## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator and Participants  
Ammon Analytical Laboratories 401(k) Profit Sharing Plan and Trust  
Linden, New Jersey

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of Ammon Analytical Laboratories 401(k) Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

## **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***2021 Supplemental Schedules Required by ERISA***

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to, or derived from, the certified investment information, including its form and content, are presented in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to, or is derived from, the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedule related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditors' Report on the 2020 Financial Statements*

The 2020 financial statements of Ammon Analytical Laboratories 401(k) Plan were audited by Sobel & Co., LLC whose shareholders and professional staff joined CliftonLarsonAllen LLP as of February 1, 2023, and has subsequently ceased operations. As permitted by 29 CFR 2520 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed Sobel & Co., LLC not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 8, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTE 1 - PLAN DESCRIPTION:**

---

The Ammon Analytical Laboratories 401(k) Profit Sharing Plan and Trust ("Plan") is administered by Ammon Analytical Laboratories ("Company"). The following description of the Plan is provided for general information purposes only. More complete information is provided in the Summary Plan Description and Plan Document, which are available from the Company.

***General:***

The Plan is a voluntary, participant-directed, defined-contribution savings plan that became effective January 1, 2000. Elective deferrals can be made under the terms of the Plan beginning November 1, 2018. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

***Eligibility:***

Employees, excluding those covered by a collective bargaining agreement, certain nonresident aliens and employees under age 21, are eligible to participate in the Plan after completing two months of service. Employees can enter the Plan immediately after meeting the eligibility requirements.

***Contributions:***

Participants may make voluntary pretax contributions and Roth 401(k) contributions to the Plan up to 100% of eligible compensation, up to the annual Internal Revenue Service ("IRS") dollar limit. The Plan accepts rollover contributions from other qualified retirement plans in accordance with ERISA. The Plan accepts Roth rollover contributions that are properly segregated in the participant's accounts as Roth contributions. Participants, who have attained age 50 before the end of the Plan Year, are eligible to make catch-up contributions in accordance with, and subject to, IRS limitations. The Plan allows the Company to make discretionary profit-sharing contributions and discretionary matching employer contributions to the Plan. Employees must be active during the year and have completed 500 hours of service, in order to receive employer contributions. For the years ended December 31, 2020, the Company elected to make a discretionary profit-sharing contribution of \$230,612, which has not been paid to the plan by the plan sponsor and has been fully reserved against. Effective in 2021 the plan elected to be safe harbor. For the years ended December 31, 2021, the Company is required to make a safe-harbor match contribution of \$198,709, which is reflected as employer contributions receivable in the statements of net assets for benefits as of December 31, 2021, and a payment of \$115,363 was made subsequent to year end. The remaining \$83,346 has not been paid to the plan by the plan sponsor and has been fully reserved against.

***Participant Accounts:***

Each participant's account is credited with the participant's contribution and allocation of: (a) the Company's contribution; (b) Plan earnings, gains or losses, and (c) charged with an allocation of administrative expenses. Allocations are based on a participant's compensation or account balances, as defined in the Plan Document.

**NOTE 1 - PLAN DESCRIPTION:** (Continued)

---

***Participant Accounts: (Continued)***

The Plan permits participants to self-direct the investments of their accounts in a variety of investment options. All participants have elected to self-direct their accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting:***

Participants are immediately vested in their voluntary employee contributions, rollover contributions, qualified nonelective contributions, plus earnings thereon. Vesting of the Company's discretionary contributions are based on years of service. A participant with less than two years of credited service is 0% vested. Vesting increases 20% per year from year two through year six. Participants become 100% vested upon attainment of age 65 and completion of six years of participation in the Plan, or upon death or disability of the participant.

***Investment Options:***

Investments with the Custodian may be made in 38 fund vehicles, and participants may elect to have their contributions invested in any of these funds. A separate account is maintained for each participant, and interest and dividends earned by each fund are reinvested in that fund. Participants may change their investment options daily.

***Forfeitures:***

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures are used to offset employer contributions or pay Plan administrative expenses. During the years ended December 31, 2021 and 2020, \$12,665 and \$149,570, respectively, was used to offset employer contributions. As of December 31, 2021 and 2020, there was \$74,985 and \$3,338, respectively, available in the forfeiture account.

***Notes Receivable from Participants:***

Participants may borrow up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by the highest loan balance in the participant's account during a twelve-month period. The minimum loan amount allowed is \$1,000. Each loan is secured by the vested balance in the participant's account and bears interest at rates that are commensurate with local prevailing rates being charged by institutions that are in the business of lending money for similar types of commercial loans, which the Plan Administrator has defined as prime rate plus 1%. Only one loan per participant can be outstanding at a time. Loans have a maximum term of not more than five years, unless the loan is used to acquire the borrower's principal residence, in which case, the term is limited to fifteen years. Principal and interest payments must be made at least quarterly through payroll deductions or by another payment method in accordance with procedures provided by the Plan Administrator, and there is no penalty for early repayment of loan balances.

***Payment of Benefits:***

On termination of service, a participant may elect, at any time, to receive either a cash lump-sum amount equal to the value of their vested account or receive a rollover directly to the account of their choice.

When a participant retires and reaches age 65, or terminates employment due to the participant's death, disability, or attainment of age 65, the entire vested amount in the participant's account can be distributed in the form of partial withdrawals or installments, annuity payments or, at the participant's election, in a lump-sum payment.

