The Finance Committee of Iowa Bankers Association
On behalf of Iowa Bankers Insurance and Services, Inc. 401(k) Plan and Trust
8901 Northpark Drive
Johnston, Iowa 50131

Dear Members of the Finance Committee:

We have performed an ERISA Section 103(a)(3)(C) audit (previously known as a limited-scope audit) of the financial statements of Iowa Bankers Insurance and Services, Inc. 401(k) Plan and Trust (the "Plan") as of and for the year ended December 31, 2022, in accordance with auditing standards generally accepted in the United States of America ("generally accepted auditing standards") and the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended (ERISA), ("ERISA Section 103(a)(3)(C) Election"). We have issued our report thereon dated July 31, 2023.

We have prepared the following comments to assist you in fulfilling your obligation to oversee the financial reporting and disclosure process for which management of the Plan is responsible.

This report is intended solely for the information and use of Plan management, the Finance Committee, and others within the organization and is not intended to be and should not be used by anyone other than these specified parties.

Yours truly,

Our Responsibility under Generally Accepted Auditing Standards

Our responsibility under generally accepted auditing standards has been described in our engagement letter dated July 28, 2023. As described in that letter, our responsibilities under generally accepted auditing standards and the ERISA Section 103(a)(3)(C) Election include forming and expressing an opinion on whether the form and content of the information included in the Plan's financial statements and supplemental schedule, other than that derived from the information certified by the custodian, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We considered internal control relevant to the Plan's preparation of the financial statements in order to design audit procedures that were appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control.

Significant Accounting Policies

The Plan's significant accounting policies are set forth in Note 2 to the Plan's 2022 financial statements. We are not aware of any significant changes in previously adopted accounting policies or their application during the year ended December 31, 2022.

We have evaluated the significant qualitative aspects of the Plan's accounting practices, including accounting policies, accounting estimates, and financial statement disclosures and concluded that the policies are appropriate, adequately disclosed, and consistently applied by management.

Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by Plan management and are based on management's current judgments. Those judgments are ordinarily based on knowledge and experience about past and current events and on assumptions about future events. Significant accounting estimates reflected in the Plan's 2022 financial statements include the fair value of investments. Our audit procedures did not extend to the fair value of investments based on management's election to have us perform an audit under ERISA Section 103(a)(3)(C).

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Mutual funds are valued at quoted market prices that represent the net asset value (NAV) of shares held at plan year end. Pooled separate accounts are investment vehicles established and maintained by an insurance company and are valued and transacted at quoted market prices that represent the net asset value of shares held at plan year end. The units of common/collective trust funds, inclusive of stable return funds, are valued at the NAV of units of the underlying fund. The NAV is used as the practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

During the year ended December 31, 2022, we are not aware of any significant changes in accounting estimates or in Plan management's judgments relating to such estimates.

Uncorrected Misstatements

Except with respect to the investment information certified by the custodian, our ERISA Section 103(a)(3)(C) audit of the financial statements was designed to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement, whether caused by

error or fraud. There were no uncorrected misstatements or disclosure items passed identified during our ERISA Section 103(a)(3)(C) audit.

Material Corrected Misstatements

There were no material misstatements that were brought to the attention of Plan management as a result of our ERISA Section 103(a)(3)(C) audit procedures.

Form 5500

In accordance with generally accepted auditing standards, we obtained and read a draft of the Plan's Form 5500 that is substantially complete (the "draft Form 5500") prior to the dating of our auditor's report. We read the Plan's draft Form 5500 to identify material inconsistencies, if any, with the audited financial statements. We did not note any material inconsistencies or obtain knowledge of a material misstatement of fact in the other information.

Disagreements with Plan Management

We have not had any disagreements with Plan management related to matters that are material to the Plan's 2022 financial statements.

Our Views about Significant Matters That Were the Subject of Consultation with Other Accountants

We are not aware of any consultations that Plan management may have had with other accountants about auditing and accounting matters during 2022.

Significant Findings or Issues Arising from the Audit Discussed, or Subject of Correspondence, with Plan Management

Throughout the year, routine discussions were held, or were the subject of correspondence, with Plan management. In our judgment, such discussions or correspondence did not involve significant findings or issues requiring communication to the Finance Committee.

Significant Difficulties Encountered in Performing the ERISA Section 103(a)(3)(C) Audit

In our judgment, we received the full cooperation of the Plan's management and staff and had unrestricted access to the Plan's senior management in the performance of our ERISA Section 103(a)(3)(C) audit.

Management's Representations

We have made specific inquiries of the Plan's management about the representations embodied in the financial statements. In addition, we have requested that Plan management provide to us the written representations the Plan is required to provide to its independent auditors under generally accepted auditing standards. We have attached to this letter, as Appendix A, a copy of the representation letter we obtained from Plan management.

