Form 5500 (2022)
v. 220413

3a Plan administrator's name and address ☒ Same as Plan Sponsor		3b Administrator's EIN
		3c Administrator's telephone number
4 If the name and/or EIN of the plan sponsor or the plan name has changed since the last return/report filed for this plan, enter the plan sponsor's name, EIN, the plan name and the plan number from the last return/report: a Sponsor's name c Plan Name		4b EIN 4d PN
5 Total number of participants at the beginning of the plan year		5 722
6 Number of participants as of the end of the plan year unless otherwise stated (welfare plans complete only lines 6a(1) , 6a(2) , 6b , 6c , and 6d).		
a(1) Total number of active participants at the beginning of the plan year		6a(1) 585
a(2) Total number of active participants at the end of the plan year		6a(2) 584
b Retired or separated participants receiving benefits		6b 10
c Other retired or separated participants entitled to future benefits.....		6c 128
d Subtotal. Add lines 6a(2) , 6b , and 6c		6d 722
e Deceased participants whose beneficiaries are receiving or are entitled to receive benefits.		6e 0
f Total. Add lines 6d and 6e		6f 722
g Number of participants with account balances as of the end of the plan year (only defined contribution plans complete this item).....		6g 686
h Number of participants who terminated employment during the plan year with accrued benefits that were less than 100% vested.....		6h 0
7 Enter the total number of employers obligated to contribute to the plan (only multiemployer plans complete this item)		7
8a If the plan provides pension benefits, enter the applicable pension feature codes from the List of Plan Characteristics Codes in the instructions: 2E 2G 2J 2K 2F 3D 2T 3F 3H		
b If the plan provides welfare benefits, enter the applicable welfare feature codes from the List of Plan Characteristics Codes in the instructions:		
9a Plan funding arrangement (check all that apply) (1) ☐ Insurance (2) ☐ Code section 412(e)(3) insurance contracts (3) ☒ Trust (4) ☐ General assets of the sponsor	9b Plan benefit arrangement (check all that apply) (1) ☐ Insurance (2) ☐ Code section 412(e)(3) insurance contracts (3) ☒ Trust (4) ☐ General assets of the sponsor	
10 Check all applicable boxes in 10a and 10b to indicate which schedules are attached, and, where indicated, enter the number attached. (See instructions)		
a Pension Schedules (1) ☒ R (Retirement Plan Information) (2) ☐ MB (Multiemployer Defined Benefit Plan and Certain Money Purchase Plan Actuarial Information) - signed by the plan actuary (3) ☐ SB (Single-Employer Defined Benefit Plan Actuarial Information) - signed by the plan actuary	b General Schedules (1) ☒ H (Financial Information) (2) ☐ I (Financial Information – Small Plan) (3) ☐ A (Insurance Information) (4) ☒ C (Service Provider Information) (5) ☒ D (DFE/Participating Plan Information) (6) ☐ G (Financial Transaction Schedules)	

Part III Form M-1 Compliance Information (to be completed by welfare benefit plans)

11a If the plan provides welfare benefits, was the plan subject to the Form M-1 filing requirements during the plan year? (See instructions and 29 CFR 2520.101-2.) ☐ Yes ☐ No

If "Yes" is checked, complete lines 11b and 11c.

11b Is the plan currently in compliance with the Form M-1 filing requirements? (See instructions and 29 CFR 2520.101-2.) ☐ Yes ☐ No

11c Enter the Receipt Confirmation Code for the 2022 Form M-1 annual report. If the plan was not required to file the 2022 Form M-1 annual report, enter the Receipt Confirmation Code for the most recent Form M-1 that was required to be filed under the Form M-1 filing requirements. (Failure to enter a valid Receipt Confirmation Code will subject the Form 5500 filing to rejection as incomplete.)

Receipt Confirmation Code _____

SCHEDULE C (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Service Provider Information This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA). ▶ File as an attachment to Form 5500.	OMB No. 1210-0110
		2022
		This Form is Open to Public Inspection.

For calendar plan year 2022 or fiscal plan year beginning 01/01/2022 and ending 12/31/2022	
A Name of plan POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN	B Three-digit plan number (PN) ▶ 006
C Plan sponsor's name as shown on line 2a of Form 5500 POLYMER ENTERPRISES, INC.	D Employer Identification Number (EIN) 25-0650190

Part I Service Provider Information (see instructions)

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

Part I	Asset and Liability Statement
--------	-------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Assets		(a) Beginning of Year	(b) End of Year
a Total noninterest-bearing cash.....	1a

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **DELUZIO & COMPANY, LLP**

(2) EIN: **45-3941203**

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Retirement Plan Information This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2022 This Form is Open to Public Inspection.

Independent Auditor's Report

To the Plan Administrator
 Polymer Enterprises, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Polymer Enterprises, Inc. Retirement Savings Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Polymer Enterprises, Inc. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Voya Institutional Trust Company, a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(continued)

- 1 -

Independent Auditor's Report

(continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Polymer Enterprises, Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Polymer Enterprises, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(continued)

Independent Auditor's Report

(continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Polymer Enterprises, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Polymer Enterprises, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

(continued)

Independent Auditor's Report

(continued)

Other Matter — Supplemental Schedule Required by ERISA (continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1 – PLAN DESCRIPTION

The following description of the Polymer Enterprises, Inc. Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan’s document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution profit-sharing plan with a 401(k) employer matching feature covering substantially all employees of Polymer Enterprises, Inc. (the “Company”) and its wholly owned subsidiaries, Specialty Tires of America, Inc., Specialty Tires of America (Tennessee), LLC, Specialty Tires of America (Pennsylvania), Inc. and Polymer Industrial Products Company, LLC. Employees are eligible to participate upon completion of one year of service, provided they have worked at least 1,000 hours, and are nineteen or older, except for union, nonresident aliens and leased employees, because these are ineligible classes of employees according to the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan agreement utilized a nonstandardized prototype sponsored by Voya Retirement Insurance and Annuity Company (“Voya”). Voya is the recordkeeper and trustee of the Plan. The administrator of the Plan is the Polymer Enterprises, Inc. Retirement Savings Plan Committee. The Plan sponsor is Polymer Enterprises, Inc.

Contributions

Plan participants may contribute up to 100% of their annual compensation on a pretax and/or after-tax basis, as defined by the Plan, subject to certain limitations under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan Year are eligible to make catch-up contributions, subject to limitations under the IRC. The Plan has an automatic enrollment feature, whereby employees who met the eligibility requirements will be automatically enrolled unless the employee affirmatively elects otherwise. Employees who are automatically enrolled will have 5% of their eligible compensation withheld as a pretax salary deferral and their contributions invested in a designated fund until changed by the participant. The Plan also allows participants to make qualified rollover contributions.

The Company matches an employee’s contribution on a discretionary level as determined by the Company’s Board of Directors. The matching percentage for the years ended December 31, 2022 and 2021 was 125% of the first 5% of eligible compensation that a participant contributed to the Plan. At the discretion of the Company, an employer nonelective contribution (profit-sharing) may be made to the Plan each year. Participants are eligible to share in the nonelective employer contribution, provided they are employed on the last day of the Plan Year and have completed at least 1,000 hours of service during the Plan Year. No such contributions were made to the Plan for the years ended December 31, 2022 and 2021.

Participants direct the investment of their contributions including Company contributions into various investment options offered by the Plan. Participants may change their investment election for future contributions, or the percentage(s) invested in each of these options or transfer funds within these options on any business day. All investments are participant directed.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1 – PLAN DESCRIPTION (continued)

Participant Accounts

Individual accounts are maintained for each Plan participant to reflect the participant's contributions, the Company's matching and nonelective contributions and the net investment income (loss) attributable to the participant's account. Participant accounts are also charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms generally range from one to five years but can be up to twenty years for the purchase of a primary residence. A participant may not have more than two outstanding loans at any time. Loans are secured by the balance in the participant's account and bear interest at the prime rate published in the Wall Street Journal on the first business day of the month before the loan is originated. Principal and interest are paid ratably through monthly payroll deductions. Upon termination of employment, all loans will immediately become payable. If a loan is not repaid within a reasonable time following termination of employment, the loan will be recorded as a distribution against the participant's vested account balance.

Vesting

Participants are fully vested in their accounts at all times, including Company matching and nonelective contributions.

