INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Plumbers and Pipefitters Local No. 776 Profit Sharing Annuity Plan
P.O. Box 1330
Holland, OH 43528

Opinion

We have audited the accompanying financial statements of Plumbers and Pipefitters Local No. 776 Profit Sharing Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of October 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Plumbers and Pipefitters Local No. 776 Profit Sharing Annuity Plan as of October 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Plumbers and Pipefitters Local No. 776 Profit Sharing Annuity Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers and Pipefitters Local No. 776 Profit Sharing Annuity Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plumbers and Pipefitters Local No. 776 Profit Sharing Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers and Pipefitters Local No. 776 Profit Sharing Annuity Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of October 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Plumbers and Pipefitters Local No. 776 Profit Sharing Annuity Plan

Holland, OH 43528

Opinion

We have audited the accompanying financial statements of Plumbers and Pipefitters Local No. 776 Profit Sharing Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of October 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Plumbers and Pipefitters Local No. 776 Profit Sharing Annuity Plan as of October 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Plumbers and Pipefitters Local No. 776 Profit Sharing Annuity Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers and Pipefitters Local No. 776 Profit Sharing Annuity Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plumbers and Pipefitters Local No. 776 Profit Sharing Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers and Pipefitters Local No. 776 Profit Sharing Annuity Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of October 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN:

The following description of the Plumbers and Pipefitters Local No. 776 Profit Sharing Annuity Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plumbers and Pipefitters Local No. 776 Profit Sharing Annuity Plan is a multi-employer defined contribution retirement plan which provides benefits for eligible participants who are members of the Plumbers and Pipefitters Local No. 776 (Union). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

In accordance with the collective bargaining agreement, employers are required to make monthly contributions at a fixed dollar amount for each hour worked by participants. No participant contributions to the Plan are permitted, except for rollover contributions from other qualified plans.

Vesting

A participant is 100% vested after completing one hour of work in covered employment for an employer bound to the collective bargaining agreement within 12 consecutive months of the participant's employment commencement date.

Participant accounts

Each participant's account is credited with (a) the employer's contribution and (b) plan earnings, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account.

Investment options

The Plan provides participants the ability to direct the investment of their vested balance. Participants may choose from among the various investment options offered by the Plan. If the participant fails to make an election, the balance will be invested in a default fund as determined by the Board of Trustees.

Participant-directed accounts are accessible by the participants via internet or telephone which allows them to change their investment options or to obtain their account balances at any time.

Benefits

Upon termination of service due to death, disability, retirement or termination of employment where benefits are vested, the participant may elect to receive one of the standard forms of payment: a joint and survivor annuity, an annuity contract or lump sum payment. Participants experiencing financial hardships may apply for a hardship distribution in an amount to meet the need created by the financial hardship. The hardship distributions are approved at the Trustee's discretion and are subject to certain limitations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following significant accounting policies of the Plan are set forth to facilitate the understanding of data presented in the financial statements.

Basis of accounting

The accompanying financial statements are presented on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment valuation

Investments are presented at fair value. The fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Employer contributions are accrued based on employers' reporting of hours worked by participants.

Employer contributions receivable

Employer contributions receivable represents amounts due from employers that were received subsequent to year end. Therefore, the carrying amount of these receivables is not reduced by an allowance for amounts that will not be collected. In addition, it is impractical to estimate revenue recognition for amounts due but erroneously unreported by employers.

Employer Contributions receivable from NWOA

Employer contributions receivable from Northwestern Ohio Administrators, Inc. (NWOA), administrative manager for the Plan, represent employer contributions received by NWOA and maintained in NWOA's cash concentration account until they are transferred to the Plan's cash account. Interest is earned on amounts maintained in the cash concentration account.

Benefits

Benefits are recorded when paid.

Subsequent events

The Plan has evaluated subsequent events through July 25, 2023, the date the financial statements were available to be issued.

3. TAX STATUS:

The Plan obtained a favorable determination letter from the Internal Revenue Service dated December 1, 2015 stating that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan continues to be qualified and the related trust is tax exempt.

4. PLAN TERMINATION:

In the event the Plan is terminated, any obligations of the Plan would be paid and all remaining net assets would be distributed to participants in the manner specified in the Plan document.

5. INVESTMENTS:

The Fund's investments are held and administered by a corporate trustee, John Hancock Trust Co, LLC., in accounts under agreements which grant discretionary power as to investment decisions (by the corporate trustee as investment manager) within prescribed limits designated by the Board of Trustees.

6. FAIR VALUE MEASUREMENTS:

The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets' or liabilities' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

6. FAIR VALUE MEASUREMENTS (CONTINUED):

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at October 31, 2022 and 2021.

Cash equivalents: Cash equivalents consist primarily of money market funds and investment cash, which are valued at cost, which approximates fair value.

Registered investment companies: Valued at the daily closing prices as reported by the funds. The funds held by the Plan are registered with the Securities and Exchange Commission and are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair values of October 31, 2022 and 2021:

Assets at Fair Value as of October 31, 2022						
<u>Investment</u>		<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Assets at NAV</u>	<u>Total</u>
Registered investment companies	\$	39,208,793	-	-	-	39,208,793
Cash equivalents		1,643,858	-	-	-	1,643,858
Total	\$	40,852,651	-	-	-	40,852,651

Assets at Fair Value as of October 31, 2021						
<u>Investment</u>		<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Assets at NAV</u>	<u>Total</u>
Registered investment companies	\$	52,901,246	-	-	-	52,901,246
Cash equivalents		1,185,482	-	-	-	1,185,482
Total	\$	54,086,728	-	-	-	54,086,728

7. RELATED-PARTY TRANSACTIONS:

This Plan is related through common management with Northwestern Ohio Administrators, Inc. which provides administrative and depository services to the Plan. Payments for these services (principally for salaries and operating expenses) are reduced by collections for liquidated damages and certain interest income. Included in the statements of changes in net assets available for benefits are gross administrative fees charged by Northwestern Ohio Administrators, Inc.

8. NON-PARTICIPANT DIRECTED INVESTMENTS:

Information about the net assets and the significant components of the changes in net assets relating to the non-participant directed investments is as follows:

	<u>October 31, 2022</u>	<u>October 31, 2021</u>
Non-participant directed investments		
Net assets:		
Cash	\$ 94,903	176,420
Changes in net assets:		
Benefits paid to participants	<u>(81,517)</u>	<u>(324,406)</u>
	\$ <u>(81,517)</u>	<u>(324,406)</u>

9. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
