Independent Auditors' Report

To the Participants and Plan Administrator of
The Polyclinic A P.C 401(K) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Polyclinic A P.C 401(K) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, and Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Polyclinic, A P.C. 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2022 and 2021 and for the Year Ended December 31, 2022

NOTE 1 - Description of the Plan

The following description of The Polyclinic, A P.C. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by The Polyclinic, PLLC (formerly known as The Polyclinic, A P.C.) ("the Company") and is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The UnitedHealth Group Employee Benefits Plans Administrative Committee ("Plan Administrator") is responsible for oversight of the Plan. The UnitedHealth Group Employee Benefits Plans Investment Committee ("Investment Committee") determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Employees who are age 21 and older and complete 250 hours of service within the first three consecutive months of employment are eligible to make deferral elections on the first day of the next month after meeting eligibility requirements. If an employee does not complete the hours requirement during the specified time period, then the employee will be eligible upon completion of one year of service.

Participants are eligible for employer match and profit sharing contributions upon completion of one year of service, if they are employed on the last day of the plan year, and complete a minimum of 1,000 hours of service each plan year.

Contributions

Each year, participants may contribute up to the maximum dollar amount permissible under the Internal Revenue Code ("the Code"). Participant contributions include pre-tax deferrals, Roth deferrals and rollover contributions. Eligible employees are automatically enrolled in the Plan as soon as administratively feasible after satisfying eligibility requirements at an employee pre-tax contribution rate of 3% of their eligible pay, unless they decline to participate within a prescribed time limit or they elect a different pre-tax and/or Roth contribution rate. Unless elected otherwise by the participant, deferrals are automatically increased annually by 1%, up to a maximum auto-deferral of 10%. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

The Company may elect to make discretionary matching and profit sharing contributions to the Plan. Profit sharing contributions are allocated to participants under a comparability formula, with each participant constituting a separate allocation group. The total amount of profit sharing contributions are allocated among the allocation groups in portions determined by the Company. The Company may make a matching contribution equal to 100% of contributions up to 3% of eligible compensation deferred to the Plan in addition to a profit sharing contribution up to 3% of each participant's eligible compensation. The Company may make an additional profit sharing contribution equal to 5.7% of excess compensation for those participants who earn greater than the Social Security maximum. Subsequent to December 31, 2022, the Company made discretionary profit sharing and matching contributions of \$3,822,808 and \$2,542,913, respectively, for the year ended December 31, 2022.

The Polyclinic, A P.C. 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2022 and 2021 and for the Year Ended December 31, 2022

NOTE 1 - Description of the Plan (cont.)

Participant Accounts

Each participant's account is credited with the participant's deferral contributions, rollover contributions, the Company's discretionary matching contributions, discretionary profit sharing contributions, if any, and plan earnings (net of administrative expenses). Plan earnings are allocated daily to each participant's account in the proportion that each participant's balance bears to the total balance of all participants' accounts in each investment. Allocations of the Company's discretionary profit sharing contributions, if any, are based on the participant's eligible compensation or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments Classification

All investments are participant directed. The Plan is intended to comply with ERISA section 404(c). Participants have the right to individually select the percentage of their accounts to be invested among different classifications of investments made available to them.

Vesting

Participants are immediately vested in their salary deferral contributions, rollover contributions and employer discretionary matching contributions, if any, and earnings thereon. Employer discretionary profit sharing contributions, if any, and earnings thereon vest in accordance with provisions of the Plan as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 2 years	0%
2	25%
3	50%
4	75%
5 or more	100%

Notwithstanding the vesting schedule above, employer discretionary profit sharing contributions, if any, will become fully vested (100%) upon the occurrence of any of the following events while the participant is employed by the Company: death, attainment of normal retirement age (age 59 ½), disability, partial plan termination with respect to the participant, complete termination of the Plan or complete discontinuance of employer contributions.

Forfeited Accounts

As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$514,675 and \$219,806, respectively. Forfeitures can be used to reduce future employer contributions or to pay certain administrative expenses. During the year ended December 31, 2022, \$73,257 of forfeitures were used to pay administrative expenses.

The Polyclinic, A P.C. 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2022 and 2021 and for the Year Ended December 31, 2022

NOTE 1 - Description of the Plan (cont.)