Payment of Benefits

Benefits may be distributed to participants, spouses or designated beneficiaries, as appropriate, upon normal retirement (age 62), death, disability or termination of employment. Prior to termination of service, participants who have attained the age of 59½ may make in-service withdrawals from all vested accounts. Payments are in the form of a lump-sum payout or in partial withdrawals of the participant's account balance or over a period determined by the Plan administrator. The Plan provides for certain required minimum distributions commencing at age 72 for certain participants. The Plan provides participants may make emergency withdrawals from the Plan to meet certain hardships. The permitted hardships are defined by the Internal Revenue Service (IRS) and the requirements are strict.

Forfeitures

Forfeitures can be used to pay administrative expenses or to reduce the employer's contributions. The total amount of forfeited accounts as of December 31, 2022 and 2021 was \$88 and \$87, respectively. During the years ended December 31, 2022 and 2021, zero and \$39, respectively were used to pay Plan administrative expenses.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1 – PLAN DESCRIPTION (continued)

Investment Options

The Plan provides various investment alternatives, including six multiple mutual fund groups and a stable value fund with MetLife, in which contributions to the Plan may be invested.

A. The Lord Abbett Funds Group consists of the following:

- 1) Income Fund: Investment grade and other debt type securities.

B. The Vanguard Funds Group consists of the following:

- 1) Wellington Fund: Balanced fund of common stocks and fixed income securities.
- 2) Windsor Fund: Stocks with long-term capital growth objectives.
- 3) Index 500 Fund: Stocks of large-sized companies.

C. The American Funds Group consists of the following:

- 1) New Perspective Fund: Primarily common stocks, including growth-oriented stocks on a global basis.
- 2) Washington Mutual Investors Fund: Widely diversified portfolio of equity securities.
- 3) Income Fund of America: Dividend paying common stocks and debt securities. At least 60% of the fund's assets will be invested in equities; the fund may also invest up to 20% of its assets in lower quality, higher yielding debt securities.
- 4) Bond Fund of America: Investments in corporate debt securities, U.S. and other government securities, mortgage related securities and cash.
- 5) Capital World Growth and Income Fund: Primarily invests in blue chip company stocks in the world's largest stock markets, corporate and government bonds and cash and cash equivalents.
- 6) Small Capital World Fund: Investments globally that have at least 80% of the assets invested in equities of issuers typically having market capitalization from \$50 million to \$2 billion.
- 7) Target Date Funds: Investments seek growth, income and conservation of capital. These funds normally invest a greater portion of its assets in bond, equity income and balanced funds as it approaches and passes its target date.

D. The Principal Funds Group consists of the following:

- 1) Principal MidCap Fund: Seeks long-term growth of capital and primarily invests in equity securities of mid-cap companies.

E. The MFS Funds Group consists of the following:

- 1) Growth Fund: Seeks capital appreciation and primarily invests in equity securities.

F. The Fidelity Funds Group consists of the following:

- 1) US Bond Index Fund: U.S. treasuries, corporate bonds and agency mortgage-backed securities.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1 – PLAN DESCRIPTION (continued)

Investment Options (continued)

G. The Metropolitan Life Insurance Company Fund consists of the following:

- 1) MetLife Stable Value Common/Collective Trust Fund: Insurance company managed guaranteed insurance contract providing a guarantee of both principal and interest for participant-initiated withdrawals.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting in conformity with United States of America generally accepted accounting principles (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. Delinquent notes receivable from participants are recorded as distributions based upon terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid by the Plan.

Investment Valuation and Income Recognition

Investments in all funds, except for the MetLife Stable Value common/collective trust fund (MetLife), are presented at fair value, based on quoted market prices of the underlying securities within each fund at December 31, 2022 and 2021. Shares of mutual funds are valued at the net asset value ("NAV") of shares held by the Plan at year-end. Participant loans are valued at amortized cost which represents fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The MetLife fund is reported at fair value by calculating the NAV per share (or its equivalent) in a manner consistent with the measurement principles of ASC 946 *Financial Services Investment Companies*. As required by ASC 946, the NAV calculated by the fund is based on "net assets" which includes fully benefit-responsive investment contracts at contract value.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

GAAP establishes a framework for measuring fair value that requires or permits fair value measurements and enhances disclosures about fair value measurements. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy, which requires an entity to maximize the use of observable inputs when measuring fair value. The required disclosures concerning inputs used to measure fair value are included in Note 7.

Plan Administrative Costs

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation (depreciation) in fair value of investments presented in the accompanying statements of changes in net assets available for benefits. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Subsequent Events

The Plan evaluated subsequent events through the date of this report, which is the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 4 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 5 – SUMMARY OF FINANCIAL DATA CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, all investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, net appreciation (depreciation) in fair value of investments, interest, dividends and notes receivable from participants for the years then ended, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee.

The trustee has certified the following investments and investment income (loss) as of and for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Certified Assets at End of Year		
Mutual funds	\$ 42,382,947	\$ 54,487,392
MetLife stable value common/collective trust fund	10,041,237	9,375,431
Notes receivable from participants	<u>1,102,826</u>	<u>1,084,591</u>
Net Assets Available for Benefits	<u><u>\$ 53,527,010</u></u>	<u><u>\$ 64,947,414</u></u>
Certified Investment Income (Loss)		
Net appreciation (depreciation) in fair value of investments	\$ (11,632,126)	\$ 6,037,359
Dividends	<u>2,222,259</u>	<u>3,250,954</u>
Certified Investment Income (Loss)	<u><u>\$ (9,409,867)</u></u>	<u><u>\$ 9,288,313</u></u>
Certified loan interest	<u><u>\$ 39,927</u></u>	<u><u>\$ 53,628</u></u>

NOTE 6 – INCOME TAX STATUS

The underlying nonstandardized prototype plan has received an opinion letter dated June 30, 2020, from the IRS that stated the Plan and related Trust are designed in accordance with the applicable sections of the IRC. Subsequent to the receipt of the determination letter from the IRS, the Plan has been amended. The Plan is required to operate in conformity with the IRC to maintain its qualifications. In the opinion of the Plan administrator, the Plan and the related Trust are currently operated in accordance with the Plan agreement and in conformity with applicable provisions of the IRC and are exempt from federal taxes.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax periods in progress. The Plan administrator believes it is no longer subject to tax examinations for the years prior to 2019.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 7 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Statement ASC 820, *Fair Value Measurements* (FASB ASC 820), establishes a framework for measuring fair value and requires certain disclosures about the fair value measurement (see Note 2). The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- *Mutual funds* – Valued at the NAV of shares held by the Plan at year-end. The NAV is based upon quoted market prices.
- *MetLife stable value common/collective trust fund* – A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidation will be carried out in an orderly business manner.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 7 – FAIR VALUE MEASUREMENTS (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

December 31, 2022				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 42,382,947	\$ -	\$ -	\$ 42,382,947
Total investments in the fair value hierarchy	<u>42,382,947</u>	<u>-</u>	<u>-</u>	<u>42,382,947</u>
Investments measured at NAV {a}	<u>-</u>	<u>-</u>	<u>-</u>	<u>10,041,237</u>
Investments, at fair value	<u>\$ 42,382,947</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 52,424,184</u>
December 31, 2021				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 54,487,392	\$ -	\$ -	\$ 54,487,392
Total investments in the fair value hierarchy	<u>54,487,392</u>	<u>-</u>	<u>-</u>	<u>54,487,392</u>
Investments measured at NAV {a}	<u>-</u>	<u>-</u>	<u>-</u>	<u>9,375,431</u>
Investments, at fair value	<u>\$ 54,487,392</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 63,862,823</u>

{a} In accordance with Subtopic 820-10, certain investments that were measured at net asset value share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of assets available for benefits.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 7 – FAIR VALUE MEASUREMENTS (continued)

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>MetLife Stable Value Common/Collective Trust Fund</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
December 31, 2022	\$ 10,041,237	N/A	Daily	60 Days
December 31, 2021	\$ 9,375,431	N/A	Daily	60 Days

NOTE 8 – METLIFE STABLE VALUE COMMON/COLLECTIVE TRUST FUND

The MetLife Stable Value Common/Collective Trust Fund (the “Fund”) is a common trust fund administered by Wilmington Trust, N.A. (the “Trustee”) of the Fund. The Trustee maintains the Trust for the collective investment of certain qualified defined contribution retirement plans. The Fund’s objective is to provide safety of principal, adequate liquidity and a competitive yield with low return volatility.

