INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Those Charged with Governance of
TMEIC Corporation Americas 401(k) Plan
Salem, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of TMEIC Corporation Americas 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of TMEIC Corporation Americas 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TMEIC Corporation Americas 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TMEIC Corporation Americas 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted accounting standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted accounting standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TMEIC Corporation Americas 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TMEIC Corporation Americas 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedules of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedules Required by ERISA (Continued)

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TMEIC CORPORATION AMERICAS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

Note 1. Plan Description

The following description of TMEIC Corporation Americas 401(k) Plan (formerly TMEIC Corporation 401(k) Plan) (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of TMEIC Corporation Americas (the “Plan Sponsor”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Sponsor is the Plan Administrator. Assets of the Plan are held at Fidelity Management Trust Company as of December 31, 2022 and 2021 and for the year ended December 31, 2022. The Plan adopted a pre-approved plan document developed by Fidelity Trust Management Company, the Trustee, effective June 1, 2022.

On April 1, 2021, the Plan Sponsor merged with TMEIC Power Electronics Products Corporation (“TMPE”) and changed its name to TMEIC Corporation Americas. On July 1, 2021, the TMEIC Power Electronics Products Corporation 401(k) Profit Sharing Plan and Trust was merged into the Plan and the Plan was amended to allow participation of TMPE employees.

Effective January 1, 2022, the Plan document was restated as a safe harbor plan, thus removing the nonelective employer contribution and replacing it with a safe harbor employer contribution equal to 3% of participants’ compensation.

The TMEIC Cash Benefit Pension Plan was terminated during 2021 and participants were allowed to distribute their balances, one of the allowable options being a rollover into the TMEIC Corporation Americas 401(k) Plan, during an IRS-allowed distribution window in 2022.

Contributions

Participants may contribute up to 100% of their eligible compensation on a pre-tax and after-tax basis as defined by the Plan subject to Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions in the amount of \$6,500 into the Plan as a pre-tax contribution subject to certain IRS limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Prior to March 29, 2021, the Plan Sponsor made matching contributions of 50% of the participant’s contribution, up to 7% of eligible compensation. Effective March 29, 2021, the Plan was amended to change the Plan Sponsor matching contribution to 60% of the participant’s contribution, up to 6% of eligible compensation and to include a nonelective Plan Sponsor contribution equal to 3% of eligible participants’ compensation. The Plan Sponsor may make a discretionary profit sharing contribution. During 2022, no discretionary contributions were made by the Plan Sponsor.

TMEIC CORPORATION AMERICAS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

Note 1. Plan Description (Continued)

Participant accounts

Each participant's account is credited with the participant's contribution, matching contribution, Plan Sponsor's nonelective and discretionary contributions, Plan earnings, and charged with participant distributions and an allocation of administrative expenses. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan Sponsor's matching contribution is allocated based upon participants' contributions to the Plan. The Plan Sponsor's discretionary contribution is allocated based on the ratio of each participant's compensation for the Plan year compared to the total compensation of all participants for the Plan year.

Vesting

Participants are 100% vested in all contributions immediately upon entering the Plan.

Forfeitures

Forfeited non-vested amounts related to excess Plan Sponsor contributions at December 31, 2022 and 2021 were \$15,154 and \$28,231, respectively. There were no forfeited non-vested amounts used to reduce Plan Sponsor contributions and \$18,176 was used to pay plan expenses during the year ended December 31, 2022.

Notes receivable from participants

Participants may borrow from the vested portion of their accounts an amount not less than \$500 and not more than the lesser of 50% of the vested balance or \$50,000. Notes receivable from participants terms range from one to five years (some terms may be extended when the borrowing is used in the purchase of a primary residence). A note receivable from a participant is secured by the balance in the participant's account and bears interest at a rate commensurate with market rates for similar borrowings, as defined in the Plan. Interest rates on notes receivable from participants at December 31, 2022 ranged from 4.25% to 8.00%. Principal and interest are paid ratably through payroll deductions.

Investment options

Participants direct the Trustee of the Plan as to the investment of their account balances in accordance with guidelines established by the Plan. Participants may change their investment elections at any time. Transfers of account balances between elected investment options may also be made at any time.

TMEIC CORPORATION AMERICAS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

Note 1. Plan Description (Continued)

Benefit payments

Distributions to participants can be made due to retirement, death, disability, attainment of age 59½ or termination of employment and are subject to the applicable provisions of the Plan agreement. Up to 100% of the participant's account balance can be paid as a direct rollover to another qualified plan or as a lump sum to the participant or their beneficiaries.

