Independent Auditors' Report

Plan Administrator, Trustees, and Participants
Johnston-Lee-Harnett Community Action 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Johnston-Lee-Harnett Community Action 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institutions as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Johnston-Lee-Harnett Community Action 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Johnston-Lee-Harnett Community Action 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of Johnston-Lee-Harnett Community Action 403(b) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Johnston-Lee-Harnett Community Action 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i – schedule of assets (held at end of year) as of June 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information

prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Johnston-Lee-Harnett Community Action 403(b) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 12, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Johnston-Lee-Harnett Community Action 403(b) Plan
Notes to Financial Statements
June 30, 2022

1. DESCRIPTION OF PLAN

The following description of Johnston-Lee-Harnett Community Action 403(b) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- a. General – The Plan is a defined contribution plan, established on February 1, 2003 to provide retirement benefits for employees of Johnston-Lee-Harnett Community Action, Incorporated (the "Plan Sponsor" and "Employer") and their beneficiaries. The Plan is designed to conform to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees of the Plan Sponsor are eligible to participate in the Plan upon their date of hire, except for employees who normally work less than 20 hours per week, non-resident aliens with no U.S. source income, or employees who are eligible to make contributions to another qualified Plan of the employer. Participation in the Plan is voluntary.
- b. Contributions – Each year, participants may contribute between 1% and 100% of annual compensation, as defined by the Plan. The Plan allows for employer matching contributions equal to 100% of the first 5% of eligible compensation deferred by all eligible participants. All employees are eligible for employer matching contributions the first of the month following or coinciding with the completion of 3 months of service from their date of hire. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Annual contributions to the Plan may not exceed the amount permitted under Section 415 of the Internal Revenue Code. Participants direct the investment of their contributions into various investments offered by the Plan. Effective June 1, 2018, the plan allows participants to contribute amounts representing distributions from other qualified plans (rollovers). Effective September 1, 2020, the Plan was amended to allow for Automatic Enrollment Contributions of 1% to be made on behalf of all new and current participants unless otherwise elected on a form provided by the Plan Administrator.
- c. Participant Accounts - Each participant's account is credited with (1) participant's contributions, (2) employer contributions, and (3) allocations of Plan earnings and administrative expenses. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- d. Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Employer contributions vest according to the following schedules:

Employee's with hours of service prior to January 11, 2010:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 3	0%
3 or more	100%

Employee's with hours of service after January 11, 2010:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2 or more	100%

Participants will automatically become 100% vested upon attainment of normal retirement age (65).

- e. Payment of benefits - Upon termination of employment, retirement, death, disability, or reaching 59 ½ years of age, a participant or beneficiary may elect to receive a single lump-sum payment of their vested account balance. If a terminated participant is 59 ½ years of age or older, payment of their account balance can also be requested in either installment payments over a period that does not exceed life expectancy, or payment in the form of an annuity. In addition, during active service, a participant can take a hardship distribution if certain conditions are satisfied. Effective January 1, 2020 participants are no longer voluntarily suspended from deferring employee contributions into the Plan for six months following hardship distributions.

Johnston-Lee-Harnett Community Action 403(b) Plan
Notes to Financial Statements
June 30, 2022