The Fund is invested 100% in the MetLife Group Annuity Contract No. 25554 (the “Contract”). This Contract is comprised of three separate accounts: the MetLife Aggregate Bond Index Separate Account, the Wilmington Short/Intermediate Bond Separate Account, and the Wilmington Broad Market Bond Separate Account. MetLife maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The interest rate is guaranteed not to drop below 0%.

There are no reserves against contract value for the credit risk of the contract issuer or otherwise.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete and partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction under ERISA. The Plan administrator does not believe that any events that would limit the Plan’s ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to sixty days’ notice.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 8 – METLIFE STABLE VALUE COMMON/COLLECTIVE TRUST FUND (continued)

The average yields earned by the Fund and the actual yields credited to participants for the years ended December 31, 2022 and 2021 are listed below :

	<u>2022</u>	<u>2021</u>
Average yields:		
Based on actual earnings	0.18%	1.70%
Based on interest rate credited to participants	3.85%	1.57%

NOTE 9 – PARTY-IN-INTEREST TRANSACTIONS

Fees paid during 2022 and 2021 for professional, administrative and custodial services were paid by the Plan based on customary and reasonable rates for the services. While these transactions qualify as party-in-interest activity, they are expressly exempt from the prohibited transaction rules. Fees paid by the Plan in 2022 and 2021 were paid to the following companies; Voya who provides trustee and recordkeeping services for the Plan, AndCo Consulting who provides investment advisor and consulting services to the Plan and Deluzio & Company, LLP the Plan's auditors. Fees paid by the Plan for the years ended December 31, 2022 and 2021 are as follows:

	<u>2022</u>	<u>2021</u>
Voya	\$ 110,042	\$ 107,298
AndCo Consulting	34,500	34,500
Deluzio & Company, LLP	<u>7,200</u>	<u>9,750</u>
Total administrative expenses paid by the Plan	<u>\$ 151,742</u>	<u>\$ 151,548</u>

Certain Plan investments are managed by Voya. Voya is the trustee and recordkeeper for the Plan, and, therefore these transactions qualify as party-in-interest transactions. Effective June 15, 2018, Voya provides certain administrative services to the Plan pursuant to a Service Agreement between the Company and Voya. Voya receives revenue from mutual fund service providers for services Voya provides to the funds. This revenue is used to offset certain amounts owed to Voya for its administrative services to the Plan.

If the revenue received by Voya from such mutual fund service providers exceeds the amount owed under the Service Agreement, Voya remits the excess to the Plan's trust on a monthly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. Administrative expenses paid from the revenue sharing account totaled \$42,054 and \$44,604, respectively for the years ended December 31, 2022 and 2021. The Plan has until March 15th of the following year to use any remaining balance in the revenue sharing account on December 31st before it must be reallocated to participants. The remaining balance in the revenue sharing account at December 31, 2022 and 2021 was used to pay Plan administrative expenses by March 15th, therefore, no funds were reallocated to participants. The Plan may make payments to Voya for administrative expenses not covered by the revenue sharing account.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 11 – PLAN AMENDMENTS

The Plan was amended and restated on January 1, 2021, to comply with IRS regulations.

Effective April 1, 2020, the Plan adopted the distribution provision of the CARES Act that was signed into law on March 27, 2020. If qualified, a CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020 without being subject to the section 72(t) 10% additional tax for early distributions. The Act also permits the distributions to be repaid at any time over a three-year period to an eligible retirement plan. The legislation also allows loans of up to \$100,000 or 100% of the participant's vested account balance. The Plan has also implemented certain provisions of the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019, which delayed the commencement date for required minimum distributions. The Plan was formally amended for these CARES and SECURE Act provisions on January 1, 2022.

The Plan was amended effective January 1, 2022 to reduce the eligibility age from age twenty-one to age nineteen.

Independent Auditor's Report

To the Plan Administrator
 Polymer Enterprises, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Polymer Enterprises, Inc. Retirement Savings Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Polymer Enterprises, Inc. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Voya Institutional Trust Company, a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(continued)

Independent Auditor's Report

(continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Polymer Enterprises, Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Polymer Enterprises, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(continued)

Independent Auditor's Report

(continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Polymer Enterprises, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Polymer Enterprises, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

(continued)

Independent Auditor's Report

(continued)

Other Matter — Supplemental Schedule Required by ERISA (continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1 – PLAN DESCRIPTION

The following description of the Polymer Enterprises, Inc. Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan’s document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution profit-sharing plan with a 401(k) employer matching feature covering substantially all employees of Polymer Enterprises, Inc. (the “Company”) and its wholly owned subsidiaries, Specialty Tires of America, Inc., Specialty Tires of America (Tennessee), LLC, Specialty Tires of America (Pennsylvania), Inc. and Polymer Industrial Products Company, LLC. Employees are eligible to participate upon completion of one year of service, provided they have worked at least 1,000 hours, and are nineteen or older, except for union, nonresident aliens and leased employees, because these are ineligible classes of employees according to the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan agreement utilized a nonstandardized prototype sponsored by Voya Retirement Insurance and Annuity Company (“Voya”). Voya is the recordkeeper and trustee of the Plan. The administrator of the Plan is the Polymer Enterprises, Inc. Retirement Savings Plan Committee. The Plan sponsor is Polymer Enterprises, Inc.

Contributions

Plan participants may contribute up to 100% of their annual compensation on a pretax and/or after-tax basis, as defined by the Plan, subject to certain limitations under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan Year are eligible to make catch-up contributions, subject to limitations under the IRC. The Plan has an automatic enrollment feature, whereby employees who met the eligibility requirements will be automatically enrolled unless the employee affirmatively elects otherwise. Employees who are automatically enrolled will have 5% of their eligible compensation withheld as a pretax salary deferral and their contributions invested in a designated fund until changed by the participant. The Plan also allows participants to make qualified rollover contributions.

The Company matches an employee’s contribution on a discretionary level as determined by the Company’s Board of Directors. The matching percentage for the years ended December 31, 2022 and 2021 was 125% of the first 5% of eligible compensation that a participant contributed to the Plan. At the discretion of the Company, an employer nonelective contribution (profit-sharing) may be made to the Plan each year. Participants are eligible to share in the nonelective employer contribution, provided they are employed on the last day of the Plan Year and have completed at least 1,000 hours of service during the Plan Year. No such contributions were made to the Plan for the years ended December 31, 2022 and 2021.

Participants direct the investment of their contributions including Company contributions into various investment options offered by the Plan. Participants may change their investment election for future contributions, or the percentage(s) invested in each of these options or transfer funds within these options on any business day. All investments are participant directed.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1 – PLAN DESCRIPTION (continued)

Participant Accounts

Individual accounts are maintained for each Plan participant to reflect the participant's contributions, the Company's matching and nonelective contributions and the net investment income (loss) attributable to the participant's account. Participant accounts are also charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms generally range from one to five years but can be up to twenty years for the purchase of a primary residence. A participant may not have more than two outstanding loans at any time. Loans are secured by the balance in the participant's account and bear interest at the prime rate published in the Wall Street Journal on the first business day of the month before the loan is originated. Principal and interest are paid ratably through monthly payroll deductions. Upon termination of employment, all loans will immediately become payable. If a loan is not repaid within a reasonable time following termination of employment, the loan will be recorded as a distribution against the participant's vested account balance.

Vesting

Participants are fully vested in their accounts at all times, including Company matching and nonelective contributions.

Payment of Benefits

Benefits may be distributed to participants, spouses or designated beneficiaries, as appropriate, upon normal retirement (age 62), death, disability or termination of employment. Prior to termination of service, participants who have attained the age of 59½ may make in-service withdrawals from all vested accounts. Payments are in the form of a lump-sum payout or in partial withdrawals of the participant's account balance or over a period determined by the Plan administrator. The Plan provides for certain required minimum distributions commencing at age 72 for certain participants. The Plan provides participants may make emergency withdrawals from the Plan to meet certain hardships. The permitted hardships are defined by the Internal Revenue Service (IRS) and the requirements are strict.

Forfeitures

Forfeitures can be used to pay administrative expenses or to reduce the employer's contributions. The total amount of forfeited accounts as of December 31, 2022 and 2021 was \$88 and \$87, respectively. During the years ended December 31, 2022 and 2021, zero and \$39, respectively were used to pay Plan administrative expenses.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1 – PLAN DESCRIPTION (continued)

Investment Options

The Plan provides various investment alternatives, including six multiple mutual fund groups and a stable value fund with MetLife, in which contributions to the Plan may be invested.

