REPORT OF INDEPENDENT AUDITORS

To the CANTEX INC. Employee Benefits Committee of the
CANTEX INC. Safe Harbor Savings Plan I

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the CANTEX INC. Safe Harbor Savings Plan I (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“GAAP”).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or was derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or was derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CANTEX INC. SAFE HARBOR SAVINGS PLAN I

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

A. Description of Plan

General

The following description of the CANTEX INC. Safe Harbor Savings Plan I (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description.

The Plan is a defined contribution plan covering certain employees of CANTEX INC. (the “Company”) who have attained the age of 18 and completed at least ninety days of service. Employees are eligible to become a participant on the first day of each calendar quarter coinciding with or following the date of eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The purpose of the Plan is to encourage the Company’s employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement or in the event of death.

Contributions

Participants in the Plan may elect to contribute from 1% to 100% of their compensation, as defined (an elective contribution) on a pre-tax basis. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the “Code”) section 402(g), as defined by the Plan document. Employees who will become eligible or who are currently participating may make a rollover contribution to the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year may make catch-up contributions in accordance with, and subject to the limitations imposed by the Code.

The Company makes safe harbor matching contributions equal to 100% of the first 4%, plus 50% of the next 2% of each participant’s pre-tax contributions. Only contributions up to 6% are considered when calculating the Company’s matching contribution.

The Company may also make discretionary non-elective profit sharing contributions to the Plan as determined annually by management. There were no discretionary non-elective profit sharing contributions during 2022 and 2021.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of: (a) the Company’s contribution; and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

CANTEX INC. SAFE HARBOR SAVINGS PLAN I
NOTES TO FINANCIAL STATEMENTS (continued)

A. Description of Plan – continued

Vesting

Participants are immediately vested in their voluntary contributions, as well as employer safe harbor matching contributions, plus actual earnings thereon. Vesting in the Company discretionary non-elective profit sharing contributions, plus actual earnings thereon is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year	25%
2 years	50%
3 years	60%
4 years	100%

Participant Loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balances. Loan terms range up to five years, or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the Moody's bond rate plus 1%. As of December 31, 2022, interest rates ranged from 3.70% to 5.78%. As of December 31, 2021, interest rates ranged from 3.70% to 5.64%. Principal and interest are paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan's financial statements.

Benefit Payments

Upon termination of service, a participant may choose to receive a lump-sum amount equal to the value of his or her account, directly rollover his or her account to another qualified plan, or receive periodic cash installments. To the extent a terminated participant's account balance exceeds \$5,000 and the participant has not attained 65 years of age, the participant is allowed to remain in the Plan and can continue to earn investment income on the account balance. In-service withdrawals may be made to participants who have not separated from service, provided the participant has attained age 59 ½.

Participants may withdraw all or a portion of their contributions and related earnings, in accordance with the hardship provisions of the Plan document if the distribution is: (1) on account of medical expenses incurred by the participant, his or her spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from his or her principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) for burial or funeral expenses for the participant's parent, spouse, children or dependents; or, (6) for expenses relating to the repair of damage to the participant's primary residence that would qualify for the casualty deduction under the Code.

CANTEX INC. SAFE HARBOR SAVINGS PLAN I
NOTES TO FINANCIAL STATEMENTS (continued)

A. Description of Plan – continued

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to pay Plan administrative expenses that would be paid by the Company or to offset employer matching contributions for the year. During the year ended December 31, 2022, there were no amounts of forfeitures allocated to reduce matching contributions. During the year ended December 31, 2021, the Company allocated approximately \$32,000 from the forfeiture balance to fund the employer match true-up related to year-end 2020. Unallocated forfeitures outstanding as of December 31, 2022 and 2021, were approximately \$13,000 and \$5,000, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct his or her salary deferrals in 1% increments into any of the Plan's available investment options.

Plan Expenses

Employees of the Company perform certain administrative functions with no compensation from the Plan. The Company pays substantially all costs relating to asset charges and recordkeeping. All significant administrative expenses are paid by the Company and are not reflected in the accompanying financial statements.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan's administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

CANTEX INC. SAFE HARBOR SAVINGS PLAN I
NOTES TO FINANCIAL STATEMENTS (continued)

B. Summary of Significant Accounting Policies – continued

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are recognized at contract value.

The investments are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year-end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.

CANTEX INC. SAFE HARBOR SAVINGS PLAN I
NOTES TO FINANCIAL STATEMENTS (continued)

C. Fair Value Measurements – continued

- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires management to describe the methodologies used to measure the fair value of assets and liabilities. Investments in registered investment companies are valued at the published per share net asset value (“NAV”) of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at NAV. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The following table details the Plan’s investments at fair value by level, within the fair value hierarchy, as of December 31, 2022 and 2021. The Plan has no assets classified within Level 2 or Level 3 of the valuation hierarchy.

	2022	
	Level 1	Total
Registered investment companies	<u>\$12,230,777</u>	<u>\$12,230,777</u>
Total investments, at fair value	<u><u>\$12,230,777</u></u>	<u><u>\$12,230,777</u></u>
2021		
	Level 1	Total
Registered investment companies	<u>\$17,680,139</u>	<u>\$17,680,139</u>
Total investments, at fair value	<u><u>\$17,680,139</u></u>	<u><u>\$17,680,139</u></u>

D. Fully Benefit-Responsive Investment Contract

The Plan holds in its portfolio a traditional investment contract. This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses.

The minimum guaranteed rate is 1%. The average yield earned by the underlying investments of the Voya Fixed Account and credited to participants during 2022 and 2021 was 1%. Circumstances that would limit a participant’s ability to transact with the fund are not considered probable of occurring.

CANTEX INC. SAFE HARBOR SAVINGS PLAN I
NOTES TO FINANCIAL STATEMENTS (*continued*)

E. Tax Status

Effective January 1, 2015, the Plan was amended and restated by the adoption of the Voya Retirement Insurance and Annuity Company Prototype Non-Standardized Profit Sharing Plan with CODA, which has a favorable advisory letter from the Internal Revenue Service (“IRS”) dated September 1, 2014. This advisory letter states that the form of the volume submitter plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations. The Plan has been amended since receiving the determination letter.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan invests in shares of mutual funds and the Voya Fixed Account managed by the custodian. The Plan also allows for loans to participants. The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules.

G. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and total investment income for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Voya Institutional Trust Company.

CANTEX INC. SAFE HARBOR SAVINGS PLAN I

NOTES TO FINANCIAL STATEMENTS *(continued)*

H. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$19,925,514	\$24,140,951
Less: Employer receivables per the financial statements	<u>(37,096)</u>	<u>(30,589)</u>
Net assets available for benefits per the Form 5500	<u>\$19,888,418</u>	<u>\$24,110,362</u>

The following is a reconciliation of the increase in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Increase (decrease) in net assets available for benefits per the financial statements	\$ (4,215,437)	\$ 1,921,925
Less: Current year employer receivables per the financial statements	(37,096)	(30,589)
Add: Prior year receivables per the financial statements	<u>30,589</u>	<u>-</u>
Increase in net assets available for benefits per the Form 5500	<u>\$ (4,221,944)</u>	<u>\$ 1,891,336</u>

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan's financial statements. The cash basis of accounting was used in preparing the Form 5500, whereas the Plan's financial statements have been prepared on the accrual basis of accounting as required by GAAP.

I. Termination of the Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, all participants shall become 100% vested.

CANTEX INC. SAFE HARBOR SAVINGS PLAN I
NOTES TO FINANCIAL STATEMENTS (*continued*)

J. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

K. Subsequent Events

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through August 7, 2023, the date the financial statements were available for issuance.
