INDEPENDENT AUDITORS' REPORT

To the Savvee Consulting, Inc. 401(k) Profit Sharing Plan and Trust Sponsor
Chantilly, VA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements Savvee Consulting, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Savvee Consulting, Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Savvee Consulting, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Savvee Consulting, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Savvee Consulting, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Savvee Consulting, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but contains supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that is agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter-Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of Savvee Consulting, Inc. 401(k) Profit Sharing Plan & Trust. In accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 31, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c). Their report also indicated that the form and content of the 2021 supplemental schedules that agree to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(c).

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 1: **DESCRIPTION OF PLAN**

The following description of the Savvee Consulting, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed contribution plan covering all eligible employees of the Savvee Consulting, Inc. (the 'Company') with retirement benefits in accordance with section 401(k) of the Internal Revenue Code (the IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established on January 1, 2005.

Effective October 17, 2022, the plan documents were restated by executing the Cycle 3 Non-Standardized Plan adoption agreement.

On December 22, 2022, the Senate passed the Consolidated Appropriations Act of 2023 (the "CAA") to fund the government through September 30, 2023. Division T of the legislation is the SECURE 2.0 Act of 2022 ("SECURE 2.0"), which builds upon 2019's Setting Every Community Up for Retirement Enhancement Act (the "SECURE Act"). SECURE 2.0 contains 90 provisions aimed at modernizing the retirement system, encouraging additional retirement savings, and easing administrative requirements. Most of SECURE 2.0's provisions take effect on or after 2024.

Eligibility

To be eligible to participate in the Plan, employees must have reached twenty- one years of age. Eligible employees shall participate in the plan immediately upon meeting the age requirements.

Contributions

Participant Contributions: Participants elect to have amounts withheld from their paychecks and contributed to the Plan by the Company. Participants may contribute up to 96% of pre-tax compensation as defined as in the Plan and by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified defined benefit or contribution plans. The Plan allows elective deferral contributions to be made as Roth contributions.

Qualified Automatic Elective Deferral Enrollment (QACA): The Plan includes an auto-enrollment provision which whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% with an automatic increase of 1% each year until a maximum of 10% is reached. The deferral percentage increases on the first day of the plan year. The contributions are invested in a designated balanced fund until changed by the participant.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Contribution (continued)

Employer Contributions:

- *QACA Safe Harbor Matching Contributions:* The Company makes QACA Safe Harbor Matching Contributions in an amount equal to 100% of the participant's contributions that are not in excess of 3% of the participant's plan compensations. Plus, the Company makes additional matching contribution in an amount equal to 50% of the participant's contributions that are greater than 3%, but less than or equal to 5% of participant's plan compensations. The Company made QACA safe harbor matching contributions in the amount of \$447,296 during the Plan year 2022.
- *Profit Sharing Contributions:* Company may also make profit sharing contributions in an amount as determined by the Company. To receive Company's profit-sharing contributions, participants are required to complete one year of service with the Company. Participants also must have completed at least 500 hours during the plan year, and be employed on the last day of the Plan year. Company contributions are made in the ratio that each participant's compensation bears to the compensation of all eligible participants.
- *Qualified Nonelective Contributions (QNECs):* The Company can make QNECs each plan year to Non-Highly Compensated employee participants.

All foregoing contributions are subject to limits as set by federal law.

Investment Options

Participants may direct the investment of all contributions into various investment options offered by the Plan and Mid Atlantic Trust Company (MATC).

Participant Accounts

Each participant's account is credited with the participant's own contributions, an allocation of the Company's contributions, and an allocation of net earnings from investments and changes in investment values. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on each participant's contributions, earnings, or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's account.

Vesting

Participants are always fully vested in all contributions, safe harbor matching contribution, profit sharing, QNECs, and all earnings thereon.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants may also elect to take partial withdrawals, installment payments, and annuity contracts to satisfy the minimum distribution rules. Terminated participants whose balances are less than \$5,000 will be automatically distributed. For such balances exceeding \$5,000, subject to certain requirements, participants may leave their account balance in the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may request a withdrawal from their contribution accounts for financial hardship or after attaining the age of 59 $\frac{1}{2}$. The distribution of the participant's account must commence no later than April 1 of the calendar year following the later of the calendar year in which the Participant attains age 72 or retires.

Forfeitures

Forfeitures of non-vested employer contributions, if any, shall be used to reduce employer contributions and can be applied to reduce administrative expenses charged to the Plan, for the plan year in which they occurred or thereafter. During the year ended December 31, 2022, forfeiture totaling \$13 were utilized to pay the administrative fees. As of December 31, 2022, there were \$72, in forfeiture nonvested funds available for future use.

