Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Kellen Company 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Kellen Company 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note J to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Kellen Company 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Kellen Company 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a

material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Kellen Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Kellen Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter--Supplemental Schedules Required by ERISA

The supplemental schedules H, line 4i--schedule of assets (held at end of year) and schedule H, line 4a--schedule of delinquent participant contributions as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

THE KELLEN COMPANY 401(K) PLAN

December 31, 2022

NOTE A--DESCRIPTION OF PLAN

The following description of The Kellen Company 401(k) Plan ("the Plan"), as amended and restated, provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a single employer defined contribution plan covering substantially all employees of The Kellen Company ("the Employer" and "Plan Administrator"). Employees are eligible to participate in the Plan upon reaching age 21 and completing two months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions: Plan participants are allowed to make contributions from their pre-tax compensation, not to exceed the Federal statutory maximum. The Plan also allows employee elective after-tax contributions, which are deducted from a participant's after tax earnings. The Plan includes an automatic salary deferral feature. Through July 1, 2022, the Employer automatically withheld 3% of the employee's compensation as an employee elective contribution. Effective July 1, 2022, the Plan was amended to increase the amount the Employer automatically withholds for employee elective contributions to 4% for new employees. Employees that have been automatically enrolled may request a refund of such deferrals within 90 days of the first payroll in which the compensation is deferred, may request no deferral of compensation, or may select an alternative deferral amount.

The Plan also allowed for a discretionary Employer matching contribution for all Plan participants who achieved at least 1,000 hours of service during the Plan year and were employed at the end of the Plan year. For the year ended December 31, 2022, the Employer elected to match 25% of participants' elective deferrals up to 4% of eligible compensation. Effective July 1, 2022, all Plan participants are eligible for the discretionary Employer matching contribution.

The Plan also provides for a discretionary, non-elective employer profit-sharing contribution for all Plan participants who achieved at least 1,000 hours of service during the Plan year and are employed at the end of the Plan year. No discretionary, non-elective profit sharing contribution was made during the year ended December 31, 2022.

Participant Accounts: Each participant's account is credited with his or her contributions, any Employer's matching contributions, his or her account's earnings or losses, net of an allocation of fees and other expenses, and an allocation of any Employer's non-elective contributions. Allocations of Employer non-elective

NOTE A--DESCRIPTION OF PLAN--Continued

contributions are based on participant compensation, as defined by the Plan. Forfeited balances of terminated participants' nonvested accounts can be used to reduce future Employer contributions or pay administrative costs of the Plan. All investments are participant directed. Participants may change their investment options on a daily basis.

Vesting: Participants are immediately vested in their voluntary contributions and allocated earnings thereon. A participant previously became fully vested in the remainder of his or her accounts after six years of credited service, on a pro-rata basis annually after two years of service. Effective July 1, 2022, a participant becomes fully vested after four years of credited service, on a pro-rata basis annually or in the event of death, disability or normal retirement.

Investments: Participants may allocate their contributions and employer contributions among various mutual funds, a collective investment trust and a guaranteed interest account, or in the event of death, disability or normal retirement.

Administration: The Plan is administered by the Employer. All funds in the Plan are held by Transamerica Life Insurance Company and Reliance Trust Company ("the Custodians"). Reliance Trust Company is the trustee of the Plan. The Custodians invest participants' contributions, as directed by the participants, in a combination of equity, fixed income, and balanced investments.

Withdrawals: A participant may withdraw funds from his/her vested accounts in the case of a financial hardship. Withdrawals are taxable in the year received by the participant and may be subject to a penalty tax.

Payment of Benefits: In the case of termination of service due to death, normal retirement, retirement due to permanent disability, or termination of employment, a participant is entitled to receive a distribution of his or her vested account balance in a lump sum payment. If the participant does not elect to receive a distribution, the vested balance will be distributed when the participant reaches the Company's normal retirement age of 65. If the participant dies prior to receiving his or her entire vested account balance, the balance will be paid to the participant's beneficiary or estate.

The Plan allows in-service distributions at age 59 ½ from a participant's vested accounts. The Plan allows in-service distributions at any time from a participant's rollover accounts.

Notes Receivable from Participants: Participants may borrow from their vested accounts a minimum of \$1,000, up to a maximum of \$50,000, or 50 percent of their vested account balances, whichever is less. Participants may only have one loan outstanding at any given time. Loans are repaid through payroll deductions over periods of up to five years, unless the loan is for the purchase of a participant's primary residence, in which case, repayment may not extend beyond 30 years. The loans are

NOTE A--DESCRIPTION OF PLAN--Continued

secured by the balance in the participant's vested accounts and bear interest at rates that range from 4.25% to 8.0%, which are commensurate with local prevailing rates as determined by the Plan Administrator.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan follows the Financial Accounting Standards Board Accounting Standards Codification as its sole source of authoritative guidance.

The financial statements of the Plan are prepared using the accrual basis of accounting.

Contributions are recorded on the accrual basis, which recognizes participants' contributions at the time the participants' contributions are withheld from their wages. Employer matching contributions are recorded in the period recognized in the Employer's financial statements.