A. The Lord Abbett Funds Group consists of the following:

- 1) Income Fund: Investment grade and other debt type securities.

B. The Vanguard Funds Group consists of the following:

- 1) Wellington Fund: Balanced fund of common stocks and fixed income securities.
- 2) Windsor Fund: Stocks with long-term capital growth objectives.
- 3) Index 500 Fund: Stocks of large-sized companies.

C. The American Funds Group consists of the following:

- 1) New Perspective Fund: Primarily common stocks, including growth-oriented stocks on a global basis.
- 2) Washington Mutual Investors Fund: Widely diversified portfolio of equity securities.
- 3) Income Fund of America: Dividend paying common stocks and debt securities. At least 60% of the fund's assets will be invested in equities; the fund may also invest up to 20% of its assets in lower quality, higher yielding debt securities.
- 4) Bond Fund of America: Investments in corporate debt securities, U.S. and other government securities, mortgage related securities and cash.
- 5) Capital World Growth and Income Fund: Primarily invests in blue chip company stocks in the world's largest stock markets, corporate and government bonds and cash and cash equivalents.
- 6) Small Capital World Fund: Investments globally that have at least 80% of the assets invested in equities of issuers typically having market capitalization from \$50 million to \$2 billion.
- 7) Target Date Funds: Investments seek growth, income and conservation of capital. These funds normally invest a greater portion of its assets in bond, equity income and balanced funds as it approaches and passes its target date.

D. The Principal Funds Group consists of the following:

- 1) Principal MidCap Fund: Seeks long-term growth of capital and primarily invests in equity securities of mid-cap companies.

E. The MFS Funds Group consists of the following:

- 1) Growth Fund: Seeks capital appreciation and primarily invests in equity securities.

F. The Fidelity Funds Group consists of the following:

- 1) US Bond Index Fund: U.S. treasuries, corporate bonds and agency mortgage-backed securities.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1 – PLAN DESCRIPTION (continued)

Investment Options (continued)

G. The Metropolitan Life Insurance Company Fund consists of the following:

- 1) MetLife Stable Value Common/Collective Trust Fund: Insurance company managed guaranteed insurance contract providing a guarantee of both principal and interest for participant-initiated withdrawals.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting in conformity with United States of America generally accepted accounting principles (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. Delinquent notes receivable from participants are recorded as distributions based upon terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid by the Plan.

Investment Valuation and Income Recognition

Investments in all funds, except for the MetLife Stable Value common/collective trust fund (MetLife), are presented at fair value, based on quoted market prices of the underlying securities within each fund at December 31, 2022 and 2021. Shares of mutual funds are valued at the net asset value ("NAV") of shares held by the Plan at year-end. Participant loans are valued at amortized cost which represents fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The MetLife fund is reported at fair value by calculating the NAV per share (or its equivalent) in a manner consistent with the measurement principles of ASC 946 *Financial Services Investment Companies*. As required by ASC 946, the NAV calculated by the fund is based on "net assets" which includes fully benefit-responsive investment contracts at contract value.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

GAAP establishes a framework for measuring fair value that requires or permits fair value measurements and enhances disclosures about fair value measurements. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy, which requires an entity to maximize the use of observable inputs when measuring fair value. The required disclosures concerning inputs used to measure fair value are included in Note 7.

Plan Administrative Costs

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation (depreciation) in fair value of investments presented in the accompanying statements of changes in net assets available for benefits. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Subsequent Events

The Plan evaluated subsequent events through the date of this report, which is the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 4 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 5 – SUMMARY OF FINANCIAL DATA CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, all investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, net appreciation (depreciation) in fair value of investments, interest, dividends and notes receivable from participants for the years then ended, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee.

The trustee has certified the following investments and investment income (loss) as of and for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Certified Assets at End of Year		
Mutual funds	\$ 42,382,947	\$ 54,487,392
MetLife stable value common/collective trust fund	10,041,237	9,375,431
Notes receivable from participants	<u>1,102,826</u>	<u>1,084,591</u>
Net Assets Available for Benefits	<u><u>\$ 53,527,010</u></u>	<u><u>\$ 64,947,414</u></u>
Certified Investment Income (Loss)		
Net appreciation (depreciation) in fair value of investments	\$ (11,632,126)	\$ 6,037,359
Dividends	<u>2,222,259</u>	<u>3,250,954</u>
Certified Investment Income (Loss)	<u><u>\$ (9,409,867)</u></u>	<u><u>\$ 9,288,313</u></u>
Certified loan interest	<u><u>\$ 39,927</u></u>	<u><u>\$ 53,628</u></u>

NOTE 6 – INCOME TAX STATUS

The underlying nonstandardized prototype plan has received an opinion letter dated June 30, 2020, from the IRS that stated the Plan and related Trust are designed in accordance with the applicable sections of the IRC. Subsequent to the receipt of the determination letter from the IRS, the Plan has been amended. The Plan is required to operate in conformity with the IRC to maintain its qualifications. In the opinion of the Plan administrator, the Plan and the related Trust are currently operated in accordance with the Plan agreement and in conformity with applicable provisions of the IRC and are exempt from federal taxes.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax periods in progress. The Plan administrator believes it is no longer subject to tax examinations for the years prior to 2019.

NOTE 7 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Statement ASC 820, *Fair Value Measurements* (FASB ASC 820), establishes a framework for measuring fair value and requires certain disclosures about the fair value measurement (see Note 2). The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- *Mutual funds* – Valued at the NAV of shares held by the Plan at year-end. The NAV is based upon quoted market prices.
- *MetLife stable value common/collective trust fund* – A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidation will be carried out in an orderly business manner.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 7 – FAIR VALUE MEASUREMENTS (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 42,382,947	\$ -	\$ -	\$ 42,382,947
Total investments in the fair value hierarchy	42,382,947	-	-	42,382,947
Investments measured at NAV {a}	-	-	-	10,041,237
Investments, at fair value	\$ 42,382,947	\$ -	\$ -	\$ 52,424,184
December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 54,487,392	\$ -	\$ -	\$ 54,487,392
Total investments in the fair value hierarchy	54,487,392	-	-	54,487,392
Investments measured at NAV {a}	-	-	-	9,375,431
Investments, at fair value	\$ 54,487,392	\$ -	\$ -	\$ 63,862,823

{a} In accordance with Subtopic 820-10, certain investments that were measured at net asset value share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of assets available for benefits.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 7 – FAIR VALUE MEASUREMENTS (continued)

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>MetLife Stable Value Common/Collective Trust Fund</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
December 31, 2022	\$ 10,041,237	N/A	Daily	60 Days
December 31, 2021	\$ 9,375,431	N/A	Daily	60 Days

NOTE 8 – METLIFE STABLE VALUE COMMON/COLLECTIVE TRUST FUND

The MetLife Stable Value Common/Collective Trust Fund (the “Fund”) is a common trust fund administered by Wilmington Trust, N.A. (the “Trustee”) of the Fund. The Trustee maintains the Trust for the collective investment of certain qualified defined contribution retirement plans. The Fund’s objective is to provide safety of principal, adequate liquidity and a competitive yield with low return volatility.

The Fund is invested 100% in the MetLife Group Annuity Contract No. 25554 (the “Contract”). This Contract is comprised of three separate accounts: the MetLife Aggregate Bond Index Separate Account, the Wilmington Short/Intermediate Bond Separate Account, and the Wilmington Broad Market Bond Separate Account. MetLife maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The interest rate is guaranteed not to drop below 0%.

