value Measurement* Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1     Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2     Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3     Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

#### Note 4. Fair Value Measurements (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value:

*Money Market:* Valued at the quoted market prices on an available market.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

| <b>December 31, 2022</b>                        | <b>Level 1</b>      | <b>Level 2</b> | <b>Level 3</b> | <b>Total</b>        |

### **Notes to Financial Statements**

---

#### **Note 5. Risks and Uncertainties**

The Plan invests in various investment securities, as directed by participants. The underlying investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### **Note 6. Related-Party and Party-in-Interest Transactions**

Certain plan investments are shares of mutual funds managed by Charles Schwab Bank. Charles Schwab Bank is the custodian as defined by the Plan and, therefore, these transactions in such investments qualify as party-in-interest transactions.

#### **Note 7. Subsequent Events**

The Plan Administrator has evaluated subsequent events through the date that the financial statements were available to be issued, July 31, 2023, and determined that no events occurred that require disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.