Participant Loans

Loans to participants consist of promissory notes received from participants in exchange for the distribution of cash from the Plan. The amount a participant is allowed to borrow shall not exceed one-half the present value of the participant's vested interest in the Plan. The Loan repayment may be delayed for one year for a qualified individual, and subsequent repayments will be adjusted to reflect the 1-year delay and any interest accrued during such delay. However, Loans must be repaid over no more than a five-year period with the exception of a loan for the participant's principal residence that may have a repayment period beyond five years. A participant may only have one loan outstanding at any time. Principal and interest are paid not less frequently than quarterly or ratably through payroll deductions. Loans to participants are stated at the principal amount outstanding, which approximates fair value.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions which affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair Value is the price that would be received to sell an asset or paid to transfer liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by its investment advisors, custodians, and insurance company. See Note 4 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis.

Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 3: INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, MATC, the custodian of the Plan, has certified as being complete and accurate the following information as of December 31, 2022 and 2021, and for the year ended December 31, 2022.

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits
- Net depreciation in fair value of investments, dividends and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits
- Investments reflected on the schedule of assets (held at end of year)

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

- | | |
|----------|--|
| Level 1) | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets. |
| Level 2) | Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3) | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

SAVVEE CONSULTING INC 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4: FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Common/collective trust: Valued at the NAV units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. These investments are valued at the NAV of the units held by the Plan. NAV would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

Registered Investment Companies (Mutual funds): The value of mutual funds is determined by fair market value for each fund and is based upon quotations obtained from national securities exchanges and over-the-counter associations for the underlying investments in the funds.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Net depreciation in fair value of investments includes net unrealized and net realized gains and losses on investments during the year and is presented net of investment expenses. Investment income is allocated to individual participant accounts based upon the participant's share of the investment fund.

As of December 31, 2022, assets in the plan, as defined by ASC Topic 820, were as follows:

	<u>Assets at fair value as of December 31, 2022</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Common/Collective Trusts	\$ -	-	-	\$ 755,406 *
Registered Investment Companies	9,999,387	-	-	9,999,387
Total investments at fair value	<u>\$ 9,999,387</u>	<u>-</u>	<u>-</u>	<u>\$ 10,754,793</u>

SAVVEE CONSULTING INC 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 4: **FAIR VALUE MEASUREMENTS (CONTINUED)**

As of December 31, 2021, assets in the plan, as defined by ASC Topic 820, were as follows:

	<u>Assets at fair value as of December 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Common/Collective Trusts	\$ -	-	-	\$ 589,873 *
Registered Investment Companies	14,008,861	-	-	14,008,861
Total investments at fair value	<u>\$ 14,008,861</u>	<u>-</u>	<u>-</u>	<u>\$ 14,598,734</u>

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits. Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2022, and 2021 are reported in the net change in the fair value of investments.

NOTE 5: **PLAN TERMINATION**

Although the Company expects to continue the Plan indefinitely, it has the right under the Plan to suspend its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts and all accounts will be distributed to participants.

NOTE 6: **TAX STATUS**

The Company has adopted the Non-Standardized Pre-Approved Money Purchase Pension Plan. The Internal Revenue Service ("IRS") has informed Paychex Inc. in a letter dated August 31, 2020, that its non-standardized pre-approved money purchase pension plan is designed in accordance with applicable sections of the IRC, and any Plan sponsor adopting this form of the non-standardized pre-approved money purchase pension plan will be considered to have a plan qualified under applicable sections of the IRC. Therefore, the Plan and related trust are tax-exempt, and once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified as a tax-exempt trust.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2019.

Less: Participant Contribution receivables at December 31, 2022	<u>(24,584)</u>
Change in net assets available for plan benefits per Form 5500	<u>\$ (3,875,778)</u>

NOTE 8: PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by MATC. MATC is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest. Any purchase and sales of investments in the custodian are open market transactions at fair market value. Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments. These fees are paid to the investment fund manager and may include certain revenue sharing fees that are paid to Mid Atlantic Trust Company, other investment custodians, and investment advisors.

Additionally, the Plan sponsor, Savvee Consulting, Inc. is a party-in-interest to the Plan; however, there were no transactions with the Plan sponsor other than the funding of contributions to the Plan and payment of certain administrative expenses of the Plan. The Plan also allows for the issuance of notes receivable to participants in accordance with the related regulations. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10: SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before the financial statements are available to be issued.

The plan has evaluated subsequent events through August 10, 2023, the date the financial statements were available to be issue

INDEPENDENT AUDITORS' REPORT

To the Savvee Consulting, Inc. 401(k) Profit Sharing Plan and Trust Sponsor
Chantilly, VA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements Savvee Consulting, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Savvee Consulting, Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Savvee Consulting, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Savvee Consulting, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Savvee Consulting, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Savvee Consulting, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but contains supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that is agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter-Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of Savvee Consulting, Inc. 401(k) Profit Sharing Plan & Trust. In accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 31, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c). Their report also indicated that the form and content of the 2021 supplemental schedules that agree to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(c).