There are no reserves against contract value for the credit risk of the contract issuer or otherwise.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete and partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction under ERISA. The Plan administrator does not believe that any events that would limit the Plan’s ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to sixty days’ notice.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 8 – METLIFE STABLE VALUE COMMON/COLLECTIVE TRUST FUND (continued)

The average yields earned by the Fund and the actual yields credited to participants for the years ended December 31, 2022 and 2021 are listed below :

	<u>2022</u>	<u>2021</u>
Average yields:		
Based on actual earnings	0.18%	1.70%
Based on interest rate credited to participants	3.85%	1.57%

NOTE 9 – PARTY-IN-INTEREST TRANSACTIONS

Fees paid during 2022 and 2021 for professional, administrative and custodial services were paid by the Plan based on customary and reasonable rates for the services. While these transactions qualify as party-in-interest activity, they are expressly exempt from the prohibited transaction rules. Fees paid by the Plan in 2022 and 2021 were paid to the following companies; Voya who provides trustee and recordkeeping services for the Plan, AndCo Consulting who provides investment advisor and consulting services to the Plan and Deluzio & Company, LLP the Plan's auditors. Fees paid by the Plan for the years ended December 31, 2022 and 2021 are as follows:

	<u>2022</u>	<u>2021</u>
Voya	\$ 110,042	\$ 107,298
AndCo Consulting	34,500	34,500
Deluzio & Company, LLP	<u>7,200</u>	<u>9,750</u>
Total administrative expenses paid by the Plan	<u>\$ 151,742</u>	<u>\$ 151,548</u>

Certain Plan investments are managed by Voya. Voya is the trustee and recordkeeper for the Plan, and, therefore these transactions qualify as party-in-interest transactions. Effective June 15, 2018, Voya provides certain administrative services to the Plan pursuant to a Service Agreement between the Company and Voya. Voya receives revenue from mutual fund service providers for services Voya provides to the funds. This revenue is used to offset certain amounts owed to Voya for its administrative services to the Plan.

If the revenue received by Voya from such mutual fund service providers exceeds the amount owed under the Service Agreement, Voya remits the excess to the Plan's trust on a monthly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. Administrative expenses paid from the revenue sharing account totaled \$42,054 and \$44,604, respectively for the years ended December 31, 2022 and 2021. The Plan has until March 15th of the following year to use any remaining balance in the revenue sharing account on December 31st before it must be reallocated to participants. The remaining balance in the revenue sharing account at December 31, 2022 and 2021 was used to pay Plan administrative expenses by March 15th, therefore, no funds were reallocated to participants. The Plan may make payments to Voya for administrative expenses not covered by the revenue sharing account.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 11 – PLAN AMENDMENTS

The Plan was amended and restated on January 1, 2021, to comply with IRS regulations.

Effective April 1, 2020, the Plan adopted the distribution provision of the CARES Act that was signed into law on March 27, 2020. If qualified, a CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020 without being subject to the section 72(t) 10% additional tax for early distributions. The Act also permits the distributions to be repaid at any time over a three-year period to an eligible retirement plan. The legislation also allows loans of up to \$100,000 or 100% of the participant's vested account balance. The Plan has also implemented certain provisions of the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019, which delayed the commencement date for required minimum distributions. The Plan was formally amended for these CARES and SECURE Act provisions on January 1, 2022.

The Plan was amended effective January 1, 2022 to reduce the eligibility age from age twenty-one to age nineteen.

Independent Auditor's Report

To the Plan Administrator
 Polymer Enterprises, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Polymer Enterprises, Inc. Retirement Savings Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Polymer Enterprises, Inc. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Voya Institutional Trust Company, a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(continued)

- 1 -

Independent Auditor's Report

(continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Polymer Enterprises, Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Polymer Enterprises, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(continued)

Independent Auditor's Report

(continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Polymer Enterprises, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Polymer Enterprises, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

(continued)

Independent Auditor's Report

(continued)

Other Matter — Supplemental Schedule Required by ERISA (continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1 – PLAN DESCRIPTION

The following description of the Polymer Enterprises, Inc. Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan’s document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution profit-sharing plan with a 401(k) employer matching feature covering substantially all employees of Polymer Enterprises, Inc. (the “Company”) and its wholly owned subsidiaries, Specialty Tires of America, Inc., Specialty Tires of America (Tennessee), LLC, Specialty Tires of America (Pennsylvania), Inc. and Polymer Industrial Products Company, LLC. Employees are eligible to participate upon completion of one year of service, provided they have worked at least 1,000 hours, and are nineteen or older, except for union, nonresident aliens and leased employees, because these are ineligible classes of employees according to the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan agreement utilized a nonstandardized prototype sponsored by Voya Retirement Insurance and Annuity Company (“Voya”). Voya is the recordkeeper and trustee of the Plan. The administrator of the Plan is the Polymer Enterprises, Inc. Retirement Savings Plan Committee. The Plan sponsor is Polymer Enterprises, Inc.

Contributions

Plan participants may contribute up to 100% of their annual compensation on a pretax and/or after-tax basis, as defined by the Plan, subject to certain limitations under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan Year are eligible to make catch-up contributions, subject to limitations under the IRC. The Plan has an automatic enrollment feature, whereby employees who met the eligibility requirements will be automatically enrolled unless the employee affirmatively elects otherwise. Employees who are automatically enrolled will have 5% of their eligible compensation withheld as a pretax salary deferral and their contributions invested in a designated fund until changed by the participant. The Plan also allows participants to make qualified rollover contributions.

The Company matches an employee’s contribution on a discretionary level as determined by the Company’s Board of Directors. The matching percentage for the years ended December 31, 2022 and 2021 was 125% of the first 5% of eligible compensation that a participant contributed to the Plan. At the discretion of the Company, an employer nonelective contribution (profit-sharing) may be made to the Plan each year. Participants are eligible to share in the nonelective employer contribution, provided they are employed on the last day of the Plan Year and have completed at least 1,000 hours of service during the Plan Year. No such contributions were made to the Plan for the years ended December 31, 2022 and 2021.

Participants direct the investment of their contributions including Company contributions into various investment options offered by the Plan. Participants may change their investment election for future contributions, or the percentage(s) invested in each of these options or transfer funds within these options on any business day. All investments are participant directed.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1 – PLAN DESCRIPTION (continued)

Participant Accounts

Individual accounts are maintained for each Plan participant to reflect the participant's contributions, the Company's matching and nonelective contributions and the net investment income (loss) attributable to the participant's account. Participant accounts are also charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms generally range from one to five years but can be up to twenty years for the purchase of a primary residence. A participant may not have more than two outstanding loans at any time. Loans are secured by the balance in the participant's account and bear interest at the prime rate published in the Wall Street Journal on the first business day of the month before the loan is originated. Principal and interest are paid ratably through monthly payroll deductions. Upon termination of employment, all loans will immediately become payable. If a loan is not repaid within a reasonable time following termination of employment, the loan will be recorded as a distribution against the participant's vested account balance.

Vesting

Participants are fully vested in their accounts at all times, including Company matching and nonelective contributions.

Payment of Benefits

Benefits may be distributed to participants, spouses or designated beneficiaries, as appropriate, upon normal retirement (age 62), death, disability or termination of employment. Prior to termination of service, participants who have attained the age of 59½ may make in-service withdrawals from all vested accounts. Payments are in the form of a lump-sum payout or in partial withdrawals of the participant's account balance or over a period determined by the Plan administrator. The Plan provides for certain required minimum distributions commencing at age 72 for certain participants. The Plan provides participants may make emergency withdrawals from the Plan to meet certain hardships. The permitted hardships are defined by the Internal Revenue Service (IRS) and the requirements are strict.

Forfeitures

Forfeitures can be used to pay administrative expenses or to reduce the employer's contributions. The total amount of forfeited accounts as of December 31, 2022 and 2021 was \$88 and \$87, respectively. During the years ended December 31, 2022 and 2021, zero and \$39, respectively were used to pay Plan administrative expenses.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1 – PLAN DESCRIPTION (continued)

Investment Options

The Plan provides various investment alternatives, including six multiple mutual fund groups and a stable value fund with MetLife, in which contributions to the Plan may be invested.

A. The Lord Abbett Funds Group consists of the following:

- 1) Income Fund: Investment grade and other debt type securities.

B. The Vanguard Funds Group consists of the following:

- 1) Wellington Fund: Balanced fund of common stocks and fixed income securities.
- 2) Windsor Fund: Stocks with long-term capital growth objectives.
- 3) Index 500 Fund: Stocks of large-sized companies.

C. The American Funds Group consists of the following:

- 1) New Perspective Fund: Primarily common stocks, including growth-oriented stocks on a global basis.
- 2) Washington Mutual Investors Fund: Widely diversified portfolio of equity securities.
- 3) Income Fund of America: Dividend paying common stocks and debt securities. At least 60% of the fund's assets will be invested in equities; the fund may also invest up to 20% of its assets in lower quality, higher yielding debt securities.
- 4) Bond Fund of America: Investments in corporate debt securities, U.S. and other government securities, mortgage related securities and cash.
- 5) Capital World Growth and Income Fund: Primarily invests in blue chip company stocks in the world's largest stock markets, corporate and government bonds and cash and cash equivalents.
- 6) Small Capital World Fund: Investments globally that have at least 80% of the assets invested in equities of issuers typically having market capitalization from \$50 million to \$2 billion.
- 7) Target Date Funds: Investments seek growth, income and conservation of capital. These funds normally invest a greater portion of its assets in bond, equity income and balanced funds as it approaches and passes its target date.

