***Independent Auditors' Report***

To the Plan Administrator  
Amuneal Retirement & Savings Plan

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of Amuneal Retirement & Savings Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits, as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Amuneal Retirement & Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section -

To the Plan Administrator  
Amuneal Retirement & Savings Plan

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Amuneal Retirement & Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Amuneal Retirement & Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

To the Plan Administrator  
Amuneal Retirement & Savings Plan

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Amuneal Retirement & Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Amuneal Retirement & Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Plan Administrator  
Amuneal Retirement & Savings Plan

***Supplemental Schedules Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by, and certified by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**AMUNEAL RETIREMENT & SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

**NOTE 1: DESCRIPTION OF PLAN**

The following description of the Amuneal Retirement & Savings Plan (Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

**General** - The Plan is a defined contribution plan, originally effective January 1, 1993 and most recently restated January 1, 2021, covering all employees of Amuneal Manufacturing Corporation (Company), except union employees covered under a collective bargaining agreement, nonresident aliens with no earned income, and seasonal employees who have not attained 21 years of age and who have not completed one year of service. Employees who are age 18 and older become eligible to participate in the Plan after completing three months of service. Eligible employees may enter the Plan on the first day of each Plan quarter. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA), as amended.

**Contributions** - Each year, participants may contribute up to 92% of annual eligible compensation, as defined in the Plan. Participants may elect to contribute to the Plan on a pretax basis or to contribute Roth elective deferrals on an after-tax basis. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may contribute discretionary matching and/or profit-sharing contributions each year. For the year ended December 31, 2022, the Company made matching contributions totaling \$635,086 and will make a profit-sharing contribution totaling \$995,590. Participants must be employed on December 31 of the plan year to receive the Company's profit-sharing contribution except in the event of death, disability, or attaining normal retirement age, and must complete 500 hours of service during the year. The profit-sharing contribution is calculated and deposited in the subsequent year. Contributions are subject to certain IRS limitations.

**Participant Accounts** - Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and plan earnings, as well as charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting** - Participants are immediately vested in their contributions plus actual earnings thereon. Participants are vested in their company matching and profit-sharing contributions based on years of service. A participant is credited with 20% after completing two years of service. Vesting interest is increased by 20% each year until the participant becomes fully vested after six years of service.

**NOTE 1: DESCRIPTION OF PLAN - CONTINUED**

***Notes Receivable from Participants*** - Participants may borrow from their account a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 reduced to the extent that the participant's highest outstanding loan balance during the preceding twelve-month period exceeds the current balance, or 50% of their vested account balance. Loan terms range from one to five years. Loan terms may be longer than five years for loans used for the purchase of a primary residence. Loans are secured by the balance in the participant's account and accrue interest at a rate specified in the plan document. Principal and interest are paid ratably through regular payroll deductions. In the event of retirement, disability, death, or termination of employment, the loan becomes payable in full. Participants can only have one loan outstanding at any one time.

***Employer Contributions Receivable*** - The Company elected to make a nondiscretionary employer profit-sharing contribution for the 2022 and 2021 years. As of December 31, 2022 and 2021, employer contributions receivable amounted to \$995,590 and \$1,815,499, respectively.

***Payment of Benefits*** - Upon termination of service due to death, disability, severance of employment, or retirement (age 65 or early retirement age of 55), a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or partial withdrawals or installments for participants or beneficiaries who must receive required minimum distributions (RMD) under Code Section 401(a)(9). Upon termination of service for any reason, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in the Plan. A participant may receive an in-service withdrawal upon reaching age 59½.

As required under Section 401(a)(9) of the Internal Revenue Code (IRC), a participant must begin receiving required minimum distributions from the Plan by April 1 of the calendar year following the later of (1) the calendar year following the year in which the participant reaches age 72, or (2) the calendar year in which the participant retires.

***Hardship Withdrawals*** - Participants may withdraw their pretax elective deferral, Roth elective deferral, and rollover account balances in the form of a hardship withdrawal to satisfy an immediate and heavy financial need as defined by the Plan. The participant must exhaust all other assets prior to obtaining a hardship withdrawal.

***Forfeitures*** - As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$316,733 and \$162,408, respectively. These accounts may be used to restore forfeitures, reduce company contributions, or pay reasonable plan expenses. During 2022, \$10,404 was used to pay administrative expenses.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting*** - The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

***Use of Estimates*** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition*** - Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received for the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Notes Receivable from Participants*** - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are recorded as distributions on the basis of the terms of the plan agreement.