SAVVEE CONSULTING INC 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 1: **DESCRIPTION OF PLAN**

The following description of the Savvee Consulting, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed contribution plan covering all eligible employees of the Savvee Consulting, Inc. (the 'Company') with retirement benefits in accordance with section 401(k) of the Internal Revenue Code (the IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established on January 1, 2005.

Effective October 17, 2022, the plan documents were restated by executing the Cycle 3 Non-Standardized Plan adoption agreement.

On December 22, 2022, the Senate passed the Consolidated Appropriations Act of 2023 (the "CAA") to fund the government through September 30, 2023. Division T of the legislation is the SECURE 2.0 Act of 2022 ("SECURE 2.0"), which builds upon 2019's Setting Every Community Up for Retirement Enhancement Act (the "SECURE Act"). SECURE 2.0 contains 90 provisions aimed at modernizing the retirement system, encouraging additional retirement savings, and easing administrative requirements. Most of SECURE 2.0's provisions take effect on or after 2024.

Eligibility

To be eligible to participate in the Plan, employees must have reached twenty- one years of age. Eligible employees shall participate in the plan immediately upon meeting the age requirements.

Contributions

Participant Contributions: Participants elect to have amounts withheld from their paychecks and contributed to the Plan by the Company. Participants may contribute up to 96% of pre-tax compensation as defined as in the Plan and by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified defined benefit or contribution plans. The Plan allows elective deferral contributions to be made as Roth contributions.

Qualified Automatic Elective Deferral Enrollment (QACA): The Plan includes an auto-enrollment provision which whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% with an automatic increase of 1% each year until a maximum of 10% is reached. The deferral percentage increases on the first day of the plan year. The contributions are invested in a designated balanced fund until changed by the participant.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Contribution (continued)

Employer Contributions:

- *QACA Safe Harbor Matching Contributions:* The Company makes QACA Safe Harbor Matching Contributions in an amount equal to 100% of the participant's contributions that are not in excess of 3% of the participant's plan compensations. Plus, the Company makes additional matching contribution in an amount equal to 50% of the participant's contributions that are greater than 3%, but less than or equal to 5% of participant's plan compensations. The Company made QACA safe harbor matching contributions in the amount of \$447,296 during the Plan year 2022.
- *Profit Sharing Contributions:* Company may also make profit sharing contributions in an amount as determined by the Company. To receive Company's profit-sharing contributions, participants are required to complete one year of service with the Company. Participants also must have completed at least 500 hours during the plan year, and be employed on the last day of the Plan year. Company contributions are made in the ratio that each participant's compensation bears to the compensation of all eligible participants.
- *Qualified Nonelective Contributions (QNECs):* The Company can make QNECs each plan year to Non-Highly Compensated employee participants.

All foregoing contributions are subject to limits as set by federal law.

Investment Options

Participants may direct the investment of all contributions into various investment options offered by the Plan and Mid Atlantic Trust Company (MATC).

Participant Accounts

Each participant's account is credited with the participant's own contributions, an allocation of the Company's contributions, and an allocation of net earnings from investments and changes in investment values. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on each participant's contributions, earnings, or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's account.

Vesting

Participants are always fully vested in all contributions, safe harbor matching contribution, profit sharing, QNECs, and all earnings thereon.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants may also elect to take partial withdrawals, installment payments, and annuity contracts to satisfy the minimum distribution rules. Terminated participants whose balances are less than \$5,000 will be automatically distributed. For such balances exceeding \$5,000, subject to certain requirements, participants may leave their account balance in the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may request a withdrawal from their contribution accounts for financial hardship or after attaining the age of 59 $\frac{1}{2}$. The distribution of the participant's account must commence no later than April 1 of the calendar year following the later of the calendar year in which the Participant attains age 72 or retires.

Forfeitures

Forfeitures of non-vested employer contributions, if any, shall be used to reduce employer contributions and can be applied to reduce administrative expenses charged to the Plan, for the plan year in which they occurred or thereafter. During the year ended December 31, 2022, forfeiture totaling \$13 were utilized to pay the administrative fees. As of December 31, 2022, there were \$72, in forfeiture nonvested funds available for future use.

