The Plan Administrator
First Citizens' Federal Credit Union 401(k) Plan
Fairhaven, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the First Citizens' Federal Credit Union 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FIRST CITIZENS' FEDERAL CREDIT UNION 401(k) PLAN

Notes to Financial Statements

Note 1 - Description of Plan

The following description of the First Citizens' Federal Credit Union 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan with a cash deferral arrangement covering all employees of First Citizens' Federal Credit Union and affiliate ("Credit Union" or "Employer"), who have completed three months of service and are eighteen years of age or older. An employee becomes a participant in the Plan on the first day of the month after satisfying the service requirements (the "Participant"). The Plan was adopted on January 1, 1997. Fidelity Management Trust Company ("Fidelity"), the trustee, provides recordkeeping services and serves as trustee and custodian for the Plan's investments. The Employer is the Plan's administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Substantially all investments are participant directed.

Participant Contributions

Participants may contribute up to 100% of pretax annual compensation as defined in the Plan, up to the maximum allowable under the provisions of the Internal Revenue Code ("IRC"). Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans ("Participant Rollovers"). Participants direct the investment of their contributions and the Credit Union's contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Automatically enrolled participants will have their deferral percentage increased annually by 1% until a deferral rate of 10% is reached.

Employer Contributions

Employer Safe Harbor Matching Contributions

The Credit Union contributes 100% of the first 5% of eligible compensation that all Plan participants contribute to the Plan. For the year ended December 31, 2022, the Employer Safe Harbor matching contribution totaled \$407,285, net of forfeitures applied in the amount of \$816.

Additional Employer Matching Contributions

The Credit Union may make an additional matching contribution up to 100% of the first 4% of eligible compensation that all Plan participants contribute to the Plan. For the year ended December 31, 2022, there were no additional Employer matching contributions made.

FIRST CITIZENS' FEDERAL CREDIT UNION 401(k) PLAN

Notes to Financial Statements

Note 1 - Description of Plan (Continued)

Employer Contributions (Continued)

Employer Discretionary Contributions

The Credit Union may make discretionary contributions. Such contributions are allocated in the same proportion of each eligible participant's compensation bears to total eligible participants' compensation. For the year ended December 31, 2022, there were no Credit Union discretionary profit sharing contributions made.

Participant Accounts

Participants direct the investment of all contributions into various investment options offered by the Plan. Each participant's account is credited with the Participant's contributions and all Employer contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan allocated amounts held in the revenue credit account after paying Plan expense to participants based on participant balances.

Vesting

Participants are always fully vested in their deferral account, rollover accounts and Employer Safe Harbor matching contributions. Participants vest in the Credit Union's additional matching and discretionary contributions and any earnings thereon begins at 25% at the completion of 1 year of service and results in 100% vesting after four years of service.

Forfeitures

At December 31, 2022 and 2021, forfeited non-vested amounts totaled \$1 and \$0, respectively. Forfeited account balances are used to pay the Plan's administrative expenses or to reduce future Credit Union contributions. For the Plan year ended December 31, 2022, \$816 of forfeitures were used to offset a portion of the Credit Union's contributions.

Payment of Benefits

In-service withdrawals from a participant's elective deferral account are permitted only due to financial hardship or upon reaching age 59½. Hardship withdrawals may be taken from a participant's deferral contribution account only. The amount of hardship distribution cannot exceed the amount to meet the immediate financial hardship. Upon termination of service, if a participant's account balance is greater than \$1,000, the participant may elect to receive either a lump-sum amount equal to the value of his or her account or installment payments of such amounts, frequency and duration as the participant or beneficiary may elect. If the account balance is less than \$1,000, after notification, the entire amount will be paid in a lump sum as soon as possible. If a former participant's vested account is greater than \$1,000, but not more than \$5,000, the Plan administrator, after notification, may distribute his or her entire non-forfeited account balance to an IRA rollover account for the benefit of the former participant.