***Payments of Benefits*** - Benefits are recorded when paid.

***Administrative Expenses*** - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Expenses for participant-initiated transactions and some administrative expenses are charged to participant accounts.

**AMUNEAL RETIREMENT & SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 2022**

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED**

***Subsequent Events*** - The Plan's policy is to evaluate events and transactions subsequent to its year-end for potential recognition in the financial statements or disclosure in the notes to the financial statements. The Company has evaluated events and transactions through the date of the independent auditors' report, which is the date the financial statements were available to be issued.

**NOTE 3: FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of fair value hierarchy are described as follows:

***Level 1*** - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

***Level 2*** - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

***Level 3*** - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

**AMUNEAL RETIREMENT & SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 2022**

**NOTE 3: FAIR VALUE MEASUREMENTS - CONTINUED**

**Registered Investment Companies (Mutual Funds)** - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Guaranteed Annuity Contract** - Valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer (See Note 4). Because the participants transact at contract value, fair value is determined annually for financial statement reporting purposes only. The contract value of the guaranteed annuity contract approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

|                                 |  | 2022          |         |         |               |

**NOTE 4: GUARANTEED ANNUITY CONTRACT WITH GREAT-WEST LIFE AND ANNUITY INSURANCE COMPANY**

The Key Guaranteed Portfolio Fund option is provided through a group variable funding agreement. In 2013, the Plan entered into a group variable funding agreement with Great-West Life and Annuity Insurance Company.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 2022**

**NOTE 4: GUARANTEED ANNUITY CONTRACT WITH GREAT-WEST LIFE AND ANNUITY INSURANCE COMPANY - CONTINUED**

This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they initiate permitted transactions under the terms of the Plan. The contract value of the annuity contract as of December 31, 2022 and 2021, was \$2,167,309 and \$2,660,190, respectively. The contract represents a traditional investment contract. The Plan owns only the contract itself and not the underlying assets of the fixed investment option. The key difference between a synthetic investment contract and a traditional investment contract is that the Plan owns the underlying assets of the synthetic investment contract. A synthetic investment contract includes a wrapper contract, which is an agreement for the wrap issuer, such as a bank or insurance company, to make payments to the Plan in certain circumstances. The wrapper contract typically includes conditions and limitations on the underlying assets owned by the Plan. With traditional investment contracts, the Plan owns only the contract itself. Synthetic and traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers.

Under the terms of the agreement, a crediting rate is established for amounts invested in the fixed account. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long-term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly.

Certain events limit the Plan's ability to transact at contract value with the issuer. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from the contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with the plan participants or the issuer are probable of occurring.

**NOTE 5: INFORMATION CERTIFIED BY CUSTODIANS**

The Plan's investments as of December 31, 2022 and 2021, were held by Empower Trust Company, LLC & Empower Annuity Insurance Company of America (Custodians). The Company elected the method of annual reporting compliance permitted by the Department of Labor (DOL) Regulation Section 29 CFR 2520.103-8 for the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodians have certified the following data included in the accompanying financial statements and supplemental schedule as complete and accurate:

**NOTE 6: RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

The Plan does not consider normal plan operations such as participant and employer contributions to the Plan or benefits accrued or paid by the Plan for participants as party-in-interest transactions that require separate disclosure. Certain plan investments are shares of registered investment companies and a group annuity contract managed by the Custodians. Fees for professional services rendered by all parties in interest are partially absorbed by the plan sponsor. These transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules.

**AMUNEAL RETIREMENT & SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 2022**

**NOTE 7: PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their account balances. Any unallocated forfeitures would be allocated to participants' accounts and distributed in such a manner as the Company may determine.

**NOTE 8: TAX STATUS**

The underlying volume submitter profit sharing plan with a cash or deferred arrangement has received an advisory letter from the Internal Revenue Service (IRS) dated September 30, 2014, stating that the Plan and related trust were designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the advisory letter, the Company believes that the Plan is designed, and is being currently operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS or DOL. The Company has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there were no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan's federal Form 5500 is subject to examination by the IRS and DOL, generally for the three years after it is filed.

**NOTE 9: RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 10: COMMITMENTS AND CONTINGENCIES**

In the normal course of business, there are various commitments and contingencies outstanding which are not reflected in these financial statements. In the opinion of the Company, the outcome of such events, if any, would not have a material effect on the Plan's financial position or operations.
