INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
The Home for Little Wanderers Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We were engaged to perform an audit of the financial statements of The Home for Little Wanderers Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Plan Benefits as of December 31, 2022, and the related Statement of Changes in Net Assets Available for Plan Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2022 Financial Statements

We do not express an opinion on the financial statements of the Plan referred to in the first paragraph. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2022 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2022 Financial Statements

As described in Note 2, the Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficiently to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2022 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

2022 Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

The 2021 financial statements of The Home for Little Wanderers Retirement Savings Plan were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 10, 2022 included a disclaimer of opinion of the 2021 financial statements and supplemental schedule as the Plan had not maintained sufficient accounting records and supporting documents relating to certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009.

THE HOME FOR LITTLE WANDERERS RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2022 and 2021

1. Description of the Plan

The following description of The Home for Little Wanderers Retirement Savings Plan (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established by The Home for Little Wanderers (the Plan Sponsor or Employer) on July 1, 1994. The purpose of the Plan is to accumulate retirement income for its employees which will supplement retirement benefits provided to them by Social Security. The Plan is a contributory defined contribution plan under Section 403(b) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Investments are participant directed.

The Plan Sponsor is also the Plan Administrator. As Plan Administrator, the Plan Sponsor has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. The custodians of the Plan are Reliance Trust Company (Reliance), Lincoln National Life Insurance Company (Lincoln) and Teachers Insurance and Annuity Association of America-College Retirement Equities Fund (TIAA-CREF). The Plan's recordkeeper is Standard Retirement Services, Inc. Active contributions are deposited with Reliance.

Eligibility

All employees who are regularly scheduled to work 20 or more hours per week are immediately eligible to participate in the Plan and will be automatically enrolled at an elective deferral rate of 1%, unless they decline to participate.

Contributions

Participants may elect to contribute any dollar amount or percentage of their eligible compensation to the Plan, on a pre-tax and after-tax basis, so long as those contributions do not exceed annual limitations set by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified retirement plans.

Employer matching contributions are discretionary and based on a formula determined by the Employer. In order to be eligible to receive an Employer matching contribution, employees must complete a year of service (defined as 1,000 hours of service). The Employer may also make qualified nonelective contributions to the Plan. Employer discretionary matching contributions made to the Plan for the year ended December 31, 2022 was \$969,130.

THE HOME FOR LITTLE WANDERERS RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2022 and 2021

Participant Accounts

Each participant's account is credited with the participant's contribution, Employer matching contributions, and their allocations of (a) Plan earnings (losses) and (b) administrative expenses. Plan earnings (losses) and administrative expenses are allocated to participant accounts based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, and accrued earnings thereon. A participant becomes fully vested in the Employer contributions plus accrued earnings thereon upon two years of service. Former participants of the Wediko Children's Services 403(b) Plan which was merged into the Plan effective January 1, 2021 following an acquisition by the Employer vest as follows: 33% after one year of service and 100% after two years of service.

Participant Notes Receivable

Participants may borrow a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have two loans outstanding at one time as long as one of the loans is for the purchase of a principal residence, and a participant is not allowed to have more than two loans approved within a 12-month period. Each note shall bear interest at a rate determined by the Plan Administrator and will generally be required to be repaid through regular payroll deductions within five years, unless such loan is used to acquire a principal residence of the participant in which case the repayment period may be up to 15 years.

Plan Loans

Participants with account balances held by Lincoln and TIAA-CREF are allowed to take loans. Principal and interest are paid directly to the custodians by the participant. Participants may only have one loan outstanding at any time. These loans are not assets of the Plan.

Loans taken directly from Lincoln are secured by a participant's balance in the fixed rate annuity account. Loan interest rates are determined by Lincoln and range from 3.45% to 3.60% in 2022 and 2021. These loans totaled \$3,643 and \$7,960 at December 31, 2022 and 2021, respectively.

Loans taken directly from TIAA-CREF are secured by the participant's balance in TIAA-CREF's general account with the TIAA Traditional benefit-responsive contract. Loan interest rates are determined by TIAA-CREF was 4.29% in 2022 and ranged from 4.29% to 6.08% in 2021. These loans totaled \$1,771 and \$14,420 at December 31, 2022 and 2021, respectively.

