INDEPENDENT AUDITORS' REPORT

To the Plan Trustees and Members of the
Tampa Truck Center, 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Tampa Truck Center, 401(K) Plan, (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Tampa Truck Center, 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tampa Truck Center, 401(K) Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tampa Truck Center, 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tampa Truck Center, 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tampa Truck Center, 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at Year-End) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived

from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of Tampa Truck Center, 401(K) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 20, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE A - DESCRIPTION OF PLAN

The following description of Tampa Truck Center, 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan, adopted on January 1, 2010, is a defined contribution plan covering the employees of Tampa Truck Center, LLC (the "Company"). Employees become eligible to participate in the Plan after completing two months of service, during the eligibility computation period, and having attained 21 years of age. Furthermore, the Plan is subject to the Provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Plan Sponsor and Administrator

Tampa Truck Center, LLC serves as the Plan sponsor and administrator. No officer or employee of the Company receives compensation from the Plan.

3. Contributions

Participants contribute amounts to the Plan elected as a whole dollar amount or as a percentage of their compensation as a deferral of compensation. Participants may elect to contribute to the Plan for any plan year, during which they are participants, subject to Internal Revenue Service limitations. The Plan also permits participants to make Roth elective deferrals, and eligible participants are permitted to make catch-up contributions.

Upon eligibility, participants are automatically enrolled into the Plan. If participants do not specifically elect an alternative deferral amount (including zero), the employer will automatically elect to withhold 3% of the employee's compensation on the employee's behalf. Each year thereafter the deferral automatically increases 1% on the first day of each year until the deferral reaches 6% of the participant's compensation.

Employer's contribution is made each plan year on behalf of eligible participants under the Plan as a discretionary match. Compensation and limitations based on the plan year are used when the employer matching contribution is determined. Match is calculated as 50% of participants contribution, up to 3% of the participant's compensation not to exceed \$1,500.

Rollover contributions are permitted from eligible participants.

NOTE A - DESCRIPTION OF PLAN - Continued

4. Participant Accounts

Each participant in the Plan has a separate account which is funded with an annual employer match contribution, participant's elected compensation deferrals, and the allocation of the Plan's earnings or losses. Allocations are based on the prorated earnings of the participant compared to the total earnings of all participants within the same investment.

5. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer match contribution portion of their accounts, plus actual earnings or losses thereon is based on years of service.

A participant is vested in employer match contribution as follows:

<u>Years of Service</u>	<u>Employer Match Vesting Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

One hundred percent vesting occurs, regardless of the number of years of service, when a participant dies, or becomes totally and permanently disabled.

6. Payment of Benefits

Benefit payments are made in the form of a lump-sum, substantially equal installments, or partial withdrawals. Upon normal retirement of age 65, death, or becoming permanently disabled, Plan participants will be entitled to 100% of their account balance. If employment is terminated for any reason other than those previously mentioned, the participant will only be entitled to the vested portion of the employer contributions. However, participants are entitled to 100% of the account balance of all elected compensation deferrals made on their own behalf.

NOTE A - DESCRIPTION OF PLAN - Continued

7. Forfeitures

Forfeited non-vested account balances are used to reduce employer contributions and to reduce plan expenses paid by the Sponsor. Forfeitures from non-vested accounts were approximately \$5,200 and \$54,000 at December 31, 2022 and 2021, respectively. The Plan applied forfeitures of approximately \$55,000 to reduce employer contributions during the year ended December 31, 2022.

8. Administrative Expenses

The employer absorbs significant cost of administrative expenses. Administrative expenses paid by the Plan for transaction processing services amounted to \$22,366 for the year ended December 31, 2022. Additionally, the Plan paid \$20,221 for investment management services during the year ended December 31, 2022.

9. Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, employer's contributions to participants accounts will become 100 percent vested, and not forfeited.

Some Plan participants have withdrawn from the Plan but have not had their vested balances paid to them by year end. These unpaid benefits approximated \$679,000 at December 31, 2022. However, there were no material balances related to participants who requested their benefits paid to them but had not received their benefit distributions.

10. Reclassifications

Certain reclassifications of the prior years comparative balances have been made to conform to the current year presentation.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Plan's significant accounting policies applied in the preparation of the accompanying financial statements follows:

1. Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein as well as the related disclosures. Actual results could differ from those estimates.

3. Investment Valuation and Income Recognition

The Plan's investments consist of mutual funds as of December 31, 2022 and 2021. The Plan's investments are reported at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Upon discontinuance of the contract with Reliance Trust Company, the Plan would be paid in a single sum, the contract value of the investments as of the termination date.

4. Payment of Benefits

Benefits are recorded when processed by the Plan.

NOTE C - FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

Tampa Truck Center, 401(K) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTE C - FAIR VALUE MEASUREMENT - Continued

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement), unadjusted quoted prices in active markets for similar assets or liabilities (level 2 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2022 and 2021:

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Plan at year end.

The following table presents financial assets measured at fair value on a recurring basis as of December 31, 2022:

	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>
Mutual Funds	<u>\$ 5,326,269</u>	<u>\$ 5,326,269</u>	<u>\$ -</u>	<u>\$ -</u>
Total	<u><u>\$ 5,326,269</u></u>	<u><u>\$ 5,326,269</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>

The following table presents financial assets measured at fair value on a recurring basis as of December 31, 2021:

	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>
Mutual Funds	<u>\$ 5,202,249</u>	<u>\$ 5,202,249</u>	<u>\$ -</u>	<u>\$ -</u>
Total	<u><u>\$ 5,202,249</u></u>	<u><u>\$ 5,202,249</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>

The net depreciation in the fair value of investments, including realized gains and losses, was \$1,133,447 for the year ended December 31, 2022.

NOTE D - CONCENTRATION OF CREDIT RISK

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE E - TAX STATUS

The trust established under the Plan to hold its assets is qualified pursuant to the appropriate section of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service. The Plan sponsor believes that the Plan continues to qualify and to operate as designed. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE F - CERTIFICATION FROM TRUSTEE (UNAUDITED)

The investments of the Plan were held and administered by Reliance Trust Company (the "Trustee") as of December 31, 2022 and 2021 and for the year ended December 31, 2022. The Trustee has supplied the Plan administrator with certain information utilized in preparing the financial statements and supplemental schedule for their respective fiduciary periods. The Plan administrator has obtained a certification from the Trustee certifying that the information provided by the Trustee is complete and accurate. In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator has elected not to have this information audited by the Plan's independent certified public accountants.
