## Independent Auditor's Report

The Retirement Savings Plan Committee and  
Plan Management  
Magellan Health, Inc. Retirement Savings Plan  
Maryland Heights, Missouri

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Magellan Health, Inc. Retirement Savings Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule listed in the table of is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

December 31, 2021 and 2022

### 1. Description of Plan

The following description of the Magellan Health, Inc. Retirement Savings Plan (the “Plan”) provides general information about the Plan’s provisions. Magellan Health, Inc. (the “Company”) is the Plan Sponsor. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions, copies of which may be obtained from the Plan Sponsor.

On January 4, 2021, the Company and Centene Corporation (“Centene”) entered into an Agreement of Plan of Merger (the “Merger Agreement”) by and among the Company, Centene, and Mayflower Merger Sub, Inc., a Delaware corporation and a wholly-owned subsidiary of Centene (“Merger Sub”), pursuant to which, subject to the terms and conditions set forth therein, Merger Sub will merge with and into the Company, with the Company surviving such merger (the “Merger”) as a wholly-owned subsidiary of Centene. The Merger Agreement closed on January 4, 2022 resulting in the Company becoming a wholly-owned subsidiary of Centene as of such date.

#### General

The Plan is a defined-contribution plan covering all eligible employees of the Company, as defined in the Plan Document. The Retirement Committee (the “Committee”) is responsible for the general administration of the Plan. Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company (the “Trustees”) are the trustees of the Plan. Effective August 1, 2022, Great-West Trust Company, LLC was renamed Empower Trust Company, LLC and Great-West Life & Annuity Insurance Company was renamed Empower Annuity Insurance Company of America. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (“ERISA”).

#### Contributions

Each year, participants may contribute from 1% to 75% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other defined-benefit or defined-contribution plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company contributes 50% of the first 6% of base compensation that participants contribute to the Plan. Additional discretionary contributions may be contributed to participants. The Company did not make any discretionary contributions during the year ended December 31, 2022. All contributions are subject to certain limitations of the Internal Revenue Code (the “Code”).

## Notes to Financial Statements (continued)

### **1. Description of Plan (continued)**

Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis. Participants who are automatically enrolled have their contributions invested in the applicable lifecycle fund based on their age until they change their election. The Company's contributions are invested in the same manner as that of a participant's elective contributions.

### **Participant Accounts**

Each participant's account is credited with the participant's contributions and the Company's matching contributions and allocations of Plan earnings or losses and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Plan earnings are allocated based on participants' shares of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on participants' account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Vesting**

Participants are immediately vested in their contributions plus actual earnings (losses) thereon. The Company's matching contribution portion of a participant's account, plus actual earnings (losses) thereon, vest based on years of continuous services. A participant is fully vested after three to five years of service in accordance with the Plan Document.

### **Forfeitures**

Upon termination of employment, participants forfeit their non-vested balances. Forfeited balances are used to reduce future Company contributions. At December 31, 2021 and 2022, forfeited nonvested accounts totaled \$47,358 and \$301,510, respectively. In 2022, the contributions were reduced by \$1,463,266.

### **Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Loan terms range from 1–5 years or up to 10 years for the purchase of a primary residence. A participant may not have more than

one loan outstanding at any point in time. The loans are secured by the balance in the participant's account and bears interest at an annual rate, fixed by the Plan Administrator, equal to one percentage point above the prime rate charged on the date the loan is made. Principal and interest are paid ratably through monthly payroll deductions. If a participant terminates employment with the Company, they may continue to make loan payments through a pre-authorized agreement. If a loan is not repaid, it will automatically be treated as a distribution to the participant.

#### **Payment of Benefits**

Upon separation from service due to death, disability, or retirement, a participant may receive a lump-sum amount or installment payments equal to the vested value of the participant's account. The Plan also allows in-service withdrawals in certain circumstances as defined by the Plan.

#### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

During the plan year ended December 31, 2022, the Company terminated approximately 2,800 employees as a result of the divestiture of Magellan Rx. Plan management determined a partial termination of the Plan had occurred. The plan instructed the third-party administrator to fully vest participants impacted by the divestiture.