THE HOME FOR LITTLE WANDERERS RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2022 and 2021

Payment of Benefits

Participants who terminate employment because they retire, or become disabled, will be entitled to 100% of their account balance. Upon termination of service due to death, the participant's beneficiary will be entitled to 100% of the account balance, payable in accordance with the Plan documents. Upon termination of employment for any reason other than retirement, disability, or death, the participant shall be entitled to receive or rollover the vested amount of their account balance. Participant amounts of less than \$5,000 will be paid in a lump-sum distribution only. In-service distributions for participants who have either attained age 59½ are also permitted under the Plan.

Hardship Withdrawals

Hardship withdrawals are permitted from the participant's elective deferral account subject to limitations imposed by the IRC.

Forfeitures

Upon a participant's termination, any non-vested portion of the Employer contributions is forfeited. These forfeitures will be used to reduce Plan expenses and then future Employer contributions to the Plan. At December 31, 2022 and 2021, the forfeited accounts yet to be used totaled \$5,086 and \$2,265, respectively. During 2022, \$1,717 of forfeitures were used to offset Employer discretionary matching contributions.

Plan Termination

The Employer expects to continue the Plan indefinitely. However, the Employer reserves the right to amend the Plan at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting the Plan assets for purposes other than for the exclusive benefit of the Plan participants and any Plan termination would be subject to the provisions of ERISA. If the Plan is terminated, the participants would become fully vested and entitled to receive all amounts credited to their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP). In November 2007, the Department of Labor (DOL) issued amended regulations eliminating an exemption granted to 403(b) plans from the annual Form 5500 reporting, disclosure, and audit requirements under Part 1 of Subtitle B of Title I of ERISA. The Plan, however, was established in 1994 and historically the Plan was viewed as a collection of individual contracts with which participants could engage in a range of actions with limited involvement, if any, by the Plan Sponsor. Accordingly, various accounting and payroll records related to the Plan's 403(b) annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009 were not maintained by the Plan.

THE HOME FOR LITTLE WANDERERS RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2022 and 2021

Consequently, the financial statements have been prepared based on available records analyzed by Plan management. As certain records were not available from the inception of the Plan, there can be no assurance as to the completeness or accuracy of the Plan's reported financial information.

In accordance with the DOL Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, annuity and custodial accounts that may have been issued to current and former employees prior to January 1, 2009 have also been excluded from the Plan's annual Form 5500 reporting.

Valuation of Investments and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 3). Contract value is the relevant measurement attributed to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value equals the accumulated contributions and interest credited to the Plan's contract, less any withdrawals and administrative expenses (Note 4). The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's custodians.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan has fully benefit-responsive investment contracts. The custodians maintain the contributions in a general account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contracts issued are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balance plus accrued but unpaid interest and are secured by the balance in the respective participant's account. Interest income is recorded on the accrual basis. Related fees are paid by participants from their account balances and are expensed when they are incurred. A receivable is considered past due if payment has not been received within stated terms. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

THE HOME FOR LITTLE WANDERERS RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2022 and 2021

Contributions

Participant elective deferral contributions and Employer discretionary matching contributions are recorded weekly when the Employer remits the payroll deductions for investment into the Plan.

Payment of Benefits

Benefits are recognized when paid to participants or their designated beneficiaries.

Administrative Expenses

Certain administrative expenses of the Plan are paid directly by the Plan Sponsor, unless the Plan Sponsor directs that the expenses be paid by the Plan. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Participant notes receivable set-up and maintenance fees are paid directly by the participants through a reduction in their account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation in fair value of investments.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest risk, market risk and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

Financial Instruments with a Concentration of Credit Risk

Eighty-five percent of the Plan's investments are held by Reliance, with Lincoln and TIAA-CREF as custodians for the balance. The Plan's exposure to credit risk is associated with the custodian's non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements with the custodians. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

Reclassifications

Certain reclassifications have been made to the 2021 financial statements to conform to the 2022 presentation.

