## Independent Auditor's Report

To the Board of Directors  
Insurance Institute for Highway Safety  
Highway Loss Data Institute  
Arlington, Virginia

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the accompanying financial statements of Insurance Institute for Highway Safety Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Insurance Institute for Highway Safety Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Insurance Institute for Highway Safety Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Insurance Institute for Highway Safety Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

***Auditor's Responsibilities for the Audit of the Financial Statements (Continued)***

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Insurance Institute for Highway Safety Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Insurance Institute for Highway Safety Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matters**

***Supplementary Schedule Required by ERISA***

The supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Board of Directors  
Insurance Institute for Highway Safety

**Other Matters (Continued)**

***Supplementary Schedule Required by ERISA (Continued)***

In our opinion,

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

### 1. DESCRIPTION OF THE PLAN

The following description of Insurance Institute for Highway Safety Retirement Plan (the Plan, formerly Insurance Institute for Highway Safety Annuity Plan), provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### *General*

The Plan is a defined contribution plan covering all employees of Insurance Institute for Highway Safety and its affiliate, Highway Loss Data Institute (referred to collectively as the Institute). Beginning January 1, 2009, the Plan is subject to the requirements of the Employee Retirement Income Security Act (ERISA).

Prudential Insurance Company of America and Prudential Bank & Trust, FSB (formerly Prudential Trust Company), have been the custodians since the Plan's inception. In October 2007, plan management elected to add Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company as another custodian of the Plan (collectively, the custodians). All current employee and employer contributions are being deposited with Principal. Former and current employees had the option of keeping their funds with Prudential or transferring their funds to Principal. In October 2007, \$11,706,279 was transferred from Prudential to Principal. All active participant loans were transferred to Principal. If a former employee had funds remaining with Prudential, their loan remained with Prudential.

On April 1, 2022, Empower Annuity Insurance Company acquired the full-service retirement business of Prudential Financial, Inc. On October 3, 2022, Prudential Insurance and Annuity Company was renamed Empower Annuity Insurance Company.

#### *Contributions*

Each year, employees may elect to make salary reduction contributions to the Plan, subject to certain limitations. The Institute contributes 10 percent of each full-time employee's annual base compensation. Contributions may be subject to certain limitations.

#### *Participant Accounts*

Each participant's account is credited with the Institute's contributions and the salary reduction contributions, if any. The accounts are also credited with investment results and charged for withdrawals and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's separate account.

#### *Vesting*

A participant is 100 percent vested at all times in the total value of his or her separate account.

#### *Notes Receivable from Participants*

Participants may borrow from their individual accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50 percent of the value of the balance in their account or \$50,000, reduced

by the highest outstanding loan balance during the one-year period ending on the day before the loan is made. Loan terms range from one to five years, or longer, in the case of a loan used to acquire a principal residence. The loans are secured by the balance in the participant's account. The loans bear interest at a rate established from time to time by the custodians.

#### *Investment Options*

Upon enrollment in the Plan, a participant may direct that contributions and salary reduction amounts be placed in a variety of investment options.

The fund options managed at Prudential Bank & Trust, FSB (Prudential), include various mutual funds under Contract GA-5438 and under Contract GA-2067. Additionally, there is a guaranteed interest account option managed at Prudential Insurance Company, now Empower Annuity Insurance Company (Empower) effective October 3, 2022. No new contributions were made to Contracts GA-5438 or GA-2067 after September 2007. Participants are advised to read the fund prospectuses which describe the investment objectives of the portfolios currently available, and the sales charges, management fees, and expenses. In 2023, the GA-2067 Contract was revised to GA-523047-01.

The options at Principal Trust Company (Principal) include a fixed income guaranteed option account and mutual funds. Participants are advised to read the prospectus from Principal Financial Group which describes the investment objectives of the portfolios currently available, and the sales charges, management fees, and expenses.

#### *Payment of Benefits*

In general, a participant may commence receiving benefits following application to Prudential, Empower, or Principal provided that no amounts in a participant's individual account, attributable to salary reduction contributions made (and any earnings thereon) after December 31, 1988, may be distributed prior to the participant's attainment of age 59½, termination of employment, disability, or death. Hardship withdrawals are permitted based on guidelines specified by the plan agreement.

