## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator  
The Informatics Applications Group 401(k) Profit Sharing Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of The Informatics Applications Group 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Informatics Applications Group 401(k) Profit Sharing Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of The Informatics Applications Group 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Informatics Applications Group 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Informatics Applications Group 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Informatics Applications Group 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter – 2022 Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the

financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**THE INFORMATICS APPLICATIONS GROUP  
401(K) PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**1. Description of the Plan**

The following description of The Informatics Applications Group 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined-contribution plan covering substantially all employees of The Informatics Application Group, Inc. (the Plan Sponsor or the Company) aged 21 years or older, except for employees covered by a collective bargaining agreement, leased employees, and non-resident aliens. Employees can enter the Plan on the date they meet the eligibility criteria, including attaining age 21. Participants become eligible for the Company's matching and profit-sharing contributions on the first day of the calendar month following attainment of one year of service with 1,000 hours. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Investment Committee of the Plan Sponsor has overall responsibility for the operation and administration of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan Sponsor is responsible for the general administration of the Plan. Fidelity Management Trust Company serves as the trustee and recordkeeper of the Plan.

Effective June 21, 2021, the Plan was amended and restated to bring the Plan into compliance with legislative and regulatory changes. Effective January 1, 2022, the Plan was amended to change the deferral contributions limit from 90% to 80% of eligible compensation, subject to the Federal tax law limit on deferral contributions. There were no other changes in the Plan provisions.

**Contributions**

Eligible participants may elect to make salary reduction contributions up to 80% (90% for 2021) of their compensation as defined by the Plan, subject to the limitations of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans (rollover). For the years ended December 31, 2022 and 2021, the Company contributed a discretionary 401(k) match contribution equal to the sum of 50% of the amount of each participant's elective deferral up to 6% of the participant's eligible compensation.

The Company may also contribute a discretionary profit-sharing contribution to the Plan which is allocated based upon the compensation of each participant in proportion to all eligible participants. The participant must complete at least 1,000 hours of service and be employed on the last day of the Plan year to receive discretionary profit-sharing contributions. The Company made no profit-sharing contributions for the years ended December 31, 2022 and 2021.

**THE INFORMATICS APPLICATIONS GROUP  
401(K) PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**1. Description of the Plan (continued)**

**Participant accounts**

Each participant's account is credited with the participant's contributions, the earnings on the participant's account, the Company's matching contribution, and an allocation of the Company's discretionary profit-sharing contribution, if any. Participant accounts may also be charged with an allocation of certain administrative expenses and expenses specifically attributable to a participant. Investment earnings and losses are allocated based upon the investment performance of each investment in the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Effective January 1, 2021, vesting in both the Company's matching portion and the Company's discretionary profit-sharing portion of participant accounts plus actual earnings thereon is based on years of continuous service over a 3-year period, beginning with 25% after 1 year, 50% after 2 years, and 100% after 3 years. However, if an active participant dies or becomes disabled prior to attaining the normal retirement age, or attains normal retirement age, the participant's account becomes 100% vested.

**Notes receivable from participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, subject to the terms of the Plan document. The loans are secured by the balance in the participant's account and bear interest as determined by the plan administrator based on prevailing rates. Principal and interest repayments are made ratably through payroll deductions.

**Payment of benefits**

The Plan provides for distribution of accumulated benefits upon death, separation of service, financial hardship, in-service at age 59½, disability and retirement of participants. If the total benefit is \$1,000 or less, the entire amount is paid in a lump-sum distribution. If the total benefit is greater than \$1,000, but less than \$5,000, the balance may be automatically rolled into an individual retirement account, unless the participant elects otherwise. If the total benefit is greater than \$5,000 the participant must consent to the distribution.

**Forfeitures**

Forfeitures are used either to reduce Company contributions or to pay administrative expenses. As of December 31, 2022 and 2021, there were unallocated forfeitures in the forfeiture holding account totaling \$20,731 and \$7,035, respectively. In 2022, \$7,035 of forfeitures were used to fund the 2021 Company matching contributions. In 2021, \$3,567 of forfeitures were used to fund the 2020 Company matching contribution and \$1,824 of forfeitures were used to pay administrative expenses.

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**2. Significant accounting policies**

**Basis of accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

**Investment valuation and income recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation or appreciation include the Plan's gains and losses on investments bought and sold, as well as held during the year.

Employee contributions are recognized on the pay date to which they relate. Company discretionary contributions are recognized in the year as designated by the Company's Board of Directors.

**Notes receivable from participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent loans are reclassified as distributions based upon the terms of the Plan document.

**Payment of benefits**

Benefits are recorded when paid.

**Administrative expenses**

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Investment fees and transaction expenses, such as loan and distribution administration fees, are charged directly to the participant's account and are included in administrative expenses. Plan expenses, such as recordkeeping and advisor fees, may be charged directly to the participant's account as an asset-based fee. Investment-related expenses are included in the net depreciation or appreciation of the fair value of investments.

**THE INFORMATICS APPLICATIONS GROUP  
401(K) PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**3. Investments certified by the Trustee**

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held and notes receivable from participants at December 31, 2022 and 2021, and net (depreciation) appreciation in fair value of investments, investment interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustee. This information has not been audited by the Plan's independent auditors.

**4. Fair value measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable inputs and significant to the fair value measurement.

The asset and liability's fair value measurement level within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**4. Fair value measurements (continued)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual funds:* Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Money market fund:* Valued on a daily basis using the amortized cost of the securities held in the fund.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

| Assets at Fair Values as of December 31, 2022 |                      |                      |             |             |

**THE INFORMATICS APPLICATIONS GROUP  
401(K) PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**5. Related party and party-in-interest transactions**

Certain Plan investments are managed by affiliates of the Plan trustee, and therefore, the transactions qualify as party-in-interest transactions. Participant loans also qualify as party-in-interest transactions. Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**6. Income tax status**

Effective October 1, 2019, the Plan adopted a volume submitter plan which was intended to satisfy the tax qualification requirements under IRC 401(a) and was, therefore, not subject to tax under current income tax law. The Plan elected not to request a separate determination letter with respect to the Plan's qualification under Section 401(k) of the IRC. Effective June 21, 2021, the Plan adopted a pre-approved defined contribution plan which was intended to satisfy the tax qualification requirements under IRC 401(a) and was, therefore, not subject to tax under current income tax law. The Plan elected not to request a separate determination letter with respect to the Plan's qualification under Section 401(k) of the IRC. The Plan has been amended since receiving the letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken any uncertain tax positions that more than likely would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. Management has evaluated the Plan's tax positions and concluded that the Plan has taken no uncertain tax positions that require recognition or disclosure in the financial statements as of December 31, 2022 and 2021.

**7. Plan termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**9. Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

**10. Subsequent events**

The Plan Administrator has evaluated events and transactions that occurred after December 31, 2022 through August 11, 2023, the date the financial statements were available to be issued. Except as noted below, there have been no material subsequent events that require recognition or disclosure in the financial statements or disclosure in the notes to the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.