1. DESCRIPTION OF PLAN (Continued)

- f. Forfeited Accounts - Forfeitures of terminated participants' nonvested accounts are used to reduce future employer contributions or pay Plan expenses. As of June 30, 2022 and 2021, the Plan had \$16,332 and \$4,129, respectively, in nonvested forfeited accounts.
- g. Administrative Expenses – Investment expenses paid by the Plan are netted with investment earnings. Administrative expenses are paid by the Plan. Audit, legal, and tax reporting compliance fees not paid with nonvested forfeited accounts are paid by the Plan Sponsor.
- h. Plan loans – Participants may borrow against their investment accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. All Plan loans are issued directly by funds owned by Mutual of America Life Insurance Company (Mutual of America) and are secured by the value held in the participant's Interest Accumulation account within the Plan (i.e., loan proceeds are not removed from a participant's account balance). At any time, the participant's account value in the Interest Accumulation Account must be equal to the outstanding principal loan balance and any due and unpaid interest and penalties in order to ensure adequate collateralization. Plan loans bear interest at a variable rate as determined by Mutual of America. Interest rates may be adjusted by Mutual of America each quarter if the current loan interest rate differs from the rate applicable by $\frac{1}{2}\%$ or more. Plan loans must be repaid within 5 years. If the loan is used for the purchase of a principal residence, the loan term can be extended for a longer term. Principal and interest is paid through semi-monthly installments deducted through payroll. As of June 30, 2022 and 2021, there were Plan loans due to Mutual of America secured by Plan assets of \$89,986 and \$65,271, respectively. As of June 30, 2022 and 2021, there were no defaulted Plan loans due to Mutual of America.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contracts (Note 7) which are reported at contract value as provided by the custodian and insurance company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by American United Life and Mutual of America. See Note 5 for discussion on fair value measurements.

Johnston-Lee-Harnett Community Action 403(b) Plan
Notes to Financial Statements
June 30, 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated events and transactions that occurred between June 30, 2022 and April 5, 2023, which is the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

3. ADMINISTRATIVE AND TRUSTEE INFORMATION

The plan administrator and trustee are the Plan Sponsor, Johnston-Lee-Harnett Community Action, Incorporated. The plan administrator has designated the custodian and insurance company, American United Life and Mutual of America Life Insurance Company, respectively, to hold the Plan's invested assets and to execute investment transactions.

4. CUSTODIAN AGREEMENT AND GROUP ANNUITY CONTRACT

The appointed custodian of the Plan's assets is American United Life Insurance Company (AUL) through May 31, 2018. After this date, AUL is only the custodian of the American United Life Insurance Company guaranteed investment contract.

Effective June 1, 2018, the plan administrator designated Mutual of America Life Insurance Company, the insurance company, to administer certain plan investments under a group annuity contract. In addition to executing investment transactions, the group annuity contract provides for benefit payments to be made from the Plan upon the direction and request of the plan administrators.

5. FAIR VALUE MEASUREMENTS

The Plan follows FASB ASC 820, *Fair Value Measurements*, which defines fair value as the price that would be received from selling an asset in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Johnston-Lee-Harnett Community Action 403(b) Plan
Notes to Financial Statements
June 30, 2022

5. FAIR VALUE MEASUREMENTS (Continued)

Pooled Separate Accounts

Valued at the net asset value (NAV) of units of a pooled separate account. The NAV, as provided by American United Life or Mutual of America, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

In accordance with ASC 820-10, certain investments measured at fair value using the net asset value per share (or its equivalent) practical expedient are not classified in the fair value hierarchy.

Fair Value of Investment in Entities that use Net Asset Value

The following table summarizes additional disclosures of the Plan's separate account investments, classified by major category, whose fair value is based on net asset value (NAV) per share as of June 30, 2022 and 2021, respectively.

<u>June 30, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 1,593,779	\$ -	Daily	None
<u>June 30, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 1,811,224	\$ -	Daily	None

6. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN AND INSURANCE COMPANY

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by American United Life and Mutual America Life Insurance Company, except for comparing such information certified by the custodian and insurance company, respectively, to information included in the Plan's financial statements and supplemental schedule of assets (held at end of year):

	<u>2022</u>	<u>2021</u>
Guaranteed investment contracts	\$ 631,329	\$ 636,124
Pooled separate accounts	1,593,779	1,811,224
Net investment income	(239,818)	N/A

Johnston-Lee-Harnett Community Action 403(b) Plan
Notes to Financial Statements
June 30, 2022

7. INVESTMENT CONTRACTS WITH INSURANCE COMPANIES

The Plan has fully benefit-responsive investment contract with American United Life. American United Life maintains the contributions in its general accounts and is contractually obligated to repay the principal and a specified rate of interest for participant-initiated withdrawals. Each contract is fully and unconditionally guaranteed by American United Life. The guaranteed rate for American United Life is the lesser of (1) 3% or (2) the average of the 5 year treasury rate reported by the Federal Reserve reduced by 1.25%, where the resulting rate is not less than 1% (1% at June 30, 2022).

