**INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of the  
PSA Insurance & Financial Partners, LLC 401(k) Profit Sharing Plan

**SCOPE AND NATURE OF THE ERISA SECTION 103(a)(3)(C) AUDIT**

We performed audits of the accompanying financial statements of the PSA Insurance & Financial Partners, LLC 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of October 19, 2022 and December 31, 2021, the related Statement of Changes in Net Assets Available for Benefits for the period from January 1, 2022 to October 19, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management obtained certifications from Fidelity Management Trust Company as of October 19, 2022 and December 31, 2021, and for the period from January 1, 2022 to October 19, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**OPINION ON THE FINANCIAL STATEMENTS**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## INDEPENDENT AUDITORS' REPORT, CONTINUED

### **BASIS FOR OPINION**

---

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS**

---

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

### **AUDITORS' RESPONSIBILITIES FOR THE AUDITS OF THE FINANCIAL STATEMENTS**

---

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**INDEPENDENT AUDITORS' REPORT, CONTINUED**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

**NOTE 1**    **DESCRIPTION OF PLAN**

The following brief description of the PSA Insurance & Financial Partners, LLC 401(k) Profit Sharing Plan (Plan) is provided for general information purposes only. Participants should refer to the Summary Plan Description for more complete information.

**GENERAL**

The Plan is a defined-contribution plan offered to employees of PSA Insurance & Financial Partners, LLC (Company). Employees who are at least 19 years old may enroll in the Plan on the first of the month following completion of the eligibility requirement of three months of service, unless they elect not to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective June 14, 2022 the Plan was terminated.

**CONTRIBUTIONS**

Each year, participants may contribute up to 75% of their annual compensation as defined in the Plan, subject to certain annual limitations in the Internal Revenue Code. Participants may designate some or all of their own contributions as Roth 401(k) or traditional contributions. In addition, participants may make non-deductible post-tax contributions up to 2% of annual compensation. Such contributions, and any activity related to those amounts, will be accounted for separately from the participant's pre-tax contributions. In addition, participants may rollover distributions received from other qualified plans.

Each year, the Company will match 50% of a participant's salary-deferred contribution up to a maximum of 6% of compensation for eligible participants. The Company also may make a discretionary contribution, as determined by the Company.

**PARTICIPANT ACCOUNTS**

Each participant's account is credited with the participant's contribution, the Company's matching and discretionary contributions, and an allocation of any Plan earnings and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**NOTES RECEIVABLE FROM PARTICIPANTS**

Participants may borrow against the balance in their accounts, up to the lesser of 50% of their vested balances or \$50,000. Note terms require amortization of principal and interest over a period not to exceed five years. Notes used to acquire a principal residence may extend beyond a five-year term. The notes receivable are collateralized by the balance in the

*(See Independent Auditors' Report)*

participant's account and bear interest at a rate comparable to rates charged by commercial lending institutions for loans of similar terms. Notes receivable are repaid through payroll deductions and may be repaid in full at any time.

**VESTING**

Voluntary contributions and the Company's matching contributions plus earnings are immediately vested. A participant is fully vested in the Company's profit-sharing contributions after five years of credited service, retirement, disability (as defined by the Plan), or death.

**INVESTMENT OPTIONS**

Upon enrollment in the Plan, participants may direct their contributions to specified investment options. Specific information regarding these options may be obtained from the Plan Administrator. Participants may change their investment options at any time.

**PAYMENT OF BENEFITS**

Upon termination of service, a participant is entitled to receive a lump-sum amount equal to the vested option of the participant's account.

**ADMINISTRATIVE EXPENSES**

Certain administrative expenses of the Plan are paid by the Company. In addition, the Company provides services to the Plan without charge.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**ACCOUNTING STANDARDS CODIFICATION**

All references in the financial statements to the Codification refer to the Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (GAAP) issued by the Financial Accounting Standards Board. The Codification is the single source of authoritative GAAP in the United States.

**BASIS OF ACCOUNTING**

The accompanying financial statements are prepared on the accrual basis of accounting.

*(See Independent Auditors' Report)*

**USE OF ESTIMATES**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

**VALUATION OF INVESTMENTS**

Investments are stated at fair value. See Note 4 for a discussion of fair value measurements.

**PAYMENT OF BENEFITS**

Benefits are recorded when paid.

**NOTES RECEIVABLE FROM PARTICIPANTS**

Notes receivable from participants are carried at their unpaid principal balance plus accrued interest. Delinquent participants' loans are reclassified as distributions based upon the terms of the Summary Plan Description.

**RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities, which are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

**SUBSEQUENT EVENTS**

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through July 14, 2023, the date the financial statements were available to be issued.

*(See Independent Auditors' Report)*

**NOTE 3**    **INFORMATION CERTIFIED BY THE TRUSTEE**

Financial information related to investments is included in the accompanying financial statements based on information certified as complete and accurate by the Trustee, Fidelity Management Trust Company. That information, which was not audited by the Plan's independent auditors, is summarized below:

	<b>2022</b>	<b>2021</b>
Collective Trust	\$ -	\$ 798,901
Self-Directed Brokerage Account	-	7,840
Money Market and Mutual Funds	-	23,708,119
	\$ -	\$ 24,514,860

During the period from January 1, 2022 to October 19, 2022, certified investment income (loss) consisted of the following:

Interest and Dividends	\$ 53,213
Net Depreciation in Fair Value of Investments	(3,819,584)
	\$ (3,766,371)

**NOTE 4**    **VALUATION OF INVESTMENTS**

Investments are recorded at fair value in accordance with the provisions of the Fair Market Measurements and Disclosures Topic of the Codification, which establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the Codification are described below:

Level 1    Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2    Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

*(See Independent Auditors' Report)*

Inputs other than quoted prices that are observable for the asset or liability;  
Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below are descriptions of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at October 19, 2022 and December 31, 2021.

Money Market and Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market. These assets are classified as Level 1 within the fair value hierarchy.

Self-Directed Brokerage Account Investments: Valued at quoted prices in an active market. These assets are classified as Level 1 within the fair value hierarchy.

Collective Trust: Valued using NAV per unit and based on the value of the underlying investments owned by each fund, minus its liabilities, and then divided by the number of units outstanding. Participant-initiated transactions may occur daily at NAV. This asset is classified as Level 2 within the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE 5      PLAN TERMINATION**

During December 2021, the Plan Sponsor was acquired, and as a result, the Plan was terminated in June 2022 subject to the provisions of ERISA. Upon termination, all participants become 100% vested in all contributions. Participants have the option to rollover their

*(See Independent Auditors' Report)*

account balance into another company's 401(k) savings plan or take another form of distribution.

**NOTE 6**    **TAX STATUS**

The Plan adopted a volume submitter plan sponsored by Fidelity Management & Research Company. The volume submitter plan received an opinion letter from the Internal Revenue Service, dated March 31, 2014, which stated the volume submitter plan satisfied the applicable provisions of the Internal Revenue Code (IRC). The Plan was amended since the date of the opinion letter. The Plan Administrator believes the Plan is currently designed and operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate uncertain tax positions for recognition in the financial statements. The Plan Administrator concluded that there were no uncertain tax positions taken as of October 19, 2022.

**NOTE 7**    **RELATED-PARTY TRANSACTIONS**

Certain Plan investments were managed by the Trustee of the Plan. These transactions qualify as party-in-interest transactions. The Plan pays investment management and recordkeeping fees to parties in interest. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

In addition, administrative fees were paid indirectly through revenue sharing and are included in the net depreciation in fair value of investments.