#### **2. Summary of Significant Accounting Policies**

##### **Basis of Accounting**

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

##### **Payment of Benefits**

Benefits are recorded when paid.

### Notes to Financial Statements (continued)

#### **2. Summary of Significant Accounting Policies (Continued)**

##### **Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (“IRS”) are recorded as a liability with a corresponding reduction to contributions. The Plan had no excess contributions payable as of December 31, 2021, and 2022.

##### **Notes Receivable from Participants**

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are recorded when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

##### **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

##### **Investment Valuation and Income Recognition**

Investments held by the Plan (except for fully benefit-responsive investment contracts) are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion and disclosures related to fair value measurements.

The Group Stable Asset Fund is invested in broadly diversified, fixed-income portfolio and is fully benefit-responsive. This fund is recorded at contract value, which is the relevant measurement attributable to fully benefit-responsive investment contracts because contract value represents the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees, which approximates the fair value. See Note 5 for further discussion on the fully benefit-responsive investments.

### Notes to Financial Statements (continued)

#### 2. Summary of Significant Accounting Policies (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### 3. Investments

Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2021 and 2022, and net depreciation in fair value of investments, interest, dividend income and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained or derived from information provided to the Plan Administrator and certified as complete and accurate by the Trustees of the Plan.

#### 4. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, *i.e.*, an exit price. The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

- Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.
- Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:
  - Quoted prices for similar assets and liabilities in active markets
  - Quoted prices for identical or similar assets or liabilities in markets that are not active
  - Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities, *i.e.*, interest rate and yield curve quotes at commonly quoted intervals
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means

### Notes to Financial Statements (continued)

#### 4. Fair Value Measurements (continued)

- Level 3 – Unobservable inputs for the asset or liability, *i.e.*, supported by little or no market activity. Level 3 inputs include management’s own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Following is a description of the valuation techniques and inputs used for each general type of assets measured at fair value by the Plan.

Mutual Funds – Valued at quoted prices in an active market, which represent net asset value of shares held by the Plan at year-end.

The following tables set forth, by level within the fair value hierarchy, the Plan’s assets carried at fair value.

| Assets at Fair Value as of December 31, 2021 |                |         |         |                |

### Notes to Financial Statements (continued)

#### **5. Fully Benefit-Responsive Investment Contracts**

The Plan held traditional investment contracts for the years ended December 31, 2021 and 2022, that met the fully benefit-responsive investment contract criteria and therefore are reported at contract value. The Group Stable Asset Fund is a fixed-rate fund that guarantees interest rates.

The rates are guaranteed for three months at a time for the fully benefit responsive investment contracts held as of December 31, 2022. Participants may ordinarily direct permitted withdrawal or transfers of all or a portion of their account balances at contract value within reasonable time frames. The issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Interest is credited on contract balances using a single-portfolio-rate approach. Under this methodology, a single, interest-crediting rate is applied to all contributions made to the product regardless of the timing of those contributions. Interest-crediting rates are reviewed on a quarterly basis for resetting under the fully benefit-responsive investments contracts held. When establishing interest-credit rates for these products, many factors are considered, including current economic conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account. These rates are established without using a specific formula. Generally, there are not any events that could limit the ability of the Plan to transact at contract value paid within 90 days or, in rare circumstances, contract value over time. There are not any events that allow the issuer to terminate the contract and that require the plan sponsor to settle on an amount different from contract value paid either within 90 days or over time.

#### **6. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### **7. Related-Party Transactions**

Certain of the Plan's administrative functions were performed by Empower Retirement. In addition, certain plan investments are shares of a group stable asset fund managed by Empower Annuity Insurance Company of America. Transactions with Empower Annuity Insurance Company of America qualify as exempt party-in-interest transactions.

## Magellan Health, Inc. Retirement Savings Plan

### Notes to Financial Statements (continued)

#### **8. Tax Status**

The Plan has received a determination letter from the IRS dated June 30, 2020, stating that the Plan is qualified under Section 401(a) of the Code and therefore, the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended and restated. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore, believes the Plan, as amended and restated, is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **9. Subsequent Events**

The Company evaluated all subsequent events for the Plan through August 1, 2023, the date financial statements were available to be issued.
