INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Branford Group 401(k) Plan

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Branford Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNL).

Supplemental Information Required by ERISA (Continued)

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BRANFORD GROUP 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Branford Group 401(k) Plan (the "Plan") for eligible employees of Branford Group provides only general information. Participants should refer to the Plan document and subsequent amendments for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, sponsored by Branford Chain, Inc. ("Branford") and the subsidiaries of Branford, including employees of Dreyfus-Cortney, Inc. ("Dreyfus"), Washington Chain & Supply, Inc. ("Washington"), and Lister Chain & Forge, Inc. ("Lister") (collectively, the "Employer" or the "Plan Sponsor"). The Plan is offered to all qualifying employees who have completed three months of service, excluding apprentices, Canadian employees, and employees covered by a collective bargaining agreement including Lister Union employees who were excluded effective June 1, 2019. Additionally, employees scheduled to work less than 1,000 hours of service in any 12-month period, shall not be eligible to contribute to the Plan. Eligible employees are enrolled into the Plan on the first day of the month after eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan fiduciaries are responsible for oversight of the Plan and determine the appropriateness of the Plan's investment offerings and monitor investment performance.

In July 2010, E-Mon, LLC ("E-Mon"), a previously owned subsidiary of Branford, was sold to Honeywell International, Inc. ("Honeywell"). As a result, E-Mon employees are no longer contributing into or requesting loans from the Plan. Account balances of E-Mon participants who became employees of Honeywell are available for distribution. The amounts distributed may be rolled over directly into the 401(k) plan of Honeywell or into an IRA. As of December 31, 2022 and 2021, there are E-Mon employees that have remaining participant account balances.

Effective December 31, 2012, American Condenser and Coil, LLC ("ACC") no longer participates in the Plan. As a result, ACC employees are no longer contributing into or requesting loans from the Plan. Account balances of ACC participants are available for distribution and may be rolled over directly into the new plan ACC has established separately for its employees. ACC's new plan was approved and adopted effective January 15, 2013. ACC ceased operations in December of 2012. As of December 31, 2022 and 2021, there are ACC employees that have remaining participant account balances.

In August 2005, Jered Industries, Inc. ("Jered"), a previously owned subsidiary of Branford, was sold to a newly formed Jered LLC subsidiary of PaR Systems. As a result, Jered employees are no longer contributing into or requesting loans from the Plan. As of December 31, 2022, there are Jered employees that have remaining participant account balances.

Fidelity Management Trust Company (the "Trustee") serves as the trustee of the Plan.

BRANFORD GROUP 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Contributions

Salary Deferral - Each year, participants may elect a deferral up to 50% of pre-tax compensation, as defined in the Plan document, up to the maximum allowed by the Internal Revenue Code ("IRC"), as defined in the Plan. For the 2022 and 2021 Plan years, the 401(k) deferral limit was \$20,500 and \$19,500, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The maximum catch-up contribution permitted for 2022 and 2021 was \$6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Safe Harbor Matching Contributions - The Employer makes safe harbor matching contributions on behalf of qualifying non-union contributing participants on the following basis: An amount equal to 100% of the first 3% of any active participant's eligible compensation and 50% of the next 2% of the active participant's eligible compensation contributed to the Plan, subject to limitations under the IRC. The total matching contribution percentage on behalf of any contributing participant may not exceed 4% of compensation. For December 31, 2022, the Employer made safe harbor matching contributions of \$295,537.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions and withdrawals, allocations of the Employer's contributions, an allocation of investment earnings or losses, and administrative expenses. Allocations are based on participant earnings, account balances, or as defined in the Plan document. Refer to Note 2 for information on investment transactions and income recognition on individual participant's account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

The Plan's investments are held by the Trustee. Money market and mutual funds are available as investment options for participants' salary deferrals, Employer safe harbor contributions, and rollovers.