FIRST CITIZENS' FEDERAL CREDIT UNION 401(k) PLAN

Notes to Financial Statements

Note 1 - Description of Plan (Continued)

Notes Receivable from Participants

Subject to approval by the Plan administrator, a participant may borrow a minimum of \$1,000 up to the lesser of \$50,000 or 50% of the participant's vested account balance reduced by the highest outstanding loan balance in the prior twelve month period. A participant may only have one loan outstanding at a time. Loan terms are up to five years (or up to 10 years for the purchase of a primary residence). The loans are secured by the balance in the Participant's vested account and bear interest at an interest rate equal to the prime rate reported in the Wall Street Journal plus 1% at the day the loan is given. Principal and interest are paid ratably through payroll deductions.

Plan Expenses

Individual participant accounts are charged directly for notes receivable from participants' recordkeeping and benefit disbursement processing fees, if applicable, and terminated participants pay an annual maintenance fee. All other operating expenses incurred in the administration of the Plan are paid by the Plan.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

Investments, Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by Fidelity.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Benefits Paid

Benefits are recorded when paid.

FIRST CITIZENS' FEDERAL CREDIT UNION 401(k) PLAN

Notes to Financial Statements

Note 2 - Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Subsequent Events

The Plan management has evaluated subsequent events through August 17, 2023, the date the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation.

Note 3 - Information Certified by Trustee and Custodian

Plan investments are held in mutual fund accounts and a stable value common/collective trust by the Plan's trustee and custodian, Fidelity Management Trust Company ("Fidelity"). Fidelity has certified to the fair value of the investments at December 31, 2022 and 2021 and investment transactions during the year ended December 31, 2022. Investment transactions include interest and dividend income and net depreciation in fair value of investments. Information included in the supplemental Schedule of Assets (Held at End of Year), including participant loans (notes receivable from participants), has also been derived from information certified by Fidelity.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level I – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

FIRST CITIZENS' FEDERAL CREDIT UNION 401(k) PLAN

Notes to Financial Statements

Note 4 - Fair Value Measurements (Continued)

Level II – Inputs other than quoted prices within Level I that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III – Inputs that are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds, including money market funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Common/Collective Trust Fund

The Plan has a Stable Value Fund that is composed primarily of indirect fully benefit-responsive investment contracts and is valued at the NAV of units of the bank collective trust. The Plan also has investments in other common/collective trusts. The NAV, as provided by the trustees, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the account less its liabilities. The practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Note 4 - Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

<i>Description</i>	<i>Assets at Fair Value as of December 31, 2022</i>

(a) In accordance with ASC Subtopic 820-10, "Fair Value Measurements," certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified within the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy amounts to amounts presented in the Statements of Net Assets Available for Benefits.

FIRST CITIZENS' FEDERAL CREDIT UNION 401(k) PLAN

Notes to Financial Statements

Note 5 - Fair Value of Investments in Entities that Use NAV Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022 and 2021:

<i>Investment</i>	<i>Fair Value 12/31/2022</i>	<i>Fair Value 12/31/2021</i>	<i>Unfunded Commitments</i>	<i>Redemption Frequency</i>	<i>Redemption Notice Period</i>
Putnam stable value trust (a)	\$ 468,441	\$ 164,141	\$ -	daily	1 day
Putnam Retirement Advantage trusts (a)	5,675,142	-	-	daily	1 day
Total	\$ 6,143,583	\$ 164,141	\$ -		

(a) See Note 4 for the description of the common/collective trust.

Note 6 - Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events such as an international conflict which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Employer may determine.

Note 8 - Tax Status

The Internal Revenue Service ("IRS") has determined that the prototype 401(k) profit sharing plan is designed in accordance with applicable sections of the IRC and informed Fidelity of such in a letter dated June 30, 2020. Although the Plan has been amended since receiving the opinion letter, the Plan administrative committee/Plan administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

FIRST CITIZENS' FEDERAL CREDIT UNION 401(k) PLAN

Notes to Financial Statements

Note 8 - Tax Status (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 - Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity Investments. Fidelity Investments is the trustee (custodian) as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. For the year ended December 31, 2022, \$22,765 was paid by the Plan for vendor and administrative services. For the year ended December 31, 2022, \$15,106 of revenue credits were received from Fidelity. In addition, notes receivable from participants are considered to be party-in-interest transactions.