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, retirement or termination of employment as defined in the Plan document. The total vested portion of a participant's account balance may be distributed in the form of a lump-sum payment or partial withdrawal as defined in the Plan document. However, if a participant's account balance is valued at or less than \$1,000, it is distributed as soon as administratively practicable, without an application for distribution, in cash, as a direct distribution to the participant.

Participants experiencing financial hardship may withdraw a portion of their account balance as defined in the Plan document.

There are no amounts owed to participants who had elected to withdraw from the Plan, but had not been paid as of December 31, 2022 and 2021.

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 (subject to reduction for certain loan balances in the prior 12 months) or 50% of their vested account balances. Loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates at origination as determined by the Plan Administrator. The maximum term for a loan is 5 years, except if the loan is used to acquire the participant's principal residence, in which case the term of the loan may not exceed 10 years. Principal and interest are paid ratably through payroll deductions. Participants are permitted to have one outstanding loan at a time.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the gains and losses on investments bought and sold as well as held during the year.

The Polyclinic, A P.C. 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2022 and 2021 and for the Year Ended December 31, 2022

NOTE 2 - Summary of Significant Accounting Policies (cont.)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan will distribute the 2022 excess contributions to the applicable participants in 2023.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivables from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through August 17, 2023, the date the financial statements were approved and available to be issued.

Effective January 1, 2023, the Plan was frozen. As a result of this freeze, contributions under the Plan were permanently discontinued. Participants became 100% vested as of the Plan freeze date.

NOTE 3 - Information Prepared and Certified by Trustee

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2022 and 2021. Accordingly, Vanguard Fiduciary Trust Company (the "Trustee"), has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, and the supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2022 and 2021 and for the Year Ended December 31, 2022

NOTE 4 - Fair Value of Financial Instruments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Unadjusted quoted prices for identical assets in active markets that the Plan can access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Unobservable inputs for the asset.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Common collective trusts: Valued at the net asset value ("NAV") of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the trust will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay the withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 - Fair Value of Financial Instruments (cont.)

The table below presents the balances of assets and liabilities measured at fair value on a recurring basis by level within the hierarchy.

Investments Measured Using the NAV Per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022.

Investment	Fair Value ⁽¹⁾	Unfunded Commitment	Redemption Frequency ⁽²⁾	Redemption Notice Period
December 31, 2022				
Common collective trusts	\$ 90,114,889	\$ -	Immediate	None

(1) The fair value of investments is based on the fair values of the underlying investments in the funds.

(2) Certain events may cause funds held in the common collective trusts to be deferred, including, but not limited to, the following:

- (i) Closing or disruption of the financial markets or exchanges in which a transaction is unable to be settled prudently.
- (ii) An emergency situation in which the disposition of assets would be seriously prejudicial to participants.
- (iii) Breakdown in the means of communication normally employed to determine fair market value of an investment.
- (iv) Investments cannot be effected at normal rates of exchange.

None of these events occurred in 2022.

The Polyclinic, A P.C. 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2022 and 2021 and for the Year Ended December 31, 2022

NOTE 5 - Related Party and Party-in-interest Transactions

The Plan's investments are managed by the Trustee. These transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment manager services are included in net depreciation in fair value of investments. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as exempt party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 7 - Tax Status

The Plan uses a non-standardized pre-approved plan document sponsored by the Vanguard Group. The pre-approved plan sponsor received an opinion letter from the IRS dated June 30, 2020 which states the pre-approved document satisfies the applicable provisions of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

As of December 31, 2022 and 2021, the Plan had investments of \$33,532,973 and \$43,162,801, respectively, concentrated in one investment that accounted for more than 10% of Plan investments.

As of December 31, 2022 and 2021 and for the Year Ended December 31, 2022

NOTE 9 – Delinquent Participant Contributions

For the year ended December 31, 2022, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure under ERISA. Untimely remittances identified on the Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions totaled \$1,992,903, of which \$1,631,521 related to the year ended December 31, 2021. The Company compensated participants for lost earnings resulting from the delay in contributions related to plan year 2021 in 2023 and plans to compensate participant in 2023 for lost earnings resulting from the delay in contributions related to plan year 2022.
