INDEPENDENT AUDITOR'S REPORT

Trustees and Plan Administrator
BRG 401(k) Plan
Emeryville, CA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the BRG 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

(continued)

INDEPENDENT AUDITOR’S REPORT (continued)

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

(continued)

INDEPENDENT AUDITOR'S REPORT (continued)

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

(continued)

INDEPENDENT AUDITOR’S REPORT (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i, - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

(continued)

INDEPENDENT AUDITOR'S REPORT (continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BRG 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of the BRG 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution 401(k) profit sharing plan originally adopted on January 19, 2012. The Plan covers all employees of Berkeley Research Group, LLC and BRG Prism Healthcare Corporation, (collectively, the "Company"), except for non-resident aliens and temporary interns, that are at least 21 years of age. The Plan was most recently amended and restated effective July 15, 2022, to reinstate true-up safe-harbor matching contributions removed in January 2022.

The Plan is intended to qualify under Section 401(a) of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Administration - Under the terms of the Plan, a group of designated officers of the Company act as the trustees. The Company has contracted with Empower Annuity Insurance Company of America Empower Trust Company, LLC (collectively "Empower") to act as the custodians. Expenses incurred for administering the Plan may be paid by either the Plan or the Company at their discretion. For the years ended December 31, 2022 and 2021, all administrative expenses were paid by the Company, except for redemption charges, which were paid by the Plan.

Basis of Accounting - The accounting records of the Plan are maintained on the accrual basis in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from these estimates.

Vesting - Participants are fully vested in all accounts, including earnings thereon, at all times.

BRG 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Forfeitures – Forfeitures may first be applied to pay expenses under the Plan, after which they will be used to reduce employer non-elective or match contributions, during the Plan year in which they were forfeited. For the year ended December 31, 2022, forfeitures totaling \$763 and \$325 were used to reduce employer matching contributions and pay expenses, respectively. For the year ended December 31, 2021, forfeitures totaling \$51,309 were used to reduce employer matching contributions. No forfeitures were used to pay expenses during the year ended December 31, 2021. Total unallocated forfeitures were \$15,999 and \$1,298 at December 31, 2022 and 2021, respectively.

Employee Contributions - Participants may elect to have the Company contribute a percentage of their pre-tax compensation to the Plan, up to the amount allowable under current income tax regulations. Participants who elect to have the Company contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation. Participants may also elect to have the Company contribute a portion of their compensation after-tax in the form of a Roth deferral. Participants may also elect to have the Company contribute a portion of their after-tax compensation to the Plan, in addition to pre-tax and Roth deferrals, up to the annual additions limit. Participants may also elect to contribute amounts representing distributions from other qualified plans.

Employer Contributions – The Plan allows for discretionary employer contributions in the form of: a) safe-harbor matching contributions up to 100% of each participant's elective deferrals, but not to exceed 5% of eligible compensation, and b) non-elective contributions, which are allocated to participants based on three group classifications of participants. Additionally, the Plan allows for discretionary additional matching contributions, not applicable to any elective deferrals exceeding 6% of the participant's eligible compensation. The Company elected to make safe-harbor matching contributions for the years ended December 31, 2022 and 2021, totaling \$10,148,692 and \$8,992,283, respectively. No additional matching contributions were made for the years ended December 31, 2022 or 2021.

Participant Accounts – A separate account is maintained for each participant. Each participant's account is credited with the participant's voluntary contributions, employer contributions and an allocation of Plan earnings, less withdrawals, distributions, and administrative expenses, if any. The benefit to which a participant is entitled is limited to the benefit that may be provided from the participant's vested account balance.

Investments – Investments of the Plan are held by the Plan's custodians and are invested based solely upon instructions from participants.

BRG 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments (continued) – The Plan follows the guidance of U.S. GAAP for measuring fair value of investments. Those principles establish a framework for the measurement of fair value and provide a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level one measurements) and the lowest priority to unobservable inputs (level three measurements).

The three levels of the fair value hierarchy are described below:

Level one: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level two: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level two input must be observable for substantially the full term of the asset or liability.

Level three: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The instrument's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs. In determining investment fair value, U.S. GAAP allows various valuation approaches.