D. The Principal Funds Group consists of the following:

- 1) Principal MidCap Fund: Seeks long-term growth of capital and primarily invests in equity securities of mid-cap companies.

E. The MFS Funds Group consists of the following:

- 1) Growth Fund: Seeks capital appreciation and primarily invests in equity securities.

F. The Fidelity Funds Group consists of the following:

- 1) US Bond Index Fund: U.S. treasuries, corporate bonds and agency mortgage-backed securities.

NOTE 1 – PLAN DESCRIPTION (continued)

Investment Options (continued)

G. The Metropolitan Life Insurance Company Fund consists of the following:

- 1) MetLife Stable Value Common/Collective Trust Fund: Insurance company managed guaranteed insurance contract providing a guarantee of both principal and interest for participant-initiated withdrawals.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting in conformity with United States of America generally accepted accounting principles (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. Delinquent notes receivable from participants are recorded as distributions based upon terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid by the Plan.

Investment Valuation and Income Recognition

Investments in all funds, except for the MetLife Stable Value common/collective trust fund (MetLife), are presented at fair value, based on quoted market prices of the underlying securities within each fund at December 31, 2022 and 2021. Shares of mutual funds are valued at the net asset value ("NAV") of shares held by the Plan at year-end. Participant loans are valued at amortized cost which represents fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The MetLife fund is reported at fair value by calculating the NAV per share (or its equivalent) in a manner consistent with the measurement principles of ASC 946 *Financial Services Investment Companies*. As required by ASC 946, the NAV calculated by the fund is based on "net assets" which includes fully benefit-responsive investment contracts at contract value.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

GAAP establishes a framework for measuring fair value that requires or permits fair value measurements and enhances disclosures about fair value measurements. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy, which requires an entity to maximize the use of observable inputs when measuring fair value. The required disclosures concerning inputs used to measure fair value are included in Note 7.

Plan Administrative Costs

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation (depreciation) in fair value of investments presented in the accompanying statements of changes in net assets available for benefits. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Subsequent Events

The Plan evaluated subsequent events through the date of this report, which is the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 4 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 5 – SUMMARY OF FINANCIAL DATA CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, all investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, net appreciation (depreciation) in fair value of investments, interest, dividends and notes receivable from participants for the years then ended, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee.

The trustee has certified the following investments and investment income (loss) as of and for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Certified Assets at End of Year		
Mutual funds	\$ 42,382,947	\$ 54,487,392
MetLife stable value common/collective trust fund	10,041,237	9,375,431
Notes receivable from participants	<u>1,102,826</u>	<u>1,084,591</u>
Net Assets Available for Benefits	<u>\$ 53,527,010</u>	<u>\$ 64,947,414</u>
Certified Investment Income (Loss)		
Net appreciation (depreciation) in fair value of investments	\$ (11,632,126)	\$ 6,037,359
Dividends	<u>2,222,259</u>	<u>3,250,954</u>
Certified Investment Income (Loss)	<u>\$ (9,409,867)</u>	<u>\$ 9,288,313</u>
Certified loan interest	<u>\$ 39,927</u>	<u>\$ 53,628</u>

NOTE 6 – INCOME TAX STATUS

The underlying nonstandardized prototype plan has received an opinion letter dated June 30, 2020, from the IRS that stated the Plan and related Trust are designed in accordance with the applicable sections of the IRC. Subsequent to the receipt of the determination letter from the IRS, the Plan has been amended. The Plan is required to operate in conformity with the IRC to maintain its qualifications. In the opinion of the Plan administrator, the Plan and the related Trust are currently operated in accordance with the Plan agreement and in conformity with applicable provisions of the IRC and are exempt from federal taxes.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax periods in progress. The Plan administrator believes it is no longer subject to tax examinations for the years prior to 2019.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 7 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Statement ASC 820, *Fair Value Measurements* (FASB ASC 820), establishes a framework for measuring fair value and requires certain disclosures about the fair value measurement (see Note 2). The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- *Mutual funds* – Valued at the NAV of shares held by the Plan at year-end. The NAV is based upon quoted market prices.
- *MetLife stable value common/collective trust fund* – A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidation will be carried out in an orderly business manner.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 7 – FAIR VALUE MEASUREMENTS (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 42,382,947	\$ -	\$ -	\$ 42,382,947
Total investments in the fair value hierarchy	42,382,947	-	-	42,382,947
Investments measured at NAV {a}	-	-	-	10,041,237
Investments, at fair value	\$ 42,382,947	\$ -	\$ -	\$ 52,424,184
December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 54,487,392	\$ -	\$ -	\$ 54,487,392
Total investments in the fair value hierarchy	54,487,392	-	-	54,487,392
Investments measured at NAV {a}	-	-	-	9,375,431
Investments, at fair value	\$ 54,487,392	\$ -	\$ -	\$ 63,862,823

{a} In accordance with Subtopic 820-10, certain investments that were measured at net asset value share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of assets available for benefits.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 7 – FAIR VALUE MEASUREMENTS (continued)

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>MetLife Stable Value Common/Collective Trust Fund</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
December 31, 2022	\$ 10,041,237	N/A	Daily	60 Days
December 31, 2021	\$ 9,375,431	N/A	Daily	60 Days

NOTE 8 – METLIFE STABLE VALUE COMMON/COLLECTIVE TRUST FUND

The MetLife Stable Value Common/Collective Trust Fund (the “Fund”) is a common trust fund administered by Wilmington Trust, N.A. (the “Trustee”) of the Fund. The Trustee maintains the Trust for the collective investment of certain qualified defined contribution retirement plans. The Fund’s objective is to provide safety of principal, adequate liquidity and a competitive yield with low return volatility.

The Fund is invested 100% in the MetLife Group Annuity Contract No. 25554 (the “Contract”). This Contract is comprised of three separate accounts: the MetLife Aggregate Bond Index Separate Account, the Wilmington Short/Intermediate Bond Separate Account, and the Wilmington Broad Market Bond Separate Account. MetLife maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The interest rate is guaranteed not to drop below 0%.

There are no reserves against contract value for the credit risk of the contract issuer or otherwise.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete and partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction under ERISA. The Plan administrator does not believe that any events that would limit the Plan’s ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to sixty days’ notice.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 8 – METLIFE STABLE VALUE COMMON/COLLECTIVE TRUST FUND (continued)

The average yields earned by the Fund and the actual yields credited to participants for the years ended December 31, 2022 and 2021 are listed below :

	<u>2022</u>	<u>2021</u>
Average yields:		
Based on actual earnings	0.18%	1.70%
Based on interest rate credited to participants	3.85%	1.57%

NOTE 9 – PARTY-IN-INTEREST TRANSACTIONS

Fees paid during 2022 and 2021 for professional, administrative and custodial services were paid by the Plan based on customary and reasonable rates for the services. While these transactions qualify as party-in-interest activity, they are expressly exempt from the prohibited transaction rules. Fees paid by the Plan in 2022 and 2021 were paid to the following companies; Voya who provides trustee and recordkeeping services for the Plan, AndCo Consulting who provides investment advisor and consulting services to the Plan and Deluzio & Company, LLP the Plan's auditors. Fees paid by the Plan for the years ended December 31, 2022 and 2021 are as follows:

	<u>2022</u>	<u>2021</u>
Voya	\$ 110,042	\$ 107,298
AndCo Consulting	34,500	34,500
Deluzio & Company, LLP	<u>7,200</u>	<u>9,750</u>
Total administrative expenses paid by the Plan	<u>\$ 151,742</u>	<u>\$ 151,548</u>

Certain Plan investments are managed by Voya. Voya is the trustee and recordkeeper for the Plan, and, therefore these transactions qualify as party-in-interest transactions. Effective June 15, 2018, Voya provides certain administrative services to the Plan pursuant to a Service Agreement between the Company and Voya. Voya receives revenue from mutual fund service providers for services Voya provides to the funds. This revenue is used to offset certain amounts owed to Voya for its administrative services to the Plan.