Benefits are recorded when paid, with the exception of amounts refundable by the Plan to Participants for contributions made in excess of amounts allowed by the Internal Revenue Service.

Administrative expenses of the Plan are partially paid by the Employer.

The Plan's mutual funds and collective investment trust are stated at fair value and the guaranteed interest account is stated at contract value, as further described in Notes C and D, respectively. Investment securities are exposed to various risks, including credit, interest, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is possible that changes in values of investment securities will occur and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

Notes receivable from participants are reported separately from Plan investments and measured at their unpaid principal balance plus all accrued and unpaid interest.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS--Continued

THE KELLEN COMPANY 401(K) PLAN

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Subsequent events have been evaluated through August 14, 2023, which is the date the financial statements were available to be issued.

NOTE C--FAIR VALUE MEASUREMENTS

Current accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs into valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the guidance are described below:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.</p> <p>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022:

Mutual funds: Valued at the quoted market price, which represents the net asset value of shares held by the Plan at year end.

NOTES TO FINANCIAL STATEMENTS--Continued

THE KELLEN COMPANY 401(K) PLAN

NOTE C--FAIR VALUE MEASUREMENTS--Continued

Collective investment trusts: Valued based on quoted market prices of the securities underlying the collective investment trusts.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and December 31, 2021:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 11,599,360	\$ -0-	\$ -0-	\$ 11,599,360
Collective Investment Trust	-0-	791,430	-0-	791,430
Total assets at fair value	<u>\$ 11,599,360</u>	<u>\$ 791,430</u>	<u>\$ -0-</u>	<u>\$ 12,390,790</u>
	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 14,834,293	\$ -0-	\$ -0-	\$ 14,834,293
Collective Investment Trust	-0-	1,159,354	-0-	1,159,354
Total assets at fair value	<u>\$ 14,834,293</u>	<u>\$ 1,159,354</u>	<u>\$ -0-</u>	<u>\$ 15,993,647</u>

NOTE D--GUARANTEED INTEREST ACCOUNT

The Plan offers a guaranteed interest account to its participants. Transamerica Financial Life Insurance Company ("Transamerica") establishes a rate for funds invested in the account and this rate may change periodically. All benefits paid prior to contract liquidation are made at contract value, which is the principal invested plus interest earned.

NOTES TO FINANCIAL STATEMENTS--Continued

THE KELLEN COMPANY 401(K) PLAN

NOTE D--GUARANTEED INTEREST ACCOUNT--Continued

The assets are invested in the general assets of Transamerica, which are predominately fixed income investments, such as money market cash accounts and U.S. Treasury bills.

Current accounting guidance requires the reporting of investment contracts that are fully benefit-responsive at contract value. The Plan's investment in the guaranteed interest account at December 31, 2022 and 2021 was fully benefit-responsive and is presented at contract value in the accompanying statements of net assets available for benefits.

There are no reserves against contract value for credit risk of the contract issuer or otherwise.

NOTE E--TRANSACTIONS WITH PARTIES IN INTEREST

The Plan has an agreement with the Custodians to maintain the investments of the Plan and to provide administrative and participant recordkeeping services for the Plan. For the year ended December 31, 2022, contributions to the Plan of \$1,526,088 were deposited with the Custodians for investment, and participants of the Plan received distributions of \$2,296,661 from funds held by the Custodians. At December 31, 2022 and 2021, the Plan had \$13,055,723 and \$16,592,487 of assets under the Custodians' custody, respectively.

NOTE F--RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the year ended December 31, 2022, there were no significant differences between the financial statements and Internal Revenue Service Form 5500.

NOTE G--FORFEITED NON-VESTED ACCOUNTS

At December 31, 2022, investments included \$1,282 in unused forfeitures which were available to pay for administrative expenses or reduce future Employer contributions. During the year ended December 31, 2022, the forfeiture account was utilized to pay administrative expenses totaling \$19,611 and Employer matching contributions of \$-0-.

NOTES TO FINANCIAL STATEMENTS--Continued

THE KELLEN COMPANY 401(K) PLAN

NOTE H--TAX STATUS

The Plan is intended to satisfy the tax qualification requirements under Section 401(a) of the Internal Revenue Code ("IRC"); therefore, the funds of the Plan are intended to be exempt from Federal income taxes. The Plan has not requested a favorable determination letter from the Internal Revenue Service since the prototype on which the Plan is based has been determined to be qualified under Section 401(a) of the IRC. However, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States of America. For the year ended December 31, 2022, the Plan does not believe that it has taken any tax positions that would require the recording of an income tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I--PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE J--SUMMARY OF INFORMATION CERTIFIED BY PLAN CUSTODIANS

The total current value of the Plan's net assets available for benefits was \$13,055,723 and \$16,713,502 at December 31, 2022 and 2021, respectively. With the exception of the Employer contributions receivable, the Plan's Custodians have supplied the Plan Administrator with certifications as to the completeness and accuracy of all information presented in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, and in the statement of changes in net assets available for benefits for the year ended December 31, 2022, in regards to investment activity.

The Plan's independent auditor did not perform any auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.
