INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Arey Jones 401(k) Retirement Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Arey Jones 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C)[ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for Plan benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for Plan benefits for the years then ended and the related notes to the financial statements.

Management having determined it is permissible in the circumstances, has elected to have the audits of Arey Jones 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years end December 31, 2022 and 2021, stating that the certified information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In Our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America
- the information in the financial statements referred to above related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with accounting standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Arey Jones 401(k) Retirement Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Arey Jones 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial Statements as a whole are free from material misstatement, whether due to error or fraud, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Arey Jones 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Arey Jones 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held at Plan Year End as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional

procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Arey Jones 401(K) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Effective January 1, 2003, Broadway Typewriter Co., Inc. (the "Company" or "Employer") established and adopted the Plan for its employees. The Plan, as amended and restated, is a defined contribution savings Plan covering substantially all employees who completed six months of service and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Company serves as the sponsor of the Plan. The Plan is administered by trustees consisting of one or more people appointed by the Board of Directors of the Company.

Contributions

Under the terms of the Plan, participants may elect to defer a percentage of their regular earnings from the Company to the Plan. Such salary reduction contributions on a pre-tax basis shall not exceed the maximum Internal Revenue Service ("IRS") dollar limit of $20,500 in 2022 and $19,500 in 2021. Additionally, participants who will be at least age 50 by the end of the tax year may make an additional "catch up" contribution of $6,500 in 2022 and 2021. Contributions are subject to certain limitations under IRS regulations. Participants may also contribute rollover distributions from other qualified plans.

The Company may elect to contribute a discretionary matching contribution and a discretionary non-elective contribution, the amount of which is determined each year. For the years ended December 31, 2022 and 2021, the Company did not make any contributions to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, and (b) the Plan's earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or losses on account balances, as defined. Forfeited balances of terminated participants' non-vested accounts are used to reduce employer contributions or pay Plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment into the Plan, a participant may direct their employee contributions in various percentage increments among any of the various investment options. Participants may change their investment options at any time via internet access.

NOTE 1 - DESCRIPTION OF PLAN (Cont.)

Vesting

Participants become vested in all types of contributions based on years of continuous service. A participant becomes fully vested after four years of continuous service. Any amount not vested upon a participant's separation from service is forfeited and used to reduce the employer contribution or pay Plan expenses. A participant becomes fully vested in the entire balance of their account upon retirement, disability, death or termination of the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 and a maximum equal to the lesser of $50,000 or 50% of the participants vested account balance. Loan transactions are treated as segregated investments of the individual participant. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Interest rates are 4.50% - 8.25%. Principal and interest payments are paid ratably through payroll deductions. Notes receivable from participants are recorded at their unpaid balance plus any accrued but unpaid interest.

Payment of Benefits

Upon termination of service for any reason a participant is entitled to the vested value of their accounts. If the vested value is below $5,000 the participant may receive either a lump sum or have the funds transferred to an IRA or other plan. If the vested value is more than $5,000 the participant in addition to the options above may also defer benefits to Normal Retirement Age or age 62.

Termination or Modification of the Plan

The Company has the right to terminate the Plan at any time by delivering to the Trustee and Administrator written notice. The sponsor may amend any or all provisions of this Plan without obtaining the approval or consent of the Employer providing the amendment does not permit any part of the corpus or income of the Plan to be used for any purpose other than for the benefit of the participants and their beneficiaries. In the event the Plan is terminated, all participants will become 100% vested in their accounts.

NOTE 1 - DESCRIPTION OF PLAN (Cont.)

Administrative Expenses

The employer is authorized to reimburse the Plan for all expenses and fees incurred in the administration of the Plan and paid out of the assets of the fund. During 2022 and 2021 the Plan expenses were $21,580 and $20,018, respectively. In addition, investment related expenses are included in net appreciation of fair value of investments.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual method of accounting and present the net assets available for Plan benefits on December 31, 2022 and 2021, and changes in net assets available for Plan benefits for the year ended December 31, 2022 and 2021.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the Plan. The statements of net assets available for benefits present the contract value which approximates the fair value of the investment contracts. The statement of changes in net assets available for benefits is prepared on a contract value basis.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. Participant loan receivables are valued at costs which approximate the current value. See note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Certain Plan expenses are deducted from participant accounts or investment income, and the remainder of the Plan expenses are paid by the Company.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Cont.)

Forfeitures

Upon termination of service, a participant forfeits any non-vested Company contributions. Forfeitures of non-vested participant account balances can be used to reduce the Company's contributions or pay Plan expenses. On December 31, 2022 and 2021 forfeited non-vested accounts totaled $0 and $706 respectively.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance will be reduced, and the delinquent participant note receivable is recorded as a benefit payment (deemed distribution) based on the terms in the Plan document. Deemed distributions of $0 were reported for the Plan years ending December 31, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid. For the years ended December 31, 2021 and 2020 the Plan reported distributions of $138,814 and $20,924, which include excess contributions payable of $23,660 and $0, respectively.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and charges therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Date of Management Evaluation

Management has evaluated subsequent events for recognition and disclosure through July 17, 2023, the date on which the financial statements were available to be issued.

NOTE 3 - INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Plan's Prototype sponsor by an opinion letter dated March 31, 2004, that the Volume Submitter Profit Sharing Plan with CODA sponsored by San Diego Pension Consultants Inc. and Complete Pension Services, which has been adopted by the Plan, is acceptable pursuant to Section 401 of the Internal Revenue Code and in compliance with the applicable requirements of the IRC. Although the plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 4 - ADMINISTRATION OF PLAN ASSETS

The Plan's assets are held by the trustees of the Plan consisting of one or more people appointed by the Board of Directors of the Company. On December 31, 2022 and 2021, the assets of the Plan were administered under a trust agreement with Great West Trust Company, LLC and a Custodian agreement with Empower (formerly Great West Life & Annuity Insurance Company), (the "Custodian").

NOTE 5 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued)

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Registered investment companies (Mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded and therefore classified at Level one.

Guaranteed investment contract: Fair value represents contract value adjusted to reflect current market interest rates only to the extent such market rates differ from crediting rates.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 – FAIR VALUE MEASUREMENTS (Cont.)

As required by FASB ASC 820-10, on December 31, 2022 and 2021, the Plan's portfolio investments were classified as follows, based on fair values:

December 31, 2022

Input levels by investment category:

NOTE 6 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

On December 31, 2022 and 2021, the Plan's investments were held by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the Trustees of the Plan. The investments are credited for earnings thereon and charged for withdrawals and expenses charged by the Trustee. The Plan administrator has obtained a certification from the Trustee as of December 31, 2022 and 2021 for the year then ended. The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified as complete and accurate by the Trustee.

NOTE 7- RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – PARTY IN INTEREST TRANSACTION

Empower Advisory Group, LLC, Empower Annuity Insurance Company of America, AIF Planning & Consultants Group, Advised Assets Group and Arey Jones 401(k) Retirement Plan are parties in interest in accordance with the definition provided by ERISA. During the years ended December 31, 2022 and 2021, fees totaling $9,281 and $6,917, respectively, were paid by the Plan to Empower Annuity Insurance Company of America. During the years ended December 31, 2022 and 2021 fees totaling $11,339 and $12,102, respectively, were paid by the Plan to AIF Planning & Consultants Group. During the years ended December 31, 2022 and 2021 fees totaling $960 and $699, respectively, were paid by the Plan to Empower Advisory Group, LLC. In addition, certain Plan investments during 2022 and 2021 were shares of mutual funds managed by Great West Financial.