If the revenue received by Voya from such mutual fund service providers exceeds the amount owed under the Service Agreement, Voya remits the excess to the Plan's trust on a monthly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. Administrative expenses paid from the revenue sharing account totaled \$42,054 and \$44,604, respectively for the years ended December 31, 2022 and 2021. The Plan has until March 15th of the following year to use any remaining balance in the revenue sharing account on December 31st before it must be reallocated to participants. The remaining balance in the revenue sharing account at December 31, 2022 and 2021 was used to pay Plan administrative expenses by March 15th, therefore, no funds were reallocated to participants. The Plan may make payments to Voya for administrative expenses not covered by the revenue sharing account.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 11 – PLAN AMENDMENTS

The Plan was amended and restated on January 1, 2021, to comply with IRS regulations.

Effective April 1, 2020, the Plan adopted the distribution provision of the CARES Act that was signed into law on March 27, 2020. If qualified, a CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020 without being subject to the section 72(t) 10% additional tax for early distributions. The Act also permits the distributions to be repaid at any time over a three-year period to an eligible retirement plan. The legislation also allows loans of up to \$100,000 or 100% of the participant's vested account balance. The Plan has also implemented certain provisions of the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019, which delayed the commencement date for required minimum distributions. The Plan was formally amended for these CARES and SECURE Act provisions on January 1, 2022.

The Plan was amended effective January 1, 2022 to reduce the eligibility age from age twenty-one to age nineteen.

Independent Auditor's Report

To the Plan Administrator
 Polymer Enterprises, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Polymer Enterprises, Inc. Retirement Savings Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Polymer Enterprises, Inc. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Voya Institutional Trust Company, a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(continued)

Independent Auditor's Report

(continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Polymer Enterprises, Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Polymer Enterprises, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(continued)

Independent Auditor's Report

(continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Polymer Enterprises, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Polymer Enterprises, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

(continued)

Independent Auditor's Report

(continued)

Other Matter — Supplemental Schedule Required by ERISA (continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1 – PLAN DESCRIPTION

The following description of the Polymer Enterprises, Inc. Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan’s document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution profit-sharing plan with a 401(k) employer matching feature covering substantially all employees of Polymer Enterprises, Inc. (the “Company”) and its wholly owned subsidiaries, Specialty Tires of America, Inc., Specialty Tires of America (Tennessee), LLC, Specialty Tires of America (Pennsylvania), Inc. and Polymer Industrial Products Company, LLC. Employees are eligible to participate upon completion of one year of service, provided they have worked at least 1,000 hours, and are nineteen or older, except for union, nonresident aliens and leased employees, because these are ineligible classes of employees according to the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan agreement utilized a nonstandardized prototype sponsored by Voya Retirement Insurance and Annuity Company (“Voya”). Voya is the recordkeeper and trustee of the Plan. The administrator of the Plan is the Polymer Enterprises, Inc. Retirement Savings Plan Committee. The Plan sponsor is Polymer Enterprises, Inc.

Contributions

Plan participants may contribute up to 100% of their annual compensation on a pretax and/or after-tax basis, as defined by the Plan, subject to certain limitations under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan Year are eligible to make catch-up contributions, subject to limitations under the IRC. The Plan has an automatic enrollment feature, whereby employees who met the eligibility requirements will be automatically enrolled unless the employee affirmatively elects otherwise. Employees who are automatically enrolled will have 5% of their eligible compensation withheld as a pretax salary deferral and their contributions invested in a designated fund until changed by the participant. The Plan also allows participants to make qualified rollover contributions.

The Company matches an employee’s contribution on a discretionary level as determined by the Company’s Board of Directors. The matching percentage for the years ended December 31, 2022 and 2021 was 125% of the first 5% of eligible compensation that a participant contributed to the Plan. At the discretion of the Company, an employer nonelective contribution (profit-sharing) may be made to the Plan each year. Participants are eligible to share in the nonelective employer contribution, provided they are employed on the last day of the Plan Year and have completed at least 1,000 hours of service during the Plan Year. No such contributions were made to the Plan for the years ended December 31, 2022 and 2021.

Participants direct the investment of their contributions including Company contributions into various investment options offered by the Plan. Participants may change their investment election for future contributions, or the percentage(s) invested in each of these options or transfer funds within these options on any business day. All investments are participant directed.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1 – PLAN DESCRIPTION (continued)

Participant Accounts

Individual accounts are maintained for each Plan participant to reflect the participant's contributions, the Company's matching and nonelective contributions and the net investment income (loss) attributable to the participant's account. Participant accounts are also charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms generally range from one to five years but can be up to twenty years for the purchase of a primary residence. A participant may not have more than two outstanding loans at any time. Loans are secured by the balance in the participant's account and bear interest at the prime rate published in the Wall Street Journal on the first business day of the month before the loan is originated. Principal and interest are paid ratably through monthly payroll deductions. Upon termination of employment, all loans will immediately become payable. If a loan is not repaid within a reasonable time following termination of employment, the loan will be recorded as a distribution against the participant's vested account balance.

Vesting

Participants are fully vested in their accounts at all times, including Company matching and nonelective contributions.

Payment of Benefits

Benefits may be distributed to participants, spouses or designated beneficiaries, as appropriate, upon normal retirement (age 62), death, disability or termination of employment. Prior to termination of service, participants who have attained the age of 59½ may make in-service withdrawals from all vested accounts. Payments are in the form of a lump-sum payout or in partial withdrawals of the participant's account balance or over a period determined by the Plan administrator. The Plan provides for certain required minimum distributions commencing at age 72 for certain participants. The Plan provides participants may make emergency withdrawals from the Plan to meet certain hardships. The permitted hardships are defined by the Internal Revenue Service (IRS) and the requirements are strict.

Forfeitures

Forfeitures can be used to pay administrative expenses or to reduce the employer's contributions. The total amount of forfeited accounts as of December 31, 2022 and 2021 was \$88 and \$87, respectively. During the years ended December 31, 2022 and 2021, zero and \$39, respectively were used to pay Plan administrative expenses.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1 – PLAN DESCRIPTION (continued)

Investment Options

The Plan provides various investment alternatives, including six multiple mutual fund groups and a stable value fund with MetLife, in which contributions to the Plan may be invested.

A. The Lord Abbett Funds Group consists of the following:

- 1) Income Fund: Investment grade and other debt type securities.

B. The Vanguard Funds Group consists of the following:

- 1) Wellington Fund: Balanced fund of common stocks and fixed income securities.
- 2) Windsor Fund: Stocks with long-term capital growth objectives.
- 3) Index 500 Fund: Stocks of large-sized companies.

C. The American Funds Group consists of the following:

- 1) New Perspective Fund: Primarily common stocks, including growth-oriented stocks on a global basis.
- 2) Washington Mutual Investors Fund: Widely diversified portfolio of equity securities.
- 3) Income Fund of America: Dividend paying common stocks and debt securities. At least 60% of the fund's assets will be invested in equities; the fund may also invest up to 20% of its assets in lower quality, higher yielding debt securities.
- 4) Bond Fund of America: Investments in corporate debt securities, U.S. and other government securities, mortgage related securities and cash.
- 5) Capital World Growth and Income Fund: Primarily invests in blue chip company stocks in the world's largest stock markets, corporate and government bonds and cash and cash equivalents.
- 6) Small Capital World Fund: Investments globally that have at least 80% of the assets invested in equities of issuers typically having market capitalization from \$50 million to \$2 billion.
- 7) Target Date Funds: Investments seek growth, income and conservation of capital. These funds normally invest a greater portion of its assets in bond, equity income and balanced funds as it approaches and passes its target date.

D. The Principal Funds Group consists of the following:

- 1) Principal MidCap Fund: Seeks long-term growth of capital and primarily invests in equity securities of mid-cap companies.

E. The MFS Funds Group consists of the following:

- 1) Growth Fund: Seeks capital appreciation and primarily invests in equity securities.

F. The Fidelity Funds Group consists of the following:

- 1) US Bond Index Fund: U.S. treasuries, corporate bonds and agency mortgage-backed securities.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1 – PLAN DESCRIPTION (continued)

Investment Options (continued)

G. The Metropolitan Life Insurance Company Fund consists of the following:

- 1) MetLife Stable Value Common/Collective Trust Fund: Insurance company managed guaranteed insurance contract providing a guarantee of both principal and interest for participant-initiated withdrawals.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting in conformity with United States of America generally accepted accounting principles (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. Delinquent notes receivable from participants are recorded as distributions based upon terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid by the Plan.

