INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Avanir Pharmaceuticals Employee Savings and Protection Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Avanir Pharmaceuticals Employee Savings and Protection Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 30, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the period ended December 30, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("Qualified Institution").

Management has obtained certifications from a Qualified Institution as of December 30, 2022 and December 31, 2021 and for the period ended December 30, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of period) as of December 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying

accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Plan Merger

As further discussed in Note 1, the Plan merged with another employee benefit plan.

AVANIR PHARMACEUTICALS EMPLOYEE SAVINGS AND PROTECTION PLAN

NOTES TO FINANCIAL STATEMENTS

December 30, 2022 and December 31, 2021

NOTE 1 – PLAN DESCRIPTION

The following description of the Avanir Pharmaceuticals Employee Savings and Protection Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan originally established by Avanir Pharmaceuticals, Inc. (the "Company") on January 1, 1993, and intended to qualify as a profit-sharing plan under Code sections 401(a) and 401(k) of the Internal Revenue Code ("IRC"). All employees of the Company who were at least 21 years of age, except for leased employees, were eligible to participate in the Plan. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On December 30, 2022, the Plan merged with the plan of the parent of the Company, Otsuka Pharmaceuticals 401(k) Savings Plan ("Otsuka Plan") and the Plan assets were transferred on December 30, 2022.

Plan Administration

The Plan was sponsored by the Company, and certain members of the Company's management are the Plan's administrators and were responsible for monitoring investments and maintaining the individual participant account balances. Fidelity Management Trust Company ("Fidelity") was the Plan's custodian (the "Custodian") and trustee.

Participant Contributions

Participants were able to make pretax, Roth or after-tax contributions of up to 60% of their annual eligible compensation. The pretax and Roth contributions combined shall not exceed the maximum allowed under the IRC limitations, which was \$20,500 for the 2022 Plan year. However, highly compensated employees (as defined by the Plan) may be subject to further limitations. Participants that were 50 years of age or older who met the annual IRC deferral limit or the specified Plan limits for deferral, were able to contribute a catch-up contribution of up to \$6,500 for the 2022 Plan year. Participants were also able to rollover amounts representing distributions from other qualified plans. All participant contributions were self-directed by the participants in one or more of the investment options offered under the Plan.

AND PROTECTION PLAN**

NOTES TO FINANCIAL STATEMENTS

December 30, 2022 and December 31, 2021

NOTE 1 – PLAN DESCRIPTION, continued

Employer Contributions

The Plan provided for discretionary matching contributions in an amount determined at least annually by the Company's Board of Directors. For the 2022 Plan year, the matching contribution was 100% of each participant's contribution up to 10% of their eligible compensation. During the period ended December 30, 2022, matching contributions totaled \$3,716,892.

The Plan also provided for qualified matching employer contributions (as defined) and discretionary nonelective employer contributions (as defined). During the period ended December 30, 2022, the Company made none of these contributions.

Participants' Accounts

Participants' contributions were invested in various funds according to participant elections and were allocated among the available funds in whole percentages. Individual accounts were maintained for each of the Plan's participants to reflect each participant's contributions and related employer contributions, as well as the participant's share of the Plan's income and any related administrative expenses. Allocations of Plan income and expenses were based on the proportion that each participant's account balance has to the total of all participant account balances. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account.

Participant Loans

Participants could borrow from their accounts up to the lesser of \$50,000 or 50% of their vested account balance. The loans were secured by the balance in the participant's account and were required to be repaid at a fixed interest rate which was commensurate with local prevailing rates. Loans were required to be repaid within five years unless the loan was for the purchase of a principal residence. In this case, the repayment period could be extended.

AND PROTECTION PLAN**

NOTES TO FINANCIAL STATEMENTS

December 30, 2022 and December 31, 2021

NOTE 1 – PLAN DESCRIPTION, continued

Vesting

Participants were 100% vested at all times in their voluntary contributions, plus actual earnings or losses thereon. Vesting in employer contributions was based on years of continuous service. Participants vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

If a participant was employed by the Company when attaining the age 55, all contributions were 100% vested.

