Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the A to Z Drying, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the A to Z Drying, Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the A to Z Drying, Inc. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the A to Z Drying, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the A to Z Drying, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the A to Z Drying, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of and for the year ended December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to the Financial Statements

(1) Description of Plan

The following description of the A to Z Drying, Inc. Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of A to Z Drying, Inc. (Company) who have completed six months of service and are age 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan adopted a prototype plan document that was provided by Minnesota Life Insurance Company (Minnesota Life). The Plan's both prototype plan document received its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the plan, as then designed, was acceptable under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with all applicable requirements of the Internal Revenue Code. Therefore, it believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Contributions

Prior to October 1, 2021, participants in the Plan could make pretax contributions up to 100% of their eligible compensation, as defined by the plan document, subject to amounts allowed by IRS regulations. Effective October 1, 2021, participants in the Plan can make pretax contributions, Roth contributions or a combination of both up to 100% of their eligible compensation, subject to amounts allowed by IRS regulations. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover contributions). Participants who have attained age 50 before the end of the plan year are also eligible to make catch-up contributions.

The employer matches employee deferrals up to 6% of compensation at a rate of 25%, resulting in a maximum employer-matching contribution equal to 1.5% of compensation.

The Company may also make discretionary profit sharing contributions. The Company's Board of Directors did not approve a discretionary profit sharing contribution for the years ended December 31, 2022 and 2021.

Participant Accounts

Each participant's account is credited with the participant's elective and rollover contributions, employer-matching contributions made by the Company and an allocation of Plan earnings and charged with an allocation of administrative expenses. Allocation of the Company's discretionary matching contributions is based on participant contributions. Because all accounts are 100% participant directed, Plan earnings are attributable to the investments selected by each participant and allocated to each participant in a manner that reflects the investment experience of each participant's directions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

As of December 31, 2022 and 2021, there were no amounts allocated to the accounts of terminated participants who had requested distributions but had not yet been paid.

Notes to the Financial Statements

(1) Description of Plan

Vesting

Participants are immediately vested in their elective deferral, rollover contributions plus earnings thereon. Vesting in the employer-matching and profit sharing contributions plus earnings thereon is based on years of service as shown in the following schedule.

Years of Service	Vested Percentage
Less than 3.....	0%
3 or more.....	100%

Forfeitures of employer contributions may be used to reduce employer contributions or to pay Plan administrative expenses. During 2022 and 2021, total forfeitures were \$957 and \$987, respectively. Forfeitures of \$961 and \$1,321, respectively, were used to reduce 2022 and 2021 administrative expenses. As of December 31, 2022 and 2021, there were no unallocated Plan assets resulting from forfeitures.

Investment Options

Participants can direct the investment of their contributions among several pooled separate accounts and a stable value fund offered by the Plan. Participants may change their investment elections between the various options as often as they wish.

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account. Loan transactions are treated as a transfer to (from) the participant-directed investments from (to) the participant notes receivable. Participants may only have two loans outstanding at any time. Principal and interest is to be paid ratably through weekly payroll deductions.

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum amount equal the value of his or her account, substantially equal installments or a partial withdrawal.

In-service distributions may be taken only after the participant has reached age 59-1/2.

Hardship distributions are allowed from the fully vested portions of participant accounts.

Administrative Expenses

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and recorded in the accompanying statements of changes in net assets available for plan benefits as administrative expenses. These administrative expenses are charged to participant accounts. The Plan Sponsor, A to Z Drying, Inc., provides participant data services to the Plan at no charge. In addition, A to Z Drying, Inc. pays other general administration fees on behalf of the Plan.

Third-Party Fee Agreements

In addition to the administrative fees deducted from net assets on the face of the statements of changes in net assets available for plan benefits, the various investment providers to the Plan retain investment earnings to help cover the cost of operating the funds. These fees, which were less than 1% of investments for the years ended December 31, 2022 and 2021, have been netted against investment income.

Notes to the Financial Statements

(1) Description of Plan

Subsequent Events

Management has evaluated subsequent events through August 8, 2023, the date which the financial statements were available to be issued.

(2) Summary of Significant Accounting Policies and Other Matters

Basis of Accounting

The Plan prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The Plan Administrator uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported changes in net assets available for plan benefits.

Financial Instruments and Concentration of Credit Risk

The Plan's investments subject the Plan to concentrations of credit risk in that substantially all of those investments are held in a group annuity contract with Minnesota Life. Following customary practices, the Plan does not hold collateral for investments made through this source. The maximum potential credit loss to the Plan is limited to total Plan investments as shown on the accompanying statements of net assets available for plan benefits.

Valuation of Investments

The Plan has a traditional fully benefit-responsive guaranteed investment contract with Minnesota Life. Minnesota Life maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 3%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Minnesota Life, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

(2) Summary of Significant Accounting Policies and Other Matters

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (e) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (a) an uncured violation of the Plan's investment guidelines, (b) a breach of material obligation under the contract, (c) a material misrepresentation or (d) a material amendment to the agreement without the consent of the issuer.

Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported on the historical cost method. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Net appreciation in fair value of investments is reflected in the statements of changes in net assets available for plan benefits and includes realized gains and losses on investments bought and sold and the change in appreciation from one period to the next.

Dividend income is to be separately stated. However, dividend income is included with the net appreciation in fair value of investments on reports obtained from the record keeper and detail was not available to permit segregation of dividend income. Therefore, dividend income has been included with the net appreciation in fair value of investments on the statements of changes in net assets available for plan benefits and on Form 5500.

Payment of Benefits

Benefits are recorded when paid.

Income Tax Status

Plan management is required to evaluate tax positions taken by the Plan and disclose a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, as of December 31, 2022 and 2021, there were no audits for any tax periods in progress.

Notes to the Financial Statements

(3) Investments

The Plan's investments were held by Minnesota Life which has provided the Plan with a certification that the information provided is complete and accurate.

All of the Plan's investments as of December 31, 2022 and 2021 were valued at contract value.

(4) Related-Party and Party-in-Interest Transactions

The Plan Sponsor provides participant data services to the Plan at no charge. In addition, for the years ended December 31, 2022 and 2021, the Plan Sponsor fully absorbed the Plan's administrative expenses.

The Plan directly enters into party-in-interest transactions with service providers, including third-party administrators, investment advisors and auditors and purchases and sales of pooled separate account investments sponsored by Minnesota Life. Such transactions resulted in administrative fees as reflected in the statements of changes in net assets available for plan benefits.

Two members of the Plan Sponsor's Board of Directors are participants in the Plan and also serve as Plan trustees.

(5) Risk and Uncertainties

The Plan invests in various pooled separate accounts and a stable value fund. These investments are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such a pandemic or international conflict. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

(6) Plan Termination

Although it has not expressed any intent to do so, the Company has the right at any time to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.
