Independent Auditor's Report

Plan Administrator and the Benefits
and Compensation Committee
Herschend Family Entertainment
Profit Sharing and 401(k) Plan
Branson, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Herschend Family Entertainment Profit Sharing and 401(k) Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Herschend Family Entertainment Profit Sharing and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in *Note 3* to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Herschend Family Entertainment Profit Sharing and 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Herschend Family Entertainment Profit Sharing and 401(k) Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Herschend Family Entertainment Profit Sharing and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Herschend Family Entertainment Profit Sharing and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Herschend Family Entertainment Profit Sharing and 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Note 1: Description of the Plan

General

The following description of Herschend Family Entertainment Profit Sharing and 401(k) Plan (Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan sponsored by Herschend Entertainment Company, LLC (Company) for the benefit of its employees who have worked at least 1,000 hours during a 12-month period. Related employers who also participate in the Plan include Herschend Family Entertainment Corporation, Silver Dollar City, LLC, Silver Dollar City Stone Mountain Park, LLC, The Dollywood Company, New Jersey Aquarium, LLC, Newport Aquarium, LLC, HFE Valdosta, LLC, and Herschend Entertainment Studios, LLC. As of July 31, 2022, Silver Dollar City Stone Mountain Park, LLC no longer participated in the Plan. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). State Street Bank and Trust Company is the trustee of the Plan. Transamerica Retirement Solutions Corporation (Transamerica) is the recordkeeper.

Contributions

Participants may elect to enter into a written agreement to defer a portion of their compensation. The deferral is effective for payroll periods specified by the employee and up to 60 percent of the employee's compensation. Employee catch-up and rollover contributions are also permitted. The Plan also allows Roth contributions to the Plan. These contributions are made on an after-tax basis subject to the rules contained in the Internal Revenue Code. Contributions are subject to certain limitations.

The Plan document includes an automatic deferral feature whereby a participant is treated as electing to defer a certain percentage of eligible compensation unless the participant made an affirmative election otherwise. Effective January 1, 2019, the Plan was amended to increase the automatic elective deferral contribution from 3 percent to 3.5 percent for all applicable auto enrolled participants. Participants may elect to change the amount of deferral or elect not to make deferrals in the Plan at any time.

Employer contributions for the Plan are made in accordance with the plan agreement and are at the discretion of the employer. The maximum amount of the annual contributions shall not exceed the provisions of the ERISA or the amount deductible under the Internal Revenue Code. For participants who worked 1,000 hours and are employed on the last day of the plan year, employer profit-sharing contributions are allocated among the participants in the ratio of a participant's eligible compensation to the total eligible compensation of all participants. For the years ended December 31, 2022 and 2021, the Board of Directors approved a profit-sharing contribution of 3 percent and 8 percent of eligible compensation, respectively.

For participants employed on the last day of the plan year, the employer may provide a discretionary nonforfeitable matching contribution, determined prior to the beginning of each plan year by its Board of Directors. The Board of Directors approved the match formula to pay at a rate of 100 percent of the greater of : a) the first $300, or b) the first 3.5 percent of pay that is contributed by each eligible employee for the plan year ending December 31, 2022. The Board of Directors did not approve a nonforfeitable matching contribution for the plan year ended December 31, 2021.

Participant Investment Account Options

Investment account options include various funds. Participants have the option of directing their contributions into any of the investment options or they may individually direct their investments as they choose.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, plan earnings, and forfeitures of terminated participants' nonvested accounts and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary and employer matching contributions plus earnings thereon. Vesting in the employer profit-sharing contributions is based on years of service. A participant is fully vested after three years of service, as defined in the plan document. The nonvested balance is forfeited upon termination of service.

Notes Receivable from Participants

The plan document includes provisions authorizing loans from the Plan to active eligible participants. Loans can be made to any eligible participant as defined in the plan provisions. The minimum amount of a loan shall be $1,000. The maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of $50,000 or 50 percent of the participant's vested account balance. A loan will be made for no more than five years unless secured by the participant's residence. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate as determined by the plan administrator. Principal and interest are paid ratably through biweekly payroll deductions.

Payment of Benefits

Benefits are paid according to the vesting guidelines in lump-sum settlements or direct rollovers. If a participant ceases to be an employee of the Company and their account balance is $1,000 or less, the account will automatically be distributed as a lump-sum payment. If a participant's balance is over $1,000, but not more than $5,000 and they have not attained the later of age 55 or the normal

retirement age under the Plan, they become subject to mandatory distribution rules. Unless there is a timely distribution or direct rollover election, the entire vested account balance, including any prior rollover contributions, will automatically be rolled over to a traditional IRA. Participant balances in excess of $5,000, unless otherwise required by the Plan's minimum distribution requirements, can remain in the Plan, or elect various payout options that include installments, partial cash payments, or lump-sum payments.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled $84,888 and $3,460, respectively. Forfeitures may be used to offset plan expenses, reduce employer contributions, or may be allocated among active participants based upon compensation. Subsequent to December 31, 2022 and 2021, $98,674 and $0, respectively, of the forfeited nonvested account was allocated among active participants. Subsequent to December 31, 2022 and 2021, $0 and $3,460, respectively, of the forfeited nonvested account was used to reduce employer contributions.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Quoted market prices, if available, are used to value investments. Common stocks are valued at the closing price reported on the active market on which the individual securities are traded. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end.

Investments in common collective trusts (CCTs) are valued based upon the redemption price of the units held by the Plan, which is based on information reported by the investment advisor using the audited financial statements of the collective trust at year-end.

