INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Digital Monitoring Products, Inc. Employees 401(k) Plan
Springfield, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Digital Monitoring Products, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Digital Monitoring Products, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Digital Monitoring Products, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Digital Monitoring Products, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Digital Monitoring Products, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Digital Monitoring Products, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Schedules H, Line 4i – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Digital Monitoring Products, Inc. Employees 401(k) Plan

Notes to Financial Statements

For the Years Ended December 31, 2022 and 2021

1. Description of Plan

The following description of Digital Monitoring Products, Inc. Employees 401(k) Plan (the Plan) provides general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established September 1, 1995 and is a type of defined contribution qualified retirement plan commonly referred to as a 401(k) Plan. The Plan covers eligible employees of Digital Monitoring Products, Inc. (the Sponsor); JMB Services, LLC; and SecureCom Wireless, LLC. The Sponsor serves as both the plan administrator and plan trustee and is responsible for controlling and managing the operations of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Except as otherwise noted in the Plan's summary plan description, employees who attained age eighteen will be eligible to participate in the Plan at first date of employment. This policy was effective July 1, 2022. Prior to July 1, 2022, employees who have completed a ninety-day probation period of service and have attained age eighteen were eligible to participate. The entry date was the first day of the month after the Plan's eligibility requirements are satisfied. This requirement was not satisfied until the last day of the eligibility computation period.

Contributions

Each year, participants may contribute a percentage of their pre-tax annual compensation to their account. Participants may also make Roth contributions to their account. The Plan Sponsor may make discretionary matching contributions, if any, to be determined annually based on a percentage of employee pre-tax contributions. For the year ended December 31, 2022 and 2021, the Plan Sponsor matched 100% of contributions not exceeding the first 2% of gross compensation and 50% of the next 4% of gross compensation. The Sponsor may also make annual discretionary profit-sharing contributions in which participants must be employed on the last day of the Plan year to be eligible. There were no profit-sharing contributions during 2022 or 2021. The Plan also allows rollover contributions from other qualified plans in accordance with applicable laws and regulations. The total amount of participant and employer contributions that can be made during a year is subject to certain Internal Revenue Code (IRC) limitations.

Participant Accounts

Participants direct the investment of their contributions into various investment options offered by the Plan. Each participant's account is credited with the participant's contributions, the Sponsor's contributions, and earnings thereon. Allocations are based on each participant's earnings or account balances, as defined in the Plan. Participant accounts are charged for specific services used, such as loan set-up fees, loan maintenance fees, and distribution fees as applicable. Investment advisory fees are also allocated to participant accounts that are invested in the managed investment models. This investment advisory fee is based on the value of each participant's account balance.

1. Description of Plan - (Continued)

Vesting

Participants are immediately vested in their individual contributions plus actual earnings thereon. Vesting in the Sponsor's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service, as defined by the Plan. Participants are 1) 0% vested if less than two years, 2) 20% after two years, 3) 40% after three years, 4) 60% after four years, 5) 80% after five years, and 6) 100% vested after six years of credited service.

Forfeitures

Any non-vested portions of terminated participants' account balances remain in the Plan and may be used to reduce employer contributions and/or to reduce administrative expenses. Forfeitures may also be reallocated to each eligible participant in proportion to each such participant's elective deferral contribution made to the Plan for that plan year, except to the extent that Code Section 415 prevents a current allocation of such forfeitures. For the years ended December 31, 2022 and 2021, forfeited non-vested account balances totaled \$214,969 and \$143,112, respectively. Forfeited amounts remained in the forfeiture account and were used to reduce administrative expenses and were not reallocated to participant accounts.

Investment Options

Investment account options available include various mutual funds and a common/collective trust fund. Each participant has the option of directing his or her contributions into any of the separate investment accounts and may change the allocation daily. Participants also have the option to invest in a managed investment model which is managed by the Plan's investment manager, Pinnacle Family Advisors, Inc.

Participant Loans

Participants may borrow a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan terms shall not exceed five years or up to thirty years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined quarterly by the plan administrator. Principal and interest are paid ratably through payroll deductions. A loan becomes immediately due and payable upon a participant's termination of employment or death.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or a joint or survivor annuity.

1. Description of Plan - (Continued)

For termination of service due to other reasons, a participant may receive the value of the vested balances in his or her account as a lump-sum distribution. Certain in-service distributions, including required minimum distributions and hardship withdrawals, are also available to participants if they meet the requirements as stipulated by the Plan. All non-vested employer contributions will be forfeited.

