INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Gunderlin Ltd., Inc. Retirement Savings Plan
Hialeah, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Gunderlin Ltd., Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) Audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 and 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Gunderlin Ltd., Inc. Retirement Savings Plan and to meet our other ethical responsibilities in

+1 (305) 231-2150  www.QuantumAdvisorsChoice.com

5979 NW 151st St, Suite 109. Miami Lakes, FL 33014

accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gunderlin Ltd., Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gunderlin Ltd., Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gunderlin Ltd., Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes at December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

GUNDERLIN LTD., INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021

1. Description of Plan:

The following description of the Gunderlin Ltd., Inc. (The Company) Retirement Savings Plan (The Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan provisions.

General:

The Plan is a defined contribution plan, generally referred to as a 401K Plan, covering all full-time employees of the Company who have attained one year of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions and Participants' Accounts:

Participants may elect to contribute up to 15% of their compensation to the plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also roll over amounts representing distributions from other qualified defined benefit or contribution plans.

Participants direct the investment of their contributions into various investment options offered by the plan. The Company makes a matching contribution equal to a percentage, determined by the company, of the contributions made by the participant. Discretionary contributions are made by the Company from its current earnings. The amount is determined annually by the Company's Board of Directors.

A separate account is maintained for each participant. Each participant's account is credited with the participant's contributions and investment earnings and allocations of the company's contributions. The account is charged with an allocation of custodial and investment management fees. Allocations are based on participants account balances, as defined.

Participants who reach age 59-1/2 or suffer financial hardships may withdraw all or any part of their vested account resulting from participant contributions or rollover contributions. Participants who become permanently and totally disabled or who reach normal retirement age of 65 are entitled to receive the entire amount of their accumulated account.

The amount of compensation of each participant taken into account for determining all benefits provided under the plan for any determination period cannot exceed \$305,000 in 2022 and \$290,000 in 2021, adjusted for cost of living increases. Participants who are at least 50 years of age may make catch-up elective deferral contributions of up to \$6,500 in 2022 and \$6,500 in 2021.

GUNDERLIN LTD., INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021

Description of Plan (Continued):

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022, and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits to Participants:

Benefits are recorded when paid.

Forfeitures:

Forfeitures of profit sharing contributions or matching contributions that are not used to pay Plan expenses are reallocated as either an additional profit sharing contribution or discretionary matching contribution, respectively.

Administrative expenses:

Gunderlin Ltd., Inc. pays some of the administrative expenses on behalf of the Plan.

2. Summary of Significant Accounting Policies:

Basis of Accounting:

The accompanying financial statements are prepared on the accrual basis of accounting.

The Plan's investments are reported at fair value, with the exception of fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

GUNDERLIN LTD., INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021

2. Summary of Significant Accounting Policies (continued):

Basis of Accounting (continued):

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

In July 2015, the FASB issued ASU No. 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965), I. Fully Benefit-Responsive Investment Contracts, II. Plan Investment Disclosures, III. Measurement Date Practical Expedient ("ASU 2015-12"). The FASB is issuing this update in response to a proposal developed by the Emerging Issues Task Force ("EITF") to reduce complexity in employee benefit plan accounting.

Part I of ASU 2015-12 requires fully benefit-responsive investment contracts to be measured, presented and disclosed at contract value. Contract value is the relevant measure for those contracts because that is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Part I also eliminates certain disclosures, including average yield earned by the Plan and the methodology used to calculate the interest crediting rate.

Part II of ASU 2015-12 requires plans to disaggregate their investments measured using fair value only by general type, either on the financial statements or in the notes. Part II also eliminated the requirement to disclose the net appreciation/depreciation in fair value of investments by general type and the requirements to disclose individual investments that represent 5% or more of net assets available for benefits.

Part III of ASU 2015-12 provides a practical expedient to permit plans to measure investments and investment related accounts (for example, a liability for a pending trade with a broker) as of a month-end that is closest to the plan's fiscal year end, when the fiscal period does not coincide with a month-end. If a plan applies the practical expedient and a contribution, distribution, and/or significant event occurs between the alternative measurement date and the plan's fiscal year end, the plan should disclose the amount of the contribution, distribution, and/or significant event. The Company has elected to adopt Part III of ASU 2015-12 with no impact on the disclosures.

GUNDERLIN LTD., INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021

2. Summary of Significant Accounting Policies (continued):

Basis of Accounting (Continued):

In January 2016, the FASB issued ASU No. 2016-01, Recognition and Measurement of Financial Assets and Financial Liabilities. ASU 2016-01 enhances certain aspects of recognition, measurement, presentation and disclosure of financial instruments. ASU 2016-01 is effective for fiscal years beginning after December 15, 2017. No early adoption is permitted.

In August 2018, the FASB issued ASU No. 2018-13, Fair Value Measurement (Topic 820) - Disclosure Framework-Changes to the Disclosure Requirements for Fair Value Measurement. ASU No. 2018-13 modifies certain disclosure requirements on fair value measurements in topic 820. ASU 2018-13 is effective for fiscal years beginning after December 15, 2019.

In July 2019, the AICPA Auditing Standards Board(ASB) issued as a final standard, Statement on Auditing Standards (SAS)No. 136, Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA (EBP SAS). The EBP SAS prescribes certain new performance requirements for an audit of financial statements of employee benefit plans subject to the Employee Retirement Income Security Act of 1974 (ERISA) and changes the form and content of the related auditor's report.

