INDEPENDENT AUDITORS' REPORT

To The Board of Directors
Fuze, Inc. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Fuze, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits in liquidation as of October 20, 2022 (date of liquidation) and December 31, 2021 (in liquidation), and the related statement of changes in net assets available for benefits in liquidation for the period from January 1, 2022 through October 20, 2022 (date of liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of October 20, 2022 (date of liquidation) and December 31, 2021, and for the period from January 1, 2022 through October 20, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fuze, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the financial statements.

Basis of Accounting

As described in Note 1 to the financial statements, the governing body of Fuze, Inc. 401(k) Profit Sharing Plan and Trust approved a plan of liquidation on November 30, 2021, accordingly, the financial statements of Fuze, Inc. 401(k) Profit Sharing Plan and Trust are prepared on the liquidation basis of accounting. Generally accepted accounting principles require financial statements to be prepared on the liquidation basis of accounting when an entity is in liquidation or when liquidation is imminent. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are

considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fuze, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Fuze, Inc. 401(k) Profit Sharing Plan and Trust (the “Plan”), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan was a defined contribution plan covering substantially all eligible employees of Fuze, Inc. (the “Company” or “Plan Sponsor”). The Plan was adopted on January 1, 2008. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan Sponsor was responsible for oversight of the Plan and determined the appropriateness of the Plan’s investment offerings, monitored investment performance and reported to the Plan’s Board of Trustees.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) which included several relief provisions to tax qualified plans and their participants that were put into operation by the Plan at that time. Formal adoption of such provisions of the CARES Act provisions is required to occur on or before December 31, 2025.

PLAN TERMINATION AND BASIS OF ACCOUNTING

On November 30, 2021, it was announced that the Plan Sponsor was acquired by 8x8, Inc., the acquisition was finalized on January 8, 2022. In connection with the sale of Plan Sponsor, the board of directors on November 30, 2021, elected to terminate the Plan following the finalization of sale date of the Plan Sponsor. Effective January 13, 2022 (date of termination), no contributions were allowed to the Plan and no employee, former employee or inactive participants were allowed to become an active participant in the Plan. Costs of liquidation, if any, will be paid by the Plan Sponsor. Due to the liquidation of the Plan, the financial statements of Fuze, Inc. 401(k) Profit Sharing Plan and Trust are prepared on the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America. Under the liquidation basis of accounting, assets are stated at their estimated net realized cash value and liabilities are stated at their anticipated settlement amounts. The estimated net realizable cash value for investments as of December 31, 2021 would be equivalent to fair value.

PARTICIPANT ACCOUNTS

A separate account was maintained for each participant. Each participant's account was credited with the participant's contribution, the Company's discretionary matching contributions, and allocations of the Plan earnings, and charged with an allocation of administrative expenses. The loans were secured by the balance in the participant's account and bore interest. The loan interest rate, determined monthly, was set at 1% above the prime rate, as defined. The interest rate on notes bore rates from 4.25% to 6.50%. If a participant's employment ended because of disability, their account became fully vested. If a participant's employment ended because of death, their account became fully vested, and any part of their account not otherwise disposed of under the Plan would be distributed to the beneficiaries named in the manner elected by the participant or, if not determined, in a lump-sum distribution to the participant's estate. NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determined the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments presented on the Statement of Changes in Net Assets Available for Benefits includes the Plan's gains and losses (realized and unrealized) on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when incurred. No allowance for credit losses had been recorded as of October 20, 2022 (date of liquidation) or December 31, 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant to be in default, the participant loan balance is reduced and a benefit payment is recorded as a distribution of loan balance to participant. During the period from January 1, 2022 through October 20, 2022 (date of liquidation), there were \$148,538 in default that were deemed distributions included in benefits paid to participants on the Statement of Changes in Net Assets Available for Benefits (In Liquidation). During the period from January 1, 2022 through October 20, 2022 (date of liquidation), there were \$10,123 of distributed principal and interest included in benefits paid to participants on the Statement of Changes in Net Assets Available for Benefits (In Liquidation).

PAYMENT OF BENEFITS

Benefits were recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses that were paid by the Company were excluded from these financial statements. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and were included as administrative expenses. Investment related expenses were included in net depreciation in fair value of investments.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN TRUSTEE

Certain information related to investments and notes receivable from participants were disclosed in the accompanying financial statements, including investments held at December 31, 2021, and net depreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the period from January 1, 2022 through October 20, 2022 (date of liquidation), were obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity (the trustee of the Plan). This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS ON PLAN INVESTMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification Section ("ASC") 820 provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

NOTE 4 - FAIR VALUE MEASUREMENTS ON PLAN INVESTMENTS (CONTINUED)

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset/liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at October 20, 2022 (date of liquidation) and December 31, 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts: The Plan's investments in common collective trusts are valued at net asset value based on the stated unit values of the funds, which are derived from the fair values of the underlying investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

(a) In accordance with ASC Subtopic 820-10, *Fair Value Measurements*, certain investments measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The Plan had no assets measured at net asset per share practical expedient as of October 20, 2022 (date of liquidation).

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021:

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Common collective trusts ⁽¹⁾	\$ 238,120	N/A	Daily	Daily

(1) The Fidelity Advisor Stable Value II (the “Fund”) common collective trusts held by the Plan as of December 31, 2021, seeks to preserve principal investment while earning a level of interest income that is consistent with principal preservation. The Fund invests in benefit-responsive investment contracts issued by insurance companies and financial institutions, fixed income securities, and money market funds.

NOTE 5 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Fidelity was the trustee, as defined by the Plan and therefore, these transactions qualified as party-in-interest transactions. Total expenses paid by the Plan to Fidelity for the period from January 1, 2022 through October 20, 2022 (date of liquidation) totaled \$6,659. Certain expenses of maintaining the Plan were paid by the Company and were considered party-in-interest transactions.

Additionally, the Plan extended loans to participants, who were also considered parties-in-interest.

NOTE 6 – PLAN TERMINATION

Effective November 30, 2021, the Company elected to terminate the Plan following the sale of the Plan Sponsor. All participants became fully vested in their account balances. Effective January 13, 2022, in accordance with the termination provision of the Plan, all assets of the Plan shall be distributed to participants and beneficiaries pursuant to the Plan terms. All assets of the Plan were distributed as of October 20, 2022 (date of liquidation).

NOTE 7- TAX STATUS

The Company adopted a Fidelity prototype plan, which received an opinion letter from the Internal Revenue Service (“IRS”), dated June 30, 2020, stating that the Company may rely on the opinion letter with respect to the qualification of the plan and also informed the Company that the prototype plan will not receive a determination letter. The Company may separately request a determination from the IRS with respect thereto. The Company has not requested such a determination. The Plan has been amended since receiving the opinion letter. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress. The Plan’s policy is to record interest and penalties as a deduction from net assets available for benefits. For the period from January 1, 2022 through October 20, 2022 (date of liquidation), there were no interest and penalties expense recorded.

NOTE 8 – SUBSEQUENT EVENTS

The Plan evaluated subsequent events through August 15, 2023, which is the date the financial statements were available to be issued. There were no subsequent events requiring adjustment to or disclosure in these financial statements