Participant Loans

Loans to participants consist of promissory notes received from participants in exchange for the distribution of cash from the Plan. The amount a participant is allowed to borrow shall not exceed one-half the present value of the participant's vested interest in the Plan. The Loan repayment may be delayed for one year for a qualified individual, and subsequent repayments will be adjusted to reflect the 1-year delay and any interest accrued during such delay. However, Loans must be repaid over no more than a five-year period with the exception of a loan for the participant's principal residence that may have a repayment period beyond five years. A participant may only have one loan outstanding at any time. Principal and interest are paid not less frequently than quarterly or ratably through payroll deductions. Loans to participants are stated at the principal amount outstanding, which approximates fair value.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions which affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair Value is the price that would be received to sell an asset or paid to transfer liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by its investment advisors, custodians, and insurance company. See Note 4 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis.

Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 3: INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, MATC, the custodian of the Plan, has certified as being complete and accurate the following information as of December 31, 2022 and 2021, and for the year ended December 31, 2022.

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits
- Net depreciation in fair value of investments, dividends and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits
- Investments reflected on the schedule of assets (held at end of year)

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

- | | |
|----------|--|
| Level 1) | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets. |
| Level 2) | Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3) | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

SAVVEE CONSULTING INC 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4: FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Common/collective trust: Valued at the NAV units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. These investments are valued at the NAV of the units held by the Plan. NAV would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

Registered Investment Companies (Mutual funds): The value of mutual funds is determined by fair market value for each fund and is based upon quotations obtained from national securities exchanges and over-the-counter associations for the underlying investments in the funds.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Net depreciation in fair value of investments includes net unrealized and net realized gains and losses on investments during the year and is presented net of investment expenses. Investment income is allocated to individual participant accounts based upon the participant's share of the investment fund.

As of December 31, 2022, assets in the plan, as defined by ASC Topic 820, were as follows:

	<u>Assets at fair value as of December 31, 2022</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Common/Collective Trusts	\$ -	-	-	\$ 755,406 *
Registered Investment Companies	9,999,387	-	-	9,999,387
Total investments at fair value	<u>\$ 9,999,387</u>	<u>-</u>	<u>-</u>	<u>\$ 10,754,793</u>

SAVVEE CONSULTING INC 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 4: **FAIR VALUE MEASUREMENTS (CONTINUED)**

As of December 31, 2021, assets in the plan, as defined by ASC Topic 820, were as follows:

	<u>Assets at fair value as of December 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Common/Collective Trusts	\$ -	-	-	\$ 589,873 *
Registered Investment Companies	14,008,861	-	-	14,008,861
Total investments at fair value	<u>\$ 14,008,861</u>	<u>-</u>	<u>-</u>	<u>\$ 14,598,734</u>

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits. Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2022, and 2021 are reported in the net change in the fair value of investments.

NOTE 5: **PLAN TERMINATION**

Although the Company expects to continue the Plan indefinitely, it has the right under the Plan to suspend its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts and all accounts will be distributed to participants.

NOTE 6: **TAX STATUS**

The Company has adopted the Non-Standardized Pre-Approved Money Purchase Pension Plan. The Internal Revenue Service ("IRS") has informed Paychex Inc. in a letter dated August 31, 2020, that its non-standardized pre-approved money purchase pension plan is designed in accordance with applicable sections of the IRC, and any Plan sponsor adopting this form of the non-standardized pre-approved money purchase pension plan will be considered to have a plan qualified under applicable sections of the IRC. Therefore, the Plan and related trust are tax-exempt, and once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified as a tax-exempt trust.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2019.

Net assets available for benefits per the Form 5500	<u>\$ 10,895,749</u>	<u>\$ 14,771,527</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements for the year ended December 31, 2022, to Form 5500:

Change in net assets available for plan benefits per financial statements	\$ (3,883,521)
Add: Employer Contribution receivables at December 31, 2021	15,392
Add: Participant Contribution receivables at December 31, 2021	30,613
Less: Employer Contribution receivables at December 31, 2022	(13,678)
Less: Participant Contribution receivables at December 31, 2022	<u>(24,584)</u>
Change in net assets available for plan benefits per Form 5500	<u>\$ (3,875,778)</u>

NOTE 8: PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by MATC. MATC is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest. Any purchase and sales of investments in the custodian are open market transactions at fair market value. Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments. These fees are paid to the investment fund manager and may include certain revenue sharing fees that are paid to Mid Atlantic Trust Company, other investment custodians, and investment advisors.

Additionally, the Plan sponsor, Savvee Consulting, Inc. is a party-in-interest to the Plan; however, there were no transactions with the Plan sponsor other than the funding of contributions to the Plan and payment of certain administrative expenses of the Plan. The Plan also allows for the issuance of notes receivable to participants in accordance with the related regulations. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10: SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before the financial statements are available to be issued.

The plan has evaluated subsequent events through August 10, 2023, the date the financial statements were available to be issue