#### *Field Assistance Bulletin (FAB) 2009-02*

On July 20, 2009, the Employee Benefits Security Administration issued Field Assistance Bulletin (FAB) 2009-02, addressing the application of certain Form 5500 and Form 5500-SF annual reporting requirements to tax-sheltered annuity programs described in Section 403(b) of the Internal Revenue Code [403(b) plans]. FAB stated that, for purposes of the Plan's annual reporting and related audit requirements, an annuity contract or custodial account does not need to be treated as part of the Plan or as plan assets if it meets the certain conditions. Accordingly, some 403(b) plans excluded certain accounts, including investment income and distributions. It was determined that Insurance Institute for Highway Safety Retirement Plan does not exclude any annuity contracts nor custodial accounts and the related income and distributions in the accompanying financial statements.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### *Basis of Accounting*

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

#### *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

#### *Notes Receivable from Participants*

The Plan allows participants to borrow from their account balances. If a participant fails to make required loan payments, the loan balance is treated as a defaulted balance and continues to be carried on the records by Prudential, Empower, and Principal until a distribution event occurs. A distribution event would include death, retirement, or termination of employment. Form 5500, for tax reporting purposes, shows defaulted loan balances when a participant fails to make required payments as a taxable distribution.

The Plan's policy is to exclude deemed loan amounts from plan assets on the statements of net assets available for benefits. In 2022 and 2021, one deemed loan distributed to a participant for tax reporting purposes totaled \$19,990 and \$19,809, respectively. Notes receivable from participants as of December 31, 2022 and 2021, totaling \$447,738 and \$447,183, respectively, includes only active loans.

#### *Investment Valuation and Income Recognition*

The Plan's investments at fair value include shares of registered investment companies (mutual funds) that are valued at quoted market prices of shares held by the Plan at year end. The Plan's guaranteed interest account and fixed income guaranteed option are valued at contract value. Notes receivable from participants are valued at cost which approximates fair market value.

Purchases and sales of securities are recorded on a trade-date basis. Interest revenue is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation include the Plan's gains and losses on investments bought and sold as well as held during the year and are recognized in the financial statements in the period in which such changes occur.

#### *Contributions*

For the year ended December 31, 2022, employer contributions totaled \$1,257,384, which include \$1,009,854 received from Insurance Institute for Highway Safety and \$247,530 from Highway Loss Data Institute.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### *Contributions (Continued)*

For the year ended December 31, 2021, employer contributions totaled \$1,207,126, which include \$962,253 received from Insurance Institute for Highway Safety and \$244,873 from Highway Loss Data Institute.

#### *Payment of Benefits*

Benefits are recorded when paid.

#### *Administrative Expenses*

Plan administrative expenses typically include items such as recordkeeping, participant website access, participant statements, plan compliance services, and financial professional services. The Plan's administrative expenses are paid by either the Plan or the Employer, as provided in the plan agreement.

### 3. INFORMATION CERTIFIED BY THE PLAN CUSTODIANS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Prudential Bank & Trust, FSB, Empower Annuity Insurance Company, and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal), the custodians of the Plan, have certified that the information related to investments included in the accompanying financial statements and supplementary schedule is complete and accurate.

### 4. FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (ASC) 820-10 No. 157, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

### 4. FAIR VALUE MEASUREMENTS (CONTINUED)

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There were no required Level 2 or Level 3 inputs.

The following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2022 and 2021.

*Registered Investment Companies (Mutual Funds):* Valued at quoted market prices of the shares held by the Plan on the last business day of the plan year.

The following tables set forth the Plan's assets at fair value as of December 31, 2022 and 2021:

### 5. FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACTS

#### *Prudential Guaranteed Interest Account*

The Plan's investment in Prudential's guaranteed interest account (contract) offered by Prudential Insurance Company of America, now Empower Annuity Insurance Company, is a fully benefit-responsive contract. Amounts contributed to the contract are deposited in Prudential's general account. The Prudential general account is invested in investment grade fixed-income securities having short- to intermediate-term maturities. The majority of the investments are made in private placement bonds, mortgage loans, and publicly traded securities such as U.S. Treasury bonds, mortgage-backed securities, and corporate bonds.

Because the guaranteed interest account is a fully benefit-responsive contract, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed credit rating less withdrawals and fees. Under the group annuity insurance contract, participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance at contract value within reasonable time frames. The fair value represents the estimated proceeds that would have been paid had the contract been discontinued as of the plan year end date. The fair value is calculated multiplying the contractual market value adjustment (MVA) by the contract value. The MVA is based on a standard formula which approximates the change in market value of a bond given a change in the rate environment. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Fair value equaled contract value as of December 31, 2022 and 2021. Accordingly, fair value and contract value were \$2,513,858 and \$2,610,193 at December 31, 2022 and 2021, respectively.

5. FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACTS (CONTINUED)

*Prudential Guaranteed Interest Account (Continued)*

When establishing interest crediting rates, Prudential considers many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the insurer's general account. These rates are established without the use of a specific formula. The minimum credit rate under the contract is 3.00%. The average earnings yield shown is calculated by dividing the earnings credited to the Plan on the last day of the plan year by the end of the plan year fair value and then annualizing the result.

There are not any events that allow the issuer to terminate the contract, and which require the plan sponsor to settle at an amount different than contract value paid either within 90 days or over time.

*Principal Fixed Income Guaranteed Option*

The Principal Fixed Income Guaranteed Option (contract) is a fully benefit-responsive group annuity contract issued by the Principal Life Insurance Company. The contract guarantees principal and provides a stated credit rate backed by Principal. The rate of interest contractually guaranteed by Principal is credited to participant account balances. This net crediting rate is after the deduction of .65% for fees for administrative and recordkeeping services provided to the Plan. Principal maintains the contributions in a general account. The general account consists of over 6,000 investments, which include corporate bonds, asset-backed securities, commercial real estate mortgages, government bonds, and short-term cash equivalents.

Because the guaranteed investment contract is a fully benefit-responsive contract, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less withdrawals and administrative expense. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. Fair value equaled contract value as of December 31, 2022 and 2021. Accordingly, fair value and contract value were \$2,400,351 and \$2,360,719 at December 31, 2022 and 2021, respectively.

To maintain the contract issuers' promise to pay such withdrawals and exchanges at book value, the contracts subject the fund and its participants to certain restrictions. For example, withdrawals prompted by certain events (e.g., layoffs, early retirement, plan terminations, or changes in laws and regulations) are made at book value. Also, certain investment options offered by the Plan may be deemed by the contract issuers to compete with the contract. The terms of the contract prohibit the participant from making a direct exchange from the fund to such competing funds.

Instead, the participant must first exchange to a non-competing fund for 90 days. The interest rate is adjusted every six months. If the Plan were to terminate the Principal Fixed Income Guaranteed Option or initiate a transfer of the Plan's interest in the Principal Fixed Income Guaranteed Option, the Plan would be subjected to either a 12-month irrevocable advance notice or a 5% surrender

charge, whichever the plan sponsor chooses. A 5% surrender charge will also apply if the cumulative percentage of participant transfers from the contract exceeds 20% of the Plan's interest in the contract during the 12-month period immediately preceding the employer-level surrender of the Plan's interest in the contract. If this scenario occurs, the surrender charge will be billed to the plan sponsor (employer).

### 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was signed into law on March 27, 2020, and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), was signed into law December 29, 2019. These laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions.

Effective April 17, 2020, certain provisions were implemented under the CARES Act. The Plan will be formerly amended for the CARES Act and SECURE Act provisions elected in accordance with applicable law and IRS guidance. Under Notice 2022-33 and Notice 2022-45, the IRS has extended the deadline for retirement plans to adopt the amendments required by the SECURE Act and the CARES Act until December 31, 2025.

**10. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Institute has the right to terminate the Plan at any time. Upon termination, the value of each participant's individual account will be distributed in accordance with the plan agreement.

**11. TAX STATUS**

The Plan meets the requirements under the Internal Revenue Code and ERISA to qualify as exempt from federal income taxes. The Plan uses a Principal Financial Group Prototype Basic 403(b) plan approved by the IRS on March 31, 2017, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

The Plan has been amended since receiving the opinion letter. However, the Plan's management believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified.

The Plan's Form 5500, *Annual Return/Report of Employee Benefit Plan*, is open for inspection by the taxing authorities, generally for three years after filing.

**12. CONCENTRATION**

Investments representing 15% or more of the Plan's net assets as of December 31 are as follows:

| Fidelity 500 Index Fund | \$ 9,063,079 | 16% | \$ 10,630,075 | 16% |

Prudential Contract #2067, or #523047-1, was liquidated with a \$-0- balance as of July 31, 2023. Contract #5438 had a remaining balance of approximately \$757,000 as of July 31, 2023, and is in the process of being liquidated.

Management has evaluated subsequent events through August 14, 2023, the date the financial statements were available to be issued, and no other events have occurred subsequent to December 31, 2022, that would require disclosure.
