INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Percontee, Inc. / Chantilly Crushed Stone, Inc. Profit Sharing Plan
Silver Spring, MD

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Percontee, Inc./Chantilly Crushed Stone, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Percontee, Inc./Chantilly Crushed Stone, Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Percontee, Inc/Chantilly Crushed Stone, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Percontee, Inc/Chantilly Crushed Stone, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Percontee, Inc/Chantilly Crushed Stone, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Percontee, Inc/Chantilly Crushed Stone, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Percontee, Inc./Chantilly Crushed Stone, Inc. Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) adopted on June 30, 1960. The Plan covers all employees of Percontee, Inc., Chantilly Crushed Stone, Inc. and 495 Trucking, Inc. (the Companies). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The assets of the Plan are held and managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC and Empower Retirement, LLC provides recordkeeping services to the plan (collectively referred to as Empower, the plan custodian).

Eligibility

Employees are eligible to participate in the Plan on their date of hire. To receive employer discretionary contributions, participants must have completed 1,000 hours and 12 months of service. The Plan entry date is the first day of the following month.

Contributions

Each year participants may contribute up to 80 percent of annual compensation, as defined in the Plan, as pre-tax contributions subject to the statutory limitations established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. The Companies have selected T. Rowe Price Retirement 2020 Fund as the Qualified Default Investment Alternative (QDIA) fund. If participants have not elected an investment option, their contributions will be invested in the QDIA fund.

The Plan allows for safe harbor contributions and discretionary profit-sharing contributions at the option of the Companies. The safe harbor nonelective contribution equals 3% of a participant's compensation. The Companies contributed \$438,888 and \$418,191, respectively, for the years ended December 31, 2022 and 2021. Any discretionary profit-sharing contributions are determined by the Companies on an annual basis. The Companies did not make any discretionary profit-sharing contributions for the years ended December 31, 2022 and 2021.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution, if any, plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals, employer safe harbor contributions, rollovers, and all earnings thereon. Vesting in the employer discretionary profit-sharing contributions is based on years of continuous service. After two years of service, a participant becomes 20 percent vested in the Company discretionary profit-sharing contributions to the Plan; the vesting percentage increases by 20 percent each year until the participant becomes fully vested in his or her account after six years of service.

Payment of Benefits

Upon termination of service due to death, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of their account, a direct rollover into a qualified retirement plan, installments only if participant is subject to lifetime required minimum distributions, ad-hoc distributions or a combination of methods. For termination of service due to other reasons, a participant may receive his or her benefits in the form of a distribution equal to the value of the participant's vested interest in his or her account as a lump-sum distribution.

Active participants can make withdrawals from their entire vested account after they have reached normal retirement age of 65. Hardship distributions and in-service withdrawals at age 59 1/2 are also permitted, subject to the provisions described in the Plan document. Hardship withdrawals are subject to specific statutory and regulatory requirements.

Forfeited Accounts

Forfeitures resulting from terminated participants may be used to pay plan administrative expenses or reduce employer contributions. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$1,822 and \$11,017, respectively. During 2022 and 2021, the Plan used \$23,151 and \$0-, respectively, to pay administrative expenses. No forfeitures were used to offset the employer contributions to the plan during 2022 and 2021.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Companies and are therefore excluded from these financial statements. The Plan is not required to reimburse the Companies for expenses the Companies pay on behalf of the Plan. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments or with other income (if paid from revenue sharing funds).

The Plan has a revenue sharing agreement with the plan custodian. If the custodian receives fund compensation above a certain amount, this excess compensation is made available to the Plan to offset expenses. As of December 31, 2022 and 2021, the balance available to offset future expenses totaled \$9,004 and \$16,483, respectively. During the years ended December 31, 2022 and 2021, Plan expenses totaling \$31,126 and \$65,306, respectively, were paid from revenue sharing funds.

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

December 31, 2022 and 2021

NOTE 3 - CERTIFIED INFORMATION

Information regarding investments held at December 31, 2022 and 2021, and net appreciation in fair value of investments and interest and dividends for the years then ended, disclosed in the accompanying financial statements, and the investment information included in the supplemental schedule of assets (held at end of year) as of December 31, 2022, is derived from statements which have been certified by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively referred to as Empower, the plan custodian), as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 and Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds

The Mutual Funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

There were no non-participant-directed investments at December 31, 2022 and 2021.

The significant components of the changes in net assets relating to the non-participant-directed investments for the year ended December 31, 2021, were as follows:

	<u>\$ (9,608,355)</u>

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Plan investments are managed by Empower Retirement, the plan custodian. Empower refers to products and services offered in the retirement markets by Great-West Life & Annuity Insurance Company (GWLA) and its subsidiaries, including Empower Retirement, LLC; GWFS Equities, Inc.; and registered investment advisers Advised Assets Group, LLC and Personal Capital Advisors Corporation. Putnam Investments, LLC is a subsidiary of Great-West Lifeco Inc.

Effective April 4, 2022 Empower acquired the full service retirement plan recordkeeping and Administration business of Prudential Financial, Inc.

Effective August 1, 2022, Empower changed the names of various companies within its corporate group to include “Empower” in their legal names and align the names with the Empower brand, as follows: Empower Annuity Insurance Company of America and its subsidiaries, including Empower Retirement, LLC; Empower Life & Annuity Insurance Company of New York; and Empower Annuity Insurance Company. In addition, certain investment products offered by Empower, including mutual funds historically marketed under the “Great-West Funds” brand, are also being renamed to incorporate

“Empower” into the product names in place of “Great-West.” Empower’s in-house institutional investment research and advisory division has also been renamed “Empower Investments”. Beginning in October 2022, Empower is renaming certain entities acquired from Prudential Financial as another step toward strengthening alignment with the Empower brand.

Transactions in these funds qualify as party-in-interest transactions.

Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan. There were no financial transactions recorded between the Company and the Plan other than contributions made. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8 - TAX STATUS

The Plan has adopted a non-standardized defined contribution pre-approved plan sponsored by Empower Trust Company, LLC. The pre-approved plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the non-standardized defined contribution pre-approved plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

The COVID-19 pandemic, whose effects first became known in January 2020, had a broad and negative impact on commerce and financial markets around the world, leading to economic uncertainties and significant volatility in the investment markets. The resulting substantial fluctuations in the value of the Plan’s investments may continue for an extended period of time.

NOTE 10 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through August 10, 2023, which is the date the financial statements are available to be issued.