Mutual funds and self-directed accounts are valued at fair market value as of the last day of the Plan year as quoted by Empower based on reported net asset values obtained daily from a national exchange. Self-directed accounts also include corporate stock and interest-bearing cash, which are valued at the closing price reported in the active market in which the securities are traded.

BRG 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments (continued) – Collective trust funds are valued at net asset values, as reported by Empower, and obtained directly from the underlying investment provider. Collective trust funds are credited with contributions made under the contract, plus earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The Plan's investment in a guaranteed investment contract is valued at fair value, which approximates contract value, as reported by Empower.

The Plan's method of valuing investments may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth the Plan's assets at fair value, within the fair value hierarchy of U.S. GAAP and those valued at net asset value, as of December 31:

	2022	2021
Level one:		
Mutual funds	\$ 140,770,667	\$ 172,561,903
Self-directed accounts	1,743,912	2,291,251
Level two:		
Guaranteed investment contract	<u>6,332,305</u>	<u>8,122,204</u>
Investments, at fair value	148,846,884	182,975,358
Investments, at net asset value	<u>49,125,042</u>	<u>39,353,298</u>
Total investments	<u>\$ 197,971,926</u>	<u>\$ 222,328,656</u>

Investment Income – Realized gains or losses on investment transactions are recorded as the difference between the proceeds received and the fair value of the investment at the beginning of the Plan year, or cost if acquired during the Plan year. In accordance with the Plan's policy of stating investments at fair value, net unrealized appreciation or depreciation is included in the statement of changes in net assets in the period in which the market change occurs. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

BRG 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants – The Plan provides a provision that allows a participant to borrow up to the lesser of \$50,000 or 50% of their vested account balance, with a minimum borrowing of \$1,000. Such loans shall bear interest at rates equivalent to available market financing rates. The term of the loans generally cannot exceed five years, except for the purchase of a principal residence, which may be repaid over a period of up to 15 years, and a participant may not have more than one loan outstanding at any time. The loans are secured by the participant's vested balance. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are stated at their unpaid principal balances plus any accrued but unpaid interest.

Payment of Benefits – Upon termination of service or disability, age 59 ½, retirement, death, or hardship, the participants or beneficiaries receive, upon request, a lump-sum payment equal to the value of the vested funds in the participant's account. Benefits (which include rollover transfers to other plans) are recorded when paid. The Plan allows for an involuntary direct rollover distribution of participant vested account balances exceeding \$.01 but not \$5,000, to an individual retirement account.

Plan Termination - The Company intends to continue the Plan indefinitely for the benefit of its employees. However, it reserves the right to terminate the Plan at any time by resolution of its Board of Directors and subject to the provisions of ERISA.

Subsequent Events – Events or transactions occurring subsequent to year end through the date the financial statements were available to be issued, August 3, 2023, have been evaluated in the preparation of the accompanying financial statements.

2. INCOME TAX STATUS

The Company adopted a Prototype Standardized Profit Sharing Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, which stated that the Plan and related trust are designed in accordance with Section 401(a) of the Internal Revenue Code and, therefore, the underlying trust is not subject to tax under IRC 501(a). Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

The following information was obtained by management and agreed to or derived from information certified as complete and accurate by Empower, but was not audited by independent certified public accountants:

4. RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by Empower, the Plan's custodians, or their affiliate. Therefore, investment transactions involving these investments qualify as party-in-interest transactions as defined by ERISA.

5. RISKS AND UNCERTAINTIES

The Plan provides various investment options, allowing for combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Financial instruments, which potentially subject the Plan to concentrations of credit risk, consist principally of mutual funds, collective trust funds, self-directed accounts and a guaranteed investment contract. As the portfolio is well diversified and issuers of the underlying securities are dispersed throughout many industries and geographies, the concentrations of credit risk are limited.

5. RISKS AND UNCERTAINTIES (continued)

During 2023, the Plan Sponsor discovered that 2022 employer matching contributions were made to the accounts of certain participants in excess of eligible plan-defined limits. The Plan Sponsor is currently determining the appropriate means of correction and intends to correct the situation during 2023 pursuant to the IRS Employee Plans Compliance Resolution System Self Correction Program. Since the effects of this situation are not currently known, no adjustments to the accompanying financial statements have been made as a result of this uncertainty.
