Independent Auditor's Report

To the Plan Administrator
SD Commercial, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of SD Commercial, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits [and of accumulated plan benefits] as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of SD Commercial, LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SD Commercial, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SD Commercial, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SD Commercial, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SD Commercial, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.
- Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SD COMMERCIAL, LLC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 1 - Description of Plan:

The following description of the SD Commercial, LLC 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document and the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) defined contribution plan covering all full-time employees of SD Commercial, LLC 401(k) Profit Sharing Plan (the "Company" and "Employer") who have one year of service, and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Company has appointed Principal Financial Group as Trustee of the Plan assets, with authority over management, record-keeping and investment of Plan assets.

Contributions

Participants may make elective deferral contributions up to the maximum dollar amount established by the Internal Revenue Code (IRC) of pretax annual compensation, as defined in the Plan. Participants age 50 and older may make catch-up contributions to a maximum dollar amount established by the IRC. Participants may elect to designate all or any portion of their elective deferral contributions as Roth Elective Deferrals. Participants may also contribute amounts representing distributions from other tax qualified plans (rollovers).

The Company may elect to make annual matching contributions. Employees are eligible to receive a matching contribution if they are an active participant on December 31, or if they are not an active participant, were an active participant at any time during the plan year and have more than 500 hours of service in the plan year. The Company made a matching contribution of 2.5% of eligible wages not to exceed deferrals for the year ended December 31, 2022.

The Company may also make a discretionary contributions to the Plan. Employees are eligible to receive a discretionary contribution if they are an active participant on December 31, or if they are not an active participant, were an active participant at any time during the plan year and have more than 500 hours of service in the plan year. The Company did not make any discretionary contributions for the year ended December 31, 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution. Each participant account is credited with gains and losses at each valuation date. The valuation date for Plan assets and participant directed exchange is daily. The valuation date for all distribution types is the date on which the distribution liquidation occurs. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds as well as a common collective investment trust.

Note 1 - Description of Plan: (Continued)

Forfeitures

All forfeitures may first be applied to the payment of the Plan's administrative expenses, or if the Employer elects, will reduce Employer matching contributions. There were no forfeitures utilized to reduce Employer contributions or pay plan expenses for the year ended December 31, 2022. Forfeited balances totaled $1,268 and $225 at December 31, 2022 and 2021, respectively.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contributions plus actual earnings thereon, is based on years of continuous service, as follows:

Years of Vesting Service	Vesting Percentage
Less than 1 year	0%
1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000, up to a maximum of $50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates reasonably equivalent to interest rates applicable to similar loans available on a commercial basis. Once a loan is granted, the interest rate on that loan will not change. Interest rates on notes receivable from participants were 4.25% to 6.0% at December 31, 2022 and 2021.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of employment, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants with vested benefits of $5,000 or less, the participant will receive a lump-sum distribution. Participants with vested benefits between $1,000 and $5,000 must take the vested benefits out of the Plan or will roll into an Individual Retirement Account established for the Participant. Participants with vested benefits of greater than $5,000 may elect to delay their distributions, but distributions are required to begin not later than April 1st following the end of the year in which the Participant reaches age 72.

The Plan permits hardship withdrawals if certain financial requirements are met.

Note 2 - Significant Accounting Policies:

Accounting Method

The financial statements of the Plan have been prepared on the accrual basis of accounting, which is in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Employee and Employer contributions were recognized in the period that contributions are due.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Fair Value Measurements

Fair value accounting standards define fair value, establish a framework for measuring fair value, outline a fair value hierarchy based on inputs used to measure fair value, and enhance disclosure requirements for fair value measurements. The fair value hierarchy distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity (observable inputs that are classified within Level 1 or 2 of the hierarchy), and the reporting entity's own assumptions about market participant assumptions (unobservable inputs classified within Level 3 of the hierarchy).

- Level 1 inputs are quoted prices in active markets for identical investments that the investment manager has the ability to access at the measurement date.
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the investment, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the investment.

The Plan's statement of net assets available for benefits includes the following financial instruments that are required to be measured at fair value on a recurring basis:

- Investments in mutual funds are considered Level 1 assets, and are reported at fair value based on quoted net asset values of the shares held by the Plan at year-end.
- Investments in common collective investment trusts are valued at net asset value (NAV) per share practical expedient to estimate fair value and is excluded from the fair value hierarchy. The NAV is based on the underlying investments held by the fund less its liabilities and may be redeemed as of any valuation date.

Note 2 - Significant Accounting Policies: (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable From Participants

Participant loans are reported at their unpaid principal balances plus accrued and unpaid interest. Related fees are recorded as administrative expenses and are expensed when occurred.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses related to the Plan, including legal, audit and administrative expenses, are generally paid by the Company, with the exception of certain administrative expenses which are paid for by the Plan and charged to participants' accounts. The Plan incurred $19,782 of administrative expenses for the year ended December 31, 2022. Participants who have participant loans pay an origination fee for loan administration from their respective Plan accounts.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The COVID-19 pandemic, whose effects first became known in January 2020, is having a broad and negative impact on commerce and financial markets around the world. The United States and global markets experienced significant declines in value resulting from uncertainty caused by the pandemic. The Plan management is closely monitoring its liquidity and is actively working to minimize the impact of these declines. The extent of the impact of COVID-19 on the Plan's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its impacts on the Plan's investments, all of which at present, cannot be determined. Accordingly, the extent to which COVID-19 may impact the Plan's statement of net assets available for benefits and statement of changes in net assets available for benefits is uncertain and the accompanying financial statements include no adjustments relating to the effects of this pandemic.

Note 2 - Significant Accounting Policies: (Continued)

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through August 8, 2023, the date the financial statements were available to be issued, and concluded that there were no events or transactions that needed to be disclosed, except as disclosed in Note 8.

Note 3 - Fair Value Measurements:

The following table summarizes assets measured at fair value by classification within the fair value hierarchy at December 31:

	2022			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Balance at December 31, 2022
Mutual funds	$ 2,742,123	$ -	$ -	$ 2,742,123

	2021			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Balance at December 31, 2021
Mutual funds	$ 3,238,195	$ -	$ -	$ 3,238,195
Common collective investment trust				617
				$ 3,238,812

Note 4 - Information Prepared and Certified by the Trustee:

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to the Plan's investments disclosed in the accompanying financial statements, including investments held at December 31, 2022, net depreciation in fair value of investments and interest and dividend income for the year ended December 31, 2022, was obtained or derived from information certified as complete and accurate by Principal Financial Group, the trustee of the Plan.

Note 5 - Party-In-Interest Transaction:

Certain Plan investments are shares of mutual funds and other investments managed Principal Financial Group, the Trustee, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation in fair values of investments.

Note 6 - Plan Termination:

Although it has not expressed any intent to do so at December 31, 2022, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7 - Tax Status:

On August 1, 2018, the Company adopted the Principal Financial Group Prototype Plan. This Plan received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). An employer who adopts the Prototype Plan will be considered to have a qualified plan. Although the Plan has been amended since receiving the determination letter, the Plan sponsor believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC.

The Plan believes that it has appropriate support for any tax position taken, and, as such, does not have any uncertain tax positions that are material to the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan Administration believes it is no longer subject to income tax examinations for years prior to 2016.

Note 8 - Subsequent Event:

The Company appointed Fidelity Workplace Services, LLC ("Fidelity") as the Trustee of the Plan assets with authority over management and record keeping, and investment of Plan assets as of February 10, 2023.