Subsequent Events

Management has evaluated subsequent events through August 1, 2023, which is the date these financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Variable Annuities: Accounts invest primarily in equity securities, fixed income instruments, and short-term investments in accordance with each portfolio's objective. Account investments are primarily valued using market quotations or prices obtained from independent pricing sources that may employ various pricing methods to value the investments, including matrix pricing. The fair values of accumulation units held by the Plan in the variable annuities are based on each account's daily NAV. The NAV is used as a practical expedient to estimate fair value. There are no unfunded commitments from participants in the Plan who invest in these accounts. Variable rate annuities may be redeemed daily with one day's notice.

THE HOME FOR LITTLE WANDERERS RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2022 and 2021

TIAA Real Estate Account: A pooled separate account which generally invests in real estate properties, real estate related investments, and securities. The TIAA Real Estate Account's (REA) value is principally derived from the market value of the underlying investments held. Real estate holdings are valued principally using external appraisals, which are estimates of property values based on a professional's opinion. Securities are generally priced using values obtained from independent pricing sources. The value of the Plan's interest in the REA is based on the fund's NAV used as a practical expedient to estimate fair value. There are no unfunded commitments from participants in the Plan who invest in this account. The REA may be redeemed quarterly with one day's notice.

TIAA Traditional Annuity Fund (Non Benefit-Responsive Portion): A fixed rate guaranteed annuity contract available as an investment option to Plan participants offered through a variety of contract types, including Group Retirement Annuities (GRA) and Group Supplemental Retirement Annuities (GSRA) (Note 4). Each contract is fully and unconditionally guaranteed by Teachers Insurance and Annuity Association of America (TIAA). The type of contract through which a participant invests determines the applicability of certain account features, such as the guaranteed minimum interest rate, additional interest declarations, the degree of liquidity of the participant's account, and the options for receiving income upon retirement. GRA contracts are non benefit-responsive (NBR), and accordingly, are reported at fair value, which approximate the contract value of accumulated cash contributions and interest credited to the contract, less any withdrawals.

When participants choose to allocate a portion of their retirement savings to the TIAA Traditional Annuity during the accumulation phase of the contract, their contributions purchase a specific amount of lifetime income based on the contractual rate schedule in effect at the time the premium is paid. The participant's principal, plus a specified minimum rate of interest, is guaranteed by TIAA's claim-paying ability. The TIAA Traditional Annuity also provides the potential for additional interest if declared by TIAA's Board of Trustees.

Additional interest, when declared, remains in effect for the declaration year, which begins each March 1 for accumulating annuities, and January 1 for lifetime payout annuities. Additional interest is not guaranteed for future years.

The average crediting interest rate was 4.20% and 3.70% at December 31, 2022 and 2021, respectively. The contract value of the TIAA Traditional Non Benefit-Responsive Fund at December 31, 2022 and 2021 was \$200,509 and \$207,429, respectively.

The Plan's investments reported at fair value in the accompanying Statements of Net Assets Available for Plan Benefits are as follows:

4. Insurance Company General Accounts (Fully Benefit-Responsive)

The Plan has investments in fully benefit-responsive investment contracts. Participants may generally direct the withdrawal or transfer of all or a portion of their investment at contract value. Certain events, such as amendments to the Plan documents, the Plan's provisions regarding transfers to or from a competing investment option, or Plan Sponsor events that cause a significant withdrawal from the Plan limit the Plan's ability to transact with the custodians. The Plan believes the occurrence of such events that would limit the Plan's ability to transact at contract value with Plan participants is not probable.

The guarantee of values provided for investments made by the insurance companies under the Plan's contracts is based on the financial strength and claims-paying ability of the respective insurance company.

The Plan's investment in these contracts and valuation methodologies are as follows:

Standard Stable Asset Fund

Contributions allocated to the contract are guaranteed by Standard Insurance Company (Standard). The value of this contract as reported to the Plan by Standard, is equal to the sum of contributions made, less withdrawals and administrative expenses, plus interest credited. Standard is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The minimum crediting rate under this contract is 1.00%, and the crediting rate is reviewed quarterly. The crediting interest rate was 1.26% and 1.29% at December 31, 2022 and 2021, respectively. The contract value of the Standard Stable Asset Fund at December 31, 2022 and 2021 was \$2,837,408 and \$3,155,574, respectively.

