**Part III Welfare Benefit Contract Information**

If more than one contract covers the same group of employees of the same employer(s) or members of the same employee organizations(s), the information may be combined for reporting purposes if such contracts are experience-rated as a unit. Where contracts cover individual employees, the entire group of such individual contracts with each carrier may be treated as a unit for purposes of this report.

| Part I | Service Provider Information (see instructions) |
|--------|-------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator and Trustee  
Holmes Retirement Plan 401(k)  
Baton Rouge, Louisiana

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Holmes Retirement Plan 401(k), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Holmes Retirement Plan 401(k)'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Nationwide Trust Company, FSB as of December 31, 2022 and for the period from April 23, 2022 to December 31, 2022, and Transamerica Life Insurance Company as of December 31, 2021 and for the period from January 1, 2022 to April 22, 2022 stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Holmes Retirement Plan 401(k) and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Basis of Accounting**

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note B; this includes determining that the modified cash basis of accounting is an acceptable basis for preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Holmes Retirement Plan 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Holmes Retirement Plan 401(k)'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Holmes Retirement Plan 401(k)'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplemental Schedule Required by ERISA

The supplemental schedule (modified cash basis) of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule (modified cash basis), other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule (modified cash basis) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**HOLMES RETIREMENT PLAN 401(k)**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE A. DESCRIPTION OF PLAN**

The following description of the Holmes Retirement Plan 401(k) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan became effective on January 1, 2014.

General

The Plan is a defined contribution plan covering full-time employees of the Company meeting the service requirements of the Plan. Employees are eligible to participate in the Plan on the next eligibility date after they have completed six months of service and attained age twenty-one (21). The employees may enter the Plan on the first day of the month coinciding with or next following the date on which they have met the eligibility requirements. At December 31, 2022 and 2021, there were 119 and 109 participants, respectively, with account balances in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute 100% of pretax annual compensation, as defined in the Plan, up to an annual dollar limit in December 31, 2022 and 2021 of \$20,500 and \$19,500, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Rollover contributions are permitted, with restrictions, as described in the Plan document. The Plan is a safe harbor plan. Under the safe harbor provision, the Company is required to make matching contributions on behalf of participants who make pretax contributions during the Plan year. The safe harbor contribution for each eligible participant is calculated as follows: 100% of the participant's elective deferrals not to exceed 4% of compensation. Safe harbor contributions totaled \$231,802 for the year ended December 31, 2022.

Vesting and Forfeitures

Participants are immediately vested in their elective deferrals, rollover contributions, and safe harbor contributions plus actual earnings thereon. As a result, the Plan has no forfeitures.

**NOTE A. DESCRIPTION OF PLAN – CONTINUED**

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, (b) Plan earnings, and (c) administrative expenses. Allocations are based on participant wages or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 5.25% to 8.25%. Principal and interest is paid ratably through monthly payroll deductions. Participant loans are valued at the amortized cost of loans. The balance of the participant loans at December 31, 2022 and 2021 was \$59,060 and \$63,008, respectively.

Administrative Expenses

Significant costs of Plan administration, other than those allocated to participants, are paid by the employer.

Termination

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan at any time, subject to Plan provisions. Upon such termination of the Plan, each participant will be entitled to the full amount of their account at the date of termination.

Payment of Benefits

Benefits are recorded when paid. On termination of service due to death, disability, or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. At December 31, 2022 and 2021, there was \$115,098 and \$158,539, respectively, of vested benefits held by the Plan on separated participants.

**NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements and supplemental schedule of the Plan were prepared under the modified cash method of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this basis, certain revenues and the related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Investments are also reported at market value rather than historical cost.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates and it is reasonably possible that a change will occur in the near term.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. See Note H for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividend income are recorded when received. Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2022 are reported in net depreciation in fair value of investments.

**NOTE C. RELATED PARTY TRANSACTIONS**

The trustee of the Plan is also a participant in the Plan. During the year ended December 31, 2022, the trustee contributed \$11,365 to the Plan and these contributions were matched by the employer in the amount of \$3,788.

**HOLMES RETIREMENT PLAN 401(k)**  
**NOTES TO FINANCIAL STATEMENTS – CONTINUED**  
**DECEMBER 31, 2022 AND 2021**

**NOTE D. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. Significant concentration of investments exists due to Transamerica making up 85% of the Plan's investments at December 31, 2021. The investments had a total fair market value of \$3,977,886 at December 31, 2021. During the year end December 31, 2022, the Plan changed custodians from Transamerica to Nationwide and at December 31, 2022, 1% of the Plan's investments were made up of Nationwide investments. The investments had a total fair market value of \$25,773 at December 31, 2022.

**NOTE E. TAX STATUS**

The Plan has not applied with the Internal Revenue Service for a determination letter as of this date. However, CCH Incorporated DBA FTWilliam Com received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, for their Prototype Standardized Profit Sharing Plan. This letter stated that the Prototype Plan was acceptable under the Internal Revenue Code for use by employers for the benefit of their employees. Holmes Retirement Plan 401(k) was amended under this Prototype Standardized Profit Sharing Plan, and therefore, according to the favorable opinion letter can rely on this letter with respect to the qualification of the Plan under the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. In evaluating the Plan's tax provisions and accruals, future taxable income, and the reversal of temporary differences, interpretations, and tax planning strategies are considered. The Plan believes their estimates are appropriate based on current facts and circumstances.

**NOTE H. FAIR VALUE MEASUREMENTS**

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

Continued

**HOLMES RETIREMENT PLAN 401(k)**  
**NOTES TO FINANCIAL STATEMENTS – CONTINUED**  
**DECEMBER 31, 2022 AND 2021**

**NOTE H. FAIR VALUE MEASUREMENTS – CONTINUED**

This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets or liabilities, and Level 3 inputs consist of unobservable inputs, and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs determined by an independent third party to value its guaranteed interest account. No Level 3 inputs were available to the Plan during 2022 and 2021. There have been changes in the methodologies used at December 31, 2022 and 2021.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

**NOTE H. FAIR VALUE MEASUREMENTS – CONTINUED**

*Level 1 Fair Value Measurements*

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stock, corporate bonds, and U.S. Government securities are based on quoted market prices in an active market.

*Level 2 Fair Value Measurements*

The guaranteed interest account, which includes funds held in an insurance company general account, is not actively traded. Therefore, significant other observable inputs were obtained through a report provided by an independent third party. The fair market value of the guaranteed interest account was determined by a market value formula. The report states that the fair value of the guaranteed interest account at December 31, 2022 and 2021 was \$14,536 and \$3,379, respectively.

The following table summarizes assets measured at fair value as of December 31, 2022 and 2021, respectively:

The Plan invested in pooled separate accounts which are not actively traded at year end December 31, 2021. Therefore, significant other observable inputs were obtained through a report provided by an independent third party. The pooled separate accounts are divided into investment divisions called sub-accounts. Each sub-account invests in shares of an underlying mutual fund. Contributions to sub-accounts are recorded in units. The number of units credited to an account with respect to each contribution is equal to the contribution received divided by the unit value of the day on the contribution being converted.

The unit value is computed by dividing the proportion of the entire sub-account's market value attributable to all units of that kind by the number of units of that kind outstanding at the end of that valuation date. The value of an account is equal to the number of units in the appropriate sub-account multiplied by the unit value determined for that kind of unit on that date. According to the report provided by an independent third party, the fair value of interest in pooled separate accounts at December 31, 2022 and 2021 was \$0 and \$4,681,055, respectively. The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022 and 2021, respectively.