Upon showing of "financial hardship," a participant may withdraw part or all of their deferral contributions, matching contributions, and profit sharing contributions. The Plan's provisions for hardship withdrawals comply with the Bipartisan Budget Act of 2018.

Administrative expenses

Certain of the Plan's administrative expenses, which include primarily custodial, investment management, and professional fees for services provided by parties-in-interest, are paid by the Plan Sponsor, as provided in the Plan agreement.

Note 2. Summary of Significant Accounting Policies

Basis of accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

TMEIC CORPORATION AMERICAS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2022

Note 2. Summary of Significant Accounting Policies (Continued)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payments of benefits

Benefit payments are recorded when paid to participants.

Subsequent events

Subsequent events have been evaluated through June 22, 2023, the date the financial statements were available to be issued.

Note 3. Certified Financial Information

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information was certified as complete and accurate by Fidelity Trust Management Company. That information is as follows:

- Investment assets at fair value
- Investment transactions
- Investment income
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year)
- Notes from participants

Note 4. Collective Investment Funds

The Plan invests in a collective investment fund with Galliard, formerly Wells Fargo, N.A. ("Wells Fargo"). The fund's principal objective is to provide investors with a moderate level of stable income without principal volatility. To achieve this, the fund invests in instruments which are not expected to experience significant price fluctuation in most economic or interest rate environments. The account is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by Galliard. The Plan is permitted to redeem investment units at Net Asset Value (NAV) for participant-directed transactions on the measurement date. There are no reserves against NAV for credit risk of the contract issuer or otherwise.

(Continued)

TMEIC CORPORATION AMERICAS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

Note 4. Collective Investment Funds (Continued)

The Plan also invests in target date collective investment funds with Manning & Napier. These funds' principal objectives are to provide capital growth and manage risk for investors planning to retire around the year indicated in each fund's name and are managed to gradually become more conservative over time as they approach their target date. The accounts are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by Manning & Napier. The Plan is permitted to redeem investment units at their NAV for participant-directed transactions on the measurement date. There are no reserves against NAV for credit risk of the contract issuer or otherwise.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 6. Income Tax Status

The IRS has issued an opinion letter dated June 30, 2020, stating that the pre-approved plan document used by the Plan was designed in accordance with applicable sections of the *Internal Revenue Code (IRC)*. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the *IRC*, and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions.

Note 7. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(Continued)

TMEIC CORPORATION AMERICAS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

Note 7. Fair Value Measurements (Continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

	Fair Value Measurements at Reporting Date Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2022</u>		
Mutual funds	\$ 31,782,075	\$ 31,782,075
Collective investment trust measured at NAV ^(a)	<u>52,436,291</u>	<u>-</u>
Investments at fair value	<u><u>\$ 84,218,366</u></u>	<u><u>\$ 31,782,075</u></u>
<u>December 31, 2021</u>		
Mutual funds	\$ 34,841,210	\$ 34,841,210
Collective investment trust measured at NAV ^(a)	<u>57,608,129</u>	<u>-</u>
Investments at fair value	<u><u>\$ 92,449,339</u></u>	<u><u>\$ 34,841,210</u></u>

^(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

(Continued)

TMEIC CORPORATION AMERICAS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

Note 7. Fair Value Measurements (Continued)

Level 1 Fair Value Measurements

The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at year end.

Investments Measured Using the NAV per Share Practical Expedient

The collective investment trust funds are public investment vehicles valued by using the NAV provided by the Administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. Since the NAV is used as a practical expedient to estimate fair value, these investments are excluded from the fair value hierarchy.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
<u>December 31, 2022</u>				
Collective investment trusts	\$ 52,436,291	N/A	Daily	N/A
<u>December 31, 2021</u>				
Collective investment trusts	\$ 57,608,129	N/A	Daily	N/A

Note 8. Party-in-Interest Transactions

As of December 31, 2022 and 2021, certain of the Plan's investments are funds managed by Fidelity Management Trust Company, the Plan's Trustee, and therefore these transactions qualify as party-in-interest transactions. In addition, notes receivable from participants are considered to be party-in interest transactions because they are transacted with Plan participants.

Fidelity provides certain administrative services to the Plan pursuant to a Retirement Plan Services Agreement (the "Agreement") between the Plan Sponsor and Fidelity. Fidelity receives revenue from mutual fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan. If the revenue received by Fidelity from such mutual fund service providers exceeds the amount owed under the Agreement, Fidelity remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. The Plan or Plan Sponsor may make a payment to Fidelity for administrative expenses not covered by revenue sharing. Revenue sharing amounts received by the Plan are reported in the Plan's financial statements, net of administrative expenses.
