INDEPENDENT AUDITORS' REPORT

**To the Plan Administrator and the Participants of
Mingledorff's, Inc. Savings Incentive Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Mingledorff's, Inc. Savings Incentive Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of of Schedule of Assets (Held at End of Year), as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

MINGLEDORFF'S, INC. SAVINGS INCENTIVE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of Mingledorff's, Inc. (the "Company") Savings Incentive Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Company established the Plan effective November 1, 1983. Certain provisions of the Plan were restated and amended effective January 1, 2017. On May 1, 2017 the Plan transferred the majority of plan assets from Nationwide Trust Company, FSB ("Nationwide") to Charles Schwab Bank ("Schwab"). Based on the guaranteed investment contract Nationwide remains trustee of the assets held in the guaranteed investment contract. A portion of these assets will be transferred on an annual basis to Schwab until the fund is exhausted. The final transfer of assets from Nationwide to Schwab occurred during 2021. The Plan is a defined contribution profit sharing plan covering substantially all employees (other than union employees, leased employees and nonresident aliens) of the Company and any affiliated company that adopts the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Effective January 1, 2022, the Plan was amended and restated and there were no material revisions to the Plan as a result of this restatement.

Administration

The plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. Schwab, the trustee of the Plan, receives all contributions made under the Plan, holds Plan assets, pays benefits as directed by the plan administrator and assists in the administration of the Plan. The trustee also serves as the intermediary for all asset purchases and redemptions within the Trust.

Eligibility

Upon completion of three months of service (defined as 250 hours), employees are automatically enrolled into the Plan at a deferral rate of 4% of pretax compensation, as defined by the Plan, on the first day of the quarter following eligibility requirements being met. Eligible employees may opt-out of automatic enrollment and/or participation in the Plan at any time.

Contributions

Participants in the Plan may make pretax salary deferral contributions to the Plan up to 100% of their annual compensation, as defined in the Plan agreement. Participants may also contribute amounts representing distributions from other qualified plans. Participants ages fifty and older are also allowed to make catch-up contributions. Participant contributions are subject to limitations under the Internal Revenue Code ("IRC") Section 401(k). The Plan allows participants to make after-tax voluntary employee contributions up to 100% of their annual compensation, as defined in the Plan agreement.

MINGLEDORFF'S, INC. SAVINGS INCENTIVE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

The Plan automatically increases participant deferral rates annually by 1% up to a maximum of 10% of eligible pretax compensation, as defined by the Plan. Participants may opt-out of the annual automatic deferral increases at any time.

The Company has a Safe Harbor Matching contribution equal to 100% of each participant's elective deferrals that do not exceed 4% of the participant's contribution. In addition, the Plan Sponsor may make discretionary contributions based on each participant's eligible compensation contributed to the Plan each year.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's matching contributions and (b) Plan earnings. Participant accounts are charged with an equal dollar allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

Participants with previously existing Plan investments in life insurance policies may direct all or a portion of their Company matching contributions to the payment of premiums for policies held within their respective participant's account, subject to certain limitations.

Vesting

Participants are immediately vested in their contributions and the Company's contributions plus actual earnings thereon.

Forfeitures

Nonvested account balances of terminated employees are forfeited upon the earlier of complete distribution of the vested portion of their account or after five consecutive breaks in service, subject to reinstatement before the end of five consecutive breaks in service, as defined in the Plan agreement. The Plan allows forfeitures of terminated employees' nonvested accounts to be used to reduce the Company match or to pay Plan expenses.

During 2022, \$6,140 of forfeitures were used to offset administrative expenses. The balance of forfeited accounts at December 31, 2022 and 2021 was insignificant.

Notes Receivable from Participants

A participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The notes are secured by the participant's account balance and are payable ratably through payroll deductions, not to exceed five years. The interest rate on a participant's note is determined by the Plan administrator based on the prime rate plus 1%. Interest rates range from 4.25% to 8.50% for notes receivable outstanding at December 31, 2022.

MINGLEDORFF'S, INC. SAVINGS INCENTIVE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Benefit payments are recorded when paid by the Plan. In service withdrawals of all or a portion of a participant's vested account balance may be made by a participant after reaching the pre-retirement age of fifty-nine and one-half.

In the event of a participant's heavy and immediate financial hardship, as defined in the plan agreement, a participant may withdraw up to 100% of cumulative pretax contributions and rollover contribution account balances, exclusive of certain earnings on pretax contributions.