Investment Valuation and Income Recognition

Investments in all funds, except for the MetLife Stable Value common/collective trust fund (MetLife), are presented at fair value, based on quoted market prices of the underlying securities within each fund at December 31, 2022 and 2021. Shares of mutual funds are valued at the net asset value ("NAV") of shares held by the Plan at year-end. Participant loans are valued at amortized cost which represents fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The MetLife fund is reported at fair value by calculating the NAV per share (or its equivalent) in a manner consistent with the measurement principles of ASC 946 *Financial Services Investment Companies*. As required by ASC 946, the NAV calculated by the fund is based on "net assets" which includes fully benefit-responsive investment contracts at contract value.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

GAAP establishes a framework for measuring fair value that requires or permits fair value measurements and enhances disclosures about fair value measurements. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy, which requires an entity to maximize the use of observable inputs when measuring fair value. The required disclosures concerning inputs used to measure fair value are included in Note 7.

Plan Administrative Costs

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation (depreciation) in fair value of investments presented in the accompanying statements of changes in net assets available for benefits. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Subsequent Events

The Plan evaluated subsequent events through the date of this report, which is the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 4 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 5 – SUMMARY OF FINANCIAL DATA CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, all investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, net appreciation (depreciation) in fair value of investments, interest, dividends and notes receivable from participants for the years then ended, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee.

The trustee has certified the following investments and investment income (loss) as of and for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Certified Assets at End of Year		
Mutual funds	\$ 42,382,947	\$ 54,487,392
MetLife stable value common/collective trust fund	10,041,237	9,375,431
Notes receivable from participants	<u>1,102,826</u>	<u>1,084,591</u>
Net Assets Available for Benefits	<u><u>\$ 53,527,010</u></u>	<u><u>\$ 64,947,414</u></u>
Certified Investment Income (Loss)		
Net appreciation (depreciation) in fair value of investments	\$ (11,632,126)	\$ 6,037,359
Dividends	<u>2,222,259</u>	<u>3,250,954</u>
Certified Investment Income (Loss)	<u><u>\$ (9,409,867)</u></u>	<u><u>\$ 9,288,313</u></u>
Certified loan interest	<u><u>\$ 39,927</u></u>	<u><u>\$ 53,628</u></u>

NOTE 6 – INCOME TAX STATUS

The underlying nonstandardized prototype plan has received an opinion letter dated June 30, 2020, from the IRS that stated the Plan and related Trust are designed in accordance with the applicable sections of the IRC. Subsequent to the receipt of the determination letter from the IRS, the Plan has been amended. The Plan is required to operate in conformity with the IRC to maintain its qualifications. In the opinion of the Plan administrator, the Plan and the related Trust are currently operated in accordance with the Plan agreement and in conformity with applicable provisions of the IRC and are exempt from federal taxes.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax periods in progress. The Plan administrator believes it is no longer subject to tax examinations for the years prior to 2019.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 7 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Statement ASC 820, *Fair Value Measurements* (FASB ASC 820), establishes a framework for measuring fair value and requires certain disclosures about the fair value measurement (see Note 2). The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- *Mutual funds* – Valued at the NAV of shares held by the Plan at year-end. The NAV is based upon quoted market prices.
- *MetLife stable value common/collective trust fund* – A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidation will be carried out in an orderly business manner.

POLYMER ENTERPRISES, INC. RETIREMENT SAVINGS PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 7 – FAIR VALUE MEASUREMENTS (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 42,382,947	\$ -	\$ -	\$ 42,382,947
Total investments in the fair value hierarchy	42,382,947	-	-	42,382,947
Investments measured at NAV {a}	-	-	-	10,041,237
Investments, at fair value	\$ 42,382,947	\$ -	\$ -	\$ 52,424,184
December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 54,487,392	\$ -	\$ -	\$ 54,487,392
Total investments in the fair value hierarchy	54,487,392	-	-	54,487,392
Investments measured at NAV {a}	-	-	-	9,375,431
Investments, at fair value	\$ 54,487,392	\$ -	\$ -	\$ 63,862,823

{a} In accordance with Subtopic 820-10, certain investments that were measured at net asset value share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of assets available for benefits.

NOTE 7 – FAIR VALUE MEASUREMENTS (continued)

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>MetLife Stable Value Common/Collective Trust Fund</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
December 31, 2022	\$ 10,041,237	N/A	Daily	60 Days
December 31, 2021	\$ 9,375,431	N/A	Daily	60 Days

NOTE 8 – METLIFE STABLE VALUE COMMON/COLLECTIVE TRUST FUND

The MetLife Stable Value Common/Collective Trust Fund (the “Fund”) is a common trust fund administered by Wilmington Trust, N.A. (the “Trustee”) of the Fund. The Trustee maintains the Trust for the collective investment of certain qualified defined contribution retirement plans. The Fund’s objective is to provide safety of principal, adequate liquidity and a competitive yield with low return volatility.

The Fund is invested 100% in the MetLife Group Annuity Contract No. 25554 (the “Contract”). This Contract is comprised of three separate accounts: the MetLife Aggregate Bond Index Separate Account, the Wilmington Short/Intermediate Bond Separate Account, and the Wilmington Broad Market Bond Separate Account. MetLife maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The interest rate is guaranteed not to drop below 0%.

There are no reserves against contract value for the credit risk of the contract issuer or otherwise.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete and partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction under ERISA. The Plan administrator does not believe that any events that would limit the Plan’s ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to sixty days’ notice.

NOTE 8 – METLIFE STABLE VALUE COMMON/COLLECTIVE TRUST FUND (continued)

The average yields earned by the Fund and the actual yields credited to participants for the years ended December 31, 2022 and 2021 are listed below :

	<u>2022</u>	<u>2021</u>
Average yields:		
Based on actual earnings	0.18%	1.70%
Based on interest rate credited to participants	3.85%	1.57%

NOTE 9 – PARTY-IN-INTEREST TRANSACTIONS

Fees paid during 2022 and 2021 for professional, administrative and custodial services were paid by the Plan based on customary and reasonable rates for the services. While these transactions qualify as party-in-interest activity, they are expressly exempt from the prohibited transaction rules. Fees paid by the Plan in 2022 and 2021 were paid to the following companies; Voya who provides trustee and recordkeeping services for the Plan, AndCo Consulting who provides investment advisor and consulting services to the Plan and Deluzio & Company, LLP the Plan's auditors. Fees paid by the Plan for the years ended December 31, 2022 and 2021 are as follows:

	<u>2022</u>	<u>2021</u>
Voya	\$ 110,042	\$ 107,298
AndCo Consulting	34,500	34,500
Deluzio & Company, LLP	<u>7,200</u>	<u>9,750</u>
Total administrative expenses paid by the Plan	<u>\$ 151,742</u>	<u>\$ 151,548</u>

Certain Plan investments are managed by Voya. Voya is the trustee and recordkeeper for the Plan, and, therefore these transactions qualify as party-in-interest transactions. Effective June 15, 2018, Voya provides certain administrative services to the Plan pursuant to a Service Agreement between the Company and Voya. Voya receives revenue from mutual fund service providers for services Voya provides to the funds. This revenue is used to offset certain amounts owed to Voya for its administrative services to the Plan.

If the revenue received by Voya from such mutual fund service providers exceeds the amount owed under the Service Agreement, Voya remits the excess to the Plan's trust on a monthly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. Administrative expenses paid from the revenue sharing account totaled \$42,054 and \$44,604, respectively for the years ended December 31, 2022 and 2021. The Plan has until March 15th of the following year to use any remaining balance in the revenue sharing account on December 31st before it must be reallocated to participants. The remaining balance in the revenue sharing account at December 31, 2022 and 2021 was used to pay Plan administrative expenses by March 15th, therefore, no funds were reallocated to participants. The Plan may make payments to Voya for administrative expenses not covered by the revenue sharing account.

NOTE 11 – PLAN AMENDMENTS

The Plan was amended and restated on January 1, 2021, to comply with IRS regulations.

Effective April 1, 2020, the Plan adopted the distribution provision of the CARES Act that was signed into law on March 27, 2020. If qualified, a CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020 without being subject to the section 72(t) 10% additional tax for early distributions. The Act also permits the distributions to be repaid at any time over a three-year period to an eligible retirement plan. The legislation also allows loans of up to \$100,000 or 100% of the participant's vested account balance. The Plan has also implemented certain provisions of the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019, which delayed the commencement date for required minimum distributions. The Plan was formally amended for these CARES and SECURE Act provisions on January 1, 2022.

The Plan was amended effective January 1, 2022 to reduce the eligibility age from age twenty-one to age nineteen.
