INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
National Able Network, Inc. Safe-Harbor 401(k) Profit-Sharing Plan
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of National Able Network, Inc. Safe-Harbor 401(k) Profit-Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the National Able Network, Inc. Safe-Harbor 401(k) Profit-Sharing Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a qualified defined contribution plan sponsored by National Able Network, Inc. ("the Company"). The Plan covers all full-time and part-time permanent employees who have completed one month of service, subject to entrance dates on the first day of each month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may contribute up to the maximum dollar amount allowable as established by the Internal Revenue Service, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation until changed by the participant. The Plan currently offers investment choices through Ascensus Trust Company, the trustee of the Plan's investments, that include interest-bearing cash accounts and mutual funds through various registered investment companies. The Plan also allows for employer safe-harbor matching contributions of 100% of salary deferrals up to 3% of compensation, plus 50% of salary deferrals in excess of 3% of compensation up to 5% of total compensation.

The Company made or accrued safe-harbor matching contributions of \$191,850 to the Plan for the year ended December 31, 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions; qualified rollover contributions; allocations of the Company's contributions, if any; and Plan earnings. It is also charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's entire account.

Vesting

Participants are immediately vested in their contributions and employer matching contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Loan terms range from 1 to 5 years or 10 years for the purchase of a primary residence. The loans are secured by the balances in the participant accounts and bear interest at rates ranging from 4.25% to 8.00% as of December 31, 2022. Principal and interest are paid ratably through regular payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or any other reason, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In addition, hardship withdrawals and in-service distributions are permitted if certain criteria are met.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared under the accrual method of accounting.

Cash and Cash Equivalents

Cash and cash equivalents include deposits in financial institutions and short-term investments with maturities of 90 days or less when acquired.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for loan losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the note receivable to be in default, the participant loan balance is reduced; and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included as a reduction in net appreciation of fair value of investments or as an addition to net depreciation of fair value of investments. The Plan made direct payments for administration fees of \$21,890 for the year ended December 31, 2022.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

CARES Act Provisions

Effective January 1, 2020, the Plan adopted the special Coronavirus-related distributions (“CRD”) in accordance with the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) for the period beginning January 1, 2020 and ending December 31, 2020. Qualified participants were permitted to take a CRD of up to \$100,000 from the Plan. Participants who took a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

The Plan also adopted the participant loan provisions under the CARES Act. Through September 22, 2020, qualifying participants could elect to receive a loan at an increased maximum amount that did not exceed the lesser of \$100,000 or 100% of the participant’s vested account balance. Qualified participants could also suspend all loan repayments through December 31, 2020, with repayments beginning again in January 2021.

The Plan’s loan policy was updated in May 2020; however, no formal amendment was made during 2021 or 2020 related to these provisions. In October 2022, the Plan was formally amended to adopt the CARES Act provisions that were adopted prior to December 31, 2021.

Subsequent Events

Management has evaluated subsequent events through July 21, 2023, the date on which the financial statements were available to be issued. There were no subsequent events requiring recognition or disclosure in these financial statements.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplemental information as of December 31 was obtained from data that has been prepared and certified as complete and accurate by Ascensus, LLC, an authorized agent and affiliate of the trustee, Ascensus Trust Company:

	<u>2022</u>	<u>2021</u>
Investments, at fair value:		
Cash and cash equivalents	\$ 33,704	\$ 23,291
Mutual funds	4,367,282	5,153,973
Notes receivable from participants	24,613	65,149

The trustee also certified the completeness and accuracy of \$981,890 of net depreciation in fair value of investments, \$87,389 of interest and dividends, and \$2,048 of interest income on notes receivable from participants related to the aforementioned assets for the year ended December 31, 2022.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures* (“FASB ASC 820”), provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include the following:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used as of December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

<u>December 31, 2022</u>				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Cash and cash equivalents	\$ 33,704	\$ -	\$ -	\$ 33,704

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 5 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Vanguard Group, Inc. (“Vanguard”). Vanguard is the custodian of the Plan; and, therefore, these transactions qualify as party-in-interest transactions under ERISA. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each investment.

As described in Note 2, the Company may pay certain administrative expenses relating to Plan operations to various service providers. In addition, employees of the Company provide administrative services to the Plan for which no fees are charged.

Notes receivable from participants also reflect party-in-interest transactions under ERISA.

NOTE 6 – TAX STATUS

On June 30, 2020, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualified under Section 401(a) of the Internal Revenue Code (“IRC”). Although the Plan has not received a determination letter specific to the Plan itself, and the Plan has been amended since the prototype plan was adopted, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. No assets or liabilities relative to uncertain tax positions are recorded as of December 31, 2022 and 2021. The Plan is subject to routine audits by taxing jurisdictions. However, as of December 31, 2022, there were no audits in progress for any open tax periods.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their individual accounts.

NOTE 8 – RISKS AND UNCERTANTIES

The Plan invests in various investment securities. Investment securities are exposed to a range of risks such as interest rate risk, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 – PLAN AMENDMENTS AND RESTATEMENT

Effective May 5, 2021, the Plan was amended and restated under a Cycle 3 Restatement to bring the Plan into compliance with legislative and regulatory changes set forth in IRS Notice 2017-37. Significant provisions of the amended plan document are consistent with those of the current plan document. Interested parties should refer to the plan document for a more complete description of the Plan’s provisions.

In October 2022, the Plan was formally amended to adopt the CARES Act provisions that were adopted prior to December 31, 2021 (Note 2).