APPENDIX A - Management Representation Letter

PO Box 6210
Johnston, Iowa 50131-6210

July 31, 2023

Deloitte & Touche LLP
699 Walnut Street, Suite 1800
Des Moines, Iowa 50309

We are providing this letter in connection with your audits of the statements of net assets available for benefits of Iowa Bankers Insurance and Services, Inc. 401(k) Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes (collectively referred to as the "financial statements").

We elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance company, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion as to whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm that we are responsible for the following:

- a. The preparation and fair presentation in the Plan's financial statements of net assets and changes in net assets in conformity with GAAP.
- b. The fair presentation of the applicable supplemental schedule in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- c. Administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
- d. The design, implementation, and maintenance of internal control:
 - Relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
 - To prevent and detect fraud.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, the following representations made to you during your ERISA Section 103(a)(3)(C) audits.

1. The financial statements referred to above are fairly presented in conformity with GAAP and the notes include all disclosures required by laws and regulations to which the Plan is subject. The accompanying supplemental schedule is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
2. Plan management has provided to you all relevant information and access as agreed in the terms of the audit engagement letter.
3. Plan management has made available to you:
 - a. All financial records and related data, including the names of all related parties and parties-in-interest and all relationships and transactions with related parties and parties-in-interest.
 - b. All minutes of the meetings of the Plan Sponsor's stockholders, directors, and committees of directors pertinent to the operation of the Plan or summaries of actions of recent meetings for which minutes have not yet been prepared. All significant board and committee actions are included in the summaries.
 - c. The most current plan document for the audit period, including amendments made to the plan document, the trust agreement, or insurance contracts (if applicable) during the year, including amendments to comply with applicable laws.
 - d. A draft of Form 5500, Annual Return/Report of Employee Benefit Plan, that is substantially complete.
4. There have been no communications with regulatory agencies concerning noncompliance with or deficiencies in financial reporting practices or administrative practices.

5. Plan management has not performed a risk assessment, including the assessment of the risk that the financial statements may be materially misstated as a result of fraud; however, plan management is knowledgeable, competent, and is involved in performing risk assessments related to the Plan Sponsor, and therefore is considered to be aware of and responsive to the risks relating to the Plan.
6. We have no knowledge of any fraud or suspected fraud affecting the Plan involving:
 - a. Management.
 - b. Employees who have significant roles in the Plan's internal control.
 - c. Others, where the fraud could have a material effect on the financial statements.
7. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, plan participants, regulators, beneficiaries, service providers, third-party administrators, or others.
8. The methods, significant assumptions, and the data used by us in making the accounting estimates and the related disclosures are appropriate to achieve recognition, measurement, or disclosure that is in conformity with GAAP.
9. We have filed the current versions of the Plan and trust documents with the appropriate agencies, as necessary.
10. The Plan, as written and applied, meets the requirements of the applicable sections of the Internal Revenue Code, and the trust established under the Plan qualifies for exemption under the applicable sections of the Internal Revenue Code. The Plan Sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status.
11. We have performed the relevant Internal Revenue Code compliance tests, including, but not limited to, nondiscrimination testing.
12. The Plan has complied with the fidelity bonding requirements of ERISA.
13. There are no matters (e.g., breach of fiduciary responsibilities, nonexempt party-in-interest transactions, loans or leases in default, events that may jeopardize the Plan's tax qualification status) that legal counsel has advised us that must be disclosed in accordance with the DOL's Rules and Regulations for Reporting and Disclosure, Internal Revenue Code, or ERISA.
14. There were no reviews or inquiries by the DOL, Internal Revenue Service, or other regulatory agency of the Plan's activities or filings since our last audit.
15. We are not aware of any intention on the part of the Plan Sponsor to terminate the Plan or take any other action that could result in an effective termination for the Plan. We are not aware of any occurrences that could result in the termination of the Plan.
16. There have been no unusual or infrequent events or transactions, including Plan amendments, occurring after the latest benefit information date but before issuance of the Plan's financial

statements that might affect the usefulness of the Plan's financial statements when assessing the Plan's present and future ability to pay benefits.

17. The Plan has complied with the DOL's regulations concerning the timely remittance of contributions to trusts containing assets for the Plan.
18. Plan management has taken the necessary steps to perform an appropriate fair value measurement analysis to determine that the fair value of the certified plan assets does not vary from the carrying value that is certified by Wells Fargo Bank, N.A. for the period from January 1, 2021 to April 15, 2021 and by Principal Trust Company for the period from April 16, 2021 to December 31, 2022.
19. There are no assets that are held away by another third party and have not been covered under the trustee certification as of and for the year ended December 31, 2022.
20. Form 5500 instructions indicate that the report of an Independent Qualified Public Accountant consists of an Accountant's Opinion, Financial Statements, Notes to the Financial Statements, and Supplemental Schedules. We will attach the audited financial statements and your auditor's report thereon in its entirety to Form 5500.
21. A Form 5500 for the Direct Filing Entities (DFEs) in which the Plan invests has been filed with applicable supplemental schedules with the DOL.
22. We have complied with all applicable provisions of the Foreign Corrupt Practices Act.
23. There were no significant cyber security incidents and/or breaches in which an actual or potentially adverse effect on an information system, network, or the information residing therein occurred or there was a loss of assets. We considered the cyber incident or breach to be significant if such incident or breach merited the attention of those charged with governance.
24. The Plan has provided to you:
 - a. A corporate entity tree that identifies the legal names of the Plan's affiliates, including affiliates as defined in AICPA Interpretation 1.224.010, *Client Affiliates*, together with the ownership relationship among such entities.