Participants withdrawing from the Plan due to termination of employment with the Company, other than due to retirement, death or disability, may receive the value of their vested account by transfer to another qualified plan or individual retirement account ("IRA") or through a lump sum distribution. The Plan may, upon termination of service of a participant, make a mandatory distribution of benefits if the account balance is \$1,000 or less and no distribution request has been submitted by the participant. Account balances between \$1,000 and \$5,000 for which no distribution request has been received will be paid directly into an IRA in the participant's name.

Upon normal retirement, disability or death, a participant or beneficiary may receive the value of the account through a lump sum distribution or roll over to a qualified IRA.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to Internal Revenue Service ("IRS") penalties, unless the distribution is transferred to another qualified plan or IRA.

Expenses

Administrative expenses of the Plan are primarily paid by the Plan. These expenses include, but are not limited to, legal, accounting, recordkeeping, and fund management fees. An equal dollar amount of fees and expenses paid by the Plan are charged to each participant's account.

Basis of Accounting

The financial statements of the Plan were prepared using the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board ("FASB"). The FASB sets accounting principles generally accepted in the United States of America ("GAAP").

Use of Accounting Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

MINGLEDORFF'S, INC. SAVINGS INCENTIVE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Other Assets

Prior to 1990, participants were allowed to purchase life insurance with their annual contributions. The Plan still holds previously purchased life insurance for participants. These amounts are recorded at the cash surrender value of the life insurance policy.

Investment Valuation and Income (Loss) Recognition

The Plan's investments are reported at fair value, with the exception of the guaranteed investment contract noted below. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the "exit price").

The Plan has a guaranteed investment contract that holds investment contracts as a part of its underlying assets. Investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value of the fully benefit-responsive investment contract represents contributions plus earnings, less participant withdrawals and administrative expenses. The Statements of Net Assets Available for Benefits present the investment contract at contract value at December 31, 2022 and 2021.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investment securities, it is possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the financial statements.

At December 31, 2022 and 2021, two investments represented approximately 27% of the Plan's total investments, respectively.

Subsequent Events

Management has reviewed subsequent events through the date of this report, which is the date the financial statements were available to be issued.

MINGLEDORFF'S, INC. SAVINGS INCENTIVE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 3 – INVESTMENTS (Unaudited)

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Schwab has provided certification that the financial information included in the financial statements and supplemental schedule as of December 31, 2022 and 2021 and for the year ended December 31, 2022 provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedule as of December 31, 2022 and 2021 and for the year ended December 31, 2022 is covered by such certification and has not been audited by independent auditors.

NOTE 4 – FAIR VALUE MEASUREMENTS

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are as follows:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds

Mutual funds represent investments with various investment managers. The fair values of these investments are determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Shares of mutual funds are valued at the net asset value ("NAV") of shares held by the Plan at year-end. It is not probable that the mutual funds will be sold at amounts that differ materially for the NAV of shares held.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Basis of Fair Value Measurement (Continued)

Self-Directed Accounts

The self-directed accounts are comprised of mutual funds and cash. Shares of mutual funds are traded on national exchanges and valued at the NAV as of December 31, 2022. It is not probable that the mutual funds will be sold at amounts that differ materially for the NAV of shares held.

Common Collective Trust Funds

The Plan holds a common collective trust fund, the Putnam Stable Value Fund. The Plan's interests in the common collective trust funds are based on information reported by the investment advisor using the audited financial statement of the common collective trust funds at year end. The investment income is allocated to participants based on their proportionate share of the net assets of the fund. Units of the stable return fund are valued at NAV based on the last reported sales price of the underlying investments held.

The tables below represent the fair value measurement hierarchy of the Plan investment assets at fair value as of December 31:

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 5 – INCOME TAX STATUS

The Plan is based on the Volume Submitter 401(k) Profit Sharing Plan of Pension Financial Services, Inc., which received a favorable opinion letter from the IRS, dated September 21, 2020, stating that the prototype plan and related trust were designed in accordance with the provisions of the IRC. Accordingly, the Plan's net investment income is exempt from income taxes. The Company believes that the Plan continues to qualify and to operate as designed.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

NOTE 7 – RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

The trustees and their affiliates perform services for, sell products to, and manage and maintain certain investments for the Plan for which fees are charged to the Plan. While the Company pays a portion of the fees, most are paid by the Plan. Such transactions, along with notes receivable from participants, while considered party-in-interest transactions under ERISA regulations are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 8 – SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.