Vesting

Participants are immediately vested in their voluntary contributions and safe harbor matching contribution account plus actual earnings thereon. Non-elective employer contributions, additional matching employer contributions and any earnings thereon vest at 20% each year and are fully vested after five years of service. For participants who were union Employees of Lister on or prior to May 31, 2019, employer profit sharing contributions and any earnings thereon vest at 25% each year beginning after two years of service and are fully vested after five years of service.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loan fund. Loan terms range from 1 to 5 years, unless the loan is for the purchase of a primary residence, which may extend the loan term to a period of time greater than 5 years. Participants are allowed to have two outstanding notes at any given time. Principal and interest are paid ratably through payroll deductions. The loans are secured by the balance of the participant's account and bear interest at a reasonable rate as determined by the Plan administrator at the time the loan is approved.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or their beneficiaries may elect to receive a lump-sum amount equal to the value of the participant's account balance with full vested rights. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures

Forfeitures resulting from the nonvested portions of participants' accounts who terminate prior to being fully vested are generally used first to pay administrative expenses and second, to reduce Employer contributions. At December 31, 2022 and 2021, the Plan had \$1,331 and \$2,898, respectively, of forfeitures that had not been used to pay administrative expenses or applied to reduce the Employer's contributions. For the 2022 and 2021 Plan years, the Plan used \$2,124 and \$3,735, respectively, from forfeited nonvested participant accounts to pay for administrative expenses or to reduce the Employer's contributions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), and are stated in United States Dollars. The following is a summary of the significant accounting policies used in preparing the financial statements:

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

DECEMBER 31, 2022 AND 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are held by the Trustee in various money market and mutual funds. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end.

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation or depreciation in the fair value of investments includes the realized gains or losses and the unrealized appreciation or depreciation on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation or depreciation in fair value of investments.

Notes Receivable from Participants and Withdrawals

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses had been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. The financial statements include the delinquent loan balances until specifically written off. Form 5500 reflects delinquent loans as distributions. Included in the benefit payments to participants are discharged loans amounting to \$0 and \$2,937 for the years ended December 31, 2022 and 2021, respectively.

Participants may also obtain a cash withdrawal of all or a portion of the value of their vested contributions including rollover contributions on the basis of hardship as permitted under the Plan.

Payment of Benefits

Benefit payments to participants are recorded when paid. There were no amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not yet been paid as of December 31, 2022 and 2021.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, and the related investment activity and interest income from notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplementary schedule.

NOTE 4. FAIR VALUE MEASUREMENTS

In accordance with the authoritative guidance on fair value measurements and disclosures under U.S. GAAP, the Plan follows a standard that establishes a three-level valuation hierarchy for disclosure of fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels are defined as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Money market and mutual funds are valued at the daily closing price as reported by the fund. The money market fund held by the Plan is interest-

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

bearing and is valued at \$1.00 per share. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds and money market fund held by the Plan are deemed to be actively traded.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2022 and 2021:

<u>Assets at Fair Value as of December 31, 2022</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Participant-directed investments, at fair values				
Money market fund	\$ 1,175,161	-	-	\$ 1,175,161

Total investments at fair value	<u>\$ 11,887,707</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,887,707</u>

During the years ended December 31, 2022 and 2021, there were no transfers between levels of the fair value hierarchy.

NOTE 5. EXEMPT PARTY-IN-INTEREST AND RELATED-PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Investments Institutional Operations Company, Inc. ("Fidelity"). As defined by the Plan document, the Trustee is an affiliate of Fidelity and, therefore, these transactions qualify as exempt party-in-interest transactions. Notes receivable from participants are also party-in-interest transactions.

In addition, fees paid by the Plan to Fidelity for recordkeeping services amounted to \$6,692 for the year ended December 31, 2022, and is included as administrative expenses on the statement of changes in net assets available for benefits. Fees included by the Plan for the investment management services are included in net depreciation in fair value of investments, as they are paid through revenue-sharing, rather than a direct

payment. The Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTE 6. FEDERAL INCOME TAX STATUS

The Plan uses a prototype plan document sponsored by FMR LLC. FMR LLC received an opinion letter from the Internal Revenue Service ("IRS"), dated June 30, 2020, which stated that the prototype document satisfied the applicable provisions of the IRC. Although the Plan has been amended since the effective date of the opinion letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes the Plan is qualified and the related trust is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. These investments in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8. PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer has the right under the Plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become fully vested in their employer contributions.

NOTE 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021, to the Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 10,007,696	\$ 12,038,202

NOTE 10. SUBSEQUENT EVENTS

The Plan's management has evaluated the period from January 1, 2023 to August 10, 2023, the date the financial statements were available to be issued, and has determined that there are no subsequent events that require disclosure under Financial Accounting Standards Board Accounting Standards Codification 855, *Subsequent Events*. No material subsequent events were identified during this period.
