Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mariani Packing Company, Inc. Profit Sharing 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MARIANI PACKING COMPANY, INC.
PROFIT SHARING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Mariani Packing Company, Inc. Profit Sharing 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan established May 1, 1988 by Mariani Packing Company, Inc. (the "Company"), to provide benefits to eligible employees. The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

B. Administration and Expenses

Principal Trust Company ("Principal") serves as trustee and Principal Financial Group provides record keeping and administrative services. Certain investment related expenses are charged directly by the funds and are thereby factored into each fund as a reduction of investment return. Certain investment management and participant elective transaction fees are charged directly to participant accounts. Other costs of administering the Plan may be paid from the Plan or by the Company at the discretion of the Company.

C. Eligibility

All regular employees of the Company who are age 20½ or older are eligible to participate in the Plan on completion of one month of service. Employees may enter the Plan on the first day of any month after becoming eligible. Participants may begin salary deferrals on Plan entry and are eligible to receive Company matching contributions upon completion of six months of service.

D. Contributions

Participants may elect to have the Company contribute their eligible pre-tax compensation to the Plan up to the amount allowable under Code regulations. Participants who elect to have the Company contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation. Newly eligible employees who do not make an affirmative election to defer compensation to the Plan, including an election not to defer, are auto-enrolled at a pre-tax contribution rate of 5% of eligible compensation.

Participants age 50 or older may elect to make additional catch-up contributions as allowed under Code regulations. Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with participant investment directions and the Plan's provisions.

The Company matches 25% of the first 5% of eligible compensation deferred by participants.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

E. Participant Accounts

Plan investments consist of a menu of mutual funds, pooled separate accounts, common/collective trusts and an insurance company general account investment. Participants direct the investment of their accounts. Each participant's account is credited with the participant's contributions, rollovers, employer matching contributions and an allocation of Plan earnings or losses and administrative expenses. The contributions of participants who decline to make an investment election are invested in the Principal LifeTime Fund appropriate for the individual's age and projected date of retirement.

F. Vesting and Forfeitures

Participants are immediately 100% vested in their entire account balance.

G. Payment of Benefits

Normal retirement age under the Plan is age 65. Upon termination of service, death, disability, retirement or attainment of age 59½, a participant or beneficiary may maintain his or her account in the Plan or choose to receive benefits in a lump sum or installments. Hardship withdrawals are permitted under limited circumstances, as defined in the Plan and approved by the plan administrator. Benefits are recorded when paid.

H. Notes Receivable from Participants

The Plan allows participants to borrow not less than \$1,000 up to the lesser of \$50,000 or 50% of their account balance. A loan is secured by the participant's account balance, bears a fixed rate of interest commensurate with interest rates charged by lending institutions, and must be repaid to the Plan within a five-year period, unless the loan is used for the purchase of a principal residence, in which case the loan term may be extended. Principal and interest are paid ratably through payroll deductions. The plan administrator approves the specific terms and conditions of each loan. Notes receivable from participants at December 31, 2022 carry interest rates ranging from 4.25% to 9.00% with various maturities through August 2036. Notes receivable are measured at their unpaid principal balance plus accrued interest. Delinquent notes are recorded as a distribution based on the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

MARIANI PACKING COMPANY, INC.
PROFIT SHARING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition

Investments are stated at fair value, except for the fully benefit responsive investment contract which is valued at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gain distributions are included in dividend income. Net depreciation includes gains and losses on investments bought and sold as well as held during the year.

D. Risks and Uncertainties

Plan investments are exposed to various investment risks such as interest rate, market and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in value of investments will occur in the near term and such changes could materially affect participant accounts and amounts reported in the financial statements.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. The accounts of the participants affected by a partial or complete termination of the Plan are nonforfeitable and will be determined as of the termination date.

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

Certain investments offered under the Plan are issued or managed by affiliates of the trustee. Purchases and sales of these investments and payment of expenses to Plan service providers from Plan assets are considered party-in-interest transactions under ERISA. Such transactions are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 5 - INCOME TAX STATUS

The Company adopted a prototype plan that has received a favorable opinion letter from the Internal Revenue Service. The plan administrator believes the Plan is operated in accordance with and qualifies under applicable requirements of the Code and related state statutes and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules including investments held at December 31, 2022 and 2021, and net depreciation, interest and dividends for the year ended December 31, 2022 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal Trust Company, the trustee.

NOTE 7 - FAIR VALUE MEASUREMENTS

Accounting guidance establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Although the plan administrator believes this valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumption to determine fair value could result in a different fair value measurement at the reporting date. The following tables summarize Plan investments at December 31 based on the inputs used to value them:

	2022		
	Level 1	Level 2	Level 3
Mutual Funds	\$ 3,639,820	\$ -	\$ -

NOTE 9 - INVESTMENT CONTRACT

The Plan maintains a fully benefit responsive group annuity contract with Principal through the Fixed Income Guaranteed Option ("Guaranteed Interest Account"). Contributions to the Guaranteed Interest Account are maintained in a Principal general account and credited for interest and charged for participant withdrawals and administrative expenses. Principal is contractually obligated to repay principal and a specified rate of interest that is guaranteed to the Plan. The Guaranteed Interest Account meets fully benefit-responsive investment contract criteria and is reported at contract value. Contract value is deemed to be fair value of the account under current accounting guidance because this is the amount received by participants when they initiate permitted transactions under the terms of the Plan.

The Plan's ability to receive amounts due is dependent on Principal's ability to meet its financial obligations. There are no reserves against contract value for credit loss. Certain events might limit the ability of the Plan to transact at contract value including premature termination of Plan investments in the Guaranteed Interest Account. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

NOTE 10 - DELINQUENT PARTICIPANT CONTRIBUTIONS

Contributions and participant loan payments totaling approximately \$62,000 withheld from participants' pay were not received by the trustee within the time frame established by Department of Labor regulations during the 2020 plan year. The plan administrator engaged in a prohibited transaction under ERISA as a consequence of the failure to timely remit participant deferrals to the Plan. The lost earnings were corrected and restored to the affected participants on November 21, 2022. There were no delinquent participant contributions in 2022 or 2021.

NOTE 11 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 17, 2023, the date on which the financial statements were available to be issued. There are no subsequent events that require recognition or additional disclosure in the Plan's financial statements.