To enhance the quality of employee benefit plan audits, the EBP SAS specifically addresses requirements for:

- Engagement acceptance
- Audit risk assessment and response, including the auditor's consideration of relevant plan provisions
- Communications of reportable findings with those charged with governance
- The auditor's responsibilities relating to the ERISA-required supplemental schedules and the Form 5500
- The form and content of the related auditor's report

GUNDERLIN LTD., INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021

2. Summary of Significant Accounting Policies (continued):

Basis of Accounting (Continued):

ERISA section 103(a)(3)(C) permits plan management to elect to exclude from the audit certain investment information a qualified institution holds and certifies. Formerly referred to as a "limited-scope audit," the EBP SAS refers to this type of audit as an "ERISA section 103(a)(3)(C) audit." The EBP SAS does not change anything in ERISA, and therefore plan management's ability to elect such an audit continues. The EBP SAS clarifies what is expected of the auditor, including specific procedures when performing an ERISA section 103(a)(3)(C) audit, and establishes a new form of report that provides greater transparency about the scope and nature of the audit and describes the procedures performed on the certified investment information. SAS No. 136 is effective for audits of financial statements for periods ending on or after December 15, 2020.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value which is determined by quoted market prices. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the plan at year end.

The common/collective trusts are stated at contract value as determined by the issuer of the common collective trust funds. Participant loans are valued at the outstanding loan balances, which approximate fair value. Purchases and sales of mutual funds are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend-date.

Funds within the Mutual of Omaha retirement program product are part of a Group Annuity Contract that invest in underlying managed portfolios, collective trust vehicles and individual mutual funds. The underlying collective trust that the Bond Index Fund invests in is an institutional-level vehicle available only to qualified plans.

The trust's daily net asset value reflects any income dividend or capital gains within its daily price.

GUNDERLIN LTD., INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021

Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

3. Information Certified by the Trustee:

The following information has been certified by the Plan trustee, Mutual of Omaha Life Insurance Company for the years ended December 31, 2022 and 2021, as being complete and accurate. As instructed by the Plan administrator, no auditing procedures have been applied to the following information, other than comparing the information with related information included in the financial statements. Information certified by the trustee included in the accompany statements of net assets available for benefits is as follows:

Investment in common trust funds	\$1,448,466
Mutual funds	7,799,996
	<u>\$9,248,462</u>

The fair values of investments at December 31, 2022 and 2021, which individually comprise 5 percent or more of assets available for Plan benefits are no longer required to be presented (see Note 2 - "Basis of Accounting" above).

GUNDERLIN LTD., INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021

4. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

5. Tax Status:

The Plan has adopted a prototype "standardized" plan and the prototype sponsor has received a determination letter from the Internal Revenue Service indicating that the Plan is a qualified plan meeting the requirements of applicable sections of the Internal Revenue Code. Accordingly, Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code.

At December 31, 2022, the Plan's tax returns for 2019, 2020 and 2021 remain subject to potential examination by federal and state taxing authorities however, there are currently no audits for any tax period in progress.

6. Party-In-Interest Transactions:

Parties in interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others. Certain Plan investments are shares of mutual funds managed by Mutual of Omaha Life Insurance Company. Mutual of Omaha is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Participant loans held by the Plan also reflect party-in-interest transactions (related party transactions).

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company.

GUNDERLIN LTD., INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021

7. Fair Value Measurement:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access. Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in inactive markets.

Level 2 - Inputs other than quoted prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual funds represent investments with various registered investment managers. The fair values of these investments are determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds traded on national securities exchanges are valued at the quoted market price as of December 31, 2022 and 2021 and classified as Level 1 assets.

7. Fair Value Measurement (Continued):

<u>2022</u>	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 7,799,996			\$ 7,799,996
Common Trust Funds			\$ 1,448,466	1,448,466
	\$ 7,799,996	\$ -	\$ 1,448,466	\$ 9,248,462

<u>2021</u>	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 9,578,557			\$ 9,578,557
Common Trust Funds			\$ 1,433,278	1,433,278
	\$ 9,578,557	\$ -	\$ 1,433,278	\$ 11,011,835

Investments in the Guaranteed Interest Account and Lifetime Guaranteed Account are stated at contract value, which have been determined as the value of the fund as of the last business day in the plan year plus any accrued interest through the last day of the plan year.

Participant loans, which are secured by vested account balances of the borrowing participant, were valued at their carrying balance, which approximates fair value.

Methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

GUNDERLIN LTD., INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021

8. Financial Assets Carried at Contract Value:

The following provides information as of December 31, 2022 and 2021 about the financial assets carried at contract value:

As of December 31,

	2022	2021
Guaranteed Interest Account	\$1,423,563	\$1,433,278
Lifetime Guaranteed Account	24,903	-
	<u>\$1,448,466</u>	<u>\$1,433,278</u>

The Plan holds investments in synthetic guaranteed investment contracts ("synthetic GICs") as part of the Guaranteed Interest Account and Lifetime Guaranteed Account.

In determining the net assets available for benefits, the synthetic GICs are recorded at their contract values, which are equal to principal balance plus accrued interest. As provided in ASC 962, an investment contract is generally valued at contract value, rather than fair value, to the extent it is fully benefit-responsive.

The Guaranteed Interest Account and Lifetime Guaranteed Account are credited with earnings on the underlying investments and charged for participant's withdrawals and administrative expenses. The synthetic GIC's issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The GICs are included in the financial statements at contract value as reported to the Plan by the Trustee, the investment manager. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are currently no reserves against contract values for credit risk of the contract issuers or otherwise.