Fully benefit-responsive investment contracts are valued at contract value. Contract value represents the sum of the deposits made plus interest, less any withdrawals.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant severs employment for any reason, all outstanding loans must be repaid in full within a reasonable amount of time as determined by the plan administrator, but may not be greater than 15 days from the date of termination, or the loan will be considered to be in default. A loan is also considered to be in default if a participant fails to make all or any part of a required loan repayment by the end of the calendar quarter which follows the calendar quarter in which the repayment was due. Outstanding loan balance in default will be treated as outstanding for purposes of determining any future loan amounts. In the event of default, the outstanding balance of the loan, including accrued interest, will be treated as a deemed distribution subject to federal income tax.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

The Plan has a nonallocated expense budget account held in an interest-bearing account. The purpose of this account is to pay necessary and reasonable plan-related expenses in accordance with the Department of Labor's guidance. The Company is responsible for determining what expenses the third-party administrator will reimburse from the account. All funds utilized from this account are treated as administrative expenses on the statements of changes in net assets available for benefits. Additions to the expense budget account were $69,138 and $76,899 for 2022 and 2021, respectively. Expense budget account funds utilized amounted to $76,691 and $70,887 for 2022 and 2021, respectively. The expense budget account's balance at December 31, 2022 and 2021, was $29,448 and $37,001, respectively.

Note 3: Certification of Plan Trustee and Custodian

The Company has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, State Street Bank and Trust Company and Transamerica Financial Life Insurance Company, both qualified institutions, have certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate.

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income (loss) and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at year-end) as of December 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related information included in the financial statements and ERISA-required supplemental schedule.

Note 4: Related Party Transactions and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

The Plan invests in certain funds of the plan custodian. The Plan paid $209,176 and $245,565 of administrative fees to Transamerica during 2022 and 2021, respectively. The Company provides certain administrative services at no cost to the Plan.

Note 5: Disclosures About Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities.

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Recurring Measurements

The following tables present the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2022 and 2021:

	2022			
		Fair Value Measurements Using		
	Fair Value	Level 1	Level 2	Level 3
Mutual funds	$ 72,976,311	$ 72,976,311	$ -	$ -
Self-directed brokerage accounts	3,428,134	3,428,134	-	-
Total assets in the fair value hierarchy	76,404,445	$ 76,404,445	$ -	$ -
Investments measured at net asset value (A)	34,624,135			
Investments at fair value	$111,028,580			

		2021 Fair Value Measurements Using		
	Fair Value	Level 1	Level 2	Level 3
Mutual funds	$ 84,150,774	$ 84,150,774	$ -	$ -
Self-directed brokerage accounts	3,878,250	3,878,250	-	-
Total assets in the fair value hierarchy	88,029,024	$ 88,029,024	$ -	$ -
Investments measured at net asset value (A)	42,881,863			
Investments at fair value	$130,910,887			

(A) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2022 and 2021. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include mutual funds, which are valued at the net asset value (NAV) of shares held by the Plan at year-end, and common stocks within the self-directed brokerage accounts, which are valued at quoted market price per share at year-end. If quoted market prices are not available, then fair values are estimated by using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following tables summarize investments (collective investment trust funds) for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments, the redemption notice period is applicable only to the Plan.

	Fair Value at 12/31/22	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective Investment Trust Funds	$ 34,624,135	$ -	Daily	1–5 days

	Fair Value at 12/31/21	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective Investment Trust Funds	$ 42,881,863	$ -	Daily	1–5 days

Note 6: Investment Contract with Insurance Company

The Plan entered into an investment contract with Transamerica Financial Life Insurance Company (TFLIC), in which employer contributions to the Plan, to the extent they cannot be immediately allocated to participant accounts, and forfeitures from participant accounts as well as contributions into the employer expense account are credited to an unallocated fund established under a group annuity contract. Funds deposited into this account will earn interest from the date they are deposited until the date they are allocated to the participants' accounts at a rate predetermined by TFLIC.

The guaranteed investment contract is fully benefit responsive; therefore, contract value is the relevant measurement. Contract value, as reported to the Plan by TFLIC, represents contributions made under the contract, plus earnings, less withdrawals, and administrative expenses. Withdrawals or transfers of all or a portion of the investment will be at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including suspension of the Plan) and (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions. The plan administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

Contract value at December 31, 2022 and 2021, was $114,665 and $40,789, respectively.

Note 7: Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

Note 8: Tax Status

The Plan operates under a nonstandardized adoption agreement in connection with a prototype retirement plan and trust document sponsored by Transamerica Retirement Solutions, LLC. This prototype plan document has been filed with the appropriate agency. The Plan has not requested an updated determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor and Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021, to Form 5500:

	2022	2021
Net assets available for benefits per the financial statements	$119,351,008	$140,422,180
Less notes receivable from participants deemed distributed	(57,669)	(107,022)
Net assets available for benefits per Form 5500	$119,293,339	$140,315,158

The following is a reconciliation of benefits paid to participants per the financial statements at December 31, 2022 and 2021, to Form 5500:

	2022	2021
Benefits paid directly to participants per the financial statements	$ 15,068,871	$ 16,022,806
Change in notes receivable from participants deemed distributed	(49,353)	32,620
Benefits paid directly to participants per Form 5500	$ 15,019,518	$ 16,055,426

Note 10: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 11: Subsequent Events

Subsequent events have been evaluated through August 9, 2023, which is the date the financial statements were available to be issued.