Participants have the option to leave amounts in the Plan up to the mandatory distribution date, which is defined as April 1 following the calendar year of attaining the age of 72. If participants are still employed by the age of 72, the mandatory distribution date generally is April 1 following the termination date of employment. When a participant dies, the entire amount in the participant's account is distributed to the participant's beneficiary.

Hardship withdrawals are subject to approval by the Plan Administrator and also subject to income tax withholding.

***In-service Withdrawals:***

Participants attaining the age of 59½ may request a withdrawal of all or part of the vested portion of their account. Also, in the event a participant suffers financial hardship, as defined in the Plan, the participant may withdraw all or part of the vested portion of their account excluding the participant's elective contributions earnings and safe harbor contributions.

During the year ended December 31, 2020, seven participants made withdrawals totaling \$147,710 under the Coronavirus Aid, Relief, and Economic Security ("CARES") Act, as passed by Congress in March 2020. The CARES Act provided qualified individuals affected by the coronavirus with access to retirement savings that typically would be inaccessible or subject to early withdrawal penalties. This withdrawal is included in participant withdrawals on the statement of changes in net assets available for benefits.

***Retirement:***

The Plan's normal retirement age is 65. There is no early retirement provision under the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

---

***Basis of Accounting:***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United State of America.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

---

***Investment Valuation and Income Recognition:***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and Custodian. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

***Allowance***

Contributions receivable are reported at their outstanding balances net of an estimated reserve for doubtful accounts. The Plan estimates doubtful accounts based on the Plan sponsor's ability to pay, and current economic trends and conditions. As of December 31, 2021 and 2020, the allowance for doubtful accounts was \$313,958 and \$0, respectively. Changes in the allowance for doubtful accounts are recorded as a deduction from net assets in the statement of changes in net assets available for benefits.

***Benefit Payments:***

Benefits are recorded when paid.

***Administrative Expenses and Participant Transaction Fees:***

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants, investment fees, and certain Plan administration fees not covered by the Company are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

***Mutual Fund Fees:***

Investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. Allowable fees under Section 12b-1 of the Investment Company Act of 1940 are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity and, thus, not separately identifiable as an expense.

***Use of Estimates:***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

***Subsequent Events:***

The Company has evaluated its subsequent events and transactions occurring after December 31, 2021 through July 25, 2023, the date that the financial statements were available to be issued.

---

NOTE 3 - RISKS AND UNCERTAINTIES:

---

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. To the extent that a participant directs that their contributions be invested through the self-directed brokerage account option, the participant solely determines the extent to which such amounts will be diversified, if at all.

---

NOTE 4 - INVESTMENTS CERTIFIED BY THE PLAN CUSTODIAN:

---

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and certain ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to, or derived from, information certified as complete and accurate by Empower Trust Company, LLC (formerly Great-West Trust Company, LLC) and Empower Annuity Insurance Company of America (formerly Great-West Life & Annuity Insurance Company), (collectively referred to as Empower), the qualified institutions of the Plan.

**NOTE 5 - FAIR VALUE MEASUREMENTS:**

---

Fair value measurements establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

NOTE 5 - FAIR VALUE MEASUREMENTS: (Continued)

---

**Mutual Funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. (Level 1 input)

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

**Assets at Fair Value as of**  
**December 31, 2021**

|              | Level 1      | Level 2 | Level 3 | Total        |
|--------------|--------------|---------|---------|--------------|
| Mutual Funds | \$ 6,484,082 | \$ -    | \$ -    | \$ 6,484,082 |

| Mutual Funds | \$ 5,807,008 | \$ -    | \$ -    | \$ 5,807,008 |

---

NOTE 6 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT:

---

The Plan has entered into a traditional, fully benefit-responsive guaranteed investment contract with the Custodian of the Plan. The Custodian maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issue is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1 percent. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the Custodian to terminate the agreement prior to the scheduled maturity date.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2021 AND 2020

---

---

**NOTE 6 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT: (Continued)**

---

The contract meets the fully benefit-responsive investment contract criteria, and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the Custodian, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contract
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers, and that would also limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

**NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS:**

---

The Plan's investments are held by Empower, as defined by the Plan and, therefore, those transactions qualify as party-in-interest transactions.

Notes receivable from Plan participants qualify as party-in-interest transactions.

---

**NOTE 8 - PLAN TERMINATION:**

---

Although the Company has not expressed intent to terminate the Plan, it may do so at any time under the provisions of ERISA. Upon termination of the Plan, participants will become 100% vested and entitled to their full account balance, including all Company contributions, as of the termination date.

---

**NOTE 9 - TAX STATUS:**

---

The Plan Administrator obtained an opinion letter from the Internal Revenue Service in March 2014, in which the IRS stated that the prototype Plan Document was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). The Plan Administrator believes the Plan is being designed and operated in compliance with the Plan Document and applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any periods in progress.

**NOTE 13 - SUBSEQUENT EVENT:**

---

On June 7, 2022 the Plan Sponsor filed a voluntary petition for relief under Chapter 11 of Title 11 of the United States Code, in the United States Bankruptcy Court for the District of New Jersey. The Company continued to operate their business as “debtor-in-possession” until the Company’s Pre-packaged Plan of Reorganization was approved. The Company has currently not funded outstanding receivables as a result of bankruptcy (see Note 1). As the Plan is fully funded with the exception of Company receivables, the Plan continues to be a going concern.
