INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Eighth District Electrical Pension Fund
Annuity Plan
8311 West Sunset Road, Suite 250
Las Vegas, Nevada 89113

Members of the Board:

Opinion

We have audited the accompanying financial statements of Eighth District Electrical Pension Fund Annuity Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021 and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including

maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with general accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTE 1 - DESCRIPTION OF THE PLAN

The Eighth District Electrical Pension Fund Annuity Plan (the "Plan") is a defined contribution pension plan formed April 1, 1992 for participating employees of the Eighth District Electrical Pension Fund. The Plan is a supplement to the defined benefit plan of the Eighth District Electrical Pension Fund, which covers participants in the states of Colorado, Idaho, Montana, Utah and Wyoming. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Contributions

Employer contributions as reported are contributions made by employers on behalf of employees for hours worked during the period. Employer contributions receivable is estimated based on contributions received subsequent to the end of the period. No allowance is provided for uncollectible accounts.

Employer contributions are based on employee hours worked at hourly contribution rates agreed to in the collective bargaining agreements.

Effective July 1, 2016, individual participants may contribute to the Plan in $0.05 per hour increments with no dollar per hour cap.

D. Employer Payroll Compliance Program

Remittance reports were accepted as submitted, without examination or verification of employers' payroll records. The system of internal control provides for examination of employers' records under a separate payroll compliance program.

E. Investment Valuation and Income Recognition

Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Investment Valuation and Income Recognition (Continued)

Level 1 – Inputs are quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following table represents the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 109,456,165	$ -	$ -	$ 109,456,165
Investments Measured at Net Asset Value[A]				641,210,347
				$ 750,666,512

The following table represents the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 134,555,457	$ -	$ -	$ 134,555,457
Investments Measured at Net Asset Value[A]				737,761,315
				$ 872,316,772

[A] Investments measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy amounts to the amounts presented in the statements of net assets available for benefits.

Level 1 investments include mutual funds valued based on quoted prices in an active market.

The fully benefit-responsive guaranteed income fund invests in a diversified pool of stable investment contracts and other fixed income securities. Units of the fund are valued at the contract value of the units held by the Plan at year-end. Contract value represents deposits, plus earnings at guaranteed crediting rates, less withdrawals and fees.

The common/collective trust and pooled separate accounts are reported at net asset value; their investment strategy, unfunded commitments, and significant terms of redemption are as follows:

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Investment Valuation and Income Recognition (Continued)

	Fair Value	Funds	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
[1] Prudential Funds	$ 530,552,001	12	None	Daily	None
[2] MetWest Core Plus Bond	1,316,662	1	None	Daily	None
[3] Kennedy Capital Small Cap Value Fund	8,271,693	1	None	Daily	None
[4] T. Rowe Price Large Cap Growth Fund	58,775,975	1	None	Daily	None
[5] IBEW-NECA Equity Index Fund	42,294,016	1	None	Daily	None

[1] The funds are a family of multi-asset investment portfolios offering a range of distinct risk/return characteristics based on the approach that different bond/stock mixes are appropriate for individuals at different stages of their lives.

[2] The fund seeks to maximize long term total return by maintaining an average portfolio duration between 2 and 8 years.

[3] The fund seeks to outperform the Russell 2000 Value Index over a typical market cycle by investing in fundamentally strong, small capitalization companies with low institutional ownership and low analyst coverage.

[4] The fund seeks to provide long-term capital appreciation through investments in common stocks of growth companies.

[5] The fund's objective is to replicate as nearly as possible the returns of the broad large capitalization equity market as represented by the S&P's Composite Index.

Unrealized appreciation or depreciation in the fair value of investments is reported as net appreciation (depreciation) of investments. Investment income, realized gains and losses on sale of investments, and other investment income and expenses are reported on the accrual basis.

F. Tax-Exempt Status

No provision for federal tax is made. The Plan received its latest notice of tax-exempt status on March 27, 2015. The Plan administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. Administration

Third-party administrative services are provided by Benesys for $21,882 per month through March 31, 2022, increasing to $22,538 per month effective April 1, 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

G. Administration (Continued)

Empower charges each participant $24 per year for recordkeeping services and collects $44 per year for participant account fees. Effective January 1, 2022, the participant account fee increased to $50 per year.

H. Notes Receivable from Participants

Under certain circumstances, participants who have had an individual account for at least five years may be eligible to borrow from their accounts a minimum of $1,000 and a maximum equal to the lessor of $50,000 or 50% of their vested account balance. Normal loan terms are five years; loans for the purchase or construction of the participants' principal residence may be repaid over ten years. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1% in effect at the time the loan application is processed. Loans must be repaid in equal monthly or quarterly installments with the first payment due the first day of the quarter immediately following the loan request.

I. Participant Accounts

Each participant's account is credited with the employer's contribution, rollovers, Plan earnings, and any employee contributions, and charged an amount set annually by the Board of Trustees (Note 2-G). The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participant accounts are self-directed among investment options selected by the Board of Trustees.

J. Vesting and Unclaimed Accounts

Participants are immediately 100% vested in their employer contributions and any elective deferrals plus actual earnings thereon. As of December 31, 2022 and 2021, the Plan had $111,580 and $109,614, respectively, held in "forfeiture" accounts on behalf of participants who are unable to be located in Plan assets.

K. Payment of Benefits

On termination of service due to death, disability or retirement, a participant may receive the value of his or her account. In addition, a participant may request a distribution which shall be granted upon a determination of financial hardship.

NOTE 3 - PLAN AMENDMENT

On December 15, 2021, the Plan was amended to align its Survivor Designation of Beneficiary provision with the same provision in the Eighth District Electrical Pension Fund.

NOTE 4 - RELATED PARTY TRANSACTIONS

The Plan shares collection, employer compliance and other common expenses with two related trust funds (Eighth District Electrical Pension Fund and Eighth District Electrical Benefit Fund) and other related organizations. The Pension Fund pays these expenses and each entity reimburses it for its share of these costs based on an allocation method periodically approved by the Board of Trustees.

NOTE 4 - RELATED PARTY TRANSACTIONS (Continued)

The Plan reimburses the Rocky Mountain NECA Chapter for administrative work performed on behalf of the Plan's depository account services.

NOTE 5 - RISK AND UNCERTAINTIES

Plan investments are exposed to various risks such as interest rate, market fluctuations and credit risk. Some estimated values may differ from values that would have been used had a ready market existed for the investment. Due to the level of risk associated with investments and the level of uncertainty with respect to the changes in the value of investments, it is reasonably possible that changes in risks in the near term would materially affect the amounts reported in the financial statements.

NOTE 6 - DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2022, various contributing employers remitted some participant contributions later than required by the collective bargaining agreements. Failure to remit or untimely remittance of participant contributions constitutes a prohibited transaction under Department of Labor regulations. During the year ended December 31, 2022, the late contributions totaled $58,175.

NOTE 7 - PLAN TERMINATION