Forfeited Accounts

Forfeitures of employer contributions could occur if a participant terminated employment before becoming fully vested in such contributions, or to the extent that matching contributions related to excess 401(k) elective deferrals; such contributions were subject to forfeiture even if they were otherwise vested. Forfeited balances of terminated participants' nonvested accounts were used, at the discretion of the Company, to reduce future employer contributions and to pay Plan expenses. During the period ended December 30, 2022, forfeitures of \$1,822,566 were used to reduce employer contributions. As of December 30, 2022, there were no unallocated forfeited non-vested amounts held by the Plan.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant was eligible to receive cash payments equal to the value of the participant's vested interest in his or her account. These payments could be paid in a lump sum payment or paid in installments over time.

At December 30, 2022, there were no amounts allocated to participants who elected to withdraw from the Plan that had not yet been paid.

AND PROTECTION PLAN**

NOTES TO FINANCIAL STATEMENTS

December 30, 2022 and December 31, 2021

NOTE 1 – PLAN DESCRIPTION, continued

Withdrawals

A participant upon the attainment of age 59½ could withdraw all or any portion of his or her vested account balance.

Any withdrawal made by a participant prior to attaining age 59½ that was not rolled over into another retirement account, for reasons other than death or disability, was subject to a 20% federal excise tax.

A withdrawal from a participant's account could be permitted if the participant had a financial hardship for certain specific reasons as defined in the Plan document. There were hardship withdrawals totaling \$72,420 during the period ended December 30, 2022.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could materially differ from those estimates.

Investment Valuation

The Plan's investments were stated at fair value (see Note 4). Purchases and sales of securities were recorded on a trade-date basis. Net appreciation or depreciation in fair value of investments for the period was reflected in the accompanying statement of changes in net assets available for benefits, which consisted of the realized gains or losses and the unrealized appreciation or depreciation on those investments. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date.

AND PROTECTION PLAN**

NOTES TO FINANCIAL STATEMENTS

December 30, 2022 and December 31, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Promissory Notes from Participants

Promissory notes from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when they were incurred. No allowance for credit losses was recorded as of December 30, 2022 and December 31, 2021. If a participant ceased to make loan repayments and the plan administrator deemed the participant loan to be in default, the participant loan balance was reduced and a benefit payment was recorded.

Payment of Benefits

Benefit payments were recorded when paid to the participant. Participants terminating employment were entitled to a distribution of their vested portion of accrued benefits.

Administrative Expenses

Certain administrative functions were performed by officers or employees of the Company; no such officer or employee received compensation from the Plan for these services. Certain expenses of maintaining the Plan were paid directly by the Company and were excluded from these financial statements. Fees related to the administration of promissory notes from participants were charged directly to the participant's account and were included in administrative fees. Investment-related expenses were included in net appreciation in fair value of investments.

NOTE 3 – INVESTMENT OPTIONS

Contributions made on behalf of the participants were invested in various funds according to participant elections. Participants could direct the investment contribution into the various options offered by the Plan. Participants could change investment elections at any time via telephone or via Internet access with the Custodian.

NOTE 4 – FAIR VALUE MEASUREMENTS

Accounting guidance defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal, or in the absence of a principal market, the most advantageous market for the asset or liability, in an orderly transaction between market participants on the measurement date. A fair value hierarchy was established that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs in priority that may be used to measure fair value:

Level 1—Quoted prices in active markets for identical assets or liabilities;

Level 2—Observable inputs other than quoted prices included within Level 1, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; inputs other than quoted prices that are observable for the asset or liability (such as interest rates and yield curves, credit risks, and default rates) or other inputs that are principally derived from or corroborated by observable market data by correlation or by other means; and

Level 3—Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such investments pursuant to the valuation hierarchy.

Mutual Funds

The fair value of mutual funds was based upon quoted market prices in an exchange and active markets, which represented the net asset values of shares held by the Plan at period end and were classified as Level 1 investments.

Common Collective Trust

The common collective trust was valued at the net asset value of units of a collective trust. The net asset value, as provided by the fund manager, was used as a practical expedient to estimate fair value, and therefore this investment was not classified within the fair value hierarchy. The net asset value was based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient would not have been used if it was determined to be probable that the fund would sell the investment for an amount different from the reported net asset value.

