Southern Scripts Intermediate II, LLC 401(k) Plan
Natchitoches, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Southern Scripts Intermediate II, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions, as described in Note 1, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements, Continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

2021 Supplemental Schedule Required by ERISA, Continued

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Compilation Report on the 2020 Financial Statement

Plan management is responsible for the accompanying 2020 financial statements of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related notes to the financial statements in accordance with U.S. GAAP (2020 financial statement). We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the 2020 financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2020 financial statement.

December 31, 2021 and 2020

Note 1. Description of the Plan

The following description of the Southern Scripts Intermediate II, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Southern Scripts Intermediate II, LLC (the "Company") except for union employees, non-resident aliens, and leased employees, who have completed at least one year of eligible service, and are 21 years of age or older. Effective August 1, 2021, the service requirement was amended from one year of service to two months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The current trustee of the plan is Reliance Trust Company ("Reliance") as of December 31, 2021 and for the period from October 30, 2021 through December 31, 2021 and the former custodian was John Hancock Life Insurance Company ("John Hancock") as of December 31, 2020 and for the period from January 1, 2021 through October 29, 2021. The current trustee and the former custodian are qualified institutions as defined in 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Reliance is certifying as an agent for ADP, LLC ("ADP"), the recordkeeper.

Plan amendments

Effective August 1, 2021, the Plan was amended to change the eligibility requirements for entrance into the Plan from 1 year of service to 60 days of service. The amendment also changed the entry date for participation in the Plan to the first day of the month immediately following the date eligibility requirements have been met.

Effective April 22, 2022, the Plan was restated to incorporate recent legislative and regulatory changes as required by the Internal Revenue Service (IRS).

Contributions

Each year, participants may contribute up to 90 percent of eligible compensation, as defined in the Plan. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes a safe harbor contribution of the first four percent of base compensation that a participant contributes to the Plan calculated on a pay period basis. Additional discretionary profit sharing contributions and matching contributions may be made by the Company. There were no discretionary profit sharing or matching contributions for the year ended December 31, 2021. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Note 1. Description of the Plan, Continued

Participant accounts

Each participant's account is credited with the participant's contributions, Company contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their voluntary contributions and Company safe harbor contributions, plus actual earnings thereon. Vesting in the Company discretionary profit sharing and matching contribution portions of their accounts is based on years of continuous service. A participant is 100 percent vested after three years of credited service.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested balance. The loans are secured by the balance in the participant's account. The loan interest rates range from 4.25 percent to 6.50 percent, which are commensurate with local prevailing rates at the time the loan is obtained as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions.

Payment of benefits

On termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or other installment options as provided by the Plan. Hardship distributions are permitted upon demonstration of a financial hardship. All fully vested balances are available for distribution after the participant reaches the age of 59^{1/2}.

Forfeited accounts

At December 31, 2021 and 2020, there were no forfeited nonvested accounts. These accounts can be used to reduce future Company contributions or pay plan expenses. During 2021, no forfeitures were used to reduce Company contributions or pay plan expenses.

Note 2. Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Southern Scripts Intermediate II, LLC 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 2. Summary of Significant Accounting Policies, Continued

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through July 28, 2023, the date that the financial statements were available to be issued.

Note 2. Summary of Significant Accounting Policies, Continued

Recently issued accounting pronouncements

Accounting standards that have been issued or proposed by the Financial Accounting Standards Board or other standards-setting bodies are not expected to have a material impact on the Plan's financial statements.

Note 3. Certifications

The following is a summary of the Plan's asset information as of December 31, 2021, and for the year then ended, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the current trustee and former custodian and furnished to the plan administrator. The plan administrator has obtained a certification from the current trustee and former custodian that the information provided to the plan administrator by the current trustee and former custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	<u>2021</u>
Investments at fair value:	
Collective trust funds	\$ 861,463
Mutual funds	<u>4,823,968</u>
	5,685,431
Notes receivable from participants	<u>196,291</u>
	<u>\$ 5,881,722</u>

The current trustee and former custodian also certified the completeness and accuracy of \$369,936 of net appreciation in fair value of investments and \$152,766 of interest and dividends as well as \$2,601 of interest income on notes receivable from participants for the year ended December 31, 2021. No certification was received as of December 31, 2020.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Southern Scripts Intermediate II, LLC 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 4. Fair Value Measurements, Continued

Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly, such as;

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Collective trust funds and pooled separate accounts:

Net asset value (NAV), as provided by the current trustee and former custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount differing from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a collective trust fund and pooled separate accounts, the investment adviser reserves the right to temporarily delay the withdrawal from the trust or account in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds:

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 4. Fair Value Measurements, Continued

There were no Plan assets within the fair value hierarchy as of December 31, 2020.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	2021 (Audited)		
	Level 1	Level 2	Level 3
Mutual funds	\$ 4,823,968	\$ -	\$ -
Investments measured at NAV (a)			861,463
Investments at fair value			\$ 5,685,431

- (a) Certain investments that were measured at net asset value per share or its equivalent have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the items presented in the statements of net assets available for benefits.

The following tables set forth a summary of the Plan's investments reported at NAV as a practical expedient to estimate fair value:

Investment	2021 (Audited)			
	Fair value	Unfunded commitment	Redemption frequency	Redemption notice period
Collective trust funds	\$ 861,463	\$ -	(b)	(b)

Investment	2020 (Compiled)			
	Fair value	Unfunded commitment	Redemption frequency	Redemption notice period
Pooled separate accounts	\$ 2,637,528	\$ -	Daily	None

- (b) Issuances and redemptions of participant units are made on each business day ("Valuation Date"). As permitted under the Trust Agreement, participant units are issued and redeemed based upon the net asset value per unit of the Trust at contract value, determined in accordance with the terms of the Trust Agreement, as of the Trust's Valuation Date last preceding the date on which such orders to issue or redeem units received. A participating trust is required to give the Trustee 12 months' irrevocable written notice of intent to redeem all or a portion of its participation in the Trust.

Southern Scripts Intermediate II, LLC 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 5. Related-party and Party in Interest Transactions

Certain Plan investments are managed by Reliance and John Hancock. Reliance and John Hancock are the current trustee and former custodian, respectively, as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for the investment management services are in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to the third party service providers totaling \$36,430 which were not covered by revenue sharing. The Company pays directly any other fees related to the Plan's operations.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Company discretionary contributions.

Note 7. Tax Status

Effective November 1, 2021, the Plan has adopted a prototype non-standardized profit sharing plan sponsored by ADP, LLC, the plan provider. The plan provider has received an opinion letter from the IRS dated July 16, 2014 as to the plan's qualified status. The prototype non-standardized profit sharing plan's letter has been relied upon by this Plan. The plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2021 statement of net assets available for benefits.