The Plan also has a fully benefit-responsive guaranteed investment contract with Mutual of America. Mutual of America maintains the contributions in their general account and is contractually obligated to repay the principal and a specified rate of interest. A guaranteed minimum interest rate is determined by Mutual of America annually. Each contract is fully and unconditionally guaranteed by Mutual of America.

As described in Note 2, because the investment contracts are fully benefit-responsive, contract value is the relevant measurement attributable for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported by American United Life and Mutual of America, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. Interest is credited to the contract at interest rates that reflect the performance of the underlying portfolio. Such interest rates are reviewed no less than once a quarter for American United Life for resetting and no less than once a year for Mutual of America for resetting. The average yield and crediting interest rate to the American United Life guaranteed investment contract for the year ending June 30, 2022 and 2021 was approximately 1.0% and 1.0%, respectively. The average yield and crediting interest rate to the Mutual of America Interest Accumulation Account for the year ending June 30, 2022 and 2021 was approximately .63% and .99%, respectively.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. Participants will receive the principal and earnings credited to their accounts on withdrawal for allowed events. These events include transfer to other Plan investment options; payments because of retirement, termination, disability, death; and in-service withdrawals as permitted by the Plan.

Certain events limit the ability of the Plan to transact at contract value with the issuers. Such events could include, but are not limited to the following (a) partial plan termination, (b) full plan termination, (c) any termination of employment payments that exceed 20% of the aggregate account values of all participants accounts at the beginning of the contract year, (d) plan sponsor files for protection under federal bankruptcy law, is deemed insolvent, dissolves, closes or shuts down its business or ceases operations. The Plan's administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

8. PLAN TERMINATION

Although the Plan Sponsor intends to continue the Plan, it reserves the right to amend or terminate the Plan at any time.

9. INCOME TAX STATUS

The Plan has not been submitted to the Internal Revenue Service for tax exempt determination. However, the plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

10. RELATED PARTY TRANSACTIONS

The Plan invests in certain funds managed by American United Life and Mutual of America. American United Life and Mutual of America is the custodian and insurance company, respectively, of the Plan's assets and therefore, these transactions qualify as party-in-interest transactions. For the year ending June 30, 2022, \$1,675 was paid to Mutual of America for investment, recordkeeping and administrative services.

Mutual of America issues Plan loans to participants of the Plan in exchange for a guaranteed interest in the participant's account equal to 120% of the value of the Plan loan, see Note 1. As of June 30, 2022, there were Plan loans due to Mutual of America secured by Plan assets of \$89,986.

11. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

12. CONCENTRATIONS

At June 30, 2022, 25%, 10% and 14% of plan assets were held in the Mutual of America Interest Accumulation Fund, the Mutual of America 2030 Retirement Fund, and the Mutual of America 2040 Retirement Fund, respectively.

At June 30, 2021, 22%, 11% and 15% of plan assets were held in the Mutual of America Interest Accumulation Fund, the Mutual of America 2030 Retirement Fund, and the Mutual of America 2040 Retirement Fund, respectively.

13. CARES ACT

During 2020, as allowed by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), The following Plan operations were adopted without formal amendment:

- Participants may take a coronavirus-related distribution of up to \$100,000 (not to exceed the participant's vested account balance) without a 10% early withdrawal penalty. Eligible distributions can be taken up to December 31, 2020. Coronavirus-related distributions may be repaid within three years. The plan administrator may rely on an employee's certification that the employee satisfies the conditions for a coronavirus-related distribution.

13. CARES ACT (Continued)

- Participants may borrow up to \$100,000 (not to exceed the participant's vested account balance) for loans made from March 27, 2020 through September 22, 2020, and repayment can be delayed.
- Participants with loans are allowed to suspend loan payments due March 27, 2020 through December 31, 2020 for up to one year.
- Required minimum distributions are suspended for 2020.