**AVANIR PHARMACEUTICALS EMPLOYEE SAVINGS
AND PROTECTION PLAN**

NOTES TO FINANCIAL STATEMENTS

December 30, 2022 and December 31, 2021

NOTE 4 – FAIR VALUE MEASUREMENTS, continued

As of December 30, 2022, all funds in investments were transferred to the Otsuka Plan. As of December 31, 2021, the Plan’s investments measured at fair value on a recurring basis were as follows:

	December 31, 2021			
	<u>Total</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Assets:				
Mutual funds	\$ 104,124,028	\$ 104,124,028	\$ -	\$ -
Common collective trust at net asset value	<u>1,205,430</u>	<u>-</u>	<u>-</u>	<u>-</u>
Total assets	<u>\$ 105,329,458</u>	<u>\$ 104,124,028</u>	<u>\$ -</u>	<u>\$ -</u>

The common collective trust held by the Plan has an objective of providing safety of principal and consistency of returns while attempting to maintain minimal volatility. There were no unfunded commitments. The trustee, in its sole discretion, reserved the right to require up to twelve months advance notice for Plan sponsor-initiated withdrawals. The trustee may grant, in its sole discretion, a withdrawal as of an earlier date. Participant-directed redemptions are allowed daily.

NOTE 5 – INCOME TAX STATUS

The Plan adopted a prototype plan of Fidelity (the “Prototype Plan”) that conformed the design and operations of the Plan to the Prototype Plan. Fidelity received a favorable determination letter from the Internal Revenue Service for the Prototype Plan on March 31, 2014 indicating that the Plan was designed in accordance with the applicable sections of the IRC. Although the Plan was amended since receiving the determination letter, the plan administrator believes the Plan was designed, and was operated, in compliance with the Prototype Plan and with the applicable requirements of the IRC. Therefore, no provision for income taxes was included in the Plan’s financial statements.

**AVANIR PHARMACEUTICALS EMPLOYEE SAVINGS
AND PROTECTION PLAN**

NOTES TO FINANCIAL STATEMENTS

December 30, 2022 and December 31, 2021

NOTE 5 – INCOME TAX STATUS, continued

In accordance with U.S. GAAP, the plan administrator as required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan took an uncertain income tax position that was more-likely-than not to be sustained upon audit by the Internal Revenue Service (“IRS”). An uncertain income tax position will not be recognized if it has less than a 50% likelihood of being sustained. The plan administrator analyzed the tax positions taken by the Plan and has concluded that as of December 30, 2022 and December 31, 2021, there were no uncertain positions taken or expected to be taken that would require the recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 6 – SUMMARY OF UNAUDITED INFORMATION

The plan administrator elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian certified that the following data in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, as shown in the Statements of Net Assets Available for Benefits as of December 30, 2022 and December 31, 2021;
- Investment income, as shown in the Statement of Changes in Net Assets Available for Benefits for the period ended December 30, 2022;
- The fair value of the investments as disclosed in Note 4; and
- Schedule I: Schedule H, Line 4i – Schedule of Assets (Held at End of Period) as of December 30, 2022.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Plan investments were in investments held by the Custodian. In addition, the Plan had loans with its participants. Both the Custodian and the participants were considered parties-in-interest under ERISA. Net administrative fees paid by the Plan to the Custodian totaled \$36,509 for the period ended December 30, 2022. All of these transactions, including participant loans, were considered exempt party-in-interest transactions under ERISA.

**AVANIR PHARMACEUTICALS EMPLOYEE SAVINGS
AND PROTECTION PLAN**

NOTES TO FINANCIAL STATEMENTS

December 30, 2022 and December 31, 2021

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provided for various investment options in any combination of mutual funds with different investment strategies. Such investments were exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment funds and the level of uncertainty related to changes in their value, it was at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

The Plan has determined that no events have occurred subsequent to the date of the statement of net assets available for benefits and through June 29, 2023, the date of issuance of these financial statements, which would require recording or disclosure in its financial statements.
