INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Hillcrest Educational Foundation, Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hillcrest Educational Foundation, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hillcrest Educational Foundation, Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section --

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of Hillcrest Educational Foundation, Inc. 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Hillcrest Educational Foundation, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Hillcrest Educational Foundation, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Hillcrest Educational Foundation, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HILLCREST EDUCATIONAL FOUNDATION, INC. 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 1 - Description of Plan

The following description of the Hillcrest Educational Foundation, Inc. 403(b) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established effective January 1, 1994 and covers virtually all employees of Hillcrest Educational Centers, Inc., Hillcrest Dental Care, Inc. and Berkshire County Kids' Place & Violence Prevention Center, Inc., which are all participating employers under Hillcrest Educational Foundation, Inc. (the "Agency"). All employees who regularly work over 20 hours per week may contribute pre-tax deferrals or after-tax Roth deferrals upon employment. Employees must be age twenty-one and have completed one year of service (1,000 hours), as defined in the Plan, in order to share in the Agency's discretionary matching contributions and any discretionary Agency contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective January 1, 2018, the Plan was amended to include an automatic enrollment feature whereby all new employees and employees not already contributing to the Plan will be automatically enrolled in the Plan, unless they opt out. Initially the rate used for automatic enrollment was 1% which later increased to 1.25% effective January 1, 2021 and further increased to 1.5% effective January 1, 2022. Participants can also elect to have a different amount withheld upon enrollment.

Contributions

Participants may contribute up to one hundred percent (100%) of their compensation subject to Internal Revenue Code (IRC) limitations. In addition, the Agency can elect to make a discretionary matching contribution and/or a discretionary Agency contribution. The Agency made a discretionary matching contribution of 100% on up to 1.5% and 1.25% of compensation for the years ended December 31, 2022 and 2021, respectively, which amounted to \$481,521 and \$256,947, respectively. The Agency also made discretionary Agency contributions amounting to \$446,087 and \$797,509 for the years ended December 31, 2022 and 2021, respectively.

The discretionary Agency contributions are allocated to eligible participants based on a percentage of their compensation within the following categories: less than five years of service, five to ten years of service, ten to fifteen years of service, fifteen to twenty years of service and more than twenty years of service.

Participants direct the investment of all contributions into various mutual fund investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with (a) the participant's contribution; (b) employer contributions; (c) plan earnings; and (d) an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are for a period not exceeding five years (fifteen years if for the purchase of a principal residence) and bear interest at rates ranging from 3.25% to 7.50 % at December 31, 2022 and 2021, which are commensurate with local commercial rates as determined by the Plan administrator at the time of the loan origination. Principal and interest are paid ratably through payroll deductions. There were \$381,181 and \$446,988 in outstanding participant loans as of December 31, 2022 and 2021, respectively.

Vesting

Participants are immediately vested in their deferred contributions plus actual earnings thereon. Participants hired after January 1, 2010 become vested in the Agency's matching and discretionary contributions over a six-year period with participants becoming vested 20% annually after the completion of two years of service. Participants hired prior to January 1, 2010 are 100% vested in the Agency's matching and discretionary contributions after the completion of three years of service.

Note 2 - **Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. In accordance with the policy of stating investments at fair value, net appreciation or depreciation for the year is reflected in the statement of changes in net assets available for benefits. The net appreciation in the fair value of investments consists of realized gains or losses and unrealized appreciation on those investments. Shares of registered investment companies (mutual funds) are valued at quoted market prices which represent the net asset value of shares held by the Plan. Purchases and sales of securities are recorded on a trade-date basis. Interest and other investment income are recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest thereon. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. Interest income on notes receivable from participants is recorded on the accrual basis.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America and DOL rules and regulations for reporting and disclosure under ERISA require the plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results could differ from those estimates.

Forfeitures

Forfeitures of non-vested participant accounts can be used to reduce the employer contribution or to pay administrative expenses of the Plan. At December 31, 2022 and 2021 forfeited non-vested accounts totaled \$31,273 and \$44,812, respectively.

HILLCREST EDUCATIONAL FOUNDATION, INC. 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 2 - continued

Payment of Benefits and Withdrawals

Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account, or installments over an agreed upon period of time. Benefits are recorded when paid.

Administrative Expenses

Administrative expenses consist of payments to Principal Financial Group for contract administration.

Note 3 - Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides a definition of fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access. The Plan has mutual fund investments which are Level 1 investments.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. The Plan currently has no Level 2 investments.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The Plan currently has no Level 3 investments.

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 4 - Information Certified by the Custodian

Note 5 - Party-In-Interest Transactions

Plan investments are shares of mutual funds managed by Principal Financial Group (Principal). Principal serves as the custodian and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative services amounted to \$44,772 and \$50,193 for the years ended December 31, 2022 and 2021, respectively.

The Angell Pension Group, Inc. (Angell) provided third party administrator services to the plan, including preparing the Form 5500 tax return. Indirect compensation paid to Angell was \$23,162 and \$24,152 for the years ended December 31, 2022 and 2021, respectively. In addition, LPL Financial LLC (LPL) provides investment advisory services to the Plan. Indirect compensation paid to LPL was \$47,178 and \$46,032 for the years ended December 31, 2022 and 2021, respectively.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Agency has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 7 - Tax Status

The Plan terms have been drafted in reliance on the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71. The Plan administrator intends to apply for a determination letter on the Plan when the government opens such program. The Plan is required to operate in conformity with the Code to maintain its tax exemption. Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 8 - Subsequent Events

The Plan has evaluated subsequent events through July 6, 2023, the date on which the financial statements were available to be issued.