Except where otherwise stated below, immaterial matters less than \$140,000 collectively are not considered to be exceptions that require disclosure for the purpose of the following representations. This amount is not necessarily indicative of amounts that would require adjustment to, or disclosure in, the financial statements.

25. There are no transactions that have not been properly recorded and reflected in the financial statements.
26. The Plan has no plans or intentions that may affect the carrying value or classification of the Plan's assets and liabilities, nor are we aware of any such plans or intentions on the part of the Plan Sponsor.

27. The following, to the extent applicable, have been appropriately identified, properly accounted for, and disclosed in the financial statements or supplemental schedule:
 - a. Transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, including those transactions set forth in Sections 406 and 407(a) of ERISA and Section 4975(c) of the Internal Revenue Code.
 - b. Other related parties and all the related-party relationships and transactions of which Plan management is aware, including sales, purchases, loans, transfers, leasing arrangements, and guarantees (written or oral).
 - c. Reportable transactions as defined under ERISA Section 103(b)(3)(H) and regulations thereunder.
 - d. Amendments to the plan document, including any amendments impacting the usefulness of the financial statements through the date the financial statements were available to be issued.
 - e. All derivative financial instruments (e.g., futures, options, swaps), including outstanding commitments to purchase or sell securities under forward placement and standby commitments.
 - f. Securities lending, including securities on loan, collateral held under securities lending agreements, and the liability to return collateral held under securities lending agreements.
28. In preparing the financial statements in conformity with GAAP, Plan management uses estimates. All estimates have been disclosed in the financial statements for which known information available prior to the issuance of the financial statements indicates that both of the following criteria are met:
 - a. It is reasonably possible that the estimate of the effect on the financial statements of a condition, situation, or set of circumstances that existed at the date of the financial statements will change in the near term due to one or more future confirming events.
 - b. The effect of the change would be material to the financial statements.
29. There are no:
 - a. Instances of identified or suspected noncompliance with laws and regulations whose effects should be considered when preparing the financial statements.
 - b. Known actual or possible litigation and claims whose effects should be considered when preparing the financial statements that have not been disclosed to you and accounted for and disclosed in accordance with GAAP.
30. The Plan has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets, nor has any asset been pledged as collateral.
31. The Plan has complied with all aspects of contractual agreements that may affect the financial statements.

32. Regarding supplemental information:
- a. We are responsible for the preparation and fair presentation of the supplemental information and the form and content of that supplemental information in conformity with DOL Rules and Regulations for Reporting and Disclosure under ERISA.
 - b. We believe the supplemental information, including its form and content, is fairly stated in all material respects.
 - c. The method of measurement and presentation of the supplemental information has not changed from those used in the prior period.
 - d. The supplemental information complies, in all material respects, with regulatory requirements or other applicable criteria, and DOL Rules and Regulations for Reporting and Disclosure under ERISA.
33. No events have occurred after December 31, 2022, but before the date of this letter, the date the financial statements were available to be issued, that require consideration as adjustments to, or disclosures in, the Plan's financial statements.
34. The Plan Administrator has analyzed the tax positions taken by the Plan and concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition as a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.
35. With regard to the fair value measurements and disclosures of certain assets and liabilities, such as investment valuation and FASB ASC 820, *Fair Value Measurements and Disclosures*, investment fair value level classification:
- a. The measurement methods, including the related assumptions, used in determining fair value were appropriate, consistent with market participant assumptions where available without undue cost and effort, and were consistently applied in accordance with GAAP.
 - b. The completeness and adequacy of the disclosures related to fair values are in accordance with GAAP.
 - c. No events have occurred after December 31, 2022, but before the date of this letter, the date the financial statements were available to be issued that require adjustment to the fair value measurements and disclosures included in the financial statements.
36. Financial instruments with significant individual or group concentration of credit risk have been appropriately identified, properly recorded, and disclosed in the financial statements.
37. Receivables recorded in the financial statements represent valid claims or other charges arising on or before the date of the statement of net assets available for benefits and have been appropriately reduced to their estimated net realizable value.

38. In accordance with the provisions of the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") and The Setting Every Community Up for Retirement Enhancement Act (the "SECURE Act"), we made changes in plan operations related to certain provisions in the Acts. These changes were made immediately without formally amending the plan document. We will formally amend the plan document on or before December 31, 2025.