Lincoln Group Variable Annuity Fixed Account

The Lincoln Group Variable Annuity Fixed Account is a group variable funding agreement which is a traditional fully benefit-responsive investment contract. The value of this contract as reported to the Plan by Lincoln, is equal to sum of contributions made, less withdrawals and administrative expenses, plus interest credited. Lincoln is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The minimum crediting rate under the contract is 3.00% and is reviewed quarterly. The average crediting interest rate was 3.00% for the years ended December 31, 2022 and 2021. The contract value of the Lincoln Group Variable Annuity Fixed Account at December 31, 2022 and 2021 was \$461,179 and \$505,524, respectively.

TIAA Traditional Annuity Fund (Fully Benefit-Responsive Portion)

The GSRA contract is also a traditional annuity contract (Note 3). GSRA contracts have no liquidity restrictions and provide for full participant-directed liquidity and are, therefore, fully benefit-responsive contracts reported at contract value. In addition, the General Account includes the Plan Loan Default Fund (PLDF) which is invested in a TIAA Traditional fully benefit-responsive contract.

THE HOME FOR LITTLE WANDERERS RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2022 and 2021

When a participant's accumulation in the TIAA Traditional Annuity is converted to a lifetime payout annuity, the present value of the stream of payments is equal to the accumulated balance, and the entire amount is recorded as a distribution in the Statement of Changes in Net Assets Available for Benefits.

There are no reserves against contract value for credit risk of the fully benefit-responsive contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer and are periodically reviewed for resetting. The average crediting interest rate was 3.63% and 3.70% at December 31, 2022 and 2021, respectively. The contract value of the TIAA Traditional Benefit-Responsive Annuity Fund at December 31, 2022 and 2021 was \$75,742 and \$108,165, respectively.

5. Summary of Financial Data Certified by the Custodians

The following is a summary of financial information and data certified by the custodians:

Statements of Net Assets Available for Plan Benefits at December 31, 2022 and 2021, except for participant notes receivable and contribution receivables;

Investment income, interest income from participant notes receivable, and net depreciation in fair value of investments on the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2022; and

Investment information provided in the supplementary schedule, Schedule of Assets (Held at End of Year) at December 31, 2022.

6. Income Tax Status

The Plan is operating under a 403(b) volume submitter plan designed by Standard Retirement Services, Inc., who received an advisory letter dated March 31, 2017, in which the Internal Revenue Service (IRS) stated that the plan document, as then designed, was in compliance with the applicable requirements of the IRC.

Although the Plan has been amended since receiving the advisory letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

THE HOME FOR LITTLE WANDERERS RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2022 and 2021

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Differences from Form 5500

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of different classifications between line items. Total Plan assets are in agreement.

8. Related Party Transactions and Party-in-Interest Transactions

The Plan's investments are held and managed by Reliance, Lincoln, and TIAA-CREF. Standard Retirement Service, Inc. is the Plan's recordkeeper. Therefore, transactions between the Plan and these parties qualify as exempt party-in-interest transactions, as defined by ERISA. For the year ended December 31, 2022, fees paid directly to Standard Retirement Services, Inc. and TIAA-CREF amounted to \$89,422 and \$349, respectively. In addition, participant notes receivable also qualify as exempt party-in-interest transactions.

9. Non-exempt Transactions

During 2022, the Employer failed to remit participant contributions of \$1,068 to the Plan on a timely basis as prescribed in the applicable Department of Labor Regulations 29 CFR 2510.3-102. Defined contribution plans must remit employee contributions to the Plan as soon as they can be reasonably segregated from the Employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld or received by the Employer.

The Employer remitted untimely participant contributions of \$506 due to the Plan for the year ended December 31, 2022 during 2022. The Employer remitted untimely participant contributions of \$562 due to the Plan for the year ended December 31, 2022 during 2023. The Employer is currently working with its third-party administrator to calculate and remit any lost earnings associated with these late remittances.