2. Summary of Significant Accounting Policies

This summary of significant accounting policies is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the plan administrator, who is responsible for their integrity and objectivity.

Date of Management's Review

Subsequent events were evaluated through July 20, 2023 the date of the auditors' report which is the date the financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Loan amortization is based on the interest and repayment terms as stipulated in the loan agreement. Interest on participant loans is recognized when received and credited to the participant's account. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Basis of Accounting

The Plan's financial statements are presented on the accrual basis of accounting.

3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FASB ASC 820-10, Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy contains three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they provide the most reliable evidence of fair value. No Level 3 inputs were used by the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

The fair value of common collective trusts is based on the market value of the trusts underlying securities. The market value of the underlying securities is determined using closing prices reported in the active market in which the individual security is traded, if available, or by using an income approach based on observable inputs such as current yields of similar instruments with comparable durations and credit ratings. The Plan owns units of participation in the trust's underlying securities which are valued at net asset value per share.

The FASB issued Accounting Standards Update (ASU) 2015-07, Fair Value Measurement (Topic 820) – Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent). ASU 2015-07 removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the NAV per share as a practical expedient. ASU 2015-07 also removes the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the NAV per share as a practical expedient. Investments that calculate NAV per share (or its equivalent), but for which the practical expedient is not applied, will continue to be included in the fair value hierarchy along with the related required disclosures.

The common collective trust invested in by the Plan primarily consists of stable value investment contracts issued by life insurance companies, banks and other financial institutions, the performance of which may be predicated by underlying fixed income investments.

3. Fair Value Measurements - (Continued)

The principal value of these assets is designed to remain stable regardless of stock and bond fluctuations. Direct investment in the common collective trust is limited to participating plans. Investment in the common collective trust is subject to restrictions regarding transfer and withdrawal of assets including potential deferral of withdrawal requests by up to 12 months. As a result, there is risk that the investment in the common collective trust may be sold at amounts different from the net assets value per share reported at the time of sale.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Fair value measurements at December 31, 2022 using:

	Quoted prices in active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant other unobservable inputs (Level 3)	Amounts measured at fair value 12/31/2022

4. Investments

During the years ended 2022 and 2021, the Plan's investments (including gains and losses on investments bought, sold and held during the year) (depreciated) appreciated in value by (\$2,857,225) and \$1,045,249, respectively, as follows:

	<u>2022</u>	<u>2021</u>
Mutual Funds	\$ (2,868,889)	\$ 1,037,358
Common collective trust	11,664	7,891
	<u>\$ (2,857,225)</u>	<u>\$ 1,045,249</u>

5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

Recent market conditions have resulted in an unusually high degree of volatility and increased the risks associated with certain investments held by the Plan, which could impact the value of investments after the date of these financial statements.

6. Summary of Certified Information

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete by the Plan's investment custodian, MG Trust Company, LLC a Broadridge Company.

7. Related Party Transactions

The plan administrator and trustee participate in the plan. Additionally, the Plan incurs expenses related to general administration and record keeping. Pinnacle Family Advisors became the investment adviser to the Plan in August 2009. Rick Britton Revocable Trust, which has 49.8% ownership of the Plan sponsor, and Britton Family Dynasty Trust, which has 36.4% ownership of the Plan sponsor, became Pinnacle Family Advisors members in June 2015 with 23.25% ownership respectively and are entitled to distributions based on their proportional share of annual income and expenses. In January 2022 and 2021, both members received a distribution of net income of \$21,752 and \$76,976, respectively from Pinnacle Family Advisors. These transactions qualify as party-in-interest transactions.

Additional service providers of the plan include Employee Fiduciary, LLC, the plan's record keeper, and Abacus CPAs, LLC, the plan's auditor.

8. Administrative Expenses

Administrative expenses included fees for the following services during 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Third party administrator services	\$ 27,249	\$ 26,973
Investment advisory and review services	17,000	10,000
Total administrative expenses	<u>\$ 44,249</u>	<u>\$ 36,973</u>

9. Income Tax Status

The proto-type plan adopted by the Plan Sponsor obtained its latest advisory letter on March 31, 2014, in which the Internal Revenue Service stated that the proto-type plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue code. The proto-type plan has been amended since receiving the advisory letter. However, the Plan Administrator and the Plan's tax Counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan Administrator believes the plan is no longer subject to income tax examinations for years prior to 2020.

10. Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.
